## Hanoi Bridge Bombed

SAIGON, South Viet Nam (AP) — Dodging heavy missile and conventional antiaircraft fire, U.S. Navy and Air Force planes hit three surface-to-air missile sites yesterday about 35 miles northeast of Hanoi, a U.S. spokesman said.

Viet Cong infiltrators today attacked the Da Nang air base, biggest U.S. military complex in South Ciet Nam, for the second time in less than a week.

The Viet Cong attack appeared to be concentrated on U.S. Marine and Seabee installations on Da Nang East, on the peninsula across the river from Da Nang City, about 360 miles north of Saigon.

The area was hit hard last Thursday by Communist suicide squads who slipped through the defense perimeter into the Marine helicopter base and destroyed 18 of the choppers and damaged another 22.

**PILOT MISSING**

One Navy plane was shot down and the pilot was listed as missing.

Pilots reported they counted 17 missiles fired at them during the attack.

They said they observed hits on launchers and vehicles in the target areas of all three installations.

A highway bridge on a major route to Hanoi,in the midst of the missile installations, was destroyed during the coordinated Navy - Air Force strikes, a spokes said.

### Paradise Drive Sewer Trench To Be Reviewed

By STEPHEN COOK

Engineers, attorneys and contractors were scheduled to meet at 3 p.m. today at Corte Madera Town Hall to seek an end to a stalemate which has halted work on an extensive sewer line replacement job on Paradise Drive.

A 16-foot deep trench in front of the Paradise Shopping Center and cracks in the road around the ditch are the points in dispute.

Sewer lines must be lowered into the ditch and the trench must be refilled before a contract between Kirkwood-Bly of Santa Rosa and the Corte Madera Sanitary District is complete.

Before that work can begin again, though, according to Corte Madera Town Mgr. Ron L. Usher, the contractor must agree to make extensive repairs to Paradise Drive.

**ENCROACHMENT**

Kirkwood-Bly's encroachment permit to work on Paradise Drive expired Saturday. The town is refusing to issue another unless the firm agrees to:

1. File a performance bond of $15,000 to insure complete restoration of Paradis Drive when the job is complete.

2. Deposit of $3,000 to cover survey engineering and inspection of all repairs made to the road.

3. File a bond of $5,000 to cover maintenance of the reconstructed portion of the road for a year after the work is complete.

**CRACKS**

Usher said work on the ditch caused the road to shift and crack in much the same way it would after a severe earthquake.

James Kirkwood of Kirkwood-Bly said Saturday the town's demands are too severe, that he has ordered his crews to pull out, and that he has the backing of the sanitary district engineers, Brown and Caldwell of San Francisco.

"I would not say we are backing him," said Richard C. Aberley of that firm today. "We are taking the attitude that the main thing is to finish work on the sewer line. As far as we are concerned, the contractor won't be released by the district until the road is repaired."

**MEETING**

Aberley said his firm would be represented in today's meeting of the town attorney and engineer and Kirkwood-Bly representatives.

"We are going to try to iron this out so we can be back to work tomorrow," he said.

Gabe M. Angel, head of the Paradise Shopping Center Merchants Assn., asked the town for action Saturday, saying the ditch is a hazard and is keeping customers out of the shopping center.

Usher said today that the ditch is blocking only the eastern-most entrance to the shopping center.

City work crews were out today, blacktopping the road in front of the other two driveways to the center. Work on the ditch there, Usher said, is complete with the exception that the road is still chewed up.

## Eggs, Potatoes Mark Halloween

It was a quiet Halloween in all of Marin's cities except Mill Valley, but there was some trouble in some unincorporated areas.

Sheriff's Capt. Sidney Stinson reported a total of 54 calls from 7:30 to 11 p.m. yesterday, mostly from Kentfield, Tamalpais Valley and Sleepy Hollow.

None exploded into violence. Mostly they involved egg throwing, water - filled balloon "bombs," and "general juvenile rowdyism," Stinson said.

Gangs of teen-agers invaded private property in Kent Woodlands in what John J. Gardiner of 8 Laurel Way declared today "isn't just Halloween—it's every weekend."

Gardiner said "there is a definite move by Kent Woodlands residents to get their own private patrol" to supplement sheriff's protection in the area.

Oleg N. Ivanitsky, 31 Turnagain Road, Kent Woodlands, said a bullet or pellet was fired through his living room window.

No one was in the room at the time of the shot. Mrs. Ivanitsky said she was watching television in another room when she heard the shot. The slug was found about five feet inside the room from the window.

Alto Fire Department reported juveniles throwing gasoline on lawns in the 100 block of Belvedere Drive, then igniting it. No real damage resulted, however.

Mrs. Geraldine Sims of 717 Marin Drive, Tamalpais Valley, reported juveniles spraying paint on cars and mail boxes.

Jack M. Meister of 1040 Butterfield Road, Sleepy Hollow, said juveniles had broken a water pipe.

In Mill Valley, there were some egg and potato throwing, a pumpkin fight and a pumpkin explosion. Police confiscated a dozen cartons of eggs and two fire extinguishers filled with water from juveniles.

Some of the Halloween vandals started Saturday night, when Mrs. Miriam Ansell, Sausalito city Clerk, repjorted her car was pelted with eggs as she drove into Mill Valley.

Police discovered several broken windows in Mill Valley's Park School yesterday morning.

Nancy Ann Horre of 29 Sirard Lane, San Rafael, told Mill Valley police someone in a passing car hit her with a rubber hose as she was bicycling north on Camino Alto at East Blithedale Avenue at 4:45 p.m. yesterday.

Water-filled balloons and firecrackers were thrown at her car, said Mrs. A. M. Baclawski of 166 Kipling Drive, Mill Valley. Eggs were thrown through the open door of the home of Mrs. F. W. Etzold at 31 Bigelow Avenue. Ripe tomatoes were hurled at a car on Del Casa Drive.

J. W. Clow of 200 Manor Drive nabbed a boy who threw a firecracker into a jack o' lantern, causing it to explode.

A gang fight involving 15 boys was reported at the Mill Valley city tennis courts on East Blithedale Avenue at 8:30 p.m. When police arrived, the boys were gone but many broken pumpkins remained behind as evidence.

A potato was hurled through a window at the Mill Valley American Legion Hall. Police had many reports of eggs and other objects thrown at houses and cars.

In Novato, teen-agers began congregating at First Street and Mirabella Avenue in what police feared might flare into trouble, but were dispersed without incident except for one or two cases of throwing garbage. This was the scene of a Halloween riot two years ago.

Two windows at Novato's Marion Street School were brok-

## Second Red Registration Trial Opens

WASHINGTON (AP) — The Communist party's second trial in three years on charges of failing to register as a Soviet agent limped off to a slow start today.

Judge William B. Jones asked opposing attorneys to fill him in on its historical background. Then he postponed selection of jury until this afternoon because, "I'm going to have to do a little reading before I'm ready."

Jones, 58, who was appointed to the U.S. District Court in 1962, was assigned to the case as the government sought a repeat of the party's conviction on similar charges in December, 1962.

Although that verdict brought a $120,000 fine, it was later overturned by t he U.S. Court of Appeals.

Gus Hall, a veteran spokesman for the U.S. Communist party, was in the front row as proceedings began.

The 12-count indictment returned by a grand jury last February charges the party not only with failure to register but with doing so in the full knowledge that a volunteer was available and willing to register on behalf of the party.

The U.S. Court of Appeals, in striking down the 1962 conviction one year later, ruled that

## Vallejo Crash Kills Airman From Marin

A 37-year-old airman stationed at Hamilton Air Force Base was killed yesterday when a car in which he was a passenger veered off the street at Vallejo and hit a power pole.

S/Sgt. Aldolphus Ward, who had been with the 78th Supply Squadron at Hamilton since 1962, was given first aid at Mare Island Navy Base but was dead on arrival at the base hospital from multiple body injuries.

Vallejo police said the auto, driven by John H. Jackson of San Francisco, was northbound along Broadway, Vallejo, when it left the street and crashed into the pole.

Jackson was taken to Kaiser Hospital with a fractured leg. There was no other vehicle involved in the 4 a.m. accident, said police.

Ward, with the Air Force for 19 years, was a native of Texas.

He is survived by his wife, Ruby Jean Ward of Fort Worth, Tex. two children, Ronald C. Hill and Deborah G. Ward; and his mother, Mrs. Lila Ward of Dallas, Tex.

Funeral arrangements are pending at the Chapel of Marin, Novato.

## Klan Refuses Answers To Financial Queries

WASHINGTON (UPI) — Congressional investigators said today that a check was deposited in the personal account of Georgia Ku Klux Klan leader 20 days after a similar amount was withdrawn from the organization's bank assets.

Philip Manuel, staff invstigator for the House Committee on Un-American Activities, detailed the bank transaction when James Douglas Newberryn 55, of Atlanta, was called to testify on Klan activities.

Newberry, identified as treasurer of the Georgia Klan, invoked the Fifth Amendment when Manuel questioned him about the withdrawal of funds from the account of the State Men's Club in the First National Bank of Atlanta which he said was a "cover" for the Realm of Georgia, United Klans.

Manuel said that on April 1 a check as drawn for $1,642.11, made out to cash and signed by Georgia Grand Dragon Calvin F. Craig and Jim Newburg.

The investigator said an investigation had established that the check was endorsed by J.D. Newberry. Manuel said Newberry's personal account was checked and that a statement of April 21 showed a deposit of $1,642.11.

Newberry refused to tell the committee whether he deposited money to his personal account from checks drawn on Klan funds; for what purpose the money was withdrawn; whether Craig knew that he had deposited a similar amount in his own account; or whether the membership of the Klan was aware of the transaction.

Newberry followed several other witnesses, identified as Klan leaders, who invoked the Fifth Amendment and refused to answer any questions.

William A. Daniel Sr., identified as the exalted cyclops of the Nathan Bedford Forest Klavern No. 1 in Atlanta, invoked the Fifth Amendment.

Daniel refused to snawer on grounds of possible self - incrimination when asked by investigator Phillip Manuel whether he had furnished four blasting caps to Johnny Lee Burnette of Hueytown, Ala., on Sept. 8-9.

## Fire Blamed On Cans Of Gasoline

Fumes from two opened cans of gasoline were blamed for a fire which did damage estimated at $4,000 to the garage at the home of Jack F. Boner at 793 Franklin Avenue, Novato, at 11:57 a.m. Saturday, according to Fire Chief George Cavallero.

Boner had been working on outboard motors and set the motors and gasoline cans in the garage. The fumes were ignited by the water heater, Cavallero said.

The fire destroyed the garage, four outboard motors, a great quantity of fishing equipment, power mower and other contents.

Only a fire-rresistant stucco wall prevented its spreading into the home, the chief said.

## U.S. Apology For Civilians Killed In War

SAIGON (AP)—U.S. Ambassador Henry Cabot Lodge today conveyed his personal regrets to Prime Minister Nguyen Cao Ky about the bombing by U.S. planes that killed 48 Vietnamese civilians and injured 55 others in a friendly village during the weekend.

The planes were sent over the target 319 miles north of Saigon through a map-reading error by a South Vietnamese lieutenant, who today faces a court-martial for the error. Two A-1E Skyraider planes destroyed much of the De Duc village in the tragedy Saturday.

The target the planes were after actually was seven miles from the village, which is situated 40 miles north of Qui Nhon. Because of the unidentified lieutenant's error in map-reading, the innocent village was blasted by white phosophorous bombs and 250-pound fragmentation bombs.

The error was a simple one, an American said. Just two digits of the six-digit map coordinate had been reversed.

Vietnamese troops under attack from a village called for help. Two American propeller-driven Skyraiders were ordered to make the attack, but their U.S. forward observer suspected that the location given by the Vietnamese was wrong and requested confirmation.

The Vietnamese confirmed that the map coordinates—for De Doc—were correct as given. The observer passed them on to the two American pilots, who hit De Duc.

The error was a simple one, an American said. Just two digits of the six-digit map coordinate had been reversed.

Vietnamese troops under attack from a village called for help. Two American propeller-driven Skyraiders were ordered to make the attack, but their U.S. forward observer suspected that the location given by the Vietnamese was wrong and requested confirmation.

The Vietnamese confirmed that the map coordinates—for De Doc—were correct as given. The observer passed them on to the two American pilots, who hit De Duc.

### Child Is Found Dead In Washer

ARLINGTON, Va. (UPI) — Police found two small Arlington girls in an abandoned dishwasher here today after an all night search. One was dead. The other was taken to a hospital for treatment and released.

Authorities said they found no evidence of foul play.

## Costumed Girl Killed By Auto

SAN JOSE (AP)—A 5-year-old girl, dressed as a ghost, was killed by a car last night, while on a Halloween trick-or-treat.

A sack of candy was found near the body of Virginia Sue Reed, youngest of seven children of Mr. and Mrs. Elmer Reed of East San Jose.

Gary Miller, 20, a machinist, told police several childred darted suddenly in front of him and he braked but his car skidded and the right front fender struck the little girl.

## Forty-Eight Killed

CAIRO (AP)—A Cairo trolleybus fell into the Nile River today and 48 persons perished. Rescue squads still are searching for bodies under water while others tried to lift up the bus. Cause of the accident was unknown.

## Silverless Money

JOHNSON CITY, Tex. (AP)—The first silverless quarters went into circulation today. Their use originally hadn't been expected until next month, but President Johnson said mint production has been faster than anticipated.

## Festival In Black

SAN FRANCISCO (AP)—Sponsors of the San Francisco International Film Festival say the event has made money for the first time in its nine-year history. Managers Bill Boyd and Melvin Swig said after the last showing last night that the festival made a profit of from $1,000 to $5,000.

## Germans Escape

GOETTINGEN, Germany (AP)—Two East German soldiers escaped to West Germany with their watchdogs and weapons over the weekend, West German customs officials said today.

## Hottest, Coldest

NEW YORK (UPI) — The lowest temperature in the nation reported to the U. S. Weather Bureau today, excluding Alaska and Hawaii, was 22 at Lone Rock, Wis. Yesterday's high was 97 degrees at Palm Springs, Calif.

## Birch Society Out?

WASHINGTON (UPI) — Sen. Thomas H. Kuchel, R-Calif., believes that the John Birch Society's back has been broken and it is "on its way out" of American life. The Senate GOP whip, a vigorous opponent of the society made his prediction on a television program yesterday.

## Koreans Kidnaped

SEOUL, Korea (AP) — The United Nations command asked North Korea today for the immediate return of more than 100 South Koreans who police said were kidnaped while fishing Friday in the Yellow Sea south of the demarcation line between North and South Korean waters.

## Israel Denies Deaths

TEL AVIV, Israel (AP) — Israel has denied a Jordanian claim that five Israeli soldiers were killed and six injured yesterday in the second border clash in two days. An Israeli military spokesman also said no equipment was destroyed.

## Gangsters Kill Strongarm Man

BOSTON (UPI) — A Somerville, Mass., strongarm man died yesterday, 30 hours after he and two companions were gunned down by an underworld assassin outside a cafe.

James Buddy McLean, 35, died at Massachusetts General Hospital of shotgun wounds in the head and chest. He was the 24th victim of gangland vengeance in greater Boston in the past 20 months.

Americo Sacramone, 27, and Anthony D'Agostino, 37, were less seriously wounded. They were reported in satisfactory condition at Somerville Hospital.

## Klansman, Nazi Kills Self

READING, Pa. (UPI)—A Jew-hating leader of the Ku Klux Klan and American Nazi party shot himself to death yesterday only hours after he was revealed to be the son of a cantor and one-time honor student at a Hebrew school, police said.

Burros

Daniel Burros, 28, "King Kleagle" of the New York Klan, killed himself in the living room of Pennsylvania's Klan leader. The New Jersey "King Kleegle" witnessed the shooting.

Dr. Michael Austin, Berks County deputy coroner, postponed issuing a death certificate until results of an autopsy.

The New York Times reported yesterday that Burros' parents were married in a Jewish ceremony, that he was a star pupil in a Hebrew school and that he had been Bar Mitzvahed (confirmed).

Frankhouser

The story said Burros had been an officer in the Nazi party but recently "changed" from a brown shirt to a white sheet."

When a reporter confronted Burros with the secret information, he was threatened, the Times said.

"I'll have to retaliate, do you understand?" the report quoted him. "If you publish that, I'll come and get you and I'll kill you.

Roy E. Frankhouser, the 25-year-old grand dragon of the Pennsylvania Klan, said Burros went out to buy a newspaper yesterday and when he came back he was in a rage, shouting "I'm going to kill myself."

Frankhouser told police Burros lifted a .32-caliber pistol to his chest and fired. Then he put the gun to his right temple and fired again.

Rotella

The New Jersey King Kleagle, Frank Rotella Jr., 28, was suspended from his job as a New York City social worker after the New York World Telegram disclosed that he was a Klan leader. His work for the social welfare department included dealing with impoverished Negroes.

## Quadruplet Birthday

MAURY CITY, Tenn. (AP)—In a new home built by well-wishers, the Lyons quadruplets celebrated their first birthday today. The two boys and two girls, whose family had lived in a small house until neighbors and mail contributions built the new house, are big, healthy and full of life. Their parents are Rev. Willie Grant Lyons, and his wife, Robbie Mai.

## Etruscans Found America First?

ROME (UPI) — It was neither Christopher Columbus nor the Vikings who discovered America, but some ancient Etruscans, according to an Italian language expert.

Dr. Mario Gattoni Celli said yesterday he had proposed his theory to the Institute of Etruscan Studies in Florence.

According to Gattoni Celli, the Etruscans — who populated a good part of central Italy before the Romans took over — probably sailed to America some 10 centuries before the birth of Christ.

## Two Escape Prison Medical Facility

VACAVILLE (AP) — A widespread search was under way today for two convicts who sawed through a double fence and escaped from the Vacaville Medical Facility.

The convicts, Ralph D. White, 24, of Sacramento and Charles Gove, 40, of San Francisco, were missing at a bed check early yesterday.

## Princess' Visit

COPENHAGEN, Denmark (AP)—Queen Anne Marie of Greece arrived yesterday in Copenhagen with her infant daughter, Crown Princess Alexia, to visit the queen's parents, King Frederick and Queen Ingrid of Denmark.

## Victor Borge Safe

ALBANY, Ore. (AP)—Pianist-comedian Victor Borge escaped injury in an auto collision early yesterday on U.S. 99 north of Albany. He was heading for Portland after performing at the University of Oregon in Eugene. His car was destroyed when it collided with another car.

## Whist Fuss Ends In Death

SAN FRANCISCO (AP) — A San Francisco man was killed and a Stockton man stabbed seriously yesterday morning as a result of a three-month-old argument about a game of Whist.

Police said Willie McGee, 26, of San Francisco argued with the two men because one of them had not "trumped as he was supposed to."

David Williams, 52, who was killed, had made the disputed play three months ago. He and Fad Morris, 65, argued with McGee.

Williams was shot. McGee was stabbed and was in serious condition in a San Francisco hospital.

## TRAPEZE ACT HAS SUDDEN CONCLUSION

MIAMI, Fla. (AP)—As 2,000 spectators gasped, trapeze performer Greta Frisk plunged 40 feet — straight into the arms of her husband who raced to the scene.

"I caught you," Fritz Frisk told his wife, who sprang from a trapeze in a flip-around motion but failed to grasp the bar after she had turned.

Bandsmen stopped playing, and the crowd gave the couple an ovation. Circus manager John Pugh said the couple probably would have medical checkups today. Neither appeared seriously hurt from the fall, which happened last night at the Clyde Beatty-Cole Bros. Circus.

Frisk has a bicycle act with the circus.

## China Backers Fight Over Seating In U.N.

UNITED NATIONS, N.Y. (AP) — The leading boosters of Red China for U.N. membership are reported split over what to propose to the General Assembly.

Diplomatic sources said the division had developed among the 11 delegations that got the 117-nation assembly to agree to debate an item calling for "restoration of the lawful rights of the People's Republic of China in the United Nations."

### NO EXPULSION

They said Cambodia suggested a resolution proposing to seat Communist China on all U.N. bodies without expelling Nationalist China.

Albania, Red China's chief ally in its feud with the Soviet Union, urged that the resolution call for expulsion of the Chinese Nationalists in favor of the Communists and meet some of Communist China's other conditions for joining the United Nations.

### RED CONDITIONS

Among the conditions stated by Chinese Communist Foreign Minister Chen Yi Sept. 29 were:

Withdrawal of the 1951 U.N resolution condemning Communist China as an aggressor in Korea.

U.N. condemnation of the United States on that score.

Expulsion from the United Nations of "imperialist-puppet" countries.

The informants said Cambodia's proposal met with reserve and Albania's with opposition from those of the other nine nations to whom they were presented.

The others are Algeria, Burundi, the Congo (Brazzaville), Cuba, Ghana, Guinea, Mali, Romania and Syria.

A resolution to seat the Chinese Communists while letting the Nationalists remain would probably get more votes than one that would throw the Nationalists out.

The debate is expected to commence late this week or early next week.

## Fastest Train

TOKYO (AP) — Japan's national railways began operating the world's fastest train service today, a 322-mile run from Tokyo to Osaka at an average of 103 miles an hour.

## Fog Engulfs Freeway; 150 Autos Pile Up

LOS ANGELES (AP)—A fog bank drifted across a freeway. A stream of cars raced in. None came out.

The fog muffled the screeching brakes and the crash of grille on bumper. By the time the last headlight tinkled broken to the Santa Ana Freeway, 100 cars had smashed together.

### ANOTHER CRASH

An hour later, as tow trucks disengaged the wrecks, another fog bank settled on another freeway 20 miles away—and 50 more cars piled up in two more cases of chain reaction, freeway style.

It took 41 police cars—two of which also were in accidents—to get the freeways flowing again after Sunday's multiple collisions.

The toll: one man seriously injured, 27 persons with less serious injuries. Damage: more than $100,000, including 30 cars demolished, 20 others damaged. What happened?

"It isn't one big accident," said Robert Mills, highway patrol operations officer. "It's a whole series of accidents. Maybe several cars in one pileup, then, a few yards away, several cars in another. It stretches all the way up the freeway."

### MISTY MORNING

The first accident occured at dawn yesterday near where the Santa Ana Freeway crosses the San Gabriel River, 15 miles southeast of downtown Los Angeles. It was a misty morning, but traffic was humming along near the 65 miles-per-hour speed limit when river-bottom fog suddenly blotted visibility.

No one knows yet who triggered the first crash, but highway patrolmen suspect it was a motorist, panicked by the fog, who slammed on his brakes.

The car behind hits his, and the one behind hit that. The freeway turned to a mass of screeching, careening cars as traffic crashed and slammed to a halt.

## Satchmo Welcomed

NEW ORLEANS (AP)—Louis (Satchmo) Armstrong received a tumultuous welcome yesterday as he arrived to play a benefit for the New Orleans Jazz Museum.

## KU KLUX KLAN MARCHES

Robed members of the Klan march in Natchez, Miss., Saturday only hours after a civil rights march. They met at the county courthouse then went to a ball park where they heard Robert Shelton, Imperial Wizard of the United Klans of America, say that qualified Negroes should be allowed to register to vote. ## Boatloads Of Cubans Sail To U.S. In Stormy Straits

KEY WEST, Fla. (AP) — Scores of Cuban refugees, many of them seasick and dripping wet, arrived today and some charged that Cuban authorities had forced them to sail the treacherous waters of the Florida Straits.

They were the first to cross the 90-mile stretch of water between the United States and Cuba since the start of a storm Saturday morning.

One refugee boat sank 10 miles out of Cuba, its captain said, and he charged that Cuban officials "shoved us off into 25 knot winds and waves up to 15 feet."

Jorge Cano of Belle Grade, Fla., skipper of the Smarty, added, "They are in a hurry to get all the boats out of Camarioca now that the airlift is about to start."

Conclusion of an agreement for a U.S. - Cuban airlift of refugees was awaited. It would supplant the 25-day old do-it-yourself sea shuttle which had a known toll of five missing and one drowned.

Cano, another crewman and six refugees who had set out from Camarioca, the Cuban exit port, were brought to Key West aboard a Coast Guard cutter.

The Little Mike, another boat, brought 77 additional refugees and the Lemon Drop arrived with 27.

Most of the new refugees are taken to Miami and transported to other U.S. cities.

## Three Children Killed By Car

ALHAMBRA (AP) — Three children have died from injuries they received when their trick-or-treat group was struck by a car.

Susan Burns, 5, died yesterday at Alhambra Community Hospital. Saturday night Maxine Herrera, 4, and her brother Tony, 2, died before they could be brought to the hospital.

Police said their parents had permitted the Halloween outing on Saturday, so they wouldn't be ringing doorbells on Sunday.

The driver of the car, Elmer D. Blakesley of Covina, said he didn't see the children as they began to cross a dimly lit intersection, officers said. He was not held.

The preparation of bread in cake or loaf forms can be traced back to the Stone Age.

# West Marin Plan Hearing Continued

Second hearing on the controversial West Marin Master Plan was again continued today by the Marin County Planning Commission.

Commissioner Hugh Dougherty, who heads a three-man committee on the plan, asked that the hearing be put off to Dec. 6. He explained his committee next Monday will hear a written report from West Marin residents on the density proposal in the plan.

Under the plan, there could be one house per half acre in level areas, with density thinning out as slopes increase.

The committee hearing will begin at 8 p.m. at the Civic Center.

The Marin County Planning Commission this morning also:

1. Approved 6-1, with Commissioner William F. Upton dissenting, a permit for Robert Hoffman to establish a pizza parlor at 665 Del Ganado Road, Terra Linda. It would include the sale of beer. Upton declared the pizza parlor would be too close to single-family homes.

2. Amended an excavation permit to Francis M. Gilardi allowing him to post a bond on landscaping rather than get landscaping plan approved prior to excavation for a service station on Shoreline Highway just west of Almonte Boulevard in Tamalpais Valley. John K. Hofer Jr., owner of adjacent property, and the Tamalpais Valley Improvement Club objected to the application.

## Inmate Innocent Of Having Knife

A Marin Superior Court jury Friday night found James D. Nichols, San Quentin inmate, innocent of having a knife in his possession last April 21.

The panel deliberated seven hours. Trial began last Monday before Judge Harold J. Haley. Nichols is serving time for a first degree robbery conviction in Los Angeles County on July 7, 1964.

Richard Breiner represented the defendant for the public defender's office. Joshua Thomas, deputy district attorney, prosecuted.

## Window Broken

The front plate glass window at the Togs and Toys store at the Bel Aire Shopping Center, valued at $250, was shattered Friday night or early Saturday, Harold Gamann reported to the Marin County sheriff's office.

# Marin Won't Press Charges Of Building Without Permit

The county will not press charges against Albert R. Borden of 707 Vendola Drive, Santa Venetia, over a shed built on the side of his home without a building permit.

County Counsel Douglas J. Maloney said today the value of the shed appeared to be less than $100 and would not come under the code as a structure requiring a building permit.

Borden, who questioned operations of the Gallinas Village Community Services District, came under investigation by the county building department soon after he aired his allegations against the district. The building department started the probe after receiving an anonymous telephone call.

## Mapping Satellite Launch Postponed

CAPE KENNEDY (UPI) — The federal space agency today postponed from Wednesday to Thursday the launch of an earth-mapping satellite called Geos 1 because of trouble with its flashing light beacons.

Engineers blamed the day's delay on a tiny break in an electric circuit that caused a short circuit in the light system.

The Marin Branch of the American Cancer Society has Mrs. John Horton as president and Nina Brandt as executive director.

## Two Are Guilty Of Burglary

Thomas Howard Chance, 24, and Harold Bradley Sheffield, 20, both of Petaluma, were found guilty of second degree burglary late Friday in Marin Superior Court of the Aug. 4 breakin of Joe's Market in Point Reyes Station.

The jury deliberated three hours. Trial started last Monday before Judge Joseph G. Wilson.

A third suspect, Gerald Dalton Rice, 33, also of Petaluma, is scheduled for change of plea tomorrow.

Leonard Shaw, assistant district attorney, prosecuted in the trial. William B. Wolfson represented Chance and Jerome Durham, public defender, represented Sheffield.

## Mill Valley Has Home, Club Thefts

Two burglaries occurred in Mill Valley during the weekend.

Mrs. Calvin Fong reported Friday that someone had entered the Fong home at 544 Cascade Avenue through an unlocked window and stole a $99 television set. The Mill Valley Tennis Club caretaker reported yesterday theft of two cases of beer and a case of soft drinks.

## Suit Filed In Goldstein Freak Crash

A damage suit of unspecified amount has been filed in Marin Superior Court on behalf of Peter L. Goldstein, 31-year-old San Anselmo publicist critically injured in a two-car accident on Waldo Grade of Highway 101 last Oct. 19.

Filed by Goldstein's wife, Vivian, the suit alleges that Paul Edward Beyer of Burlingame, driver of the car which crashed atop one driven by Goldstein, was negligent in operating his vehicle.

It asks in excess of $5,000, medical costs, loss of income which is yet to be determined, and $1,995 for damage to Goldstein's car.

Judge Joseph G. Wilson of Marin Superior Court today issued an order temporarily restraining the present owner of Beyer's car—a 1961 Corvair—from disposing or destroying the vehicle. The owner, Hardcastle Brothers of San Jose, is directed to show cause at 2 p.m. on Nov. 9 why the order should not be made permanent.

The court order was based on allegation by Goldstein's attorney, W. O. Weissich, of possibility that there may be manufacturing defects in the vehicle partly responsible for the accident.

Goldstein, of 26 Carlson Court, had been unconscious in Marin General Hospital since the accident, but gained consciousness this weekend and was reported in slightly improved condition today.

## At Memphis State

Jerome F. Novotny, son of Mrs. Marie C. Novotny, 1554 Grand Avenue, and Caroline Davis, daughter of Mrs. Catherene Johnson, both of San Rafael, have enrolled for the fall semester at Memphis State University, Memphis, Tenn.

## Blooming Good Weekend At Fall Flower Festival

An Indian Summer sun brought thousands of flowers into full bloom for the weekend's 19th anuual Fall Flower Festival at the Marin Art and Garden Center.

Hundreds visited the displays of the Garden Society of Marin, the Bonsai Club, and the Orchid Society of Marin at the two day festival.

Featured at the show was a huge display of mums, arranged by designer Henry Cole. The theme of this year's festival was "Flower Fantasy."

"Best in Show" prizes were taken in the horticulture division by Peg Keener with a pink chrysanthemum and in the arrangement division by Thema Jones for a piece in the "new approach" category.

The following first prize winners were announced by Mrs. Leona Harrington, president of the garden society, and Hugh Paterson, fastival chairman:

FLOWER CULTURE:

Lydia Evans in cut specimens sections—exhibition, spider and quill, spoon, single and semi-double, and decorative—in five classes of container-grown chrysanthemums, and in succulent plants.

Neal Van Horn in cut specimens, exhibition.

Peg Keener in cut speciments exhibition, spider and quill, spoon, single and semi-double, decorative and bonsai.

Bessie Besselieu in cut specimens exhibition, spider and quill, spoon, single and semi-double, container sprays and other "container-grown chrysanthemums."

Mrs. V. J. Bloom in three-sprays-to-a-container anemones, decorative, container-grown cascades, and standards.

Adele Paterson in three-sprays anemones, spoons, pompoms, decorative and new introductions, sprays.

Mrs. Clifford Flack in all four classes of indoor and outdoor ornamental plants.

George Whitsett in cacti.

ARRANGEMENTS:

Novice entries: Becky Soldavini, Charles Giggy, Mrs. Edgar Peterson and Mary Scott.

Amateur entries: Georgia Giggy for two entries, Mrs. W. J. McCarthy and Mrs. Walter Anderson.

Advanced Amateur: Georgia Giggy, and Thelma Jones for three entries.

Masters: Thelma Jones for two entries.

## Passenger Falls From Automobile

Harvey Sanders, 26, of Riverbank, Stanislaus County, suffered multiple body bruises when he fell from a car while it was rounding a corner at Las Gallanis Avenue and Oleander Drive, Terra Linda, at 7 p.m. Saturday.

Sanders, passenger in a car driven by Joseph Hildreth, 1012-C Los Gamos Road, Santa Venetia, toppled out of the car to the pavement when the door on his side opened as he leaned his weight against it, the California Highway Patrol reported.

Sanders was taken to San Rafael General Hospital where he is under observation for multiple bruises. He was reported in good condition today.

## Southern Marin Rocked By Boom

Sausalito and portions of Southern Marin were rocked yesterday at about 2:19 p.m. by a sonic boom, which Sausalito police attributed to the Navy's ir show at Alameda.

Sausalito police and fire departments were flooded with calls after the boom.

## NEW PUBLIC SAFETY BUILDING FOR CORTE MADERA

Occupancy of Corte Madera's new public safety building is still about a week away, but the town's fire alarm system was being moved to it today as the first step in police and fire departments' vacating the town hall for new quarters. on one missile site, the spokesman said.

No missiles were launched from the site after the final run on the target, pilots reported.

At almost the same time, Air Force F-105 Thunderchiefs led by a Navy A-4 Skyhawk were bombing the two other installations nearby. The Navy plane flying with the Air Force craft was hit during the raid by conventional ground fire.

The leader of one of the Air Force flights reported sighting a parachute from the Navy plane. The pilot was listed as missing.

The action over the missile area was the heaviest so far disclosed in the air war against North Viet Nam.

The Air Force planes dropped 19 tons of 500- and 750-pound bombs and fired thousands of rounds of 20 mm cannon fire on the two installations they hit, the spokesman said.

Later photo reconnaissance and a low-level flight showed that all spans of the bridge were knocked into the water.

Six U.S. planes have been reported shot down by the antiaircraft missiles which the Soviets have installed in North Viet Nam.

Permanent missile launching sites have been installed at several points around Hanoi and Haiphong, North Viet Nam's chief port. A number of mobile launchers are also operating. They can be set up and dismantled within 24 hours.

One sharp ground action was reported today in South Viet Nam, with troops of the U.S. 1st Air Cavalry Division claiming a confirmed kill of 50 Communist fighters in the area of the Plei Me Special Forces camp. The spokesman said there were no American casualties.

Elements of the 1st Cavalry have been operating around Plei Me since they joined Vietnamese relief forces last week in lifting the siege of the camp 210 miles north of Saigon.

The spokesman said the enemy force was spotted by helicopter scouts who called for riflemen to be airlifted into rough terrain about five miles southwest of the camp. The airborne cavalrymen swooped down and attacked the Communists, who were armed mainly with grenades.

Younger M. Newton, 51, Columbia, S.C., refused to give the committee any information other than his name.

## Another Fire Death In Saigon

SAIGON, South Viet Nam (AP) — A man in yellow Buddhist dress set his gasoline-soaked robes afire last night and burned to death inside Saigon's main Buddhist pagoda grounds.

Several hundred forced their way into the pagoda compound to view his remains.

Monks at the Vien Hoa Dao, scene of antigovernment demonstrations in the past, said they were at a loss to know the motive for the burning or who the man was.

More than a dozen Buddhist monks and nuns have burned themselves to death for various reasons since the first of the modern-day immolations in June 1963, when Thich Quang Buc burned himself to death in protest against the regime of President Ngo Dinh Diem.

## Pumpkin Candle Starts A Fire

Preparing for a flood of trick-or-treaters just before 6 p.m. yesterday, the Peter Bockmans at 219 North Almenar Drive, Kentfield, set up their pumpkin on a center shelf of their bookcase.

Because the candle was too large, the top of the pumpkin would not fit back on and the candle was left protruding through the top.

The candle flame set fire to the bookcase. The Bockmans called the fire department, then doused the flames before firemen arrived.

The flames did $25 damage to the bookcase.

## Call For Bids

The base procurement office at Hamilton Air Force Base today called for bids for maintenance and repair of storm drainage pumps in Bldg. 41, and alterations to Bldg. 305.

## EGGS

en, and obscenities were written on the walls.

Novato police reported only eight Halloween calls, involving throwing of eggs, tomatoes and firecrackers. They had two calls on Saturday night, however, of early celebrants throwing eggs at houses and cars.

San Rafael's Halloween was the quietest in years, reported Police Chief Charles J. Chiesa.

Police found three young men —all old enough to be beyond the age of excuses for such behavior — "bombing" cars with aggs from atop the Lachman Brothers Furniture building on Fourth Street. They arrested one of them, Michael Louis Meden, 20, of 6 Dutch Valley Road, Sleepy Hollow, on a malicious mischief charge. He was later released on $276 bail, to appear tomorrow in Marin Municipal Court.

There were several other reports of San Rafael egg throwers, but the culprits escaped.

Kenneth J. Williamson of 65 Canal Street reported vandals dumped heavy oil into his swimming pool.

Venturesome celebrants climbed a radio tower atop R and R Automatic Transmission Repair at 1542 Fourth Street to drop water balloons at passersby.

In San Anselmo, "on the whole, it was a very fine and quiet Halloween," reported Police Chief Raymond R. Buchignani.

There were, however, some egg-throwing and window-soaping incidents in the Hub City. John Fontain of 299 Brookside Drive reported two small windows broken by hurled eggs.

John McCoy of 115 Van Tassel Court, Sleepy Hollow, reported vandals threw oil over the top and sides of his car while it was parked at 1562 Sir Francis Drake Boulevard in San Anselmo.

Fairfax and Ross police made no reports of Halloween incidents.

Sausalito Police Chief Kenneth H. Huck said the only prank of any consequence in Sausalito was that youngsters sprayed shaving cream on a couple of cars parked on Bulkley Avenue.

Corte Madera police confiscated a few water balloons. Obscene words were scrawled in soap on front doors and windows of Neil Cummins School there.

In neighboring Larkspur, there were "quite a few calls" of throwing of eggs, tomatoes and firecrackers and soaping windows, police reported. However, there was no major incident nor reportable damage, they said.

Belvedere had the quietest Halloween in many years, said Police Chief William S. Woodington. "There were a couple of eggs splattered on streets and a few car windows soaped but that's about all," he reported.

Sgt. George R. Barnes of the Tiburon sheriff's substation reported a trouble-free Halloween there. However, on Saturday night instrument panels of three earth moving tractors parked at Juno and Trestle Glen roads were damaged by rocks, owner Victor A. Nielsen reported.

the government had had the burden of proving such a volunteer —unconcerned about possible self-incrimination — was available to sign the registration form and statement for the party.

Thus the highlight of the trial scheduled to open today in U.S. District Court is expected to be the testimony of the witness—or witnesses — the government claims the party could have called on.

The present indictment specifically charges the party with wilfully failing to register, as required by the Internal Security Act of 1950, on each of 11 days from Feb. 13 to Feb. 23 of this year. Each day constitutes a separate offense that carries a maximum penalty of $10,000.

The 12th count of the indictment—like that in the 1962 case —asserts that the party failed to file the required statement of members' names, aliases and addresses, along with a list of printing presses and reproduction equipment controlled by the party, as well as a detailed financial accounting.

## Prison Music Gets Prizes

A 34-year-old narcotic offender with a sensitive ear for music won the grand prize of $10 at San Quentin Prison's 11th annual Creative Music Festival during the weekend.

Paul Bernhardt, who comes from Southern California, topped the list of 28 prize winners, being awarded three first prizes and one second. He won first prizes for a full band composition, popular instrumental number, and a group of three miscellaneous compositions.

The festival, for compositions ranging from jazz to religious chorales, attracted entries from 40 aspiring composers.

Judging the inmates' work was Thomas V. Chestnut of Mill Valley, music supervisor at Ross School; John Handy III and Vernon Alley of San Francisco.

## OBITUARIES

## Mrs. Gladys Balmer Dies At Age 78

Memorial service was to be held for Mrs. Gladys Balmer, mother of Bert A. Balmer, Mill Valley city manager, at the Unitarian Church in Seattle.

Mrs. Balmer, 78, died Friday in a Seattle hospital after a short illness.

Inurnment will be in Seattle.

A resident of the Seattle and Olympia areas most of her life, Mrs. Balmer had resided the last few years in San Francisco.

She is survived by four sons, Bert A. Balmer of Mill Valley; Curtis and Douglas Balmer of San Francisco, and Charles Balmer of Seattle; a daughter, Alice Kinney, of Seattle, and six grand children.

### HUGH BENNETT

Private funeral Hugh W. Bennett of 5 Meadow Drive, Mill Valley, was held today at McAvoy-O'Hara Co. in San Francisco.

Bennett, a retired Army master sergeant, died Thursday in a Marin convalescent hospital after a month's illness. He was 73.

He had resided in Mill Valley for four years.

Surviving are his wife, Maye, at the Mill Valley home; a son, James G. Bennett of San Francisco, and five grandchildren.

### JOHN CARROLL

John H. Carroll, one of the last "rough neck wildcat oil workers," died at a local hospital yesterday after a long illness. He was 94 years old.

He was born in St. Johns, Newfoundland, and worked in his youth aboard ships. He jumped ship in Galveston, Tex., in 1900, and went to work in the oil fields of Texas and Louisiana, later drifting to oil fields in the Long Beach area. He left oil field work in 1936 and did odd jobs until moving to Marin County in 1947.

He had lived with his daughter and her husband, Mr. and Mrs. Paul D. Todd in Fairfax and San Rafael, until moving to 653 Plum Street, Novato, about three years ago.

In 1957 he was the object of a search in the newspapers for records or someone who had known him prior to 1906 so he could prove his United States citizenship. This was he could join his daughter and son-in-law in Spain. Through the newspaper campaign, he found the old records and two people who could testify that he had been in this country prior to 1906. He then joined his daughter in Spain for more than two years.

In addition to his daughter, he is survived by three grandchildren and six great-grandchildren.

The rosary will be recited for his at 8 p.m. tomorrow in the chapel of Marin Funeral Home in Novato. Requiem High Mass will be offered at 9:30 a.m. Wednesday at Our Lady of Loretto Church.

Burial will be in Mount Olivet Cemetery, San Rafael.

# NEW PUBLIC SAFETY BUILDING FOR CORTE MADERA

Occupancy of Corte Madera's new public safety building is still about a week away, but the town's fire alarm system was being moved to it today as the first step in police and fire departments' vacating the town hall for new quarters. Police-Fire Chief Frank L. Nelson and Town Mgr. Ronald L. Usher are seen checking details with a representative of the builders, Fostmeier Construction Co. (Independent-Journal photo)

on one missile site, the spokesman said.

No missiles were launched from the site after the final run on the target, pilots reported.

At almost the same time, Air Force F-105 Thunderchiefs led by a Navy A-4 Skyhawk were bombing the two other installations nearby. The Navy plane flying with the Air Force craft was hit during the raid by conventional ground fire.

The leader of one of the Air Force flights reported sighting a parachute from the Navy plane. The pilot was listed as missing.

The action over the missile area was the heaviest so far disclosed in the air war against North Viet Nam.

The Air Force planes dropped 19 tons of 500- and 750-pound bombs and fired thousands of rounds of 20 mm cannon fire on the two installations they hit, the spokesman said.

Later photo reconnaissance and a low-level flight showed that all spans of the bridge were knocked into the water.

Six U.S. planes have been reported shot down by the antiaircraft missiles which the Soviets have installed in North Viet Nam.

Permanent missile launching sites have been installed at several points around Hanoi and Haiphong, North Viet Nam's chief port. A number of mobile launchers are also operating. They can be set up and dismantled within 24 hours.

One sharp ground action was reported today in South Viet Nam, with troops of the U.S. 1st Air Cavalry Division claiming a confirmed kill of 50 Communist fighters in the area of the Plei Me Special Forces camp. The spokesman said there were no American casualties.

Elements of the 1st Cavalry have been operating around Plei Me since they joined Vietnamese relief forces last week in lifting the siege of the camp 210 miles north of Saigon.

The spokesman said the enemy force was spotted by helicopter scouts who called for riflemen to be airlifted into rough terrain about five miles southwest of the camp. The airborne cavalrymen swooped down and attacked the Communists, who were armed mainly with grenades.

1964, in Marietta, Ga. Burnette was not further identified.

Manuel said a committee investigation established that Daniel was an active member of the Association of Georgia Klans, which was cited as a subversive organization by the attorney general in 1955.

Daniel was the second witness to invoke the Fifth Amendment today. A South Carolina man described as the official haberdasher of the Klan also wrapped himself in the constitutional guarantee against self-incrimination.

Younger M. Newton, 51, Columbia, S.C., refused to give the committee any information other than his name.

## Another Fire Death In Saigon

SAIGON, South Viet Nam (AP) — A man in yellow Buddhist dress set his gasoline-soaked robes afire last night and burned to death inside Saigon's main Buddhist pagoda grounds.

Several hundred forced their way into the pagoda compound to view his remains.

Monks at the Vien Hoa Dao, scene of antigovernment demonstrations in the past, said they were at a loss to know the motive for the burning or who the man was.

More than a dozen Buddhist monks and nuns have burned themselves to death for various reasons since the first of the modern-day immolations in June 1963, when Thich Quang Buc burned himself to death in protest against the regime of President Ngo Dinh Diem.

## Pumpkin Candle Starts A Fire

Preparing for a flood of trick-or-treaters just before 6 p.m. yesterday, the Peter Bockmans at 219 North Almenar Drive, Kentfield, set up their pumpkin on a center shelf of their bookcase.

Because the candle was too large, the top of the pumpkin would not fit back on and the candle was left protruding through the top.

The candle flame set fire to the bookcase. The Bockmans called the fire department, then doused the flames before firemen arrived.

The flames did $25 damage to the bookcase.

en, and obscenities were written on the walls.

Novato police reported only eight Halloween calls, involving throwing of eggs, tomatoes and firecrackers. They had two calls on Saturday night, however, of early celebrants throwing eggs at houses and cars.

San Rafael's Halloween was the quietest in years, reported Police Chief Charles J. Chiesa.

Police found three young men —all old enough to be beyond the age of excuses for such behavior — "bombing" cars with aggs from atop the Lachman Brothers Furniture building on Fourth Street. They arrested one of them, Michael Louis Meden, 20, of 6 Dutch Valley Road, Sleepy Hollow, on a malicious mischief charge. He was later released on $276 bail, to appear tomorrow in Marin Municipal Court.

There were several other reports of San Rafael egg throwers, but the culprits escaped.

Kenneth J. Williamson of 65 Canal Street reported vandals dumped heavy oil into his swimming pool.

Venturesome celebrants climbed a radio tower atop R and R Automatic Transmission Repair at 1542 Fourth Street to drop water balloons at passersby.

In San Anselmo, "on the whole, it was a very fine and quiet Halloween," reported Police Chief Raymond R. Buchignani.

There were, however, some egg-throwing and window-soaping incidents in the Hub City. John Fontain of 299 Brookside Drive reported two small windows broken by hurled eggs.

John McCoy of 115 Van Tassel Court, Sleepy Hollow, reported vandals threw oil over the top and sides of his car while it was parked at 1562 Sir Francis Drake Boulevard in San Anselmo.

Fairfax and Ross police made no reports of Halloween incidents.

Sausalito Police Chief Kenneth H. Huck said the only prank of any consequence in Sausalito was that youngsters sprayed shaving cream on a couple of cars parked on Bulkley Avenue.

Corte Madera police confiscated a few water balloons. Obscene words were scrawled in soap on front doors and windows of Neil Cummins School there.

In neighboring Larkspur, there were "quite a few calls" of throwing of eggs, tomatoes and firecrackers and soaping windows, police reported. However, there was no major incident nor reportable damage, they said.

Belvedere had the quietest Halloween in many years, said Police Chief William S. Woodington. "There were a couple of eggs splattered on streets and a few car windows soaped but that's about all," he reported.

Sgt. George R. Barnes of the Tiburon sheriff's substation reported a trouble-free Halloween there. However, on Saturday night instrument panels of three earth moving tractors parked at Juno and Trestle Glen roads were damaged by rocks, owner Victor A. Nielsen reported.

the government had had the burden of proving such a volunteer —unconcerned about possible self-incrimination — was available to sign the registration form and statement for the party.

Thus the highlight of the trial scheduled to open today in U.S. District Court is expected to be the testimony of the witness— or witnesses — the government claims the party could have called on.

The present indictment specifically charges the party with wilfully failing to register, as required by the Internal Security Act of 1950, on each of 11 days from Feb. 13 to Feb. 23 of this year. Each day constitutes a separate offense that carries a maximum penalty of $10,000.

The 12th count of the indictment—like that in the 1962 case —asserts that the party failed to file the required statement of members' names, aliases and addresses, along with a list of printing presses and reproduction equipment controlled by the party, as well as a detailed financial accounting.

## Prison Music Gets Prizes

A 34-year-old narcotic offender with a sensitive ear for music won the grand prize of $10 at San Quentin Prison's 11th annual Creative Music Festival during the weekend.

Paul Bernhardt, who comes from Southern California, topped the list of 28 prize winners, being awarded three first prizes and one second. He won first prizes for a full band composition, popular instrumental number, and a group of three miscellaneous compositions.

The festival, for compositions ranging from jazz to religious chorales, attracted entries from 40 aspiring composers.

Judging the inmates' work was Thomas V. Chestnut of Mill Valley, music supervisor at Ross School; John Handy III and Vernon Alley of San Francisco.

# Bellini Art Stolen From Small College

RENSSELAER, Ind. (UPI)—A painting by Italian Rennaissance master Giovanni Bellini valued at $350,000 was reported missing today from the library of St. Joseph's college.

Rev. Charles H. Banet, president of the small Roman Catholic school, discovered the loss when he went to his office, located in the same building as the library.

The painting, "The Virgin and Child with St. Nicholas of Bari and Donor," was given to St. Joseph's on October, 1961, by the late Bohumir Kryl, a Chicagoan and native of Bohemia. Kryl, was a musician-conductor and art patron, set the painting's value at $350,000.

## Man's Eyes, Body Willed To Science

The body and eyes of Frederick D. Burman, who died last Thursday at his Tiburon home, had been willed to the University of California Medical Center, San Francisco.

A story in Friday's Independent-Journal reported that only his eyes had been willed to the medical center.

# Brawl In Marin City Broken Up By Police

Sheriff's deputies, aided by Mill Valley and Sausalito police and some Marin City residents, broke up a brawl at Marin City Saturday that attracted more than 100 persons and reportedly was on the verge of getting out of control.

When deputies arrived shortly after 5 p.m. a suspect identified as Johnny Harris, 20, of Richmond, reportedly was involved in a scuffle.

Officers said he became belligerent and violent and a large crowd had gathered.

After Harris was ordered out of the area, he became involved in another fight about 600 yards away, deputies said.

Some of the crowd threatened the investigating officers, who then called for all availabble units in Southern Marin for aid. "Every available deputy" reported, they said.

Harris was arrested on charges of disturbing the peace, resisting an officer in the discharge of his duty, assault and battery. He was booked in Marin County Jail and held under $550 bail.

Deputies reported they received help from Marin City residents in halting the scuffle, and even had help from "Jojo" Harris, brother of the suspect.

## Seaman Promoted

William F. Lassner, son of Mr. and Mrs. William H. Lassner, 117 Ryan Avenue, Mill Valley, has been promoted to the rank of radioman third class while serving aboard the repair ship Ajax, operating from Sasebo, Japan.

## North State To Get Rain

SAN FRANCISCO (AP) — Northern California — which has experienced weeks of unseasonal warm weather — will have some rain tonight and tomorrow, the weatherman says.

A cooling front moved over most of the state yesterday and brought heavy overcast.

The forecast through tomorrow was for light rain along northwest coastal sections, with temperatures dropping to their seasonal averages.

Other areas of the state, however, should continue to have fair weather with light winds, the U.S. Weather Bureau's forecast said.

# Engineers' Plans Hit By Planners

The Marin County Planning Commissionc let it be known today that it objects to engineers doing planning.

At issue was the proposed expansion of Merrydale Road opposite the Civic Center, which the public works department says must be widened from two to four lanes and extended across the east side of Mount Olivet Cemetery to connect with Los Ranchitos Road.

R. Ross Tally of the county planning staff said the public works department adopted Merrydale Road as a major frontage route to Highway 101 soon after the state published its select system of roads two years ago. But the planning department has never held hearings on the proposal and the road is not even a major feeder route in Las Gallinas Valley Master Plan.

"Planning appears to be done by the engineers rather than the planner," commission Chairman Felix M. Warburg said. "I'd like to see it stopped."

The commission agreed to have Public Works Director Donald R. Frost prepare a list of road plans to be submitted to the commission prior to its next meeting, Nov. 15.

Plans for Merrydale extension were aired after attorney Peter Lawrence of Sausalito, representing Clayton, Harris and Harris, protested the requirement for dedication of 10 feet of frontage on Merrydale where his clients plan a 24-unit apartment.

The commission, after considerable discussion, agreed to reduce the requirement to six feet.

## Clausen Urges Tiburon Funds

Rep. Don H. Clausen, R-First District, Calif., today urged that more funds be allocated to the oceanographic research center at Tiburon.

In a letter to the Bureau of the Budget, Clausen asked that funds be placed in the budget which goes to Congress next January to improve the Department of Interior's Tiburon center.

"I urge your fullest consideration to inclusion of funds sufficient to inaugurate more than the shoestring operation now in effect at the Tiburon laboratory," said Clausen.

# San Francisco Faces Bonds, Officials Vote

SAN FRNCISCO (UPI)—The city's voters go to the polls tomorrow to elect a handful of officials and decide the fate of two major bond issues—one a controversial measure billed by its proponents as necessary to San Francisco cultural stature.

Campaigning has been relatively low-keyed. Only Proposition 8, a $29 million bond issue to rehabilitate the War Memorial Opera House and Veterans Building and to construct a musical arts center, has aroused any appreciable controversy.

Proponents, including Mayor F. Shelley and other city officials and civic leaders, argue that San Francisco's image as cultural leader of the West stands to suffer if the improvements are delayed. They contend that performers and artistic groups are bypassing the city because of inadequate facilities.

Opponents, including the National Assn. for the Advancement of Colored People, argue that the city should not have to bear the brunt of financing facilities that are used by the entire Bay Area. They say the program is badly planned and "will squander tax money."

The NAACP says Proposition B "offers no significant benefit to people of low income."

Poll takers have expressed doubt that the issue will win the necessary two-thirds vote.

The other major bond issue, Proposition A, would provide $33.7 million to finance a new San Francisco Medical Center. The issue is considered to have a good chance to pass.

Twenty candidates are running for five available seats on the board of supervisors, including the five incumbents. Other contested offices at stake are a municipal judgeship and city treasurer.

A light voter turnout has been predicted by city officials.

## Paris Minister, Brezhnev Confer

MOSCOW (AP) — French Foreign Minister Maurice Couve de Murville met for 90 minutes today with Soviet Communist party leader Leonid I. Brezhnev for what a French spokesman called a broad restatement of views on international questions.

The spokesman said Brezhnev repeated concern about what he termed dangers to world peace in two areas: the Viet Nam situation and any West German role in the proposed multilateral nuclear force for the North Atlantic Treaty Organization. France and the Soviet Union oppose the NATO nuclear force. Both also favor an end to the Viet Nam conflict based on the 1954 Geneva agreements.

## Left Ankle Broken As Autos Collide

Betty Ann Weaver, 22, of Davis suffered a fracture of the left ankle at 10:15 p.m. yesterday when the car in which she was a passenger crashed into the rear of another auto on highway 101 at San Rafael, the California Highway Patrol reported.

The patrol said Miron E. Partain, 22, of Santa Rosa was northbound on the highway 120 feet south of the Forbes overhead when his car stalled in the center lane and was struck from behind by a car driven by John L. Magnus, 30, of Davis, in which Miss Weaver was a passenger. Miss Weaver was treated at San Rafael General Hospital.

## She Drives In; Fire Put Out

Sausalito firemen at the Spencer Avenue station provided drive-in service last night when a Sausalito driver had a fire in the rear seat of her car.

When Judith Abramson of 44 Gordon Street discovered the back seat was afire, she drove up to the station at 7:55 p.m. and had it extinguished.

Firemen reported that the fire, believed caused by a cigarette, was confined to the back seat and cushion.

## To Back Tam Bonds

Robert Corlett, member of the San Anselmo School District Board, will appear before the San Anselmo Lions Club at noon tomorrow to speak in favor of the $5,750,000 Tamalpais Union High School District bond issue, to go before the voters Nov. 16.

## Planes Collide, One Pilot Killed

PACOIMA (AP)—Two planes banking for a landing at an airport brushed together yesterday. One lost a wing and spun out of control killing its pilot. Two men in the second plane survived a forced landing.

"We never even saw him," said student pilot Raymond Banks, 30, of Manhattan Beach. He and flight instructor Robert Calcagni, 35, of Glendale, escaped with minor cuts when their plane flipped over landing near Hansen Dam.

Witnesses said Ernest G. Linnell, 30, of Burbank, attempted to bank under the other plane as they approached Whiteman Air Park for a landing. Linnell's plane smashed into a field near Foothill Boulevard and Kagel Canyon Street.

**ELVES ON HALLOWEEN**

No Halloween moppet but a Christmas elf is this fellow, one of more than 100 to be made by Mrs. Kathleen Lindsay of Novato, who here displays him, for Novato's Christmas street decorations. The Novato Chamber of Commerce has commissioned Mrs. Lindsay for the job. The city's decorations will also include a huge Santa Claus and reindeer at the Highway 101-Grant Avenue intersection.

## Ex-Agent Says He Tapped Mrs. Roosevelt's Phone

NEW YORK (UPI) — A former Army intelligence agent said last night his agency eavesdropped on the private conversations of many prominent people who came through Chicago during 1943, including Mrs. Eleanor Roosevelt and scientists working on the atom bomb project.

The agent, identified as Willis Adams, disclosed during a television news special wiretapping ("The Big ear" —NBC) that Army intelligence crews "did a tremendous amount of wiretapping" during "the latter part of 1943." He indicated that his team of agents was part of a nationwide network using wiretaps for national security reasons.

Adams, who is now a private investigator in the Washington, D.C. area, said his team was responsible for Illinois and Michigan and parts of Indiana and Wisconsin.

"We had the Chicago hotels —practically all of them — wired. There was kind of an exchange (of information gleaned from wiretaps) between the military authorities and the civil authorities."

One of the most important assignments of Adams' group was to monitor the private conversations of atomic scientists doing preliminary work on the Manhattan Project, he said.

The agents also planted listening devices in the hotel rooms of such prominent scientists on the A-bomb project as Enrico Fermi and Robert Oppenheimer, according to Adams.

"There were five (scientists) that my group kept tab on 24 hours a day —that was our duty. Also listening into the laboratories — even into the ladies' room and the men's room and so forth," he said.

## Council Slated For Belvedere Road Bid Call

The Belvedere City Council, meeting at 8 p.m. today at the community center, is expected to approve advertising for bids on resurfacing part of Beach Road.

The portion proposed for the project, to be paid for out of gasoline tax funds, is the west side of Beach Road from Cove Road to San Rafael Boulevard and both sides of the road from San Rafael Avenue to Bay View Avenue.

The council will hear a representative from the Marin Council of Community Service explain a proposed master plan for older adults.

A report is expected from the city attorney on a disputed strip of land running from Golden Gate Avenue to Bella Vista, separating the property of Dr. Richard S. Hahn and John D. Leland.

Both Hahn, of 428 Golden Gate Avenue, and Leland, of 432 Golden Gate Avenue, are seeking permission to use the land, which is believed to be in public ownership.

## Christmas Gifts Often Go Astray Official Warns

NEW YORK (UPI) — The National Better Business Bureau is warning generous Americans to use a little caution in giving money to charity, especially during the Christmas season.

In a special report on charity schemes, bureau President Kenneth B. Willson said that roughly $100 million out of the $10 billion given each year to American charities winds up in the hands of swindlers.

"Give, but give wisely," Willson cautioned.

Willson advised person to be familiar with the cause or organization to which they are contributing money and to respond cautiously to pressure appeals by telephone or telegram.

## Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

## Comet Is Visible To Early Risers

Loosing daylight saving time packs a punch for the stargazers of Marin. They will have to get up an hour earlier to catch the tail end of the Ikey-Segi Comet.

Until yesterday, the best time to see the comet's tail was about 5:30 a.m., said John Weaver, president of Marin Astronomical Society today.

He and two other members, Bill Breeze of Mill Valley and Gus Gnoerich of Kentfield climbed Mount Tamalpais at that time Saturday and had a good view until the sky became too bright at 6:30 a.m.

For the next two weeks, the best time to catch a view of the star in the east is 4:30 a.m.

"People must know what they are looking for," said Weaver, "or the tail will look like nothing more than an aircraft trail."

Only the tail of the comet is visible. It appears as a faint beam of light extending from the horizon at an angle of 60 degrees, fanning out slightly so it reaches a distance of 20 degrees above the horizon.

There is no visible motion as expected by many viewers, said Weaver.

## Some Surfers Bother Residents Of Bolinas

Surfing is a sport which is riding on the crest of a wave at Bolinas this year.

But the invasion of the beach by 200 or more young enthusiasts most weekends is posing a problem to many of the people who live there all year round.

Piles of litter, noise and sun-lovers too scantily dressed are some of the complaints from members of Bolinas Community Inc.

A committee formed by the community group will meet with members of the North Point Surfing Club and Melton Ferris, a county parks and recreation commissioner, later this month to smooth out difficulties.

James Dougan, vice president of Bolinas Community Inc., said Saturday: "Surfers are, on the whole, well behaved as a group but as individuals, their enthusiasm sometimes runs away with them."

There has already been one meeting between the committee, the club and Ferris which Dougan reported a success.

"The first discussions took place on designating parts of the beach exclusively for surfers and other parts for swimmers and people who like picnics," he said.

"We have no complaints against the North Point group. We find it is unaffiliated surfers who commit many of the minor violations," Dougan added.

## Catholic Council Backs Union Race Bias Charge

The Marin Catholic Interracial Council has voted to back the action of St. Andrew's United Presbyterian Church of Marin City asking for federal action against racial discrimination the congregation charges exists in building trades unions.

The council called the church's "practice of the living gospel of Christ in the marketplace most encouraging."

Rev. Donald H. Schilling of the St. Andrew's congregation, and Rev. Wesley Baker of San Rafael's First Presbyterian Church, joined Monday in asking for U.S. Justice Department action under Title VII of the 1964 Civil Rights Act. St. Andrew's church is now under construction.

## Helmet Credited With Saving Life Of Cycle Rider

A helmet may have saved the life of a young Hamilton Air Force Base airman early Saturday when his small motorcycle overturned on Highway 101.

A/2c Robert T. Lyneis, 21, was reported in good condition today at the air base hospital following the accident at 5 a.m. this morning. He suffered cuts and bruises.

Lyneis was entering the northbound lane of the highway from Terra Linda when his cycle hit a curb and overturned, reported the California Highway Patrol.

Nurses at the hospital said his helmet, worn to comply with a base regulation, showed the impact of several strong blows. Without it, Lyneis might have suffered severe head injuries in the accident, they reported.

## Driver Injured As Auto Rolls

Mrs. Barbara B. Cooley, 19, of 124 Merrydale Road, Los Ranchitos, suffered minor injuries when her car rolled over on Highway 101, about a quarter of a mile south of Lucas Valley Road, at 11:43 yesterday, the California Highway Patrol reported.

Officers reported the car rolled completely over and righied itself.

Mrs. Cooley, who suffered a bruised right eye, swollen left elbow and scrapes of the left leg, went to her own doctor for treatment.

**the college problem won't go away**

It won't until we do something about this crisis in higher education.

Some colleges predict that they soon may have to turn away qualified high school graduates.

If they do have to turn away these potential leaders, it will be because of shortages—in buildings, facilities, and especially qualified teachers.

But we *need* leaders, more and more. Leaders manage and make wise use of our manpower, resources and human skills.

Good leadership protects our high level in jobs, opportunities and living standards.

This is everybody's concern. Make it yours. Give to the college of your choice.

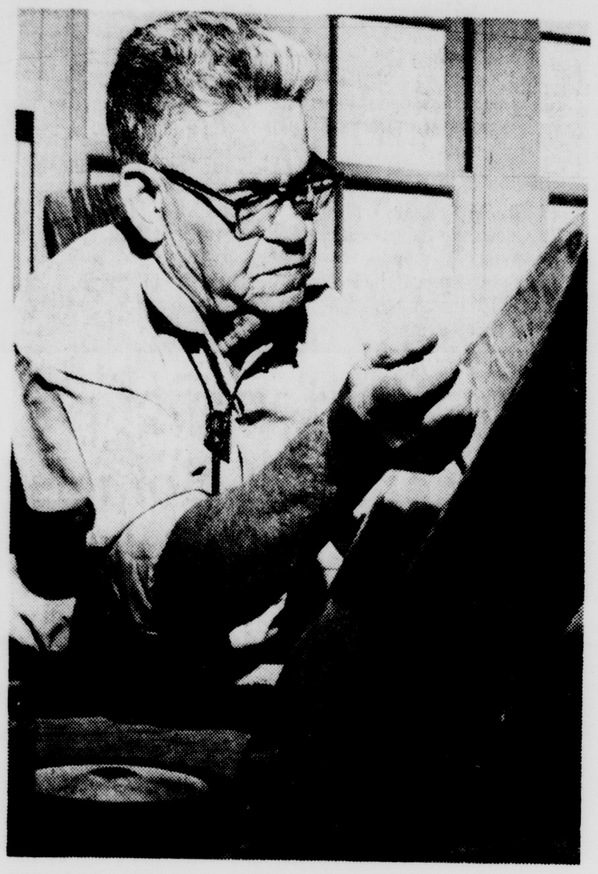
# Young And Old Alike Enjoy Recreation Program

DAILY Independent-Journal Est. 1861
SERVING ALL OF MARIN COUNTY



**TOY REPAIRING**—Edward Ferguson Sr. repairs a toy wagon in a part of the senior citizen program. Oldsters may also participate in an arts and crafts program, square dancing and card playing. Bridge instruction is also offered.

**INTRAMURAL PROGRAM POPULAR**—Pre-teens on the Davidson Junior High School field practice touch football getting ready for games with other schools and in an intramural league in the San Rafael fall and winter recreation sessions. Instructors are Tom Corbett (left) and Jim Schmidt. Intramural football, basketball and volleyball is offered on Mondays, Wednesdays and Thursdays as part of the youth activities program. The special team touch football program operates from 9 a.m. to noon on Saturdays.

**NEEDLEWORK GUILD**—Sewing is an activity designed for women in the senior citizen program as toy repair is designed for men. The senior citizen activities are organized through the Marin Senior Assn., which meets Friday mornings. Senior citizen activities are held at the Recreation Center, 37 Union Street, but must soon move as the building is to be demolished.

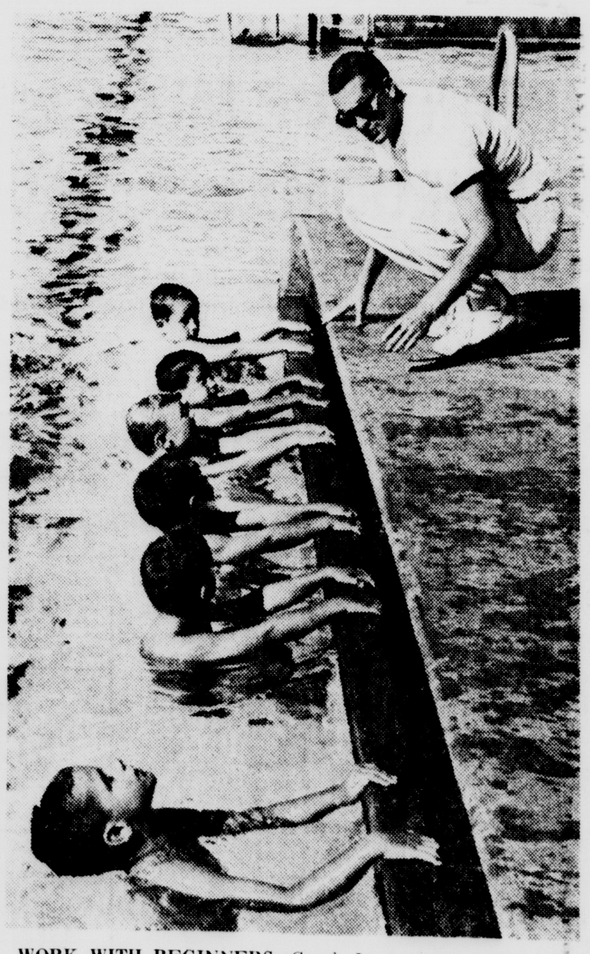
**SWIMMERS WORK OUT**—Swimming is offered to novices and those good enough to compete in the San Rafael Swim Club under the city's program. The club is open to swimmers in the recreation program at the San Rafael High School pool on Mondays, Wednesdays and Saturdays. Here Coach George Jones starts a practice run of swimmers ranging in age from 8 to 12. Other youth activities include a physical fitness program and an open gym day each week, in addition to a tiny tot program.

**TUMBLING AT SAN RAFAEL HIGH**—Gail Burquart goes up and over (above) in the youth activities tumbling program offered Mondays at San Rafael High School. At right the teacher, Mrs. Lary Hickey, helps Ellen Sheehy learn to do a handstand. The San Rafael recreation program also includes dances for teen-agers, badminton, basketball and slimming exercises for adults, special luncheons and trips for oldsters, and classes in cake decorating, folk guitar, square dancing and a dry land ski school. A concert series will start in January.



**WORK WITH BEGINNERS**—Coach Larry Lack works with young swimmers as part of the Monday, Wednesday and Saturday swim program at the San Rafael High School pool. In addition to organized activities,

# Comet Is Visible To Early Risers

Loosing daylight saving time packs a punch for the stargazers of Marin. They will have to get up an hour earlier to catch the tail end of the Ikey-Segi Comet.

Until yesterday, the best time to see the comet's tail was about 5:30 a.m., said John Weaver, president of Marin Astronomical Society today.

He and two other members, Bill Breeze of Mill Valley and Gus Gnoerich of Kentfield climbed Mount Tamalpais at that time Saturday and had a good view until the sky became too bright at 6:30 a.m.

For the next two weeks, the best time to catch a view of the star in the east is 4:30 a.m.

"People must know what they are looking for," said Weaver, "or the tail will look like nothing more than an aircraft trail."

Only the tail of the comet is visible. It appears as a faint beam of light extending from the horizon at an angle of 60 degrees, fanning out slightly so it reaches a distance of 20 degrees above the horizon.

There is no visible motion as expected by many viewers, said Weaver.

# Some Surfers Bother Residents Of Bolinas

Surfing is a sport which is riding on the crest of a wave at Bolinas this year.

But the invasion of the beach by 200 or more young enthusiasts most weekends is posing a problem to many of the people who live there all year round.

Piles of litter, noise and sunlovers too scantily dressed are some of the complaints from members of Bolinas Community Inc.

A committee formed by the community group will meet with members of the North Point Surfing Club and Melton Ferris, a county parks and recreation commissioner, later this month to smooth out difficulties.

James Dougan, vice president of Bolinas Community Inc., said Saturday: "Surfers are, on the whole, well behaved as a group but as individuals, their enthusiasm sometimes runs away with them."

There has already been one meeting between the committee, the club and Ferris which Dougan reported a success.

"The first discussions took place on designating parts of the beach exclusively for surfers and other parts for swimmers and people who like picnics," he said.

"We have no complaints against the North Point group. We find it is unaffiliated surfers who commit many of the minor violations," Dougan added.

# Catholic Council Backs Union Race Bias Charge

The Marin Catholic Interracial Council has voted to back the action of St. Andrew's United Presbyterian Church of Marin City asking for federal action against racial discrimination the congregation charges exists in building trades unions.

The council called the church's "practice of the living gospel of Christ in the marketplace most encouraging."

Rev. Donald H. Schilling of the St. Andrew's congregation, and Rev. Wesley Baker of San Rafael's First Presbyterian Church, joined Monday in asking for U.S. Justice Department action under Title VII of the 1964 Civil Rights Act. St. Andrew's church is now under construction.

## Helmet Credited With Saving Life Of Cycle Rider

A helmet may have saved the life of a young Hamilton Air Force Base airman early Saturday when his small motorcycle overturned on Highway 101.

A/2c Robert T. Lyneis, 21, was reported in good condition today at the air base hospital following the accident at 5 a.m. this morning. He suffered cuts and bruises.

Lyneis was entering the northbound lane of the highway from Terra Linda when his cycle hit a curb and overturned, reported the California Highway Patrol.

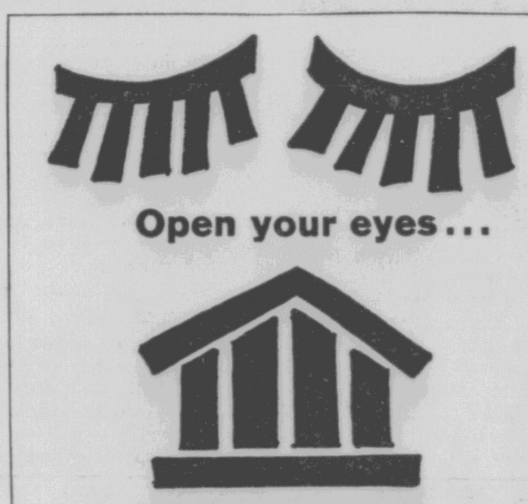
Nurses at the hospital said his helmet, worn to comply with a base regulation, showed the impact of several strong blows. Without it, Lyneis might have suffered severe head injuries in the accident, they reported.

## Driver Injured As Auto Rolls

Mrs. Barbara B. Cooley, 19, of 124 Merrydale Road, Los Ranchitos, suffered minor injuries when her car rolled over on Highway 101, about a quarter of a mile south of Lucas Valley Road, at 11:43 yesterday, the California Highway Patrol reported.

Officers reported the car rolled completely over and righted itself.

Mrs. Cooley, who suffered a bruised right eye, swollen left elbow and scrapes of the left leg, went to her own doctor for treatment.



Open your eyes...

the college problem won't go away

It won't until we do something about this crisis in higher education.

Some colleges predict that they soon may have to turn away qualified high school graduates.

If they do have to turn away these potential leaders, it will be because of shortages—in buildings, facilities, and especially qualified teachers.

But we *need* leaders, more and more. Leaders manage and make wise use of our manpower, resources and human skills.

Good leadership protects our high level in jobs, opportunities and living standards.

This is everybody's concern. Make it yours. Give to the college of your choice.

# Luci, Beau Apparently Lack Johnson Consent

WASHINGTON (UPI) — Luci Baines Johnson was back at the White House and her college studies today after a weekend at the LBJ Ranch seeking her father's consent to become engaged.

The presidential party in Texas was mum on Johnson's reaction to his daughter's request and Luci avoided the press on her return here. But the President was understood to have dissuaded Luci from becoming engaged now.

Eighteen-year-old Luci "cares deeply" for Pat Nugent, 22, of Waukegan, Ill., and wants to marry him, her friends say.

The fact that Pat is four years older than Luci is to her liking. She has many older friends and many of them are already married.

But Johnson is withholding his approval. There was the feeling that last weekend at the ranch the President used his gigantic powers of persuasion on the romantic pair with a little "come let us reason together" thrown in.

He is understood to feel Luci should wait until she gets into her twenties before thinking of marriage.

## Worldwide Drug Control Urged

GENEVA (AP) — The "epidemic-like" spread of drug-taking among younger people must be brought under drastic control, the World Health Organization said today.

A WHO expert committee on dependence- producing drugs cited "the increasing frequency of abuse of sedatives or stimulants not classified internationally as narcotic drugs."

The committee recommended control measures.

# Prime Minister Optimistic For Rhodesian Settlement

LONDON (AP) — British Prime Minister Harold Wilson says he believes a Rhodesian settlement is possible. But the colony's two leading Africans have rejected plans for a royal commission to work out a settlement.

Wilson returned last night from talks in Rhodesia to report to Parliament on the agreement he reached with Rhodesian Prime Minister Ian Smith to set up a three-man royal commission that will seek a formula for conditions under which the central African colony could be granted independence.

The British leader said the agreement has provided time for careful thought.

"We can, given the time, get a settlement," he added.

British newspaper commentators agreed that Wilson's mission had bought time for more negotiations. But they generally did not consider as bright the prospects for an acceptable settlement.

Wilson went to Rhodesia after the colony's ruling white minority threatened to declare independence without yielding to British demands for guarantees promising eventual rule to the colony's four million Africans. The white population numbers about 255,000.

The leader of one of Rhodesia's two African nationalist parties, Joshua Nkomo, said in a statement that Britain was evading its responsibilities in proposing the royal commission. He termed it "a time-wasting device."

The leader of the other nationalist party, the Rev. Ndabaningi Sithole, issued a statement "unreservedly rejecting the idea of a commission."

Both the rival nationalist leaders agreed to Wilson's proposal that the Rhodesian people as a whole should be asked if they want independence based on the existing 1961 constitution. In separate statements they insisted this be done by a one-man one-vote referendum.

Wilson and Smith have not yet agreed on the ground rules for the commission nor on ways to change the 1961 constitution to make it acceptable to both sides.

## Park Equipment To Arrive In Week

New play equipment for San Rafael's renovated Boyd Park will not arrive from its eastern manufacturer until the beginning of next week, Joheph D. Rodota, San Rafael recreation director, said today.

The new equipment, including a large tower slide, an animal merry-go-round and three rocking animals will be installed immediately on arrival, Rodota said. The entire refurbishing project will be finished by the end of November, he said.

## Troops Told To Kill Reds In Indonesia

JAKARTA (UPI) — An Indonesian army general today ordered his troops to wipe out Communist elements fomenting rebellion in central Java.

"If you cannot combat these counter - revolutionaries, then you needn't be soldiers and wear the uniform," Brig. Gen Surjo Sumpeno said in an order broadcast by the official Indonesian news agency Antara.

Sumpeno told a military roll call that conditions in the Surakarta area were deteriorating daily as roaming bands of Communist youths kidnaped and slaughtered villagers belonging to rival religious and nationalist groups.

At least 250 persons were reported killed in the Bojolali area of central Java alone since the Oct. 1 coup attempt.

Martial law and strict curfews were maintained in central Java and its special district of Jogjakarta.

## Sewer Board To Fill A Vacancy

The Tiburon Sanitary District Board, meeting at 8 p.m. today at the treatment plant on Mar West Street, will consider naming a new board member to replace John Eichorn, who has resigned.

Last month the county board of supervisors named Robert H. Scarf of 2450 Paradise Drive to fill the vacancy, but it was later learned only the sanitary board is empowered to name a replacement and the action was rescinded.

Also on the agenda is election of officers.

## Fishing Boat Capsizes, Sinks

SAN DIEGO (AP)—A 90-foot purse seiner suddenly began to list, then capsized and sank as crewmen scrambled into the water 110 miles south of San Diego.

The 12 crewmen of the Barbara K. were rescued unhurt—but without an explanation for the accident.

The $250,000, steel-hulled vessel was carrying 123 tons of tuna valued at $35,000.

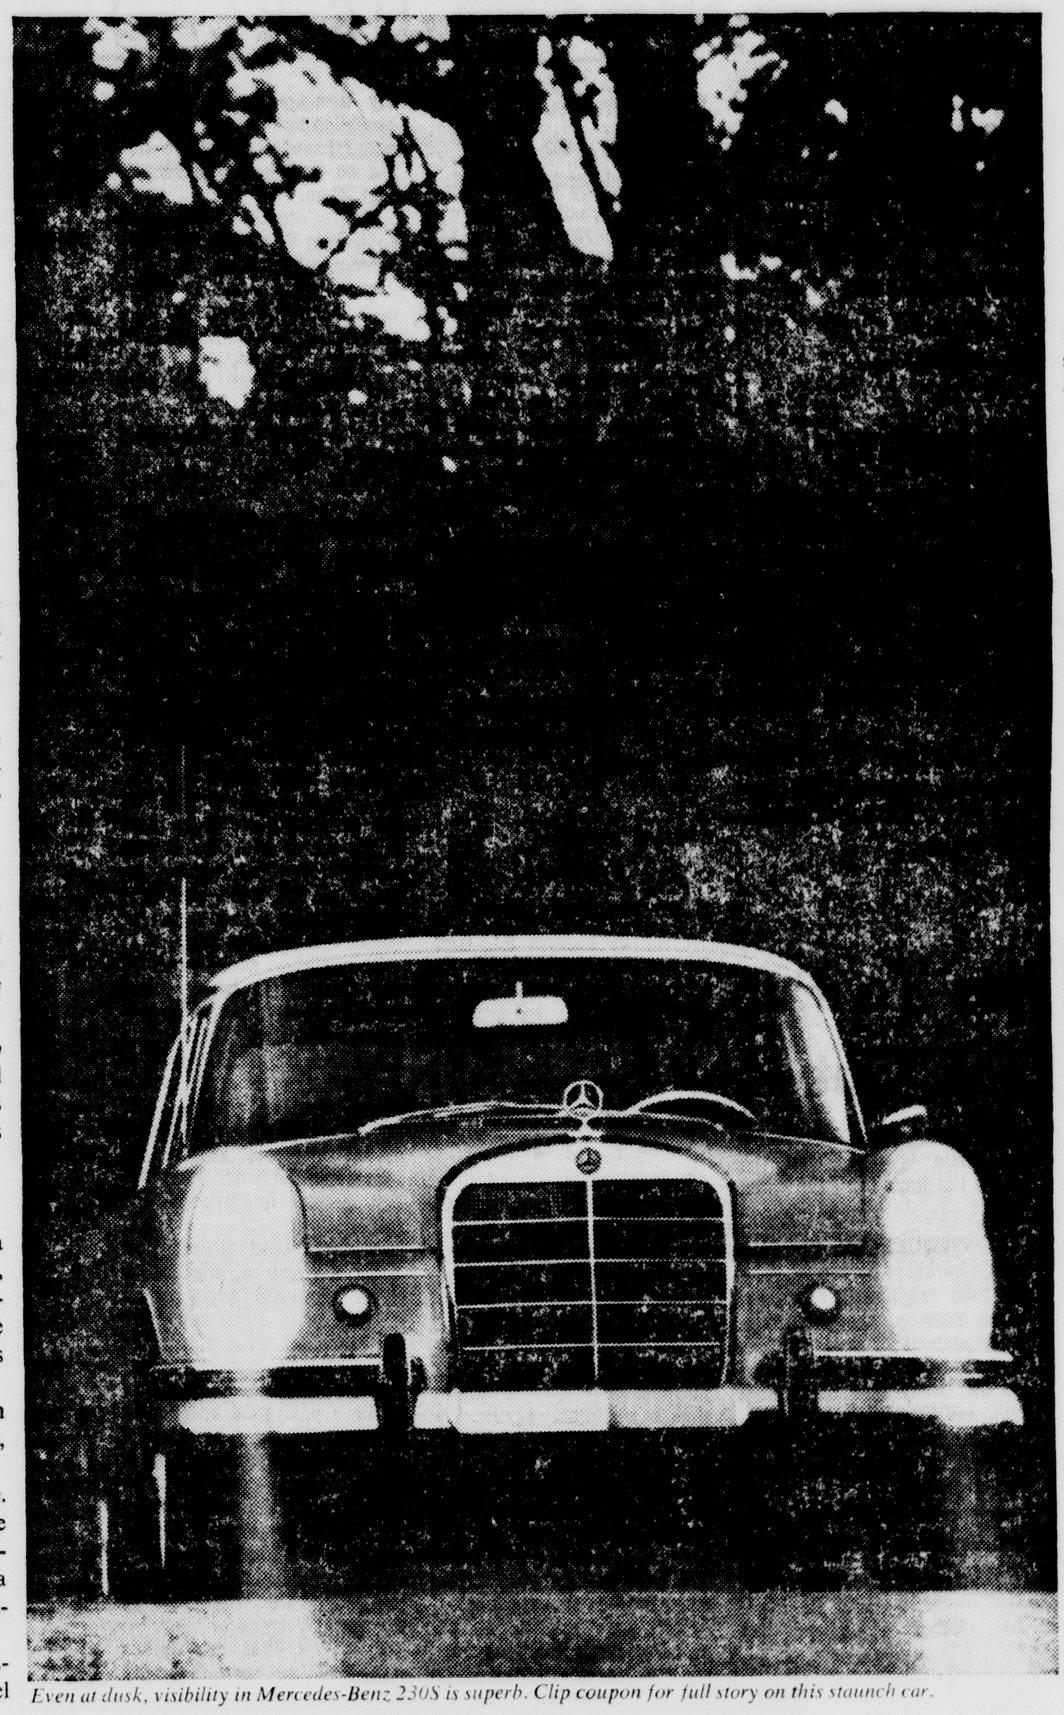
# "At 50,000 miles you may begin to wonder if your Mercedes-Benz 230S will ever rattle. A most unflappable car."



**The body is welded 10,000 times. Its design is a patented safety feature. A lovingly assembled engine can cruise all day at 90 mph. Take 3 minutes to read about the Mercedes-Benz 230S, built to be the best—not the best seller.**

GIVEN humane care, the Mercedes-Benz 230S will easily outlive your golf clubs and the family cat. The secret of its longevity: careful construction, costlier materials, and an engineering staff whose creations are watched like hawks by other car designers.

*Flattering note:* competitive engineers have admitted they would like to copy some Mercedes-Benz features, but—alas—*they can't afford to* without shooting up their cars' prices.

### World's oldest car maker

Mercedes-Benz has had 80 years to store up its expertise. It's a good feeling to know that the Mercedes-Benz 230S comes from the world's oldest automobile maker—from the *inventors* of the automobile.

*Historical sidelight:* the inventors were two German engineers, Gottlieb Daimler and Karl Benz. The year was 1886. Elsewhere, Mr. Rolls had yet to meet Mr. Royce. And Henry Ford's amazing Model T was still 22 years off.

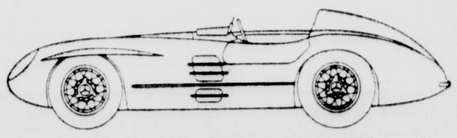
### No squeak, clank or groan

A car's backbone is its body. The 230S body is a taut shell, *welded* 10,000 times. It is stronger, more twist-resistant than separate body-and-frame types that must be bolted together. The 230S will not age to the tune of squeaks, groans or rattles.

*Nitpickers:* you'll search for telltale seams in vain. All outside body seams are hand-ground, filled with pewter, ground again and polished.

Sturdy as it is, the 230S is no mere iron horse. You can hurtle this 2,976-pound sedan about like a sports car. No wonder—you ride on a fully-independent suspension system first *proved* on a sports-racing car—the all-conquering Mercedes-Benz 300SLR.

Professional racing drivers respect Mercedes-Benz cars (some even *sell* them. Juan Manuel Fangio, 5-time World Champion driver, is a Mercedes-Benz dealer in Buenos Aires).



*Suspension proved on 300SLR sports-racing car.*

### Steering without guesswork

You control the 230S—it doesn't control you. If you've been driving a car with spongy steering, you'll be astonished at the accuracy of Mercedes-Benz steering. You *aim* this car. You don't have to cajole it.

*Note:* A shock absorber *in the steering linkage* blots up road jolts before they can reach your hands on the wheel. No buzzing, tickly vibrations.

### Stops without panic

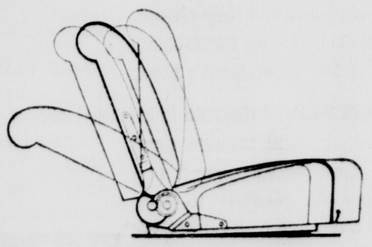
The 230S uses disc brakes in front—and *separate* brake systems, front and rear. A trustworthy combination. And remarkably smooth: "When you put the brakes on in a Mercedes-Benz, it still feels like you're putting the brakes on in an *automobile*—not turning a switch that's going to throw you out the windshield."—David E. Davis Jr., Editor and Publisher, *Car & Driver* Magazine.

### An unburstable engine

When you lift the hood of the 230S, you may be startled. Its 6-cylinder, single overhead camshaft engine is *one-third* the size of many American V8's. Your gas costs will be about half. And its performance stuns those who always thought an engine had to be *big* to be potent. *Consider this:* manufacturing tolerances are so close, and design is so careful, that you can blaze along for hours on end at over 90 mph. You hear only a pleasant hum. There is no unnerving mechanical strain to set your back-teeth on edge.

### Not a rolling hotel

Coming as it does from a factory where one of every 11 workers is an inspector, the 230S displays superb workmanship. But superfluous gewgaws are utterly absent. No fold-down writing tables. No walnut wainscotting. A blow to status-seekers—but a *boon* in cutting needless weight and cost.



*Fatigue-proof seats have reclining backrests.*

Orthopedic physicians helped make the 230S' seats fatigue-proof by making them *firm*. They are also *tuned* to the car's suspension motions—eliminating millions of tiny jarring and pitching movements that bring on discomfort.

*Suggestion*—try these seats immediately after sitting in a large domestic car. They're ample and snug. You don't feel like you're sitting in a box of marshmallows. And the individual front seat backrests recline to 4 positions.

The 230S measures decidedly shorter bumper-to-bumper than full-sized American cars. But inside, it actually gives you *more* room than many. The result of designing a car *around its occupants* instead of to a stylist's orders.

**Mercedes-Benz motor cars: from $23,245 to $4,065**

You may be able to afford a Mercedes-Benz without knowing it. Below are suggested retail prices* for 6 of the 15 Mercedes-Benz models.

| | |
|---|---|
| 600 Grand Mercedes | $23,245 |
| 300SE Coupe | 11,737 |
| 230SL Roadster | 6,262 |
| 230S Sedan | 4,900 |
| 200 Diesel Sedan | 4,280 |
| 200 Sedan | 4,065 |

**West Coast port of entry, exclusive of state and local taxes if any.*

### A word on safety

To Mercedes-Benz, safety is more than token gestures. It is *bred into* the car's basic design. Example: the *body* of the 230S is a patented safety feature. Front and rear sections are designed to *collapse* on hard impact, absorbing shock before it can reach the passenger area.

Inside, door handles are recessed. Twelve danger spots—including the *window cranks*—are safety padded. Small wonder that safety experts term Mercedes-Benz cars "the safest in the world."

Better yet, stop in at our Mercedes-Benz showroom. And see what it's like to drive a car that's built to be the *best*—not the best seller.

SERVING ALL OF MARIN COUNTY

**TOY REPAIRING**—Edward Ferguson Sr. repairs a toy wagon in a part of the senior citizen program. Oldsters may also participate in an arts and crafts program, square dancing and card playing. Bridge instruction is also offered.

**NEEDLEWORK GUILD**—Sewing is an activity designed for women in the senior citizen program as toy repair is designed for men. The senior citizen activities are organized through the Marin Senior Assn., which meets Friday mornings. Senior citizen activities are held at the Recreation Center, 37 Union Street, but must soon move as the building is to be demolished.

**INTRAMURAL PROGRAM POPULAR**—Pre-teens on the Davidson Junior High School field practice touch football getting ready for games with other schools and in an intramural league in the San Rafael fall and winter recreation sessions. Instructors are Tom Corbett (left) and Jim Schmidt. Intramural football, basketball and volleyball is offered on Mondays, Wednesdays and Thursdays as part of the youth activities program. The special team touch football program operates from 9 a.m. to noon on Saturdays.

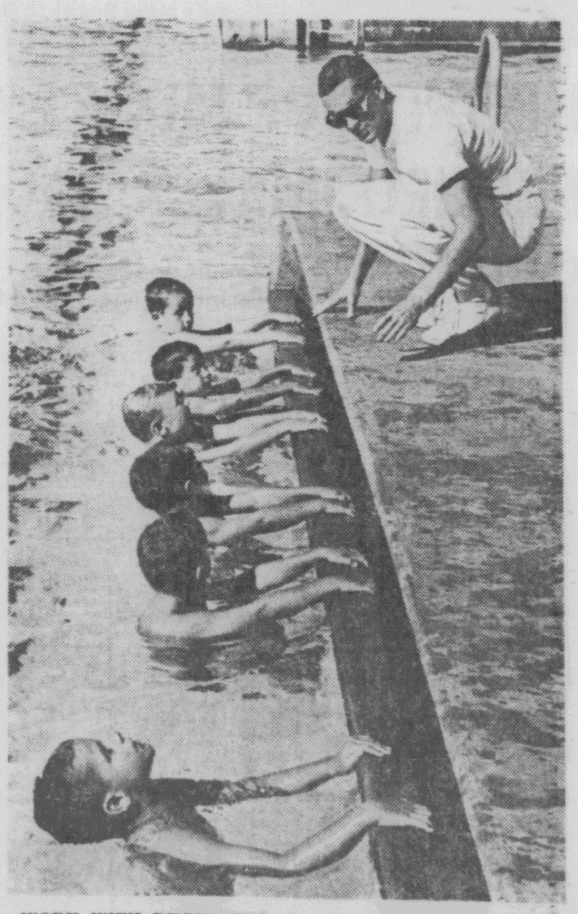
**SWIMMERS WORK OUT**—Swimming is offered to novices and those good enough to compete in the San Rafael Swim Club under the city's program. The club is open to swimmers in the recreation program at the San Rafael High School pool on Mondays, Wednesdays and Saturdays. Here Coach George Jones starts a practice run of swimmers ranging in age from 8 to 12. Other youth activities include a physical fitness program and an open gym day each week, in addition to a tiny tot program.

**TUMBLING AT SAN RAFAEL HIGH**—Gail Burquart goes up and over (above) in the youth activities tumbling program offered Mondays at San Rafael High School. At right the teacher, Mrs. Lary Hickey, helps Ellen Sheehy learn to do a handstand. The San Rafael recreation program also includes dances for teen-agers, badminton, basketball and slimming exercises for adults, special luncheons and trips for oldsters, and classes in cake decorating, folk guitar, square dancing and a dry land ski school. A concert series will start in January.



**WORK WITH BEGINNERS**—Coach Larry Lack works with young swimmers as part of the Monday, Wednesday and Saturday swim program at the San Rafael High School pool. In addition to organized activities,

# Sending Blood And Supplies To Reds Is Indefensible

Criticism of our foreign policies can be defended in the name of freedom of speech and expression.

Even mass demonstrations, if conducted peacefully and in accordance with laws protecting property and public safety, can be defended under the Constitution.

But sending blood and supplies to the Communist Viet Cong, if true, is indefensible and borders on treason.

A wire service report alleges that a West Coast chapter of a group opposing American involvement in Viet Nam, plans to aid the Communist Viet Cong with supplies and blood donations. We hope the reports are in error or are gross exaggerations.

Such actions by Americans would be a direct stab in the back of other Americans who are on the battle lines, defending our freedom to speak out and to march peacefully.

Humanitarian efforts to help fellow human beings in times of natural disaster are laudable. But to give direct aid and comfort to our enemies who are engaged in killing our own citizens is contemptible and treasonous.

Blood is in short supply in our own country for our own citizens, even in peacetime. Almost daily, we receive pleas for blood donations for the ill and the accident victims in our own county hospitals.

Those who have blood donations to spare should volunteer at our own blood banks set up for the express purpose of helping our own citizens fight off illness and possible death.

For those whose minds have become so twisted that they would take delight in donating blood to our enemies while depriving our own citizens of that badly needed commodity, there is a better way of donating.

Put them in the front lines in Viet Nam, where the blood "donations" with be sudden and complete. At least, this type of "donation" would not be giving direct aid and comfort to the enemy.

## The Interpretations Of Children

Children often interpret things in amusing and unusual ways. Often they see their parents in an embarrassingly candid light. Other times they draw terrible conclusions.

We knew a smart brat once who was convinced that another kid's dad was a secret drinker because he saw him take a tablespoon of mineral oil. The kid's father was in reality an ardent and true Prohibitionist.

All we can say is: Be careful when the little ones are around.

## Is Waldo Grade Guard Rail Effective?

Many head-on collisions were undoubtedly prevented by the median barriers installed on portions of Highway 101 in Marin by the State Division of Highways.

Each dent or gouged out portion of the central divider represents a potential head-on crash that was averted. For this we are grateful.

However, on the Waldo Grade, some defect must exist in the guard-rail system.

This was brought home with shocking clarity when a car catapulted the short barrier and landed on top of a vehicle proceeding in the opposite direction at a lower level, with disastrous result.

Perhaps the height of the barrier should be raised, or the design changed.

We trust that state highway officials will investigate the matter with dispatch and come up with a better design, if at all feasible.

AFFAIRS OF STATE

# When Sacramento Tries To Put Lid On Toplessness, Look Out

By HENRY C. MacARTHUR

SACRAMENTO (CNS)—The question of whether the state Department of Alcoholic Beverage Control has a monkey by the tail in its effort to develop a hard and fast rule to control the topless cocktail waitress craze remains to be seen, but it could run into a mass of trouble.

James O. Reimel, director of the department, says his office plans to develop a rule which he hopes will set the decor, as well as the decolletege, or lack of it, in California's cocktail lounges, over which his department has supervision.

**THE TOPLESS** craze has shocked some people, and disillusioned others, but from all indications, it's here to stay, as long as it will draw customers who wish to gaze, as well as drink.

It can be said with authority that the topless fashion did not originate in California's barrooms. The fashion has a long history, no doubt dating back to the caveman days when there weren't enough skins to go around.

More history reveals a South Sea Island display of topless hula skirts which were decreed out of style by the righteous missionaries and the wearers convinced they should be clothed in a sort of sack garment known as the Mother Hubbard.

Topless still is the style in some of the Indonesian Islands, such as Bali Bali, where an ankle is taboo, but the sky's the limit from the waist up.

**CONSEQUENTLY**, the California barkeeps borrowed, rather than originated the craze, from peoples whose customs and methods of dress, or undress, are different from those in the sunny land of California, and thereby created a furor designed to bring in more customers, as everyone has to see the show.

So now the Department of Alcoholic Beverage Control plans to provide some more state regulation, this time on women's clothes, which man has been trying, without any success at all, to regulate for centuries.

The department might as well give up before it starts drawing up that meticulous rule as to how much epidermis may be displayed, because the girls will find some way to beat such a rule if they choose, and thereby swing the monkey back at the department's head.

**HOWEVER**, if the rule is indorsed, it could provide some good jobs for inspectors, and it may be planned to pick these from age brackets above retirement at 65 or 70, in which case civil service law would have to be changed to accommodate the oldsters.

Left alone, the topless craze could easily die out in probably a short space of time, without state intervention. Eventually, what becomes commonplace ceases to be either attractive or enticing, so the tavern owners would have to dream up another dodge to draw the customers.

# WHAT OUR READERS SAY

### Coroner Did A Good Job

Editor, Independent-Journal:

On Oct. 5, our only son was accidentally killed in a fall from a cliff in Point Reyes. On the following day we met with men from your Coroner's and Sheriff's office, who had an unpleasant and difficult task to perform.

This is what we must tell you: These men performed as real human beings with genuine sympathy and understanding. We shall never forget this kindness.

The same thoughtfulness was extended to us by the owner of the garage in Inverness where our son's car had been impounded.

To these people "Thank you."

MR. and MRS. EDWARD COLOMBANO

San Bruno.

### Hell's Angels Some Patriots!

Editor, Independent-Journal:

I see by today's I-J, (Oct. 18) that the Hell's Angels who attacked the peaceful demonstrators against the war in Viet Nam in Berkeley, Oct. 16 "shouted 'cowards' and 'yellow' as they rushed into the crowd of 2,500 marchers". I was there and that's true, but not quite the whole picture.

The marchers, except for a few oldsters like me, were almost all slight and slender young students, boys and girls walking hand in hand, arms around each other's waists, laughing, joking, passing soft drinks back and forth, enjoying the peaceful walk, bright sunshine and good comradeship. It was truely idyllic. The "patriotic" Hell's Angels, led by "Tiny" Mike Walter, 300 lbs., formed a flying wedge of jack-booted, brutal, brute strength. Moreover, all the 2,500 marchers (seemed more like 5,000 to me) were firmly committed to non-violence.

Such were the "brave patriots" who shouted "cowards" and "yellow". Wouldn't it be fitting to rush such "brave patriots" like Tiny Walter and his ilk to the front lines in Viet Nam immediately? But my teen-age son takes firm exception to this idea. He says, and I have to agree, no one, but no one should be sent to Viet Nam.

And, of course, if there were no war in Viet Nam for us to demonstrate against, the Hell's Angels would have to revert to attacking Fourth of July gatherings as they did last summer. Are they not truly "summer soldiers and sunshine patriots"?

HAROLD HELLER

Mill Valley.

### Demonstrators Should Meet At Dump Site?

Editor, Independent-Journal:

As I drove down Fourth Street in San Rafael last Saturday (Oct. 16) and observed the gathering of the group protesting our country's policy in Viet Nam, I could not help but wonder, what would be the thoughts of the brave men that the memorial statue in front of the county court house represents as well as the memories of all the brave men who died defending the rights of our beliefs and freedom.

The freedom as set down by our Constitution which many Americans have fought to preserve were never intended to allow such a gathering of Benedict Arnolds and cowards to be able to parade their poison among the very shadow of the memorial statue that represents the honor and bravery of our fallen sons and fathers.

I have asked myself how could a group of traitors as these mentioned, get a permit or permission from our county heads of government, to use county property (court house), which the majority of us have paid good and honest American dollars to support and maintain? Probably their stock answer would be "we cannot refuse the persons right for lawful assembly." I then ask " Is it a lawful assembly, that permits cowards to gather and shame the very name of this great country of ours?"

I suggest that any future permission or permits issued to any Anti-American group . . . be granted for the location of the county dump. Where trash will be among trash, and the only ears for the treacherous voices will be the numerous infested rats that abound there, for they will be among their own kind.

### Accident Reinforces Her Theory On Speed

Editor, Independent-Journal:

After reading about the very bad accident in tonight's (Oct. 19) paper, I can't help but say what I have said for a long time now—that SPEED is the major cause of these accidents.

Everybody argues with me, but I still think if people were not going so fast, they could avoid many of these accidents.

I would say that speed is the major cause of accidents.

### Christ Would Have Carried Draft Card

Editor, Independent-Journal:

To answer Julius Sztuk on page 2, Oct. 19, yes, Christ would have carried a draft card if expected to. Remember, "Render unto Caesar the things which are Caesar's, and unto God the things which are Gods?"

Christ was obedient — even unto death!

### Here's A Salute For Square Idea

Editor, Independent-Journal:

The most brilliant idea ever to come forward for the improvement of San Rafael was the proposed Court House Square as shown in the Independent on Oct. 21.

A salute to Robert W. Severin in coming up with a fresh new idea, bringing the city up to date and gain back a little of the business which we lost to the beautiful Northgate Shopping Center.

The Court House has served its purpose — let's face it. It is of no historic value nor is it an outstanding piece of architectural beauty. As some suggested to have it converted into a museum — that certainly would set the city back 25 years!

We badly need a small select hotel. Sure there are motels but many prefer to stop at a hotel in town. There are many small conventions which would like a central meeting place. When the Golf Tournament was held at Peacock Gap, all the movie celebrities had to be housed outside of San Rafael. There will be many more such tournaments and we should have accommodations ready.

The plan submitted is well designed for the center of the city as it gives an open spacious look and with the trees and shrubs we can still maintain a park-like atmosphere. This, by far, is better than a mall . . .

# TRY AND STOP ME

BENNETT CERF

**MRS. SLOPKIN** was a bit uneasy as her touring group was led deeper and deeper into the Florida Everglades. "The very thought of alligators terrifies me," she confided to the guide. "How can you tell when one's nearby?"

"Nothing to it, lady," the guide assured her. "Say you and your husband wander off a few steps for a private conversation and a smoke. All of a sudden you notice you're smoking and talking to yourself. Lady, you just located your first alligator."

**AN ATTENDANT** at a small town gas station won first prize at a picnic for being "the slowest moving person in Massachusetts." Asked why he circulated with such ultra-deliberation, the proud winner of the award explained: "Most people do all their loafing at one time. I've learned to do mine as I go along."

## Open Letter To Saigon Warns Not To Trust Student Protest

WASHINGTON--

Ho Chi Minh

Hanoi, North Viet Nam

Sir:

It will be hard for you to feel that I am writing to you as a friend.

In all honesty, I cannot say that I am.

But you may be willing to believe—because it is true—that I am writing you the exact facts concerning the state of American opinion about the war in Viet Nam with a single purpose in mind:

—To help you avoid a terrible miscalculation.

From Hanoi and Viet Cong official broadcasts it is evident:

**THAT YOU** believe the recent student protests reveal such a crumbling of public support for the role America is playing in Viet Nam that President Johnson will soon be forced to pull out.

Or, not believing your own broadcasts, you hope to persuade your own people and your own troops that, if they will only hang on a little longer against all odds, the U.S. defense effort will collapse in Viet Nam because public support of the President will have collapsed at home.

The facts, Mr. Ho Chi Minh, are that the U.S. defense of South Viet Nam is going to grow stronger and expand and that public support for it is increasing.

The facts, Mr. Ho Chi Minh, are that the most sizable and significant public protest in the U.S. is that the war is not being prosecuted vigorously enough.

You may wish to press the aggression to the very exhaustion of your nation, but if you decide this on the hope that the American people will grow weary and force the President to withdraw—this would be a terrible miscalculation.

**MAYBE YOU** don't believe your own propaganda. But your official broadcasts are so laden with assurances that popular resistance in the U.S. "to the little Johnson clique" will soon be irresistible as to suggest you may yourself accept this distorted and misleading appraisal of the American state of mind.

You describe U.S. sentiment against the defense of South Viet Nam as "never ceasing to rise and boil."

You say "the President is frightened. . .beyond imagination."

No, Mr. Ho Chi Minh, the President is not frightened, the U.S. is not going to back down, you are not going to win the war in Viet Nam on the campuses of the United States.

For you to think so, for you to plan on it, for you to count on it to the most miniscule degree would be a massive miscalculation I would like to help you avoid.

**THE REASONS** it is a miscalculation are these:

Every index shows that U.S. opinion, despite some student protests, is solidly behind the President. The latest Gallup Poll reveals that supporters of the defense effort outnumber those who oppose it by more than two-and-a-half to one. Note this: Young people in the age bracket from 21 to 30 are more in favor of the war effort than their elders.

Since the end of World War II every president of the United States has been tested by Communist aggression—and never has one backed down—not in Greece or in Berlin or in Korea or in the missile crisis in Cuba.

Mr. Ho Chi Minh—don't miscalculate.

Don't count on the student demonstrators to win the war for you. They can't. They won't. Ask yourself these questions:

Are there more U.S. troops in South Viet Nam this month than last?

Is there more U.S. firepower in Viet Nam this month than last?

Are there more Viet Cong casualties this month than last?

When your intelligence people give you candid answers to these questions, you will know that the President of the United States is speaking the truth when he says:

**WE WILL NOT** be defeated. We will not grow tired. We will not withdraw either openly or under the guise of a meaningless agreement."

INSIDE WASHINGTON

# Government Misleads On War Casualties

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — The Defense Department announcements on U.S. casualties in Viet Nam are deliberately misleading.

Not only is the reported toll of deaths deceptive, but no information at all is being made known regarding the number of wounded, disabled and missing (presumed captured).

When members of Congress and others have inquired about this, they have been given figures that told only part of the story or were contradictory.

**A DEMOCRATIC** senator was officially informed that as of October 1 the number of U.S. deaths in Viet Nam was 1,389—a figure nearly double the total publicly admitted.

Of this number, there was no indication how many were combat deaths, how many due to other causes — accidents or disease. The senator also was given no information on the number of wounded, disabled and missing.

**A WEEK LATER**, an insistant House Republican leader obtained the following detailed report from the Pentagon:

As of October 18—deaths due to hostile fire, 830; deaths due to non-hostile fire, 345; wounded, 4,455; missing in action under hostile fire, 81; missing in action under non-hostile fire, 29.

Of the 4,455 listed as "wounded," there was no indication how many were battle casualties, how many disabled due to other causes.

A military authority pointed out to the GOP leader that as a general rule non-combat disabilities average eight to one —that is, for every man disabled due to hostile action, eight are incapacitated because of accidents, illness and other factors.

So the 4,455 reported "wounded" left much to be clarified.

**THE DEFENSE** Department's policy of suppression, evasion and dissimulation stems directly from the White House, with the personal knowledge and approval of President Johnson. It was cleared with him before being initiated, and is squarely in line with Secretary of Defense Robert McNamara's long-held "managed news" ideas.

A key figure in this practice is Assistant Sec. Arthur Sylvester, one-time newsman who seemingly delights in withholding and juggling public information.

**SIGNIFICANTLY**, the deliberate manipulating of Viet Nam casualty figures has drawn indignant protests from a Democratic member of the influential Senate armed services committee — Stephen Young, Ohio, World War II veteran.

With two other committeemen, Young made a comprehensive tour of Viet Nam last month. They visited every major combat area and U.S. installations.

# Luci, Beau Apparently Lack Johnson Consent

WASHINGTON (UPI) — Luci Baines Johnson was back at the White House and her college studies today after a weekend at the LBJ Ranch seeking her father's consent to become engaged.

The presidential party in Texas was mum on Johnson's reaction to his daughter's request and Luci avoided the press on her return here. But the President was understood to have dissuaded Luci from becoming engaged now.

Eighteen-year-old Luci "cares deeply" for Pat Nugent, 22, of Waukegan, Ill., and wants to marry him, her friends say.

The fact that Pat is four years older than Luci is to her liking. She has many older friends and many of them are already married.

But Johnson is withholding his approval. There was the feeling that last weekend at the ranch the President used his gigantic powers of persuasion on the romantic pair with a little "come let us reason together" thrown in.

He is understood to feel Luci should wait until she gets into her twenties before thinking of marriage.

## Worldwide Drug Control Urged

GENEVA (AP) — The "epidemic-like" spread of drug-taking among younger people must be brought under drastic control, the World Health Organization said today.

A WHO expert committee on dependence- producing drugs cited "the increasing frequency of abuse of sedatives or stimulants not classified internationally as narcotic drugs."

The committee recommended control measures.

## Prime Minister Optimistic For Rhodesian Settlement

LONDON (AP) — British Prime Minister Harold Wilson says he believes a Rhodesian settlement is possible. But the colony's two leading Africans have rejected plans for a royal commission to work out a settlement.

Wilson returned last night from talks in Rhodesia to report to Parliament on the agreement he reached with Rhodesian Prime Minister Ian Smith to set up a three-man royal commission that will seek a formula for conditions under which the central African colony could be granted independence.

The British leader said the agreement has provided time for careful thought.

"We can, given the time, get a settlement," he added.

British newspaper commentators agreed that Wilson's mission had bought time for more negotiations. But they generally did not consider as bright the prospects for an acceptable settlement.

Wilson went to Rhodesia after the colony's ruling white minority threatened to declare independence without yielding to British demands for guarantees promising eventual rule to the colony's four million Africans. The white population numbers about 255,000.

The leader of one of Rhodesia's two African nationalist parties, Joshua Nkomo, said in a statement that Britain was evading its responsibilities in proposing the royal commission. He termed it "a time-wasting device."

The leader of the other nationalist party, the Rev. Ndabaningi Sithole, issued a statement "unreservedly rejecting the idea of a commission."

Both the rival nationalist leaders agreed to Wilson's proposal that the Rhodesian people as a whole should be asked if they want independence based on the existing 1961 constitution. In separate statements they insisted this be done by a one-man one-vote referendum.

Wilson and Smith have not yet agreed on the ground rules for the commission nor on ways to change the 1961 constitution to make it acceptable to both sides.

## Park Equipment To Arrive In Week

New play equipment for San Rafael's renovated Boyd Park will not arrive from its eastern manufacturer until the beginning of next week, Joheph D. Rodota, San Rafael recreation director, said today.

The new equipment, including a large tower slide, an animal merry-go-round and three rocking animals will be installed immediately on arrival, Rodota said. The entire refurbishing project will be finished by the end of November, he said.

## Troops Told To Kill Reds In Indonesia

JAKARTA (UPI) — An Indonesian army general today ordered his troops to wipe out Communist elements fomenting rebellion in central Java.

"If you cannot combat these counter-revolutionaries, then you needn't be soldiers and wear the uniform," Brig. Gen Surjo Sumpeno said in an order broadcast by the official Indonesian news agency Antara.

Sumpeno told a military roll call that conditions in the Surakarta area were deteriorating daily as roaming bands of Communist youths kidnaped and slaughtered villagers belonging to rival religious and nationalist groups.

At least 250 persons were reported killed in the Bojolali area of central Java alone since the Oct. 1 coup attempt.

Martial law and strict curfews were maintained in central Java and its special district of Jogjakarta.

## Sewer Board To Fill A Vacancy

The Tiburon Sanitary District Board, meeting at 8 p.m. today at the treatment plant on Mar West Street, will consider naming a new board member to replace John Eichorn, who has resigned.

Last month the county board of supervisors named Robert H. Scarf of 2450 Paradise Drive to fill the vacancy, but it was later learned only the sanitary board is empowered to name a replacement and the action was rescinded.

Also on the agenda is election of officers.

## Fishing Boat Capsizes, Sinks

SAN DIEGO (AP)—A 90-foot purse seiner suddenly began to list, then capsized and sank as crewmen scrambled into the water 110 miles south of San Diego.

The 12 crewmen of the Barbara K. were rescued unhurt—but without an explanation for the accident.

The $250,000, steel-hulled vessel was carrying 123 tons of tuna valued at $35,000.

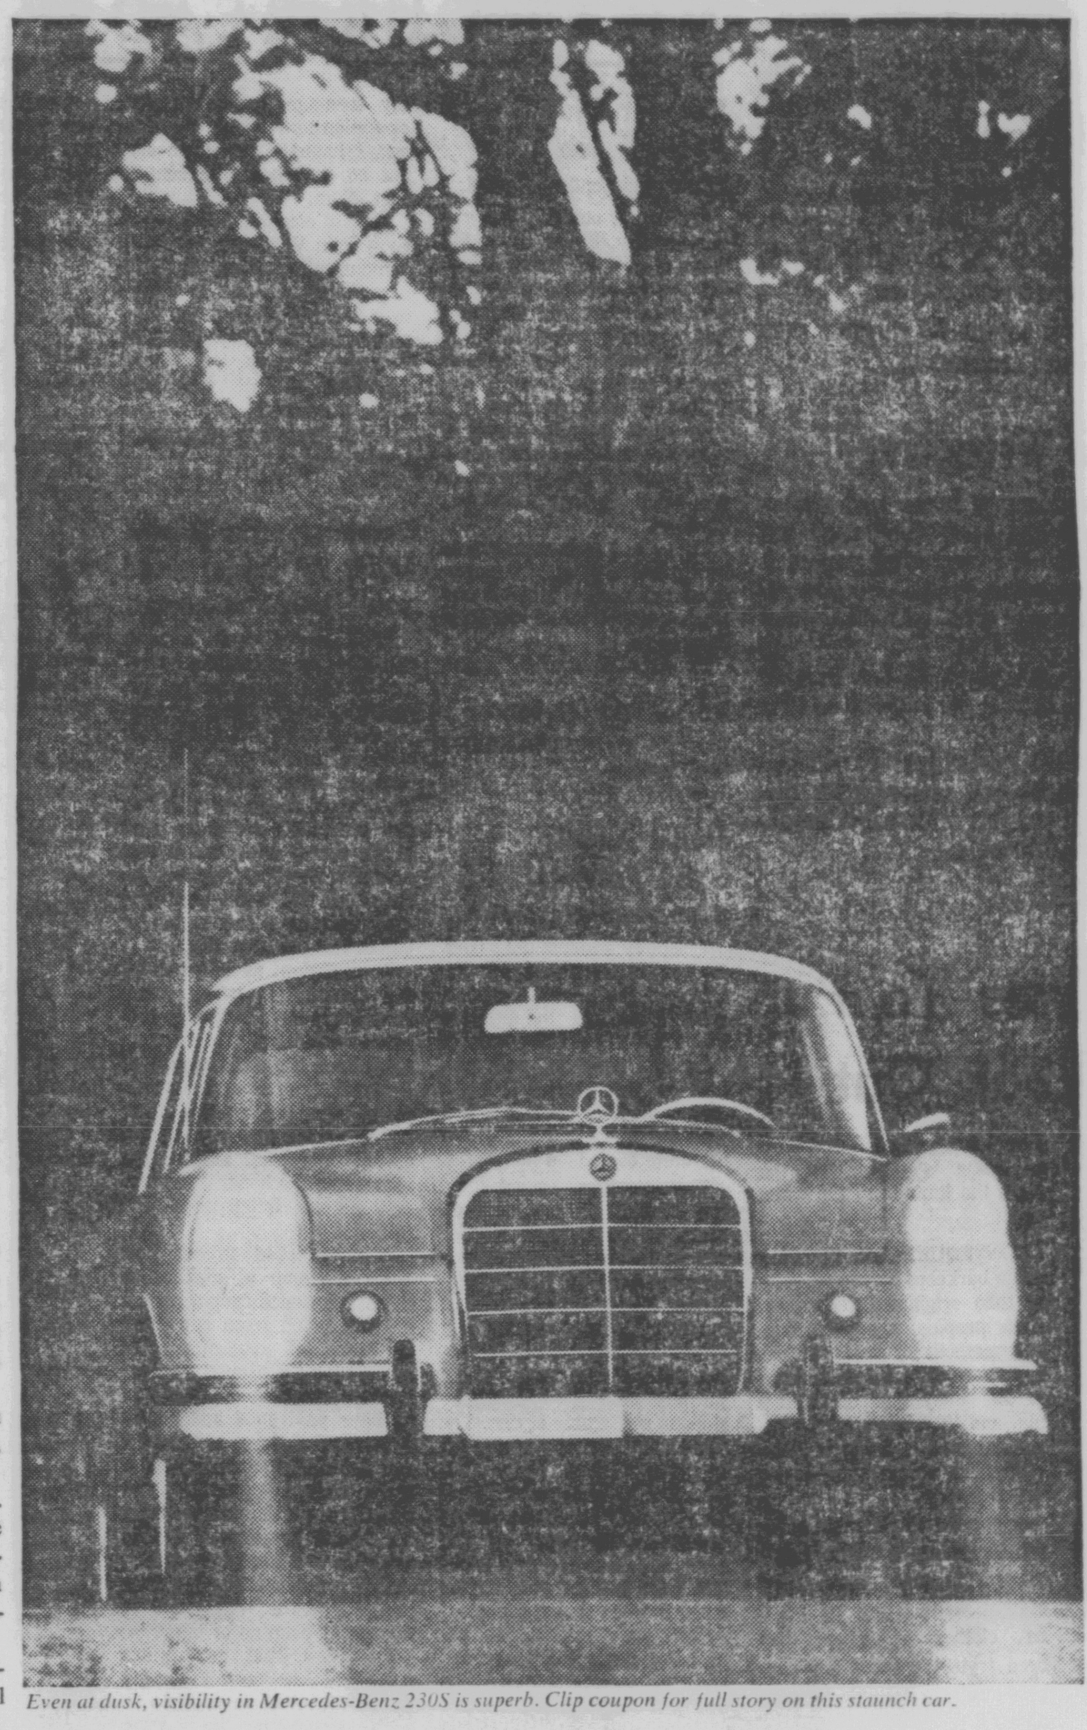
# "At 50,000 miles you may begin to wonder if your Mercedes-Benz 230S will ever rattle. A most unflappable car."



**The body is welded 10,000 times. Its design is a patented safety feature. A lovingly assembled engine can cruise all day at 90 mph. Take 3 minutes to read about the Mercedes-Benz 230S, built to be the best—not the best seller.**

GIVEN humane care, the Mercedes-Benz 230S will easily outlive your golf clubs and the family cat. The secret of its longevity: careful construction, costlier materials, and an engineering staff whose creations are watched like hawks by other car designers.

*Flattering note:* competitive engineers have admitted they would like to copy some Mercedes-Benz features, but—alas—*they can't afford to* without shooting up their cars' prices.

### World's oldest car maker

Mercedes-Benz has had 80 years to store up its expertise. It's a good feeling to know that the Mercedes-Benz 230S comes from the world's oldest automobile maker—from the *inventors* of the automobile.

*Historical sidelight:* the inventors were two German engineers, Gottlieb Daimler and Karl Benz. The year was 1886. Elsewhere, Mr. Rolls had yet to meet Mr. Royce. And Henry Ford's amazing Model T was still 22 years off.

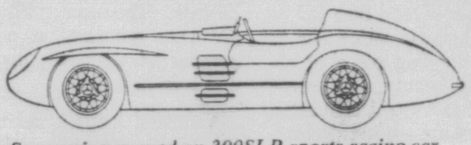
### No squeak, clank or groan

A car's backbone is its body. The 230S body is a taut shell, *welded* 10,000 times. It is stronger, more twist-resistant than separate body-and-frame types that must be bolted together. The 230S will not age to the tune of squeaks, groans or rattles.

*Nitpickers:* you'll search for telltale seams in vain. All outside body seams are hand-ground, filled with pewter, ground again and polished.

Sturdy as it is, the 230S is no mere iron horse. You can hurtle this 2,976-pound sedan about like a sports car. No wonder—you ride on a fully-independent suspension system first *proved* on a sports-racing car—the all-conquering Mercedes-Benz 300SLR.

Professional racing drivers respect Mercedes-Benz cars (some even *sell* them. Juan Manuel Fangio, 5-time World Champion driver, is a Mercedes-Benz dealer in Buenos Aires).



*Suspension proved on 300SLR sports-racing car.*

### Steering without guesswork

You control the 230S—it doesn't control you. If you've been driving a car with spongy steering, you'll be astonished at the accuracy of Mercedes-Benz steering. You *aim* this car. You don't have to cajole it.

*Note:* A shock absorber *in the steering linkage* blots up road jolts before they can reach your hands on the wheel. No buzzing, tickly vibrations.

### Stops without panic

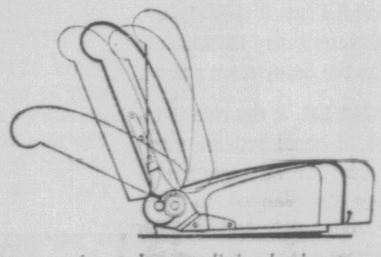
The 230S uses disc brakes in front—and *separate* brake systems, front and rear. A trustworthy combination. And remarkably smooth: "When you put the brakes on in a Mercedes-Benz, it still feels like you're putting the brakes on in an *automobile*—not turning a switch that's going to throw you out the windshield."—David E. Davis Jr., Editor and Publisher, *Car & Driver* Magazine.

### An unburstable engine

When you lift the hood of the 230S, you may be startled. Its 6-cylinder, single overhead camshaft engine is *one-third* the size of many American V8's. Your gas costs will be about half. And its performance stuns those who always thought an engine had to be *big* to be potent. *Consider this:* manufacturing tolerances are so close, and design is so careful, that you can blaze along for hours on end at over 90 mph. You hear only a pleasant hum. There is no unnerving mechanical strain to set your back-teeth on edge.

### Not a rolling hotel

Coming as it does from a factory where one of every 11 workers is an inspector, the 230S displays superb workmanship. But superfluous gewgaws are utterly absent. No fold-down writing tables. No walnut wainscotting. A blow to status-seekers—but a *boon* in cutting needless weight and cost.



*Fatigue-proof seats have reclining backrests.*

Orthopedic physicians helped make the 230S' seats fatigue-proof by making them *firm*. They are also *tuned* to the car's suspension motions—eliminating millions of tiny jarring and pitching movements that bring on discomfort.

*Suggestion*—try these seats immediately after sitting in a large domestic car. They're ample and snug. You don't feel like you're sitting in a box of marshmallows. And the individual front seat backrests recline to 4 positions.

The 230S measures decidedly shorter bumper-to-bumper than full-sized American cars. But inside, it actually gives you *more* room than many. The result of designing a car *around its occupants* instead of to a stylist's orders.

**Mercedes-Benz motor cars: from $23,245 to $4,065**

You may be able to afford a Mercedes-Benz without knowing it. Below are suggested retail prices* for 6 of the 15 Mercedes-Benz models.

| | |
|---|---|
| 600 Grand Mercedes | $23,245 |
| 300SE Coupe | 11,737 |
| 230SL Roadster | 6,262 |
| 230S Sedan | 4,900 |
| 200 Diesel Sedan | 4,280 |
| 200 Sedan | 4,065 |

**West Coast port of entry, exclusive of state and local taxes if any.*

### A word on safety

To Mercedes-Benz, safety is more than token gestures. It is *bred into* the car's basic design. Example: the *body* of the 230S is a patented safety feature. Front and rear sections are designed to *collapse* on hard impact, absorbing shock before it can reach the passenger area.

Inside, door handles are recessed. Twelve danger spots—including the *window cranks*—are safety padded. Small wonder that safety experts term Mercedes-Benz cars "the safest in the world."

### Clip coupon for brochure

To find out more about the 230S and three other Mercedes-Benz models, send for the 24-page brochure shown below. It has over 30 full-color photographs. Just clip the coupon below.

Better yet, stop in at our Mercedes-Benz showroom. And see what it's like to drive a car that's built to be the *best*—not the best seller.

*Even at dusk, visibility in Mercedes-Benz 230S is superb. Clip coupon for full story on this staunch car.*

## Why Is Everyone So Suspicious Of Parks, Recreation Commission?

Talk about suspicion and intrigue, wow! You should come to the Civic Center.

Did you know that the parks and recreation commission is engaged in a running plot to force the board of supervisors into the wrong decision? Did you know that the Civic Center actually has only four floors?

**DID YOU KNOW** that the agents stand in the shadows and go "psssssst" when you walk by?

Man, it's like a wild scene like this like:

"I beg your pardon, but did you just say 'psssssst'?"

"Shhhhh! I'm secret agent 1000000001, tracking down the P&R commission. Where did they meet last, man. Come clean."

"They're meeting right now. Come along, I'll show you."

**"WAIT A MINUTE,** buddy. You don't expect me to get into that meeting. I don't even know the password."

"There's no password needed."

"What about that tattoo they all have to show on the instep of the left foot?"

"Where did you get that story, 10000001?"

"All right, you deny it. Well, what about the ex-acting director? I understand he wears a beard."

**"THAT'S TRUE,** but I don't see—

"A thick, black beard?"

"You think that puts him under suspicion?"

"Buddy, you draw your conclusions and I'll draw mine. Just remember that the whole outfit is under suspicion. That's why I'm here."

"Well, come along or we'll miss the meeting."

**"ARE YOU KIDDING?** you're not going to get met in there alone with **THEM.** You'd like that, I suppose. It would make me become part of the plot."

"Plot?"

"Sure. Tell me, what are they going to conspire on today? Stafford Lake, maybe, huh? Chileno Valley, maybe? Richardson Bay?"

"Here's an agenda."

**"AW, YOU CAN'T** trust that for a minute. Next thing you know, they'll come smiling to the supervisors with some new scheme they have only been talking about for a few years. You gotta watch those birds."

"Well, here's the meeting room. Are you coming in?"

"Not a chance. We have other ways to get at the facts. They're not going to put anything over on us. Don't worry."

## Here Are Today's Instructions On How To Get In The Service

WASHINGTON — There have been so many articles and pamphlets written on "How to Avoid the Draft," that it is only right someone should put out instructions on "How to Be Drafted." I know I'll be criticized for this, but under the American system a person has as much right to be drafted as he does to avoid it.

**THE FIRST THING TO DO**

Notify your draft board that you are ready to go immediately and tell them you want to leave in the next draft call. They will probably turn your case over to the local psychiatrist in your district.

**MEETING WITH THE PSYCHIATRIST**

Tell the psychiatrist that you are eager to get into uniform and your only hope is that as soon as you've finished basic training they'll send you to Viet Nam. If he asks you why you want to go, tell him you believe it's your patriotic duty to defend your flag and country. You want to protect your home, your mother, and the unborn millions of American children against the spectre of Godless communism.

He will undoubtedly declare you 4-F on the grounds that anyone who is so eager to get into the Army is nuts.

**YOU HAVE A RIGHT TO APPEAL**

Write to Gen. Lewis B. Hershey of the Selectice Service in Washington, D.C., and give him the facts. Tell him your draft board has been scheming to prevent you from going into the Army. Imply that the psychiatrist who examined you had it in for you because you wanted to fight for your country.

Insist that General Hershey sign your orders himself which will make it possible for you to go into the service immediately.

He will turn your letter over to the FBI to see if there is any communism mixed up in your psychiatric backgrounds.

**WHEN THE FBI COMES TO VISIT YOUR HOME**

You have a right to answer any questions the FBI asks you. They may insist that you take the Fifth Amendment so you can be listed as a security risk. But stand on your Constitutional grounds and reply to their questions. If they ask you why you want to be drafted, tell them you're sick and tired of reading about guys burning up their draft cards and pretending they're homosexuals just to get out of the service.

Show respect to the agents and say "sir" to them. Tell them you have always admired the FBI and ask them if they can get you an autographed picture of J. Edgar Hoover. The more forthright you are, the more suspicious they'll get. When they discover you've never joined any left wing organization, they'll know something is fishy and from then on they'll keep a close eye on you.

**YOU CAN ALWAYS PICKET**

When things look black, you can picket the Pentagon demanding that Secretary McNamara overrule your local draft board and take you into the service. If need be, lie down in front of a troop train taking draftees to camp and urge the troop commander to take you on board.

You will probably be locked up, but at least you will have made your point.

**WHEN ALL ELSE FAILS**

Announce to the newspapers that you have no intention of being drafted and that you are against the war in Viet Nam. The draft board will take you immediately and the Army will make a soldier of you overnight.

# REMEMBER WHEN?

## 10 YEARS AGO

San Rafael's B Street School and its .69 of an acre site was put up for sale to the highest bidder, with the minimum acceptable bid set at $225,000.

The drive to incorporate a city of Novato got under way with a call for volunteers to circulate petitions calling for an election.

The Army Corps of Engineers announced that it would start construction of a model of the San Francisco Bay at its base in Sausalito.

## 20 YEARS AGO

Dorothy Simons, a late entry in the Native Daughters Senorita contest race, was elected to reign over San Rafael's Fiesta Day.

Bret Harte residents descended upon the San Rafael City Council and said they didn't want to be marooned when rains make Irwin Street impassable.

Fred W. Kuhlken, chief deputy in the Marin assessor's office, was elected president of the newly organized Marin County Employees Assn.

# Sending Blood And Supplies To Reds Is Indefensible

Criticism of our foreign policies can be defended in the name of freedom of speech and expression.

Even mass demonstrations, if conducted peacefully and in accordance with laws protecting property and public safety, can be defended under the Constitution.

But sending blood and supplies to the Communist Viet Cong, if true, is indefensible and borders on treason.

A wire service report alleges that a West Coast chapter of a group opposing American involvement in Viet Nam, plans to aid the Communist Viet Cong with supplies and blood donations. We hope the reports are in error or are gross exaggerations.

Such actions by Americans would be a direct stab in the back of other Americans who are on the battle lines, defending our freedom to speak out and to march peacefully.

Humanitarian efforts to help fellow human beings in times of natural disaster are laudable. But to give direct aid and comfort to our enemies who are engaged in killing our own citizens is contemptible and treasonous.

Blood is in short supply in our own country for our own citizens, even in peacetime. Almost daily, we receive pleas for blood donations for the ill and the accident victims in our own county hospitals.

Those who have blood donations to spare should volunteer at our own blood banks set up for the express purpose of helping our own citizens fight off illness and possible death.

For those whose minds have become so twisted that they would take delight in donating blood to our enemies while depriving our own citizens of that badly needed commodity, there is a better way of donating.

Put them in the front lines in Viet Nam, where the blood "donations" with be sudden and complete. At least, this type of "donation" would not be giving direct aid and comfort to the enemy.

## The Interpretations Of Children

Children often interpret things in amusing and unusual ways. Often they see their parents in an embarrassingly candid light. Other times they draw terrible conclusions.

We knew a smart brat once who was convinced that another kid's dad was a secret drinker because he saw him take a tablespoon of mineral oil. The kid's father was in reality an ardent and true Prohibitionist.

All we can say is: Be careful when the little ones are around.

## Is Waldo Grade Guard Rail Effective?

Many head-on collisions were undoubtedly prevented by the median barriers installed on portions of Highway 101 in Marin by the State Division of Highways.

Each dent or gouged out portion of the central divider represents a potential head-on crash that was averted. For this we are grateful.

However, on the Waldo Grade, some defect must exist in the guard-rail system.

This was brought home with shocking clarity when a car catapulted the short barrier and landed on top of a vehicle proceeding in the opposite direction at a lower level, with disastrous result.

Perhaps the height of the barrier should be raised, or the design changed.

We trust that state highway officials will investigate the matter with dispatch and come up with a better design, if at all feasible.

# When Sacramento Tries To Put Lid On Toplessness, Look Out

By HENRY C. MacARTHUR

SACRAMENTO (CNS)—The question of whether the state Department of Alcoholic Beverage Control has a monkey by the tail in its effort to develop a hard and fast rule to control the topless cocktail waitress craze remains to be seen, but it could run into a mass of trouble.

James O. Reimel, director of the department, says his office plans to develop a rule which he hopes will set the decor, as well as the decolletege, or lack of it, in California's cocktail lounges, over which his department has supervision.

**THE TOPLESS** craze has shocked some people, and disillusioned others, but from all indications, it's here to stay, as long as it will draw customers who wish to gaze, as well as drink.

It can be said with authority that the topless fashion did not originate in California's barrooms. The fashion has a long history, no doubt dating back to the caveman days when there weren't enough skins to go around.

More history reveals a South Sea Island display of topless hula skirts which were decreed out of style by the righteous missionaries and the wearers convinced they should be clothed in a sort of sack garment known as the Mother Hubbard.

Topless still is the style in some of the Indonesian Islands, such as Bali Bali, where an ankle is taboo, but the sky's the limit from the waist up.

**CONSEQUENTLY,** the California barkeeps borrowed, rather than originated the craze, from peoples whose customs and methods of dress, or undress, are different from those in the sunny land of California, and thereby created a furor designed to bring in more customers, as everyone has to see the show.

So now the Department of Alcoholic Beverage Control plans to provide some more state regulation, this time on women's clothes, which man has been trying, without any success at all, to regulate for centuries.

The department might as well give up before it starts drawing up that meticulous rule as to how much epidermis may be displayed, because the girls will find some way to beat such a rule if they choose, and thereby swing the monkey back at the department's head.

**HOWEVER,** if the rule is indorsed, it could provide some good jobs for inspectors, and it may be planned to pick these from age brackets above retirement at 65 or 70, in which case civil service law would have to be changed to accommodate the oldsters.

Left alone, the topless craze could easily die out in probably a short space of time, without state intervention. Eventually, what becomes commonplace ceases to be either attractive or enticing, so the tavern owners would have to dream up another dodge to draw the customers.

# WHAT OUR READERS SAY

### Coroner Did A Good Job

Editor, Independent-Journal:

On Oct. 5, our only son was accidentally killed in a fall from a cliff in Point Reyes. On the following day we met with men from your Coroner's and Sheriff's office, who had an unpleasant and difficult task to perform.

This is what we must tell you: These men performed as real human beings with genuine sympathy and understanding. We shall never forget this kindness.

The same thoughtfulness was extended to us by the owner of the garage in Inverness where our son's car had been impounded.

To these people "Thank you."

### Hell's Angels Some Patriots!

Editor, Independent-Journal:

I see by today's I-J, (Oct. 18) that the Hell's Angels who attacked the peaceful demonstrators against the war in Viet Nam in Berkeley, Oct. 16 "shouted 'cowards' and 'yellow' as they rushed into the crowd of 2,500 marchers". I was there and that's true, but not quite the whole picture.

The marchers, except for a few oldsters like me, were almost all slight and slender young students, boys and girls walking hand in hand, arms around each other's waists, laughing, joking, passing soft drinks back and forth, enjoying the peaceful walk, bright sunshine and good comradeship. It was truely idyllic. The "patriotic" Hell's Angels, led by "Tiny" Mike Walter, 300 lbs., formed a flying wedge of jack-booted, brutal, brute strength. Moreover, all the 2,500 marchers (seemed more like 5,000 to me) were firmly committed to non-violence.

Such were the "brave patriots" who shouted "cowards" and "yellow". Wouldn't it be fitting to rush such "brave patriots" like Tiny Walter and his ilk to the front lines in Viet Nam immediately? But my teen-age son takes firm exception to this idea. He says, and I have to agree, no one, but no one should be sent to Viet Nam.

And, of course, if there were no war in Viet Nam for us to demonstrate against, the Hell's Angels would have to revert to attacking Fourth of July gatherings as they did last summer. Are they not truly "summer soldiers and sunshine patriots"?

### Demonstrators Should Meet At Dump Site?

Editor, Independent-Journal:

As I drove down Fourth Street in San Rafael last Saturday (Oct. 16) and observed the gathering of the group protesting our country's policy in Viet Nam, I could not help but wonder, what would be the thoughts of the brave men that the memorial statue in front of the county court house represents as well as the memories of all the brave men who died defending the rights of our beliefs and freedom.

The freedom as set down by our Constitution which many Americans have fought to preserve were never intended to allow such a gathering of Benedict Arnolds and cowards to be able to parade their poison among the very shadow of the memorial statue that represents the honor and bravery of our fallen sons and fathers.

I have asked myself how could a group of traitors as these mentioned, get a permit or permission from our county heads of government, to use county property (court house), which the majority of us have paid good and honest American dollars to support and maintain? Probably their stock answer would be "we cannot refuse the persons right for lawful assembly." I then ask " Is it a lawful assembly, that permits cowards to gather and shame the very name of this great country of ours?"

I suggest that any future permission or permits issued to any Anti-American group . . . . be granted for the location of the county dump. Where trash will be among trash, and the only ears for the treacherous voices will be the numerous infested rats that abound there, for they will be among their own kind.

### Accident Reinforces Her Theory On Speed

Editor, Independent-Journal:

After reading about the very bad accident in tonight's (Oct. 19) paper, I can't help but say what I have said for a long time now—that SPEED is the major cause of these accidents.

Everybody argues with me, but I still think if people were not going so fast, they could avoid many of these accidents.

I would say that speed is the major cause of accidents.

### Christ Would Have Carried Draft Card

Editor, Independent-Journal:

To answer Julius Sztuk on page 2, Oct. 19, yes, Christ would have carried a draft card if expected to. Remember, "Render unto Caesar the things which are Caesar's, and unto God the things which are Gods?"

Christ was obedient — even unto death!

### Here's A Salute For Square Idea

Editor, Independent-Journal:

The most brilliant idea ever to come forward for the improvement of San Rafael was the proposed Court House Square as shown in the Independent on Oct. 21.

A salute to Robert W. Severin in coming up with a fresh new idea, bringing the city up to date and gain back a little of the business which we lost to the beautiful Northgate Shopping Center.

The Court House has served its purpose — let's face it. It is of no historic value nor is it an outstanding piece of architectural beauty. As some suggested to have it converted into a museum — that certainly would set the city back 25 years!

We badly need a small select hotel. Sure there are motels but many prefer to stop at a hotel in town. There are many small conventions which would like a central meeting place. When the Golf Tournament was held at Peacock Gap, all the movie celebrities had to be housed outside of San Rafael. There will be many more such tournaments and we should have accommodations ready.

The plan submitted is well designed for the center of the city as it gives an open spacious look and with the trees and shrubs we can still maintain a park-like atmosphere. This, by far, is better than a mall . . .

# TRY AND STOP ME

BENNETT CERF

**MRS. SLOPKIN** was a bit uneasy as her touring group was led deeper and deeper into the Florida Everglades. "The very thought of alligators terrifies me," she confided to the guide. "How can you tell when one's nearby?"

"Nothing to it, lady," the guide assured her. "Say you and your husband wander off a few steps for a private conversation and a smoke. All of a sudden you notice you're smoking and talking to yourself. Lady, you just located your first alligator."

**AN ATTENDANT** at a small town gas station won first prize at a picnic for being "the slowest moving person in Massachusetts." Asked why he circulated with such ultra-deliberation, the proud winner of the award explained: "Most people do all their loafing at one time. I've learned to do mine as I go along."

## Open Letter To Saigon Warns Not To Trust Student Protest

WASHINGTON--

Ho Chi Minh

Hanoi, North Viet Nam

Sir:

It will be hard for you to feel that I am writing to you as a friend.

In all honesty, I cannot say that I am.

But you may be willing to believe—because it is true—that I am writing you the exact facts concerning the state of American opinion about the war in Viet Nam with a single purpose in mind:

—To help you avoid a terrible miscalculation.

From Hanoi and Viet Cong official broadcasts it is evident:

**THAT YOU** believe the recent student protests reveal such a crumbling of public support for the role America is playing in Viet Nam that President Johnson will soon be forced to pull out.

Or, not believing your own broadcasts, you hope to persuade your own people and your own troops that, if they will only hang on a little longer against all odds, the U.S. defense effort will collapse in Viet Nam because public support of the President will have collapsed at home.

The facts, Mr. Ho Chi Minh, are that the U.S. defense of South Viet Nam is going to grow stronger and expand and that public support for it is increasing.

The facts, Mr. Ho Chi Minh, are that the most sizable and significant public protest in the U.S. is that the war is not being prosecuted vigorously enough.

You may wish to press the aggression to the very exhaustion of your nation, but if you decide this on the hope that the American people will grow weary and force the President to withdraw—this would be a terrible miscalculation.

**MAYBE YOU** don't believe your own propaganda. But your official broadcasts are so laden with assurances that popular resistance in the U.S. "to the little Johnson clique" will soon be irresistible as to suggest you may yourself accept this distorted and misleading appraisal of the American state of mind.

You describe U.S. sentiment against the defense of South Viet Nam as "never ceasing to rise and boil."

You say "the President is frightened. . .beyond imagination."

No, Mr. Ho Chi Minh, the President is not frightened, the U.S. is not going to back down, you are not going to win the war in Viet Nam on the campuses of the United States.

For you to think so, for you to plan on it, for you to count on it to the most miniscule degree would be a massive miscalculation I would like to help you avoid.

**THE REASONS** it is a miscalculation are these:

Every index shows that U.S. opinion, despite some student protests, is solidly behind the President. The latest Gallup Poll reveals that supporters of the defense effort outnumber those who oppose it by more than two-and-a-half to one. Note this: Young people in the age bracket from 21 to 30 are more in favor of the war effort than their elders.

Since the end of World War II every president of the United States has been tested by Communist aggression—and never has one backed down—not in Greece or in Berlin or in Korea or in the missile crisis in Cuba.

Mr. Ho Chi Minh—don't miscalculate.

Don't count on the student demonstrators to win the war for you. They can't. They won't. Ask yourself these questions:

Are there more U.S. troops in South Viet Nam this month than last?

Is there more U.S. firepower in Viet Nam this month than last?

Are there more Viet Cong casualties this month than last?

When your intelligence people give you candid answers to these questions, you will know that the President of the United States is speaking the truth when he says:

**WE WILL NOT** be defeated. We will not grow tired. We will not withdraw either openly or under the guise of a meaningless agreement."

INSIDE WASHINGTON

# Government Misleads On War Casualties

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — The Defense Department announcements on U.S. casualties in Viet Nam are deliberately misleading.

Not only is the reported toll of deaths deceptive, but no information at all is being made known regarding the number of wounded, disabled and missing (presumed captured).

When members of Congress and others have inquired about this, they have been given figures that told only part of the story or were contradictory.

**A DEMOCRATIC** senator was officially informed that as of October 1 the number of U.S. deaths in Viet Nam was 1,389—a figure nearly double the total publicly admitted.

Of this number, there was no indication how many were combat deaths, how many due to other causes — accidents or disease. The senator also was given no information on the number of wounded, disabled and missing.

**A WEEK LATER,** an insistant House Republican leader obtained the following detailed report from the Pentagon:

As of October 18—deaths due to hostile fire, 830; deaths due to non-hostile fire, 345; wounded, 4,455; missing in action under hostile fire, 81; missing in action under non-hostile fire, 29.

Of the 4,455 listed as "wounded," there was no indication how many were battle casualties, how many disabled due to other causes.

A military authority pointed out to the GOP leader that as a general rule non-combat disabilities average eight to one —that is, for every man disabled due to hostile action, eight are incapacitated because of accidents, illness and other factors.

So the 4,455 reported "wounded" left much to be clarified.

**THE DEFENSE** Department's policy of suppression, evasion and dissimulation stems directly from the White House, with the personal knowledge and approval of President Johnson. It was cleared with him before being initiated, and is squarely in line with Secretary of Defense Robert McNamara's long-held "managed news" ideas.

A key figure in this practice is Assistant Sec. Arthur Sylvester, one-time newsman who seemingly delights in withholding and juggling public information.

**SIGNIFICANTLY,** the deliberate manipulating of Viet Nam casualty figures has drawn indignant protests from a Democratic member of the influential Senate armed services committee — Stephen Young, Ohio, World War II veteran.

With two other committeemen, Young made a comprehensive tour of Viet Nam last month. They visited every major combat area and U.S. installations.

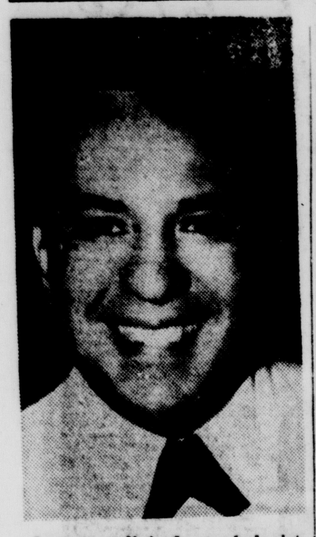
"One of the most important spiritual decisions our church has debated lately was whether to paint the church."



Lecturer-clinical psychologist, teacher and author Murray Banks will speak on "What To Do Until the Psychiatrist Comes" Saturday at 8 p.m. in College of Marin's Olney Hall. Dr. Banks, author of several books on popular psychology, including "How To Overcome An Inferiority Complex," appears on the college's concert and lecture series.

## College Not Sponsoring Benefit Show

A "benefit' variety show scheduled at College of Marin on Dec. 12 is not sponsored by the College of Marin, the director of the evening program and community services of the college announced today.

"All we are doing is renting Olney Hall for the one evening," explained Dr. Roy Mikalson.

Sponsoring the event is a group called "Women's Organized Sports, Associated, with headquarters in Oakland, and a branch office at 804 B Street, San Rafael.

A woman, who identified herself as Mrs. Nancy Thomas of Women's Organized Sports Associated in Oakland, said some tickets for the variety show contained this error: "Sponsored by the College of Marina." She said this was a typographical error, and that the college is not sponsoring it at all.

Mrs. Thomas identified Women's Organized Sports Associated as a "charitable organization" who aim is to encourage competitive sports among girls and to "help curb delinquency."

Since the Washington monument was completed in 1884, more than 43 million persons have visited it.

## Pro Viets Warned

WASHINGTON (UPI) — The State Department has served notice it is illegal for U.S. citizens to send money or supplies to North Viet Nam or to the Communist Viet Cong in South Viet Nam, amid reports that a leftwing organization, the May Second Movement, was sending blood plasma and other supplies to Viet Nam Communists.

## Novelist's Son To Tell Of Hemingway's Days

Young men in novelist Ernest Hemingway's circle of "Lost Generation" friends in Paris during the 1920s went through a phase of taking spongebaths with whiskey, recalls his 41-year-old son, John, who lives in Mill Valley.

This and other stories of his father will be told by Hemingway at a lecture Wednesday at 7:30 p.m. at Sonoma State College, Rohnert Park, where he is a student majoring in French.

He has made his home with his wife and family at 400 Vista Linda and is a trustee of Marin County Day School in Corte Madera.

Earlier this year he interrupted a career as a stockbroker to attend Sonoma State College as preparation to establishing a private school of his own in Idaho.

## FBI Arrests Two Men On Service Refusal

LOS ANGELES (UPI) —The Federal Bureau of Investigation has announced the arrest of two Southern California men who refused to accept civilian work assignments in lieu of military service.

The men, both taken into custody Friday, were John Lewchuk, Jr., 21, unemployed, of Manhattan Beach, and Joseph Carl Parrott, 22, a Santa Ana service station attendant.

## Assemblyman Lauds Bridge Deck Action

Assemblyman William T. Bagley, R-San Rafael, has commended the Golden Gate Bridge and Highway District Board for its decision Friday to build a second deck on the Golden Gate Bridge.

In a letter to Board President L. E. Castner, Bagley said that any other crossing, although certainly needed, would be many years in the future and that the problem is immediate.

## Tam Trustees To Urge State Aid On Taxes

The Tamalpais High School District Board, meeting at 8 p.m. today at the district office in Larkspur, is expected to approve a resolution asking state legislators to seek means of easing the school tax load on local taxpayers.

The resolution protests mandatory school programs created by state legislature without including state funds to carry them out. A similar resolution has been passed by the county school board.

The board will discuss establishing continuation clasess for high school dropouts.

Trustee Gloria Mebostad will present a progress report on the Nov. 16 school bond election.

## President Signs Bill Raising Federal Pay

JOHNSON CITY, Tex. (AP)—The White House announced Saturday President Johnson has signed a bill granting a 3.6 per cent pay increase to 1.8 million federal employees, including postal workers.

The pay raise is the second for federal workers in two years.

## Why Is Everyone So Suspicious Of Parks, Recreation Commission?

Talk about suspicion and intrigue, wow! You should come to the Civic Center.

Did you know that the parks and recreation commission is engaged in a running plot to force the board of supervisors into the wrong decision? Did you know that the Civic Center actually has only four floors?

**DID YOU KNOW** that the agents stand in the shadows and go "psssssst" when you walk by?

Man, it's like a wild scene like this like:

"I beg your pardon, but did you just say 'psssssst'?"

"Shhhhh! I'm secret agent 1000000001, tracking down the P&R commission. Where did they meet last, man. Come clean."

"They're meeting right now. Come along, I'll show you."

**"WAIT A MINUTE,** buddy. You don't expect me to get into that meeting. I don't even know the password."

"There's no password needed."

"What about that tattoo they all have to show on the instep of the left foot?"

"Where did you get that story, 10000001?"

"All right, you deny it. Well, what about the ex-acting director? I understand he wears a beard."

**"THAT'S TRUE,** but I don't see—

"A thick, black beard?"

"You think that puts him under suspicion?"

"Buddy, you draw your conclusions and I'll draw mine. Just remember that the whole outfit is under suspicion. That's why I'm here."

"Well, come along or we'll miss the meeting."

**"ARE YOU KIDDING?** you're not going to get met in there alone with **THEM.** You'd like that, I suppose. It would make me become part of the plot."

"Plot?"

"Sure. Tell me, what are they going to conspire on today? Stafford Lake, maybe, huh? Chileno Valley, maybe? Richardson Bay?"

"Here's an agenda."

**"AW, YOU CAN'T** trust that for a minute. Next thing you know, they'll come smiling to the supervisors with some new scheme they have only been talking about for a few years. You gotta watch those birds."

"Well, here's the meeting room. Are you coming in?"

"Not a chance. We have other ways to get at the facts. They're not going to put anything over on us. Don't worry."

## Here Are Today's Instructions On How To Get In The Service

WASHINGTON — There have been so many articles and pamphlets written on "How to Avoid the Draft," that it is only right someone should put out instructions on "How to Be Drafted." I know I'll be criticized for this, but under the American system a person has as much right to be drafted as he does to avoid it.

**THE FIRST THING TO DO**

Notify your draft board that you are ready to go immediately and tell them you want to leave in the next draft call. They will probably turn your case over to the local psychiatrist in your district.

**MEETING WITH THE PSYCHIATRIST**

Tell the psychiatrist that you are eager to get into uniform and your only hope is that as soon as you've finished basic training they'll send you to Viet Nam. If he asks you why you want to go, tell him you believe it's your patriotic duty to defend your flag and country. You want to protect your home, your mother, and the unborn millions of American children against the spectre of Godless communism.

He will undoubtedly declare you 4-F on the grounds that anyone who is so eager to get into the Army is nuts.

**YOU HAVE A RIGHT TO APPEAL**

Write to Gen. Lewis B. Hershey of the Selectice Service in Washington, D.C., and give him the facts. Tell him your draft board has been scheming to prevent you from going into the Army. Imply that the psychiatrist who examined you had it in for you because you wanted to fight for your country.

Insist that General Hershey sign your orders himself which will make it possible for you to go into the service immediately.

He will turn your letter over to the FBI to see if there is any communism mixed up in your psychiatric backgrounds.

**WHEN THE FBI COMES TO VISIT YOUR HOME**

You have a right to answer any questions the FBI asks you. They may insist that you take the Fifth Amendment so you can be listed as a security risk. But stand on your Constitutional grounds and reply to their questions. If they ask you why you want to be drafted, tell them you're sick and tired of reading about guys burning up their draft cards and pretending they're homosexuals just to get out of the service.

Show respect to the agents and say "sir" to them. Tell them you have always admired the FBI and ask them if they can get you an autographed picture of J. Edgar Hoover. The more forthright you are, the more suspicious they'll get. When they discover you've never joined any left wing organization, they'll know something is fishy and from then on they'll keep a close eye on you.

**YOU CAN ALWAYS PICKET**

When things look black, you can picket the Pentagon demanding that Secretary McNamara overrule your local draft board and take you into the service. If need be, lie down in front of a troop train taking draftees to camp and urge the troop commander to take you on board.

You will probably be locked up, but at least you will have made your point.

**WHEN ALL ELSE FAILS**

Announce to the newspapers that you have no intention of being drafted and that you are against the war in Viet Nam. The draft board will take you immediately and the Army will make a soldier of you overnight.

Lecturer-clinical psychologist, teacher and author Murray Banks will speak on "What To Do Until the Psychiatrist Comes" Saturday at 8 p.m. in College of Marin's Olney Hall. Dr. Banks, author of several books on popular psychology, including "How To Overcome An Inferiority Complex," appears on the college's concert and lecture series.

## College Not Sponsoring Benefit Show

A "benefit' variety show scheduled at College of Marin on Dec. 12 is not sponsored by the College of Marin, the director of the evening program and community services of the college announced today.

"All we are doing is renting Olney Hall for the one evening," explained Dr. Roy Mikalson.

Sponsoring the event is a group called "Women's Organized Sports, Associated, with headquarters in Oakland, and a branch office at 804 B Street, San Rafael.

A woman, who identified herself as Mrs. Nancy Thomas of Women's Organized Sports Associated in Oakland, said some tickets for the variety show contained this error: "Sponsored by the College of Marina." She said this was a typographical error, and that the college is not sponsoring it at all.

Mrs. Thomas identified Women's Organized Sports Associated as a "charitable organization" who aim is to encourage competitive sports among girls and to "help curb delinquency."

### Pro Viets Warned

WASHINGTON (UPI) — The State Department has served notice it is illegal for U.S. citizens to send money or supplies to North Viet Nam or to the Communist Viet Cong in South Viet Nam, amid reports that a leftwing organization, the May Second Movement, was sending blood plasma and other supplies to Viet Nam Communists.

Since the Washington monument was completed in 1884, more than 43 million persons have visited it.

## Novelist's Son To Tell Of Hemingway's Days

Young men in novelist Ernest Hemingway's circle of "Lost Generation" friends in Paris during the 1920s went through a phase of taking spongebaths with whiskey, recalls his 41-year-old son, John, who lives in Mill Valley.

This and other stories of his father will be told by Hemingway at a lecture Wednesday at 7:30 p.m. at Sonoma State College, Rohnert Park, where he is a student majoring in French.

He has made his home with his wife and family at 400 Vista Linda and is a trustee of Marin County Day School in Corte Madera.

Earlier this year he interrupted a career as a stockbroker to attend Sonoma State College as preparation to establishing a private school of his own in Idaho.

## FBI Arrests Two Men On Service Refusal

LOS ANGELES (UPI) —The Federal Bureau of Investigation has announced the arrest of two Southern California men who refused to accept civilian work assignments in lieu of military service.

The men, both taken into custody Friday, were John Lewchuk, Jr., 21, unemployed, of Manhattan Beach, and Joseph Carl Parrott, 22, a Santa Ana service station attendant.

## Assemblyman Lauds Bridge Deck Action

Assemblyman William T. Bagley, R-San Rafael, has commended the Golden Gate Bridge and Highway District Board for its decision Friday to build a second deck on the Golden Gate Bridge.

In a letter to Board President L. E. Castner, Bagley said that any other crossing, although certainly needed, would be many years in the future and that the problem is immediate.

## Tam Trustees To Urge State Aid On Taxes

The Tamalpais High School District Board, meeting at 8 p.m. today at the district office in Larkspur, is expected to approve a resolution asking state legislators to seek means of easing the school tax load on local taxpayers.

The resolution protests mandatory school programs created by state legislature without including state funds to carry them out. A similar resolution has been passed by the county school board.

The board will discuss establishing continuation clasess for high school dropouts.

Trustee Gloria Mebostad will present a progress report on the Nov. 16 school bond election.

### President Signs Bill Raising Federal Pay

# How come 750,000 people in the Bay area are insured by Metropolitan Life?

More and more of your neighbors are training a sharp eye on the future. In the process, they're discovering how useful Metropolitan's modern, diversified lineup of plans and policies can be.

For instance, Metropolitan has a plan that guarantees you an income as long as you live. Even if you live to be 110!

### New—life income of 9% for men 65

If you're a man about to retire at 65, our new rate of payments on straight-life annuities can guarantee you an annual income for life—derived from principal and interest—of 9% of the purchase price.

And, although women outlive men, we can provide almost as good a return for them. We also have annuities for couples, providing income for as long as either one lives.

Note especially the word *guarantee*. For the amount you pay in, only an annuity gives you so large and so dependable a retirement income—*guaranteed* for life.

And remember, too, you now get the advantage of Metropolitan's best annuity rates in a quarter century.

### Exceptional value for younger men and women

The younger you are when you invest in an annuity, the more it builds up for you over the years. Now's the time to get started.

Annuities are just part of the up-to-the-minute selection of life and health insurance plans you'd expect from America's leading life insurance company. Get the facts from your Metropolitan adviser.

More choose Metropolitan Life
*millions more than any other company*

# Ron Reeder Claims Bride In Kentfield

Airman Ronald Lee Reeder claimed Diane Marie Keesmaat as his bride at a double ring ceremony at St. Sebastian's Church, Kentfield, at noon Saturday.

Wearing a floor length white satin brocade wedding gown with full train, styled with a portrait neckline and long sleeves, Diane was given in marriage by her father, Pieter L. Keesmaat. The Rev. David Pettingill officiated at the marriage.

Jill Ann Wedereit of Tiburon was maid of honor. She was dressed in floor length bronze gold silk shantung. Victoria Presson of San Rafael and the bride's two sisters, Mrs. Michael Paris of Carmichael and Mrs. Dale Chase of Santa Rosa were bridesmaids. They were gowned in full length avocado green silk shantung, styled like that of the maid of honor, with portrait neckline.

The best man and ushers, all friends of the bridegroom at Hamilton Air Force Base, wore military dress blues. Gary Nelson was best man, and escorting the guests to their seats were James Bellemore, Roy Hatcher, and Roy Mason.

A buffet luncheon at the Kentfield home of the bride's parents, Mr. and Mrs. Pieter L. Keesmaat, followed the church service.

Diane is the granddaughter of Mr. and Mrs. J. S. Brazil of San Rafael and the late Mr. and Mrs. Pieter Keesmaat of Amsterdam, Holland.

The bridegroom is the son of Mr. and William H. La Breyere of St. Louis, Mo. He is the brother of Richard Reeder of St. Louis, Mrs. Clay Varnum of St. Louis, Mrs. Robert Gross of St. Louis and Mrs. Kenneth Helvey of Wright City, Missouri.

The bride is a graduate of Marin Catholic High School and attended the College of Marin. She is employed with the Public Utilities Commission in San Francisco. Ronald was graduated from Cleveland High School in St. Louis.

After a wedding trip to Carmel, the couple will live in San Rafael.

## Mill Valleyan Will Mary In Late Spring

A cocktail party with 70 guests on Oct. 23 was the occasion for the announcement of the engagement of Elissa Mary Eberhart to Don Fruciano by her parents Mrs. Alberta M. Eberhart of San Anselmo and A. J. Eberhart of Mill Valley.

The party was held at the home of Mr. and Mrs. Ruben Valtierra in San Rafael.

The bride-elect is the sister of William A. Eberhart of Mill Valley, John Eberhart of Corte Madera and James, Theresa, Catherine, Robert and Joseph Eberhart, all of San Anselmo. Adolph Eberhart of San Rafael is her grandfather.

Elissa was graduated from Dominican Upper School and Seattle University. She received a master's degree from Gallaudet College for the Deaf in Washington, D.C., and was elected to Who's Who in American Colleges. She is presently in special teaching education at Palm School in Riverside.

Don is the son of Mr. and Mrs. Joseph Fruciano of Riverside and the brother of Mrs. Joseph Guzzetta, also of Riverside. He was graduated from Riverside High School and San Diego State College with a major in management and finance.

The future bridegroom is co-founder and president of Titan Industries and also president of The Twin Counties Financial Corp.

A late spring wedding in Riverside is planned next year after which the couple will reside in Riverside.

### A Makeup Trick

For easy application of stick eye shadow — or other makeup materials for that matter—rub a dab of petroleum jelly over the skin, then apply the cosmetic. The jelly makes it easy to apply makeup easily and excess cosmetics will wipe right off.

## 'Lore Of Precious Jewels' Topic At Center Program

"Romantic Lore of Precious Jewels" will be the topic presented by Robert T. Lindeman at the program of the Tamalpais Centre Woman's Club on Friday afternoon.

Mr. Lindeman will tell stories about the wearing of jewels through the centuries, and their importance concerning the artistry and economic impact on the world. An authority on the subject of jewels, Mr. Lindeman received five awards at an international showing of jewel designs in New York City.

The executive board will meet at 11 a.m. followed by a business meeting at 1 p.m.

Serving tea after the program will be Mrs. George Weymouth, assisted by her committee, Mesdames W. G. Courtright, J. W. Cox, Elie Dalmon and B. C. Jones.

A buffet luncheon at the Kentfield home of the bride's parents, Mr. and Mrs. Pieter L. Keesmaat, followed the church service.

Diane is the granddaughter of Mr. and Mrs. J. S. Brazil of San Rafael and the late Mr. and Mrs. Pieter Keesmaat of Amsterdam, Holland.

The bridegroom is the son of Mr. and William H. La Breyere of St. Louis, Mo. He is the brother of Richard Reeder of St. Louis, Mrs. Clay Varnum of St. Louis, Mrs. Robert Gross of St. Louis and Mrs. Kenneth Helvey of Wright City, Missouri.

The bride is a graduate of Marin Catholic High School and attended the College of Marin. She is employed with the Public Utilities Commission in San Francisco. Ronald was graduated from Cleveland High School in St. Louis.

After a wedding trip to Carmel, the couple will live in San Rafael.

### It's Not 'Candy'

Physicians say children shouldn't be told that medicine is candy. They may believe it and swallow the "candy" on their own and that leads to overdosing.

# Prevention Of Fires Busies Men

Sausalito firemen had a busy afternoon along the waterfront yesterday afternoon, even without a fire call.

Firemen were called out at 1:17 p.m. when a 35-foot cruiser at Berth 35, Basin One, Clipper Yacht Harbor, began leaking gasoline into the bilge, creating a hazard of potential explosion.

Firemen went on standby duty and shut off the area, Capt. R. K. Pedersen reported.

The cruiser, owned by David Anderson of San Francisco had about 50 gallons of gasoline aboard which began leaking into the bilge after a safety flange was sheared off during engine repairs, he said.

The Coast Guard towed the cruiser, the Extravagance, about 100 yards off the Turney Street launching ramp and began treating the bilge with an emulsifier to lessen the danger, Captain Pedersen said.

"They pumped the bilge into containers and disposed of the containers," he said.

Shortly afterward there was a one-beep alarm from the alarm box near the Turney Street launching ramp, but it was not a firm alarm.

Pedersen explained that Donald E. Baney of 318 Sausalito Boulevard was towing his boat on a boat trailer to the launching ramp when the mast snapped the alarm box wire.

"The box was out of service for a couple of hours," he said.

# 'Damn Yankees' Fun, A Really Good Show

By KARL BARRON

The Terra Linda Little Theater, which for years — like the boll weevil — has been "lookin' for a home," has come to roost with the Hamilton Little Theater in a combined production of "Damn Yankees" which is a knockout.

The popular musical will be repeated on Friday and Saturday nights at 8:30 through Nov. 20 in Theater 2 at Hamilton Air Force Base.

This is unquestionably the best all-around production that we've seen in Marin in a long time. It has a good cast, driving pace, and all the ingredients necessary to a good musical.

"Damn Yankees" needs no introduction. A Broadway success with seven hit tunes, and a regular with musical theaters, it's such a charming show that it can be seen again and again. Its story of an aging baseball fan who sells his soul to the Devil to become the world's greatest ball player and aid the Washington Senators in capturing the pennant from the damn Yankees hits a responsive chord in almost every American.

Combining companies has given the Terra Linda troupe the addition of talented men, on which it was short, plus the facilities of the theater, plus a fine 10-piece band under the smooth direction of Wilbur A. Jones. Jones never commits the sin of drowning out his singers. (Curran and Geary, take note.)

As if this were not enough, when audition calls went out, playing Mr. Applegate (the Robert S. Lawrence showed up, ended by directing the show and Devil). Lawrence, dean of admissions at Sonoma State College, had never played in an amateur show before this one. He began as a professional at the age of five. It shows, in both his direction and his suave (forgive it) devil-may-care interpretation of Applegate. He is always in command, and plays his laughs 'til Hell freezes over. Well, not quite.

Lola, the 187-year-old siren who is Applegate's foil (and sold her soul because she was the ugliest woman in Keokuk, Iowa) is portrayed with impish zest by Patti Newman, 100 pounds of charm, energy and talent. The mother of four offstage, Miss Newman onstage is every man's dream. Singing, dancing with wild abandon, or delivering an expertly timed laugh line, she is — like wow!

John Peebles, as Shoeless Joe, the young baseball star, is just right. He makes the unbelievable naivete of the character come alive. In common with the rest of the cast, Peebles has little singing voice, but Lawrence's expert direction has made the best use of the ability that is there, and the result is outstanding.

Naomi Heid as Meg Boyd, the deserted wife, begins on the right querulous note and gradually transforms herself to engage our sympathy. She and Peebles are particularly good in the reprise of "A Man Doesn't Know."

Other standouts are Sara Davis as the inquisitive girl sports reporter; Stephen Thomas as Van Buren, the Senators' manager, and Art Zasada, who does a nice job as Joe Boyd, the fan who starts it all. Mary Diederich is hysterical as Sister.

There are 22 scenes in the show, and B. J. Leibovitz has done a bang-up design job, especially on Applegate's apartment. Norman Hirsch's lighting functions smoothly, changing moods with subtle effiency.

There were a few dead waits in the second act for scene changes, which Jones might cover with some sort of musical interpolation, but with a show paced as this is, who really cares?

One of the big hits from "Damn Yankees" is "Ya Gotta Have Heart."

That's what this company's got!

# Horse To Be On Hand For Dedication

Blackie, Tiburon's swaybacked horse, an example of a mode of transportation that was put out of business by the advent of the automobile, will be on hand for the dedication Wednesday of the new section of Tiburon Boulevard.

Dedication ceremonies for the $515,000 four-lane highway section from Blackfield Drive to Reed Ranch Road, will be held at 11 a.m. Wednesday.

Also present at the ribbon-cutting for the new section, which continues for one mile the previously constructed four-lane highway between the Alto Interchange on Highway 101 and Blackfield Drive, will be Mayors Merritt K. Ruddock of Belvedere and Gordon W. Strawbridge of Tiburon.

The ceremonies will be at the intersection of Reed Ranch Road and Tiburon Boulevard, adjacent to the swaybacked horse's pasture.

## Student Director Of GOP Named

College of Marin student Robert L. Rosenberg of Corte Madera has been named director of the California College Republican Clubs in area one, including college and university campuses from San Francisco to the Oregon border.

Rosenberg's job will be to organize Republican clubs, supply them with party philosophy and coordinate campus appearances by Republican speakers.

## New York City Mayoralty Race Vote Is Tomorrow

NEW YORK (AP) — Democrat Abraham D. Beame and Republican-Liberal John V. Lindsay end one of the city's longest, costliest and closest campaigns for mayor today.

But tomorrow's election may hinge on the size of the vote for William F. Buckley Jr., 39, the Conservative party candidate.

Beame, 59, city comptroller under outgoing Democratic Mayor Robert F. Wagner, and Lindsay, 43, a Republican congressman, reportedly have spent $1.5 million each.

Buckley says he is surprised at the response to his candidacy. He renounced further political ambitions, saying he will return to his job as editor of the magazine, National Review.

## Kidnapers Go Into Courtroom Under Guard

PORTLAND, Ore. (UPI)—Carl Cletes Bowles and Wilfred M. Gray made a brief court appearance under heavy guard Friday.

Bowles and Gray are the former Oregon State Prison inmates who are accused of a four-day rampage last July which included murder, bank robbery, armed robbery, kidnaping and rape.

They already have been sentenced to life in prison for kidnaping California Finance Director Hale Champion from his Sacramento home.

They were brought into court Friday so District Judge Gus J. Solomon could appoint attorneys to defend them against federal bank robbery and kidnaping charges here.

# Extra Chairs Put Up For New Chamber Group

By MAYBELLE SPECKMANN

A promising new Marin chamber ensemble made its debut in a recital yesterday afternoon at Holy Innocents' Episcopal Church in Corte Madera.

Under direction of S. Drummond Wolff, the group is composed of a chorus of 12 adults—three voices each in soprano, alto, tenor and bass—and a 12-piece orchestra of strings and woodwinds. They meet regularly to practice music of the baroque period.

It is not clear whether it was Dr. Wolff's reputation as an organist and director or love of chamber music that brought such a large audience to the church that extra chairs had to be set up.

The chorus of admirably balanced voices included experienced singers and as a whole demonstrated the fine points that are the hallmarks of Dr. Wolff's training—good tone, diction, expression and control of dynamics. They are not yet as highly polished as they probably will be with longer performance together.

They gave a good account of themselves in two motets: "Lift Up Your Heads" by Schutz and "Hosanna To the Son of David" by Weelkes, the Kantate "Weihnachts" by Beyer and Cantata "Rejoice Earth and Heaven" by Buxtehude.

The orchestra was a surprise in that it was made up largely of young people led by one of Marin's talented junior musicians, violinist Buddy Oakley, who was so outstanding with the Marin Youth Orchestra.

Starting with "Pavane for Orchestra" by Byrd, it gained assurance as it played, achieving a high level in the concerto for organ and orchestra by Handel.

Marsha Lang was a technically accomplished oboist in concerto for oboe and strings by Valentini, and a high point instrumentally was the sonata for flute, oboe and bassoon and continuo, with Marsha playing the oboe, Carla Erickson the flute, and Peter Black the bassoon.

Since Dr. Wolff is one of the best organists in the bay area his solos were also high points, the Vivaldi-Bach concerto, "Dialogue Basse E Dessus" by Clerambault and "Noel Variations" by Daquin. His continuo and conducting from the organ were the motive power for the entire program.

## Cal Tjader Concert Set At Dominican

The associated students of Dominican College in San Rafael will present the Cal Tjader Quintet in concert on Nov. 22 at 8 p.m. in Angelico Hall, with proceeds going to the chapel building fund.

Tjader's jazz compositions include Latin and Oriental sounds that make his style distinctive. An alumnus of San Francisco State College, he is a favorite on eastern and western campuses.

## Strange Malady Strikes Students

BERKELEY (AP)— A mysterious stomach malady struck several hundred University of California students over the weekend—but apparently made none seriously ill.

University officials described the illness as either an attack of flu, or an acute stomach disorder caused by something the students drank.

Dr. Henry Bruyn, director of student health services, conferred today with state and Berkeley public health officials.

There were so many students who showed up at Cowell Memorial Hospital Sunday on-campus that doctors had to refer patients to Herrick Hospital.

## Tiburon Man Gains Commission In Army

Charles G. Wood Jr., son of Charles G. Wood Sr. of Tiburon, has been commissioned a second lieutenant in the Army Finance Corps at Stanford University on completion of his undergraduate education.

He has reported to the Army Finance School at Fort Benjamin Harrison, Ind., for specialized training before duty at Fort Monroe, Va.

## Home, Child Third In Series Friday

"The Home and The Child," third in a series of lectures on family life education, will be presented at 8 p.m. Friday at the Marion School auditorium in Novato by the adult education program of Novato High School.

Mrs. Mary K. Jones is presenting the series of lectures.

## Woman Found Guilty Of Drunken Driving

Margaret Ireland, 41, of 875 Via Escondida, Novato, was found guilty of drunken driving by a Marin Municipal Court jury late Friday. Judge Leonard A. Thomas fined her $220 and placed her on six months probation.

The defendant was arrested on Highway 101 by Novato police last July 27.

## Mill Valleyan Will Mary In Late Spring

A cocktail party with 70 guests on Oct. 23 was the occasion for the announcement of the engagement of Elissa Mary Eberhart to Don Fruciano by her parents Mrs. Alberta M. Eberhart of San Anselmo and A. J. Eberhart of Mill Valley.

The party was held at the home of Mr. and Mrs. Ruben Valtierra in San Rafael.

The bride-elect is the sister of William A. Eberhart of Mill Valley, John Eberhart of Corte Madera and James, Theresa, Catherine, Robert and Joseph Eberhart, all of San Anselmo. Adolph Eberhart of San Rafael is her grandfather.

Elissa was graduated from Dominican Upper School and Seattle University. She received a master's degree from Gallaudet College for the Deaf in Washington, D.C., and was elected to Who's Who in American Colleges. She is presently in special teaching education at Palm School in Riverside.

Don is the son of Mr. and Mrs. Joseph Fruciano of Riverside and the brother of Mrs. Joseph Guzzetta, also of Riverside. He was graduated from Riverside High School and San Diego State College with a major in management and finance.

The future bridegroom is co-founder and president of Titan Industries and also president of The Twin Counties Financial Corp.

A late spring wedding in Riverside is planned next year after which the couple will reside in Riverside.

## 'Lore Of Precious Jewels' Topic At Center Program

"Romantic Lore of Precious Jewels" will be the topic presented by Robert T. Lindeman at the program of the Tamalpais Centre Woman's Club on Friday afternoon.

Mr. Lindeman will tell stories about the wearing of jewels through the centuries, and their importance concerning the artistry and economic impact on the world. An authority on the subject of jewels, Mr. Lindeman received five awards at an international showing of jewel designs in New York City.

The executive board will meet at 11 a.m. followed by a business meeting at 1 p.m.

Serving tea after the program will be Mrs. George Weymouth, assisted by her committee, Mesdames W. G. Courtright, J. W. Cox, Elie Dalmon and B. C. Jones.

TEAM OF CENSORS—Air Force Reserve Capt. Stuart D. Burt of Corte Madera (left) and Maj. Robert J. Boyd (second from right) of San Rafael are shown working on new censorship manuals with two other members of a Military Air Transport Service censorship team at Travis Air Force Base. Shown (left to right) are Burt, Lt. Col. Leonard R. Hausken, the team chief; Boyd and Maj. William C. Lemon. (Air Force photo)

# They Train To Be Censors

Anyone who had a close friend or relative overseas during World War II recalls those cut-out strips through the middle of a sentence here and there in letters.

Most people like to think of such censorship as part of the past, but the Air Force sees it as an unpleasant necessity which might have to be revived if there ever were another full-scale war. And it believes in being prepared.

Two men who know what the Air Force is doing about this are Robert J. Boyd of 401 Nova Albion Way, San Rafael, and Stuart D. Burt of 5 Blue Rock Court, Corte Madera.

During the week, Boyd is credit manager of a San Francisco cement firm, while Burt runs a Mill Valley insurance agency. On weekends, however, each dons the uniform of an Air Force officer and they drive to Travis Air Force Base in Solano County.

They and other members of the Military Air Transport Service's western censorship team spend their reserve drills writing new manuals on how to censor. In wartime, they would go to work as actual censors, or would form the nucleus of units teaching others how to do it.

"It is an excellent activity for a reserve unit," explained Boyd recently, "since we are working with something for which there would never be a need except in time of war. Thus, they can put us on the job and avoid wasting manpower among active duty personnel."

**All-out censorship such as that used in World War II has not been reinstated since, Boyd said. Neither the Korean conflict nor the present action in Viet Nam brought it about, he said.**

"While the release of information has been a little more restricted," he said, "there is no censorship in Viet Nam, other than a certain amount of voluntary self-censorship on the part of some of the news people."

The censors' main objective, of course, would be to prevent military intelligence from reaching the wrong hands. But in addition to that, Boyd noted, World War II censors sometimes picked up intelligence about the enemy by catching it as espionage agents tried to slip it through.

While servicemen's mail would be handled by officers or non-commissioned officers designated as censors in each unit, wartime censorship also would screen telephone and telegraph messages, baggage or personal effects carried by travelers and photographs, which might be confiscated in the photo lab before they reached an individual.

Reading mail, Boyd said, comes under the title of "primary censorship." The two Marin men, however, would probably be more concerned in wartime with the other types of screening, considered "secondary censorship." Too, they would handle any special problems which primary censors could not resolve.

Boyd, Burt and four other officers in the Travis unit have been members of the team since the Air Force moved its censorship programs from under the Continental Air Command. Before that, they trained at Hamilton Air Force Base.

**The Air Force's philosophy toward censorship, Burt pointed out, is illustrated by the fact that it is considered part of Air Force law enforcement and security, while the Army and Navy place it under intelligence.**

The censorship teams are made up of men with diverse civilian occupations. With Burt and Boyd are a San Jose pharmacist, a Sacramento newspaperman, a San Francisco school principal and a Contra Costa County park and recreation director.

The Travis team is under the command of MATS' western arm, the Western Transport Air Force, or WESTAF. Other teams are at MATS headquarters, Scott Air Force Base, Ill., and at the EASTAF headquarters, McGuire Air Force Base, N.J.

The eastern team includes a New York police sergeant and a printer for the New York Times.

**Chief of the MATS censorship program is Lt. Col. Lyle M. Adams, an ordained minister.**

Boyd aided Col. Adams, Lt. Col. Leonard R. Hausken, chief of the Travis censorship team and another man in mapping the original MATS censorship program.

# Reserve Units May Be Saved

By FRED S. HOFFMAN

WASHINGTON (AP) — The last six Army Reserve divisions — tabbed by Secretary of Defense Robert S. McNamara for elimination — may be saved after all.

It was learned today that Army planners are leaning toward a proposal that would preserve division structures and identities, although the outfits would be smaller than they are now and their members would drill without pay.

Such a solution might satisfy congressional critics of McNamara's plans to streamline the Army's National Guard and Reserve forces, although reservist groups still might object.

On Oct. 22, the Senate Armed Services Committee adopted a resolution formally calling on McNamara to postpone the elimination of 751 Army Reserve units until Congress can take a long look at the plan next year.

Asked what the Pentagon has done in response to this Senate action, the Defense Department said the resolution "is presently under consideration." Sources said orders to set in motion the elimination of the affected units have not gone out.

The six divisions account for about 500 of the 751 units which McNamara said on Sept. 30 are not required and would be "phased out as soon as possible."

Of the 55,000 reservists effected by McNamara's action at that time, about 42,000 are enrolled in the six divisions and their component elements.

The six are:

The 63rd Infantry Division of California, the 77th Infantry Division of New York, the 90th Infantry Division of Texas, the 33rd Infantry Division of Ohio and West Virginia, the 102nd Infantry Division of Missouri and Illinois, and the 81st Infantry Division of Georgia, North Carolina, South Carolina and Tennessee.

Army officials said these divisions average about 7,000 men each.

Under McNamara's plan, they would be obliterated, officials said.

However, under the proposal now being studied they would be converted into what are called "reinforcement training units."

As such, they would serve as a base for any general mobilization—although McNamara and his top aides doubt the world will ever again see a war of the magnitude of World War II requiring such a massive mobilization.

According to present Army staff thinking, all men with obligated Reserve service remaining would be transferred out of these divisions and placed in some of the 976 National Guard and Reserve units which are being formed into a first-line "select force" of 150,000 men.

Further, Army officials say, other reservists in the six divisions will be encouraged to transfer over to the "select force" where they would train intensively, continue to be paid for these drills, and be subject to crisis mobilization.

With what is left, the Army is thinking of retaining what amounts to skeletons of these divisions, manned by men interested enough in remaining as reservists to drill without pay, take military correspondence courses and others keep active in Reserve affairs.

Such reservists might be paid for summer training and they definitely would continue to pile up credits toward retirement pay which they would collect after they turn 60.

# Boundry Shift Proposed For Town, City

A plan to simplify the the convoluted boundaries between Corte Madera and Larkspur will be recommended to the Marin County Local Agency Formation Commission Thursday, with hope it will provide a workable solution.

Present confused boundaries are further complicated by Islands of county territory between the two cities. Redwood High School, for instance, is partly in Larkspur, partly in Corte Madera, and partly in county territory.

The recommendation prepared by John F. Barrows, the commission's executive officer, would do away with county islands.

He suggests that the mutual boundary between the cities run from the bay along the center of Corte Madera Creek to Highway 101, cross the highway at the Greenbrae overpass, run south along the west side of the highway to the railroad spur and then west on the south side of the railroad right-of-way to the present city boundaries.

Everything south and east of this line would be in Corte Madera and everything north and west would be in Larkspur.

In would mean that an industrial-commercial tract east of Highway 101, now in Larkspur, would go into Corte Madera. However, the Fifer industrial tract west of the highway, now part of Corte Madera, would go into Larkspur. All of Redwood High School would be in Larkspur and 14 parcels on Elm Avenue, now in Corte Madera would go into Larkspur.

Larkspur's assessed land value would increase by $241,910 while Corte Madera would have a net gain of $55,820, because of elimination of the unincorporated "islands."

Barrows recommends that the commission tentatively adopt the boundary line as the "ultimate solution" and call a public hearing where representatives of both cities can give their views.

# Ex-Marinite Under Fire In Fire District

Burned-up volunteer firemen in a suburb of Santa Rosa are threatening a recall campaign against a one-time Homestead Valley firebrand.

The man they want to fire is Tom McDougall, a director of the Bellevue Fire District since it was formed two and one-half years ago.

McDougall moved from Homestead Valley to the Santa Rosa suburb of Bellevue late in 1961, after a Marin career which included several years as president of the Marin County Taxpayers Assn. and several unsuccessful races for Mill Valley and Tamalpais High School district school boards.

McDougall has been more successful as a candidate in Bellevue. When the Bellevue Fire District was organized, there were six candidates for the five-member board. McDougall ran fifth and was given a one-year term.

When his year was up, he was unopposed for re-election, so was appointed to a three-year term. It still has 18 months to go, but members of the volunteer fire department last week started a recall move, claiming McDougall causes dissension on the board and in the department.

McDougall also headed a political action committee which put on a successful campaign last year to oust Frank Schieber as superintendent of Bellevue School District, a job he had held 10 years.

# Marin Probation Staff Merger Put To Supervisors

## Now-Separate Juvenile, Adult Divisions May Become One Unit

Consolidation of juvenile and adult divisions in the Marin County probation department will be recommended to the county board of supervisors tomorrow.

The supervisor's session will begin at 9 a.m. in the Civic Center.

County administrator Alan Bruce recommends the consolidation at the start of next fiscal year, and wants some staff changes made now.

Probation officer Walter Busher has listed the following reasons for the consolidation, according to Bruce:

1. The courts are departing from the previous fixed age limit for juveniles (18 or under) and some offenders up to 21 are appearing in juvenile court.

2. Recent legislation extending rights to accused make it necessary to standardize juvenile and adult procedures.

3. There is a growing number of "multiple involvements" with juveniles and adults involved in the same crime.

4. Combination would make possible better use of staff and psychiatric consultants.

Bruce will recommend that supervising probation officer James B. Soetaert be advanced from $792 to $814 a month with added responsibilities; that deputy probation officer James E. Thomas be advanced from $590 to $650 and be made a supervising probation officer; that deputy probation officer Chester Villalba be advanced from $717 to $753 and be made a supervising probation officer, and that supervising probation officer Thomas B. Estes be demoted to deputy probation officer with a cut from $790 to $753. Bruce said that Estes agrees to this because of a chronic illness.

Supervisors are also to consider a higher salary for parks and recreation director. Top salary for the job, which is unfilled, now is $1,008 per month. Bruce proposes this be upped to $1,100 or $1,200.

Bruce will also recommend that the county urge establishment of a Job Corps camp on one of the headland military reservations, with a smaller camp as the Palomarin Ranch adjacent to Point Reyes National Seashore.

Future of the courthouse square in downtown San Rafael and plans for the Hall of Justice addition to the Civic Center also will be up for discussion.

A special session had been set for 8 p.m. tomorrow to review the detailed plans, but the session was shifted to 3 p.m., the last matter on tomorrow's agenda.

## Driver's Neck Hurt In Crash

Alan J. Calvillo, 18, of 151 Morningside Drive, San Anselmo, complained of neck and back pains after a hit-run accident on Sir Francis Drake Boulevard near Laurel Avenue, Kentfield, at 10:30 p.m. Saturday, the California Highway Patrol reported.

Calvillo told officers that a car collided with his while attempting to pass him and the bumpers of the two cars locked. After the bumper became detached the driver of the other car car turned off his lights, drove at him and then drove away, Calvillo said.

Calvillo told officers he would be treated for his injuries by his own doctor.

## U.S. Viet Dead Count Now 873

WASHINGTON (UPI) — The total of American combat deaths in the Vietnamese war rose to 873 last week as the Defense Department identified 32 more servicemen who have been killed in action.

Another 150 names were added to the list of wounded, bringing that total to 4,605 since early 1961.

The number of current missing increased from 85 to 93, and the list of captured U.S. servicemen remained at 22. The number of Americans who have died from causes not due to hostile action increased from 345 to 363.

## Elderly Woman Slugged, Robbed

OAKLAND (AP) — An elderly woman was slugged and robbed of $150 by a pair of teenagers in East Oakland last night.

Mrs. Oda Titsworth, 67, of Hayward, was walking with Mrs. Neva Hamm, 70, of Hayward, when attacked.

Mrs. Titsworth suffered a dislocated shoulder and a deep cut below the left eye.

Albin B. Fowler is commander of Bolinas Bay Post 572 of the American Legion.

## Sale At Air Base

A radiographic table, X-ray apparatus transformer and checkout counters with cash register stands will be sold on Nov. 30 by the defense surplus sales office at Hamilton Air Force Base.

## Health Coverage Measure Snags State Legislature

SACRAMENTO (AP)—How to get the most federal money for California out of the medicare program occupied attention of senators today, as the legislature edged toward adjournment.

The much - debated medicare bill went before the Senate Finance Committee, but if it reaches the floor and passes, a two-house conference to iron out differences seemed certain.

Legislative leaders originally wanted to adjourn last week, but the upper house didn't handle its business in time. Now, the target is the end of this week, and it's a good bet the target will be hit: Many lawmakers are due in Puerto Rico for a meeting of legislators starting next weekend.

Holding up the Senate, and causing confusion all over the Capitol, was a bill with the basic aim of bringing in about $6 million a month in federal medicare aid to California. It would expand health care coverage for 1.1 million persons, most of them poor.

It has been amended often, with the key stumbling block a desire by the 58 counties to spend as little of their money on medicare as possible, and to keep as many federal dollars as they can. But a conference committee seems certain, since the Assembly version of the bill and the Senate version will differ.

The other key issue postponing adjournment of a session that began Sept. 20 was smog control. Controversy surrounded a bill last week when it was learned the measure guaranteed a $400 million monopoly on used car anti-smog devices to a firm represented by Gov. Brown's son - in - law, Joseph Kelly of San Francisco.

The bill would have required that only one exhaust anti-smog device be approved by the state before it required such a device on most used cars. Only one firm, American Foundry Co. of Los Angeles, is capable of making the devices at present.

After a startled Senate learned of the situation, it sent the bill back to the committee which originally approved it. The committee rewrote the measure to require that at least two devices be approved before the regulation could take effect, and sent it back to the upper house floor for action. The Assembly also must act on the measure.

## Spirit Club Ballots For Year's Officers

COORS (Committee on Organized Redwood Spirit), a Redwood High School organization to promote spirit at the school, has elected officers for the school year.

Elected president was senior Dave Strathairn of Ross; and vice-president, senior Tom McMarthry of Kentfield.

## Novatan Gets Stripe

James D. Sharkey, son of Mr. and Mrs. Harry E. Sharkey of 834 Sutro Avenue, Novato, has been promoted to airman second class at Keesler Air Force Base, Miss. He is a graduate of Novato High School and attended Santa Monica City College.

## Home Ownership Hurt By Taxes, Says Assessor

SAN FRANCISCO (UPI)—Los Angeles County Assessor Philip E. Watson said Friday that unless reforms are made property taxes "could wipe out the average family's ability to own a home."

Watson, addressing a luncheon meeting of the Commonwealth Club, said the property tax "has been rising faster than the combined cost of living, income, and population growth."

He said that recent charges that some assessors and their deputies have been granting favors to certain individuals and companies have highlighted the need for reform.

He said that there are no laws requiring an assessor to make public the rules by which he establishes property values.

# Prevention Of Fires Busies Men

Sausalito firemen had a busy afternoon along the waterfront yesterday afternoon, even without a fire call.

Firemen were called out at 1:17 p.m. when a 35-foot cruiser at Berth 35, Basin One, Clipper Yacht Harbor, began leaking gasoline into the bilge, creating a hazard of potential explosion.

Firemen went on standby duty and shut off the area, Capt. R. K. Pedersen reported.

The cruiser, owned by David Anderson of San Francisco had about 50 gallons of gasoline aboard which began leaking into the bilge after a safety flange was sheared off during engine repairs, he said.

The Coast Guard towed the cruiser, the Extravagance, about 100 yards off the Turney Street launching ramp and began treating the bilge with an emulsifier to lessen the danger, Captain Pedersen said.

"They pumped the bilge into containers and disposed of the containers," he said.

Shortly afterward there was a one-beep alarm from the alarm box near the Turney Street launching ramp, but it was not a firm alarm.

Pedersen explained that Donald E. Baney of 318 Sausalito Boulevard was towing his boat on a boat trailer to the launching ramp when the mast snapped the alarm box wire.

"The box was out of service for a couple of hours," he said.

# 'Damn Yankees' Fun, A Really Good Show

By KARL BARRON

The Terra Linda Little Theater, which for years — like the boll weevil — has been "lookin' for a home," has come to roost with the Hamilton Little Theater in a combined production of "Damn Yankees" which is a knockout.

The popular musical will be repeated on Friday and Saturday nights at 8:30 through Nov. 20 in Theater 2 at Hamilton Air Force Base.

This is unquestionably the best all-around production that we've seen in Marin in a long time. It has a good cast, driving pace, and all the ingredients necessary to a good musical.

"Damn Yankees" needs no introduction. A Broadway success with seven hit tunes, and a regular with musical theaters, it's such a charming show that it can be seen again and again. Its story of an aging baseball fan who sells his soul to the Devil to become the world's greatest ball player and aid the Washington Senators in capturing the pennant from the damn Yankees hits a responsive chord in almost every American.

Combining companies has given the Terra Linda troupe the addition of talented men, on which it was short, plus the facilities of the theater, plus a fine 10-piece band under the smooth direction of Wilbur A. Jones. Jones never commits the sin of drowning out his singers. (Curran and Geary, take note.)

As if this were not enough, when audition calls went out, playing Mr. Applegate (the Robert S. Lawrence showed up, ended by directing the show and Devil). Lawrence, dean of admissions at Sonoma State College, had never played in an amateur show before this one. He began as a professional at the age of five. It shows, in both his direction and his suave (forgive it) devil-may-care interpretation of Applegate. He is always in command, and plays his laughs 'til Hell freezes over. Well, not quite.

Lola, the 187-year-old siren who is Applegate's foil (and sold her soul because she was the ugliest woman in Keokuk, Iowa) is portrayed with impish zest by Patti Newman, 100 pounds of charm, energy and talent. The mother of four offstage, Miss Newman onstage is every man's dream. Singing, dancing with wild abandon, or delivering an expertly timed laugh line, she is — like wow!

John Peebles, as Shoeless Joe, the young baseball star, is just right. He makes the unbelievable naivete of the character come alive. In common with the rest of the cast, Peebles has little singing voice, but Lawrence's expert direction has made the best use of the ability that is there, and the result is outstanding.

Naomi Heid as Meg Boyd, the deserted wife, begins on the right querulous note and gradually transforms herself to engage our sympathy. She and Peebles are particularly good in the reprise of "A Man Doesn't Know."

Other standouts are Sara Davis as the inquisitive girl sports reporter; Stephen Thomas as Van Buren, the Senators' manager, and Art Zasada, who does a nice job as Joe Boyd, the fan who starts it all. Mary Diederich is hysterical as Sister.

There are 22 scenes in the show, and B. J. Leibovitz has done a bang-up design job, especially on Applegate's apartment. Norman Hirsch's lighting functions smoothly, changing moods with subtle effiency.

There were a few dead waits in the second act for scene changes, which Jones might cover with some sort of musical interpolation, but with a show paced as this is, who really cares?

One of the big hits from "Damn Yankees" is "Ya Gotta Have Heart."

That's what this company's got!

# Horse To Be On Hand For Dedication

Blackie, Tiburon's swaybacked horse, an example of a mode of transportation that was put out of business by the advent of the automobile, will be on hand for the dedication Wednesday of the new section of Tiburon Boulevard.

Dedication ceremonies for the $515,000 four-lane highway section from Blackfield Drive to Reed Ranch Road, will be held at 11 a.m. Wednesday.

Also present at the ribbon-cutting for the new section, which continues for one mile the previously constructed four-lane highway between the Alto Interchange on Highway 101 and Blackfield Drive, will be Mayors Merritt K. Ruddock of Belvedere and Gordon W. Strawbridge of Tiburon.

The ceremonies will be at the intersection of Reed Ranch Road and Tiburon Boulevard, adjacent to the swaybacked horse's pasture.

## Student Director Of GOP Named

College of Marin student Robert L. Rosenberg of Corte Madera has been named director of the California College Republican Clubs in area one, including college and university campuses from San Francisco to the Oregon border.

Rosenberg's job will be to organize Republican clubs, supply them with party philosophy and coordinate campus appearances by Republican speakers.

# New York City Mayoralty Race Vote Is Tomorrow

NEW YORK (AP) — Democrat Abraham D. Beame and Republican-Liberal John V. Lindsay end one of the city's longest, costliest and closest campaigns for mayor today.

But tomorrow's election may hinge on the size of the vote for William F. Buckley Jr., 39, the Conservative party candidate.

Beame, 59, city comptroller under outgoing Democratic Mayor Robert F. Wagner, and Lindsay, 43, a Republican congressman, reportedly have spent $1.5 million each.

Buckley says he is surprised at the response to his candidacy. He renounced further political ambitions, saying he will return to his job as editor of the magazine, National Review.

# Kidnapers Go Into Courtroom Under Guard

PORTLAND, Ore. (UPI)—Carl Cletes Bowles and Wilfred M. Gray made a brief court appearance under heavy guard Friday.

Bowles and Gray are the former Oregon State Prison inmates who are accused of a four-day rampage last July which included murder, bank robbery, armed robbery, kidnaping and rape.

They already have been sentenced to life in prison for kidnaping California Finance Director Hale Champion from his Sacramento home.

They were brought into court Friday so District Judge Gus J. Solomon could appoint attorneys to defend them against federal bank robbery and kidnaping charges here.

# Extra Chairs Put Up For New Chamber Group

By MAYBELLE SPECKMANN

A promising new Marin chamber ensemble made its debut in a recital yesterday afternoon at Holy Innocents' Episcopal Church in Corte Madera.

Under direction of S. Drummond Wolff, the group is composed of a chorus of 12 adults—three voices each in soprano, alto, tenor and bass—and a 12-piece orchestra of strings and woodwinds. They meet regularly to practice music of the baroque period.

It is not clear whether it was Dr. Wolff's reputation as an organist and director or love of chamber music that brought such a large audience to the church that extra chairs had to be set up.

The chorus of admirably balanced voices included experienced singers and as a whole demonstrated the fine points that are the hallmarks of Dr. Wolff's training—good tone, diction, expression and control of dynamics. They are not yet as highly polished as they probably will be with longer performance together.

They gave a good account of themselves in two motets: "Lift Up Your Heads" by Schutz and "Hosanna To the Son of David" by Weelkes, the Kantate "Weihnachts" by Beyer and Cantata "Rejoice Earth and Heaven" by Buxtehude.

The orchestra was a surprise in that it was made up largely of young people led by one of Marin's talented junior musicians, violinist Buddy Oakley, who was so outstanding with the Marin Youth Orchestra.

Starting with "Pavane for Orchestra" by Byrd, it gained assurance as it played, achieving a high level in the concerto for organ and orchestra by Handel.

Marsha Lang was a technically accomplished oboist in concerto for oboe and strings by Valentini, and a high point instrumentally was the sonata for flute, oboe and bassoon and continuo, with Marsha playing the oboe, Carla Erickson the flute, and Peter Black the bassoon.

Since Dr. Wolff is one of the best organists in the bay area his solos were also high points, the Vivaldi-Bach concerto, "Dialogue Basse E Dessus" by Clerambault and "Noel Variations" by Daquin. His continuo and conducting from the organ were the motive power for the entire program.

## Cal Tjader Concert Set At Dominican

The associated students of Dominican College in San Rafael will present the Cal Tjader Quintet in concert on Nov. 22 at 8 p.m. in Angelico Hall, with proceeds going to the chapel building fund.

Tjader's jazz compositions include Latin and Oriental sounds that make his style distinctive. An alumnus of San Francisco State College, he is a favorite on eastern and western campuses.

## Strange Malady Strikes Students

BERKELEY (AP)— A mysterious stomach malady struck several hundred University of California students over the weekend—but apparently made none seriously ill.

University officials described the illness as either an attack of flu, or an acute stomach disorder caused by something the students drank.

Dr. Henry Bruyn, director of student health services, conferred today with state and Berkeley public health officials.

There were so many students who showed up at Cowell Memorial Hospital Sunday on-campus that doctors had to refer patients to Herrick Hospital.

## Tiburon Man Gains Commission In Army

Charles G. Wood Jr., son of Charles G. Wood Sr. of Tiburon, has been commissioned a second lieutenant in the Army Finance Corps at Stanford University on completion of his undergraduate education.

He has reported to the Army Finance School at Fort Benjamin Harrison, Ind., for specialized training before duty at Fort Monroe, Va.

## Home, Child Third In Series Friday

"The Home and The Child," third in a series of lectures on family life education, will be presented at 8 p.m. Friday at the Marion School auditorium in Novato by the adult education program of Novato High School.

Mrs. Mary K. Jones is presenting the series of lectures.

## Woman Found Guilty Of Drunken Driving

Margaret Ireland, 41, of 875 Via Escondida, Novato, was found guilty of drunken driving by a Marin Municipal Court jury late Friday. Judge Leonard A. Thomas fined her $220 and placed her on six months probation.

The defendant was arrested on Highway 101 by Novato police last July 27.

TEAM OF CENSORS—Air Force Reserve Capt. Stuart D. Burt of Corte Madera (left) and Maj. Robert J. Boyd (second from right) of San Rafael are shown working on new censorship manuals with two other members of a Military Air Transport Service censorship team at Travis Air Force Base. Shown (left to right) are Burt, Lt. Col. Leonard R. Hausken, the team chief; Boyd and Maj. William C. Lemon. (Air Force photo)

# They Train To Be Censors

Anyone who had a close friend or relative overseas during World War II recalls those cut-out strips through the middle of a sentence here and there in letters.

Most people like to think of such censorship as part of the past, but the Air Force sees it as an unpleasant necessity which might have to be revived if there ever were another full-scale war. And it believes in being prepared.

Two men who know what the Air Force is doing about this are Robert J. Boyd of 401 Nova Albion Way, San Rafael, and Stuart D. Burt of 5 Blue Rock Court, Corte Madera.

During the week, Boyd is credit manager of a San Francisco cement firm, while Burt runs a Mill Valley insurance agency. On weekends, however, each dons the uniform of an Air Force officer and they drive to Travis Air Force Base in Solano County.

They and other members of the Military Air Transport Service's western censorship team spend their reserve drills writing new manuals on how to censor. In wartime, they would go to work as actual censors, or would form the nucleus of units teaching others how to do it.

"It is an excellent activity for a reserve unit," explained Boyd recently, "since we are working with something for which there would never be a need except in time of war. Thus, they can put us on the job and avoid wasting manpower among active duty personnel."

**All-out censorship such as that used in World War II has not been reinstated since, Boyd said. Neither the Korean conflict nor the present action in Viet Nam brought it about, he said.**

"While the release of information has been a little more restricted," he said, "there is no censorship in Viet Nam, other than a certain amount of voluntary self-censorship on the part of some of the news people."

The censors' main objective, of course, would be to prevent military intelligence from reaching the wrong hands. But in addition to that, Boyd noted, World War II censors sometimes picked up intelligence about the enemy by catching it as espionage agents tried to slip it through.

While servicemen's mail would be handled by officers or non-commissioned officers designated as censors in each unit, wartime censorship also would screen telephone and telegraph messages, baggage or personal effects carried by travelers and photographs, which might be confiscated in the photo lab before they reached an individual.

Reading mail, Boyd said, comes under the title of "primary censorship." The two Marin men, however, would probably be more concerned in wartime with the other types of screening, considered "secondary censorship." Too, they would handle any special problems which primary censors could not resolve.

Boyd, Burt and four other officers in the Travis unit have been members of the team since the Air Force moved its censorship programs from under the Continental Air Command. Before that, they trained at Hamilton Air Force Base.

**The Air Force's philosophy toward censorship, Burt pointed out, is illustrated by the fact that it is considered part of Air Force law enforcement and security, while the Army and Navy place it under intelligence.**

The censorship teams are made up of men with diverse civilian occupations. With Burt and Boyd are a San Jose pharmacist, a Sacramento newspaperman, a San Francisco school principal and a Contra Costa County park and recreation director.

The Travis team is under the command of MATS' western arm, the Western Transport Air Force, or WESTAF. Other teams are at MATS headquarters, Scott Air Force Base, Ill., and at the EASTAF headquarters, McGuire Air Force Base, N.J.

The eastern team includes a New York police sergeant and a printer for the New York Times.

**Chief of the MATS censorship program is Lt. Col. Lyle M. Adams, an ordained minister.**

Boyd aided Col. Adams, Lt. Col. Leonard R. Hausken, chief of the Travis censorship team and another man in mapping the original MATS censorship program.

# Reserve Units May Be Saved

By FRED S. HOFFMAN

WASHINGTON (AP) — The last six Army Reserve divisions — tabbed by Secretary of Defense Robert S. McNamara for elimination — may be saved after all.

It was learned today that Army planners are leaning toward a proposal that would preserve division structures and identities, although the outfits would be smaller than they are now and their members would drill without pay.

Such a solution might satisfy congressional critics of McNamara's plans to streamline the Army's National Guard and Reserve forces, although reservist groups still might object.

On Oct. 22, the Senate Armed Services Committee adopted a resolution formally calling on McNamara to postpone the elimination of 751 Army Reserve units until Congress can take a long look at the plan next year.

Asked what the Pentagon has done in response to this Senate action, the Defense Department said the resolution "is presently under consideration." Sources said orders to set in motion the elimination of the affected units have not gone out.

The six divisions account for about 500 of the 751 units which McNamara said on Sept. 30 are not required and would be "phased out as soon as possible."

Of the 55,000 reservists effected by McNamara's action at that time, about 42,000 are enrolled in the six divisions and their component elements.

The six are:

The 63rd Infantry Division of California, the 77th Infantry Division of New York, the 90th Infantry Division of Texas, the 33rd Infantry Division of Ohio and West Virginia, the 102nd Infantry Division of Missouri and Illinois, and the 81st Infantry Division of Georgia, North Carolina, South Carolina and Tennessee.

Army officials said these divisions average about 7,000 men each.

Under McNamara's plan, they would be obliterated, officials said.

However, under the proposal now being studied they would be converted into what are called "reinforcement training units."

As such, they would serve as a base for any general mobilization—although McNamara and his top aides doubt the world will ever again see a war of the magnitude of World War II requiring such a massive mobilization.

According to present Army staff thinking, all men with obligated Reserve service remaining would be transferred out of these divisions and placed in some of the 976 National Guard and Reserve units which are being formed into a first-line "select force" of 150,000 men.

Further, Army officials say, other reservists in the six divisions will be encouraged to transfer over to the "select force" where they would train intensively, continue to be paid for these drills, and be subject to crisis mobilization.

With what is left, the Army is thinking of retaining what amounts to skeletons of these divisions, manned by men interested enough in remaining as reservists to drill without pay, take military correspondence courses and others keep active in Reserve affairs.

Such reservists might be paid for summer training and they definitely would continue to pile up credits toward retirement pay which they would collect after they turn 60.

# Health Coverage Measure Snags State Legislature

SACRAMENTO (AP)—How to get the most federal money for California out of the medicare program occupied attention of senators today, as the legislature edged toward adjournment.

The much - debated medicare bill went before the Senate Finance Committee, but if it reaches the floor and passes, a two-house conference to iron out differences seemed certain.

Legislative leaders originally wanted to adjourn last week, but the upper house didn't handle its business in time. Now, the target is the end of this week, and it's a good bet the target will be hit: Many lawmakers are due in Puerto Rico for a meeting of legislators starting next weekend.

Holding up the Senate, and causing confusion all over the Capitol, was a bill with the basic aim of bringing in about $6 million a month in federal medicare aid to California. It would expand health care coverage for 1.1 million persons, most of them poor.

It has been amended often, with the key stumbling block a desire by the 58 counties to spend as little of their money on medicare as possible, and to keep as many federal dollars as they can. But a conference committee seems certain, since the Assembly version of the bill and the Senate version will differ.

The other key issue postponing adjournment of a session that began Sept. 20 was smog control. Controversy surrounded a bill last week when it was learned the measure guaranteed a $400 million monopoly on used car anti-smog devices to a firm represented by Gov. Brown's son - in - law, Joseph Kelly of San Francisco.

The bill would have required that only one exhaust anti-smog device be approved by the state before it required such a device on most used cars. Only one firm, American Foundry Co. of Los Angeles, is capable of making the devices at present.

After a startled Senate learned of the situation, it sent the bill back to the committee which originally approved it. The committee rewrote the measure to require that at least two devices be approved before the regulation could take effect, and sent it back to the upper house floor for action. The Assembly also must act on the measure.

## Spirit Club Ballots For Year's Officers

COORS (Committee on Organized Redwood Spirit), a Redwood High School organization to promote spirit at the school, has elected officers for the school year.

Elected president was senior Dave Strathairn of Ross; and vice-president, senior Tom McMarthry of Kentfield.

# Boundry Shift Proposed For Town, City

A plan to simplify the the convoluted boundaries between Corte Madera and Larkspur will be recommended to the Marin County Local Agency Formation Commission Thursday, with hope it will provide a workable solution.

Present confused boundaries are further complicated by Islands of county territory between the two cities. Redwood High School, for instance, is partly in Larkspur, partly in Corte Madera, and partly in county territory.

The recommendation prepared by John F. Barrows, the commission's executive officer, would do away with county islands.

He suggests that the mutual boundary between the cities run from the bay along the center of Corte Madera Creek to Highway 101, cross the highway at the Greenbrae overpass, run south along the west side of the highway to the railroad spur and then west on the south side of the railroad right-of-way to the present city boundaries.

Everything south and east of this line would be in Corte Madera and everything north and west would be in Larkspur.

In would mean that an industrial-commercial tract east of Highway 101, now in Larkspur, would go into Corte Madera. However, the Fifer industrial tract west of the highway, now part of Corte Madera, would go into Larkspur. All of Redwood High School would be in Larkspur and 14 parcels on Elm Avenue, now in Corte Madera would go into Larkspur.

Larkspur's assessed land value would increase by $241,910 while Corte Madera would have a net gain of $55,820, because of elimination of the unincorporated "islands."

Barrows recommends that the commission tentatively adopt the boundary line as the "ultimate solution" and call a public hearing where representatives of both cities can give their views.

## Elderly Woman Slugged, Robbed

OAKLAND (AP) — An elderly woman was slugged and robbed of $150 by a pair of teenagers in East Oakland last night.

Mrs. Oda Titsworth, 67, of Hayward, was walking with Mrs. Neva Hamm, 70, of Hayward, when attacked.

Mrs. Titsworth suffered a dislocated shoulder and a deep cut below the left eye.

Albin B. Fowler is commander of Bolinas Bay Post 572 of the American Legion.

## Home Ownership Hurt By Taxes, Says Assessor

SAN FRANCISCO (UPI)—Los Angeles County Assessor Philip E. Watson said Friday that unless reforms are made property taxes "could wipe out the average family's ability to own a home."

Watson, addressing a luncheon meeting of the Commonwealth Club, said the property tax "has been rising faster than the combined cost of living, income, and population growth."

He said that recent charges that some assessors and their deputies have been granting favors to certain individuals and companies have highlighted the need for reform.

He said that there are no laws requiring an assessor to make public the rules by which he establishes property values.

## Novatan Gets Stripe

James D. Sharkey, son of Mr. and Mrs. Harry E. Sharkey of 834 Sutro Avenue, Novato, has been promoted to airman second class at Keesler Air Force Base, Miss. He is a graduate of Novato High School and attended Santa Monica City College.

# Ex-Marinite Under Fire In Fire District

Burned-up volunteer firemen in a suburb of Santa Rosa are threatening a recall campaign against a one-time Homestead Valley firebrand.

The man they want to fire is Tom McDougall, a director of the Bellevue Fire District since it was formed two and one-half years ago.

McDougall moved from Homestead Valley to the Santa Rosa suburb of Bellevue late in 1961, after a Marin career which included several years as president of the Marin County Taxpayers Assn. and several unsuccessful races for Mill Valley and Tamalpais High School district school boards.

McDougall has been more successful as a candidate in Bellevue. When the Bellevue Fire District was organized, there were six candidates for the five-member board. McDougall ran fifth and was given a one-year term.

When his year was up, he was unopposed for re-election, so was appointed to a three-year term. It still has 18 months to go, but members of the volunteer fire department last week started a recall move, claiming McDougall causes dissension on the board and in the department.

McDougall also headed a political action committee which put on a successful campaign last year to oust Frank Schieber as superintendent of Bellevue School District, a job he had held 10 years.

## Sale At Air Base

A radiographic table, X-ray apparatus transformer and checkout counters with cash register stands will be sold on Nov. 30 by the defense surplus sales office at Hamilton Air Force Base.

# Marin Probation Staff Merger Put To Supervisors

## Now-Separate Juvenile, Adult Divisions May Become One Unit

Consolidation of juvenile and adult divisions in the Marin County probation department will be recommended to the county board of supervisors tomorrow.

The supervisor's session will begin at 9 a.m. in the Civic Center.

County administrator Alan Bruce recommends the consolidation at the start of next fiscal year, and wants some staff changes made now.

Probation officer Walter Busher has listed the following reasons for the consolidation, according to Bruce:

1. The courts are departing from the previous fixed age limit for juveniles (18 or under) and some offenders up to 21 are appearing in juvenile court.

2. Recent legislation extending rights to accused make it necessary to standardize juvenile and adult procedures.

3. There is a growing number of "multiple involvements" with juveniles and adults involved in the same crime.

4. Combination would make possible better use of staff and psychiatric consultants.

Bruce will recommend that supervising probation officer James B. Soetaert be advanced from $792 to $814 a month with added responsibilities; that deputy probation officer James E. Thomas be advanced from $590 to $650 and be made a supervising probation officer; that deputy probation officer Chester Villalba be advanced from $717 to $753 and be made a supervising probation officer, and that supervising probation officer Thomas B. Estes be demoted to deputy probation officer with a cut from $790 to $753. Bruce said that Estes agrees to this because of a chronic illness.

Supervisors are also to consider a higher salary for parks and recreation director. Top salary for the job, which is unfilled, now is $1,008 per month. Bruce proposes this be upped to $1,100 or $1,200.

Bruce will also recommend that the county urge establishment of a Job Corps camp on one of the headland military reservations, with a smaller camp as the Palomarin Ranch adjacent to Point Reyes National Seashore.

Future of the courthouse square in downtown San Rafael and plans for the Hall of Justice addition to the Civic Center also will be up for discussion.

A special session had been set for 8 p.m. tomorrow to review the detailed plans, but the session was shifted to 3 p.m., the last matter on tomorrow's agenda.

## Driver's Neck Hurt In Crash

Alan J. Calvillo, 18, of 151 Morningside Drive, San Anselmo, complained of neck and back pains after a hit-run accident on Sir Francis Drake Boulevard near Laurel Avenue, Kentfield, at 10:30 p.m. Saturday, the California Highway Patrol reported.

Calvillo told officers that a car collided with his while attempting to pass him and the bumpers of the two cars locked. After the bumper became detached the driver of the other car car turned off his lights, drove at him and then drove away, Calvillo said.

Calvillo told officers he would be treated for his injuries by his own doctor.

## U.S. Viet Dead Count Now 873

WASHINGTON (UPI) — The total of American combat deaths in the Vietnamese war rose to 873 last week as the Defense Department identified 32 more servicemen who have been killed in action.

Another 150 names were added to the list of wounded, bringing that total to 4,605 since early 1961.

The number of current missing increased from 85 to 93, and the list of captured U.S. servicemen remained at 22. The number of Americans who have died from causes not due to hostile action increased from 345 to 363.

# HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

## Alcoholics With Liver Cirrhosis May Not Have Heart Attacks

VAN DELLEN

Chronic alcoholics with cirrhosis of the liver are less likely to develop heart attacks than heavy drinkers without liver trouble. On the other hand, they develop hardening of the coronary arteries but for reasons unknown do not develop thrombosis resulting in cardiac damage. Perhaps the cirrhotic drinker does not live long enough for this to occur.

In a recent report from Loma Linda University, heart attacks were found in only 5.8 per cent of men with cirrhosis as compared with 25.4 per cent of drinkers without liver trouble. None of the liverish alcoholic females had evidence of coronary thrombosis whereas 17.5 per cent of their otherwise normal drinking friends developed cardiac trouble.

**THERE ARE TWO** possibilities as to why the ailing liver protects against heart attacks. The organ manufactures substances that help the blood to clot and when it is deficient in this department bleeding is more likely to occur.

In these circumstances, clots that block the coronary arteries do not develop. The effect is similar to the prevention of a heart attack with anticoagulant drugs.

The second reason centers about estrogens which are known to protect against atherosclerosis. Victims of cirrhosis have more than normal amounts of this female sex hormone.

**THE FAILING LIVER** protects against one disease but leaves the alcoholic vulnerable to others. The liver has many important functions including the metabolism of carbohydrates, proteins, and fats.

The victim is plagued with indigestion, nausea, and weight loss. He acquires the appearance of gaunt corpulence, a portly and robust frame surrounded by a wizened, veined, yellowish face and scrawny neck. The protruding abdomen and swollen ankles are a false front because they are filled with fluid.

**THE SAME** mechanism that prevents the blood from clotting in the coronary arteries also encourages bleeding into the skin or from the nose and gastrointestinal tract. They also develop fever and in time become drowsy and lapse into hepatic coma.

**(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request.)**

### OIL MASSAGE

G. S. writes: Will massaging the scalp with olive oil remedy beginning baldness?

REPLY

Yes, provided hair loss is due to unusual dryness of the scalp. However, all the oil in Iran will not correct hereditary baldness or that caused by seborrheic dermatitis (oily dandruff) or ringworm. The same can be said of alopecia areata, or patchy baldness.

### CHEST PAIN

V. R. writes: Why does overeating cause chest pain in a person with angina pectoris?

REPLY

This symptom is explained on the basis that the digestive process diverts the blood temporarily from the heart to the stomach. Pain often can be avoided by taking a short rest after eating.

### NEUROTIC

R. R. G. writes: Is it better to push or shelter a psychoneurotic?

REPLY

Neither. These persons need expert care because poor advice is likely to increase their anxiety and aggravate the neurotic condition.

### DIABETIC

Mrs. G. writes: Why is it difficult to clear up a sore on a toe of a diabetic?

REPLY

In diabetes, tissue resistance is low because of poor circulation.

# Aluminums Drop Sharply As LBJ Opposes An Increase In Prices

NEW YORK (AP)—The stock market closed with a slight loss today in moderately active trading.

Aluminus were down sharply following reports of President Johnson's opposition to the aluminum price increase and his desire to release aluminum from the government stockpile.

Reynolds Metals, Alcoa, Aluminium Ltd. and other aluminum producers were under selling pressure.

For the list as a whole, the early losses were worse than those in the final hour when there as some firming.

General Motors, whose directors were expected to take dividend and possible stock split action, alternated between a small gain and a small loss.

Some recently favored glamour stocks were down sharply on profit taking.

Volume for the day was estimated at 6.6 million shares compared with 7.26 million on Friday.

Here was the picture near the close:

Reynolds Metals, one of the aluminum price raisers, sank 3 points. Another, Olin Mathieson, was off about a point and the third, Kaiser Aluminum, was off about 1½. Among others in the group, Alcoa sank 2 points and Harvey Aluminum traded unchanged.

Profit taking hit some recent big gainers. Fairchild Camera was off half a dozen points. Down about a point were such stocks as Boeing (ex dividend), Zenith, Raytheon, Polaroid, Xerox, American Cyanamid, Ex-Cell-O, General Cable, Chicago Great Western, Certain-Teed and KL Airlines.

A minoity of issues were strong. Eastern Air Lines spurted 2 points following a published estimate of increasing profits. International Salt gained 3, Delta Airlines and Crane Co. about 2 each.

Sperry Rand eased after an early rise and looked like the most active stock. Calumet & Hecla and Murphy Oil gained more than 1 each.

General Motors was off a fraction as Wall Street awaited action by directors on dividends and possibly a stock split.

Pricss were mixed on the American Stock Exchange.

Corporate bonds were mostly unchanged. U.S. Treasury bonds declined.

## JOBLESS MOVING DAY

# California Plant Woos Easterners

Advance News Service

WASHINGTON — The Labor Department and Douglas Aircraft Co. are selling sunny Southern California to unemployed aircraft workers in Long Island.

The project is the most extensive and novel in a series of experimental programs in the newest federal effort to combat unemployment.
unemployment.

**Douglas needs 1,500 new workers, unavailable in California, for its Long Beach plant, and the Labor Department is attempting to relocate several hundred Long Islanders laid off from aircraft plants by a slowdown in defense contracts.**

In Hicksville, Long Island, government and business are running a cooperative recruiting agency promoting California to Long Islanders who have been on the jobless rolls for nearly two months.

Long Island is one of 11 specially chosen project areas reflecting a particular type of unemployment.

The Labor Department, under recent amendments to the Manpower Development and Training Act, is experimenting in each of these areas with an attack on "structural unemployment"—caused by the decline of particular industries.

In South Bend, Ind., former Studebaker workers are being relocated as are coal miners in the Appalachia region of Kentucky, West Virginia and Virginia.

Unemployed farm workers are being shifted out of the bootheel in southern Missouri to such farm-labor shortage areas as California.

**Meanwhile, the Labor Department is seeking new locations for 2,200 unemployed persons in San Diego, which has suffered chronic unemployment and general economic problems.**

Eventually $14 million in federal money will be spent through 1967 in the experimental program.

The Labor Department expects to spend an average of $900 to move a worker and his family. If the relocated worker drives to his new job, he receives 10 cents a mile for travel. In addition, a $102 weekly lump sum for living expenses is paid to the worker plus $51 for each dependent, up to three dependents.

Moreover, the government will pay storage and incidental moving costs.

But even when an unemployed worker arrives at his new job there are likely to be problems of "cultural adjustment."

This is more of a problem for a coal miner from the mountains than for a skilled aircraft worker from Long Island, but it is a factor to be considered in all cases, the Labor Department said.

In cooperation with state employment agencies and city welfare departments, relocated workers are thoroughly briefed on the problems facing them both before and after they move.

In Long Island and elsewhere the Labor Department must have assurances that the worker who seeks moving assistance has no local job prospects.

So far, 177 aircraft workers have moved out of Long Island under the Labor Department program. Seventy-three of them went to Douglas in California. Others are likely to follow.

## Novato Savings Firm Asks Tiburon Branch

SACRAMENTO (CNS) — The state division of savings and loan announced it will hold a public heading in San Francisco Nov. 15 to consider an application from the Novato Savings and Loan Assn. to operate a branch in Tiburon, in the vicinity of Tiburon Boulevard and Beach Road.

The hearing will begin at 10 a.m. in the division office at 455 Golden Gate Avenue.

Bolinas Beach Improvement Assn. has Dr. Jack Powers as president and Fred E. Davis as vice president.

### Bekins Buys The First Lots In Hamilton Industrial Park

First lot to be sold in the Hamilton Industrial Park at Ignacio is to **Bekins Moving and Storage.**

Bekins has been looking for a second site in Marin for several months, and the Hamilton Park location offers a number of advantages: Proximity to Highways 101 and 37 and South Novato Boulevard—also to Hamilton Air Force Base, where personnel movements are continually in progress—and to the wide area of potential growth projected for Novato over the next few years.

This company has always picked its warehouse locations shrewdly and well in advance of building—and usually with good visibility for outdoor advertising benefits. The Ignacio site will be the northernmost company-owned warehouse on the California coast route, and it is also the first location ever chosen by Bekins in an industrial park.

Construction will take place in about a year, according to **Richard T. Schmitz**, manager at the San Rafael office. At that time Bekins will very likely build a 15,000-square foot warehouse on the 1.5-acre property. It will come under the jurisdiction of the San Rafael office and warehouse on Bellam Boulevard, which is already filled close to capacity with goods in storage.

The transaction was handled by Bell Associates and agent for the industrial park, Coldwell Banker and Co.

**NEWLY OPENED** at 60 Red Hill Avenue, San Anselmo, is **Norman Hunter Galleries.** This is in the same building with Hunter Hall Hair Styling, but is separately managed by **Edward R. Cain,** who has recently moved to San Anselmo from Colorado, where he had two galleries of his own.

The galleries will eventually occupy about 5,000 square feet. (Former tenant here was the Black Market before it moved to Greenfield Avenue.) They will feature a variety of high quality art from traditional to avant garde; act in a consultation capacity in evaluating art—and will offer a special service to architects, building contractors and interior decorators to incorporate works of art in their projects.

Works of recognized artists will be shown—Barr, Davidson, Klabunde, the Lehrers, Nimmer and others of national repute.

Galleries are open daily from 11 a.m. to 5 p.m.—but closed Sundays and Mondays.

**GEORGE VALADOR** of Northbridge, Santa Venetia, has returned to the 1 Montgomery Street office of **Crocker-Citizens National Bank** in San Francisco, where he will be in the trust department. This is the same office where he began his banking career 37 years ago. For the past 30 months he has been in the business development division at the San Rafael office.

Valador Rooker

**INSURANCE. Robert L. Sherman** of Novato has been appointed supervisor of the San Francisco general agency of **Aetna Life Insurance Co.** He is currently attending a company training course at the home office in Hartford, Conn., although he has had extensive life insurance sales and agency management experience . . . **Wayne H. Rooker** of Kentfield has been appointed a representative of **State Farm Insurance** in Marin County. He will office at 820 Fifth Avenue, San Rafael.

**HARBOR VILLAGE TOWNHOUSES** — individually constructed units of two and three bedrooms at 325 Canal Street, San Rafael—are now open daily for inspection from noon to 5 p.m.

# HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

## Alcoholics With Liver Cirrhosis May Not Have Heart Attacks

VAN DELLEN

Chronic alcoholics with cirrhosis of the liver are less likely to develop heart attacks than heavy drinkers without liver trouble. On the other hand, they develop hardening of the coronary arteries but for reasons unknown do not develop thrombosis resulting in cardiac damage. Perhaps the cirrhotic drinker does not live long enough for this to occur.

In a recent report from Loma Linda University, heart attacks were found in only 5.8 per cent of men with cirrhosis as compared with 25.4 per cent of drinkers without liver trouble. None of the liverish alcoholic females had evidence of coronary thrombosis whereas 17.5 per cent of their otherwise normal drinking friends developed cardiac trouble.

**THERE ARE TWO** possibilities as to why the ailing liver protects against heart attacks. The organ manufactures substances that help the blood to clot and when it is deficient in this department bleeding is more likely to occur.

In these circumstances, clots that block the coronary arteries do not develop. The effect is similar to the prevention of a heart attack with anticoagulant drugs.

The second reason centers about estrogens which are known to protect against atherosclerosis. Victims of cirrhosis have more than normal amounts of this female sex hormone.

**THE FAILING LIVER** protects against one disease but leaves the alcoholic vulnerable to others. The liver has many important functions including the metabolism of carbohydrates, proteins, and fats.

The victim is plagued with indigestion, nausea, and weight loss. He acquires the appearance of gaunt corpulence, a portly and robust frame surrounded by a wizened, veined, yellowish face and scrawny neck. The protruding abdomen and swollen ankles are a false front because they are filled with fluid.

**THE SAME** mechanism that prevents the blood from clotting in the coronary arteries also encourages bleeding into the skin or from the nose and gastrointestinal tract. They also develop fever and in time become drowsy and lapse into hepatic coma.

**(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request.)**

### OIL MASSAGE

G. S. writes: Will massaging the scalp with olive oil remedy beginning baldness?

REPLY

Yes, provided hair loss is due to unusual dryness of the scalp. However, all the oil in Iran will not correct hereditary baldness or that caused by seborrheic dermatitis (oily dandruff) or ringworm. The same can be said of alopecia areata, or patchy baldness.

### CHEST PAIN

V. R. writes: Why does overeating cause chest pain in a person with angina pectoris?

REPLY

This symptom is explained on the basis that the digestive process diverts the blood temporarily from the heart to the stomach. Pain often can be avoided by taking a short rest after eating.

### NEUROTIC

R. R. G. writes: Is it better to push or shelter a psychoneurotic?

REPLY

Neither. These persons need expert care because poor advice is likely to increase their anxiety and aggravate the neurotic condition.

### DIABETIC

Mrs. G. writes: Why is it difficult to clear up a sore on a toe of a diabetic?

REPLY

In diabetes, tissue resistance is low because of poor circulation.

HOW TO PLAY

# WINNING BRIDGE

By ALFRED SHEINWOLD

## *Tournament Competition Makes Grabbing Every Trick A Must*

If you go to the national bridge tournament in San Francisco late in November, make up your mind to play for every possible trick.

You can't win a national championship by settling for your contract without overtricks — unless your contract happens to be exceptionally good.

♣ 8 7 4 3

**SOUTH**

♣ Q 10

| South | West | North | East |
|---|---|---|---|
| 1 ♡ | Pass | 2 ♡ | Pass |

Opening lead — ♣ K

The contract was certainly exceptionally good in today's hand, taken from "The Complete Book of Duplicate Bridge," by Norman Kay, Fred Karpin, and the late Sidney Silodor.

Few of the many pairs who held the North-South cards would bid a slam with just 28 points in high cards.

South could therefore be sure of a fine tournament score if he merely made his contract without the overtrick.

### CORRECT PLAY

The correct play of this hand in a tournament was therefore just what it would be in rubber bridge, the game played by an overwhelming majority of bridge enthusiasts.

In rubber bridge you play for your contract and ignore the play for overtricks until the contract is assured.

### KEY ACTION

The key play to assure the slam comes at the second trick. Lead a low diamond. When West plays low, try a finesse with dummy's six!

As the cards lie, this play wins the trick. Now you continue with the ace of diamonds, get to your hand with a spade or heart, cash the king of diamonds and give up a diamond.

The rest is easy.

You weren't worried about losing the finesse at the second trick. If East could produce a diamond, only two diamonds would be left out, and the ace and king would easily capture both of them.

The deep finesse was a safety play to protect you against a 4-0 break in diamonds.

You would be equally safe if East had all four diamonds. West would discard at the second trick, and you would go up with dummy's ace and return a diamond through East.

It would then be easy to limit East to one trick.

### DAILY QUESTION

Partner opens with one spade, and the next player passes. You hold:

♠ Q 8 6 5
♥ J 9 7 6 2
♦ None
♣ Q 9 6 4

What do you say?

ANSWER: Bid four spades. This shows good trump support (often five or more cards), with a singleton or void and fewer than 10 points in high cards.

# Aluminums Drop Sharply As LBJ Opposes An Increase In Prices

NEW YORK (AP)—The stock market closed with a slight loss today in moderately active trading.

Aluminus were down sharply following reports of President Johnson's opposition to the aluminum price increase and his desire to release aluminum from the government stockpile.

Reynolds Metals, Alcoa, Aluminium Ltd. and other aluminum producers were under selling pressure.

For the list as a whole, the early losses were worse than those in the final hour when there as some firming.

General Motors, whose directors were expected to take dividend and possible stock split action, alternated between a small gain and a small loss.

Some recently favored glamour stocks were down sharply on profit taking.

Volume for the day was estimated at 6.6 million shares compared with 7.26 million on Friday.

Here was the picture near the close:

Reynolds Metals, one of the aluminum price raisers, sank 3 points. Another, Olin Mathieson, was off about a point and the third, Kaiser Aluminum, was off about 1½. Among others in the group, Alcoa sank 2 points and Harvey Aluminum traded unchanged.

Profit taking hit some recent big gainers. Fairchild Camera was off half a dozen points. Down about a point were such stocks as Boeing (ex dividend), Zenith, Raytheon, Polaroid, Xerox, American Cyanamid, Ex-Cell-O, General Cable, Chicago Great Western, Certain-Teed and KL Airlines.

A minoity of issues were strong. Eastern Air Lines spurted 2 points following a published estimate of increasing profits. International Salt gained 3, Delta Airlines and Crane Co. about 2 each.

Sperry Rand eased after an early rise and looked like the most active stock. Calumet & Hecla and Murphy Oil gained more than 1 each.

General Motors was off a fraction as Wall Street awaited action by directors on dividends and possibly a stock split.

Pricss were mixed on the American Stock Exchange.

Corporate bonds were mostly unchanged. U.S. Treasury bonds declined.

JOBLESS MOVING DAY

# California Plant Woos Easterners

Advance News Service

WASHINGTON — The Labor Department and Douglas Aircraft Co. are selling sunny Southern California to unemployed aircraft workers in Long Island.

The project is the most extensive and novel in a series of experimental programs in the newest federal effort to combat unemployment.
unemployment.

**Douglas needs 1,500 new workers, unavailable in California, for its Long Beach plant, and the Labor Department is attempting to relocate several hundred Long Islanders laid off from aircraft plants by a slowdown in defense contracts.**

In Hicksville, Long Island, government and business are running a cooperative recruiting agency promoting California to Long Islanders who have been on the jobless rolls for nearly two months.

Long Island is one of 11 specially chosen project areas reflecting a particular type of unemployment.

The Labor Department, under recent amendments to the Manpower Development and Training Act, is experimenting in each of these areas with an attack on "structural unemployment"—caused by the decline of particular industries.

In South Bend, Ind., former Studebaker workers are being relocated as are coal miners in the Appalachia region of Kentucky, West Virginia and Virginia.

Unemployed farm workers are being shifted out of the bootheel in southern Missouri to such farm-labor shortage areas as California.

**Meanwhile, the Labor Department is seeking new locations for 2,200 unemployed persons in San Diego, which has suffered chronic unemployment and general economic problems.**

Eventually $14 million in federal money will be spent through 1967 in the experimental program.

The Labor Department expects to spend an average of $900 to move a worker and his family. If the relocated worker drives to his new job, he receives 10 cents a mile for travel. In addition, a $102 weekly lump sum for living expenses is paid to the worker plus $51 for each dependent, up to three dependents.

Moreover, the government will pay storage and incidental moving costs.

But even when an unemployed worker arrives at his new job there are likely to be problems of "cultural adjustment."

This is more of a problem for a coal miner from the mountains than for a skilled aircraft worker from Long Island, but it is a factor to be considered in all cases, the Labor Department said.

In cooperation with state employment agencies and city welfare departments, relocated workers are thoroughly briefed on the problems facing them both before and after they move.

In Long Island and elsewhere the Labor Department must have assurances that the worker who seeks moving assistance has no local job prospects.

So far, 177 aircraft workers have moved out of Long Island under the Labor Department program. Seventy-three of them went to Douglas in California. Others are likely to follow.

## Novato Savings Firm Asks Tiburon Branch

SACRAMENTO (CNS) — The state division of savings and loan announced it will hold a public heading in San Francisco Nov. 15 to consider an application from the Novato Savings and Loan Assn. to operate a branch in Tiburon, in the vicinity of Tiburon Boulevard and Beach Road.

The hearing will begin at 10 a.m. in the division office at 455 Golden Gate Avenue.

## Bekins Buys The First Lots In Hamilton Industrial Park

First lot to be sold in the Hamilton Industrial Park at Ignacio is to **Bekins Moving and Storage.**

Bekins has been looking for a second site in Marin for several months, and the Hamilton Park location offers a number of advantages: Proximity to Highways 101 and 37 and South Novato Boulevard—also to Hamilton Air Force Base, where personnel movements are continually in progress—and to the wide area of potential growth projected for Novato over the next few years.

This company has always picked its warehouse locations shrewdly and well in advance of building—and usually with good visibility for outdoor advertising benefits. The Ignacio site will be the northernmost company-owned warehouse on the California coast route, and it is also the first location ever chosen by Bekins in an industrial park.

Construction will take place in about a year, according to **Richard T. Schmitz**, manager at the San Rafael office. At that time Bekins will very likely build a 15,000-square foot warehouse on the 1.5-acre property. It will come under the jurisdiction of the San Rafael office and warehouse on Bellam Boulevard, which is already filled close to capacity with goods in storage.

The transaction was handled by Bell Associates and agent for the industrial park, Coldwell Banker and Co.

**NEWLY OPENED** at 60 Red Hill Avenue, San Anselmo, is **Norman Hunter Galleries.** This is in the same building with Hunter Hall Hair Styling, but is separately managed by **Edward R. Cain,** who has recently moved to San Anselmo from Colorado, where he had two galleries of his own.

The galleries will eventually occupy about 5,000 square feet. (Former tenant here was the Black Market before it moved to Greenfield Avenue.) They will feature a variety of high quality art from traditional to avant garde; act in a consultation capacity in evaluating art—and will offer a special service to architects, building contractors and interior decorators to incorporate works of art in their projects.

Works of recognized artists will be shown—Barr, Davidson, Klabunde, the Lehrers, Nimmer and others of national repute.

Galleries are open daily from 11 a.m. to 5 p.m.—but closed Sundays and Mondays.

**GEORGE VALADOR** of Northbridge, Santa Venetia, has returned to the 1 Montgomery Street office of **Crocker-Citizens National Bank** in San Francisco, where he will be in the trust department. This is the same office where he began his banking career 37 years ago. For the past 30 months he has been in the business development division at the San Rafael office.

**INSURANCE. Robert L. # TELEVISION REVIEW

## Good 'Ol' Jimmy Is Still The Tops

By RICK DU BROW

HOLLYWOOD (UPI)—Rudolf Nureyev appeared on ABC-TV's Jimmy Durante weekend special, following in the great Hollywood cultural tradition which reached its zenith when Jose Iturbi played piano in a Jane Powell movie.

The name of the one-hour Saturday special was "Jimmy Durante Meets the Lively Arts," and if you ask me, Durante gave a better performance than Nureyev, including dancing.

I know you're not supposed to compare such performers, but I don't know why not if you're judging the end pleasure of the entertainment. I don't know much ballet, but I can certainly tell when I'm being bored and disappointed by a great artist who has been far more exciting on other television occasions.

Needless to say, however, the studio audience — which, like most American audiences, showed its terror of "culture" by being ashamed to do anything but applaud it—gave Nureyev a big hand. With culture now flooding the land as indiscriminately as master's degrees, it might be well to keep in mind the fine old Chinese tradition of noisemaking and forthright vocal displeasure during dull and pretentious theatrical productions.

The Durante hour had method, if not much skill, in its format. For the truth is that the wonderful Jimmy's genial, mocking attitude toward culture is really very close to the way that most Americans feel about it, and most comfortable with it. Like most network officials, they really don't know whether something is good or not—which, of course, is why the edict of the ratings is such a convenient decision-maker for television to have.

There is, of course, nothing much better than just Jimmy and a piano. But he also got in a few other good moments Saturday—his duet with opera star Roberta Peters, in the tradition of his duets with Helen Traubel; and, following Nureyev, his ballet takeoff, in kilts and with a cigar.

The general idea was for an artist to perform straight—as Miss Peters did brilliantly—and for Durante then to join in. Robert Vaughn, of "The Man From U.N.C.L.E.," did a soliloquoy from "Hamlet," which will survive anyway (the audience again was terrified into applauding). And there was an insipid spoof of pop art. But just watching septuagenarian Durante dance around was worth the tuning in.

THE CHANNEL SWIM: ABC TV has put out a handsome publicity book summarizing the past and trumpeting the future of its distinguished "Saga of Western Man" specials—which means, happily, that they should be around for some time to come . . . Future programs of the series include not only the previously announced hours about Beethoven, Cortez and the legacy of Rome, but also studies of the first Christmas, Rembrandt, Julius Caesar, Teddy Roosevelt and Pope John XXIII.

A short mass by Zoltan Kodaly, Hungary's foremost living composer, sung in New York City's Riverside Church and dedicated to those who died in World War II, will be broadcast on CBS-TV's "Lamp Unto My Feet" Sunday.

## Military School To Hold Parade On Anniversary

San Rafael Military Academy will hold its first retreat parade of the school year Sunday, celebrating the school's diamond jubilee and culminating observance of national Episcopal Schools Week.

The parade is set for 3:45 p.m. The Legion of Valor Bronze Cross for achievement will be presented to the outstanding cadet. The academy will hold an open house all day, with a tea presented by the Mothers' Club will follow the parade.

A flag made in 1922 from Hitchcock Military Academy, one of the two schools that merged to form the San Rafael Military Academy in 1925, will be carried in the parade for the first time since the merger.

Rev. Sumner Walters, rector and headmaster, announced the school has been named an honor school of the National Defense Cadet Corps, and is now a member of the California Assn. of Independent Schools.

## Controversies Policy On Agenda

The Marin County Board of Education tonight will again discuss policy on dealing with controversial issues.

The policy would require that individuals wishing to bring up something controversial put it in writing and submit it to County Supt. Virgil S. Hollis. The matter could then be referred to a "responsible committee" for study.

The board of education meeting will begin at 8 p.m. at the Civic Center.

## Dean To Visit

Robert Lawrence, associate dean of Sonoma State College, will visit Sir Francis Drake High School, San Anselmo, Wednesday at 8 p.m., to explain the system and educational program at the college.

HOW TO PLAY

# WINNING BRIDGE

By ALFRED SHEINWOLD

## Tournament Competition Makes Grabbing Every Trick A Must

If you go to the national bridge tournament in San Francisco late in November, make up your mind to play for every possible trick.

You can't win a national championship by settling for your contract without overtricks — unless your contract happens to be exceptionally good.

South dealer
Both sides vulnerable

NORTH
♠ 8 7 3
♡ A 9 4
◇ A 6 4 2
♣ 9 6 5

WEST
♠ K 9 6 4
♡ 8 5
◇ Q 8 7
♣ A K J 2

EAST
♠ J 10 5
♡ 6 2
◇ J 10 9 2
♣ 8 7 4 3

SOUTH
♠ A Q 2
♡ K Q J 10 7 3
◇ K 5
♣ Q 10

| South | West | North | East |
|---|---|---|---|
| 1 ♡ | Pass | 2 ♡ | Pass |
| 4 ♡ | All Pass | | |

Opening lead — ♣ K

The contract was certainly exceptionally good in today's hand, taken from "The Complete Book of Duplicate Bridge," by Norman Kay, Fred Karpin, and the late Sidney Silodor.

Few of the many pairs who held the North-South cards would bid a slam with just 28 points in high cards.

South could therefore be sure of a fine tournament score if he merely made his contract without the overtrick.

### CORRECT PLAY

The correct play of this hand in a tournament was therefore just what it would be in rubber bridge, the game played by an overwhelming majority of bridge enthusiasts.

In rubber bridge you play for your contract and ignore the play for overtricks until the contract is assured.

### KEY ACTION

The key play to assure the slam comes at the second trick. Lead a low diamond. When West plays low, try a finesse with dummy's six!

As the cards lie, this play wins the trick. Now you continue with the ace of diamonds, get to your hand with a spade or heart, cash the king of diamonds and give up a diamond.

The rest is easy.

You weren't worried about losing the finesse at the second trick. If East could produce a diamond, only two diamonds would be left out, and the ace and king would easily capture both of them.

The deep finesse was a safety play to protect you against a 4-0 break in diamonds.

You would be equally safe if East had all four diamonds. West would discard at the second trick, and you would go up with dummy's ace and return a diamond through East.

It would then be easy to limit East to one trick.

### DAILY QUESTION

Partner opens with one spade, and the next player passes. You hold:

♠ Q 8 6 5
♥ J 9 7 6 2
♦ None
♣ Q 9 6 4

What do you say?

ANSWER: Bid four spades.

This shows good trump support (often five or more cards), with a singleton or void and fewer than 10 points in high cards.

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Light-face type indicates a.m. times; **bold-face type** indicates p.m. times.

# Students At Terra Linda Make Homecoming Plans

Students at Terra Linda High School are getting ready for homecoming week, Nov. 8-13.

The 1965 homecoming theme will be "a carousel of memories." Junior Marsha Zitella will serve as homecoming chairman.

Homecoming queen candidates will be chosen by the football team. Students on Nov. 10 will hold an election to name the queen and four princesses. The winner will be crowned at an assembly Nov. 12.

The homecoming parade will be held prior to the football game which starts at 8 p.m., Nov. 12, between Terra Linda and Tamalpais High School.

The homecoming dance will be held the following evening in the school gymnasium.

## Israeli, Jordan Troops In Battle

AMMAN, Jordan (AP)—Israeli and Jordanian forces clashed in a no-man's land Saturday on the border in the Latroun area 10 miles west of Jerusalem.

A Jordanian spokesman said 15 Israelis were killed but Israel claimed there was only one Israeli casualty.

The fighting was halted after an hour and a half by the U.N. truce supervision mission in Jerusalem.

President of Henry George School, Marin Section, is Dr. William Filante.

## Unidentified Flying Objects Reported

HELSINKI (UPI) — Mysterious ball and cigar-shaped objects were seen in Finnish skies Friday night.

They flew northwards, trailing light behind them, according to eye-witnesses who saw them in central and eastern Finland.

## Girl Celebrates Birthday With Glider Flight

TEHACHAPI (AP) — Vicki Lee Ruch celebrated her 14th birthday Saturday at the 6,000-foot level.

The law permitted the teenage sailplane enthusiast to make her first solo flight today.

A single-engined plane towed her sailplane to the 6,000-foot level and then released it, letting Vicki glide to earth.

Her father, Roger Ruch, 37, a commercial airline pilot from Los Angeles, filmed the 10-minute flight from the ground.

Was he worried?

"Shucks," he said, "I consider that horse she rides far more dangerous."

HERE'S A **NEW** KIND OF **AUTOMATIC BLANKET** YOU CAN BUNCH, SCRUNCH, FOLD . . . IT'S **FIELDCREST'S THERMA-FLO** WITH NO WIRES IN THE BLANKET . . . AND

OF COURSE THE **BIG E HAS IT!**

- Neither you, the water, the tubes or the blanket ever comes in contact with electricity or wires!
- Machine washable . . . you need not go to the expense of dry cleaning it!

Fieldcrest's new Thermaflo works on water . . . a principle originally developed for hospital use. Water is warmed in the control box until lukewarm, then circulated through tiny, watertight thermoplastic tubes in the blanket. The electric current stops at the control box.

The thermostat in the control box is so sensitive that any change in room or air temperature is immediately compensated for to keep the blanket at the degree of warmth you've selected. The control unit can't overheat. It shuts off automatically if the reservoir runs dry. The reservoir needs filling only a few times a season.

Fieldcrest's Thermaflo is the ideal blanket for older persons or invalids, too; so light in weight and comfortably warm it can be used in the daytime when special warmth is recommended.

The tough, thermoplastic tubing won't crack, crimp or break under normal circumstances, even if the blanket is folded and tucked away for months. This acrylic blanket comes in green, ice pink, mist blue, tawny beige and antique gold.

# Good 'Ol' Jimmy Is Still The Tops

By RICK DU BROW

HOLLYWOOD (UPI)—Rudolf Nureyev appeared on ABC-TV's Jimmy Durante weekend special, following in the great Hollywood cultural tradition which reached its zenith when Jose Iturbi played piano in a Jane Powell movie.

The name of the one-hour Saturday special was "Jimmy Durante Meets the Lively Arts," and if you ask me, Durante gave a better performance than Nureyev, including dancing.

I know you're not supposed to compare such performers, but I don't know why not if you're judging the end pleasure of the entertainment. I don't know much ballet, but I can certainly tell when I'm being bored and disappointed by a great artist who has been far more exciting on other television occasions.

Needless to say, however, the studio audience — which, like most American audiences, showed its terror of "culture" by being ashamed to do anything but applaud it—gave Nureyev a big hand. With culture now flooding the land as indiscriminately as master's degrees, it might be well to keep in mind the fine old Chinese tradition of noisemaking and forthright vocal displeasure during dull and pretentious theatrical productions.

The Durante hour had method, if not much skill, in its format. For the truth is that the wonderful Jimmy's genial, mocking attitude toward culture is really very close to the way that most Americans feel about it, and most comfortable with it. Like most network officials, they really don't know whether something is good or not—which, of course, is why the edict of the ratings is such a convenient decision-maker for television to have.

There is, of course, nothing much better than just Jimmy and a piano. But he also got in a few other good moments Saturday—his duet with opera star Roberta Peters, in the tradition of his duets with Helen Traubel; and, following Nureyev, his ballet takeoff, in kilts and with a cigar.

The general idea was for an artist to perform straight—as Miss Peters did brilliantly—and for Durante then to join in. Robert Vaughn, of "The Man From U.N.C.L.E.," did a soliloquoy from "Hamlet," which will survive anyway (the audience again was terrified into applauding). And there was an insipid spoof of pop art. But just watching septuagenarian Durante dance around was worth the tuning in.

THE CHANNEL SWIM: ABC TV has put out a handsome publicity book summarizing the past and trumpeting the future of its distinguished "Saga of Western Man" specials—which means, happily, that they should be around for some time to come . . . Future programs of the series include not only the previously announced hours about Beethoven, Cortez and the legacy of Rome, but also studies of the first Christmas, Rembrandt, Julius Caesar, Teddy Roosevelt and Pope John XXIII.

A short mass by Zoltan Kodaly, Hungary's foremost living composer, sung in New York City's Riverside Church and dedicated to those who died in World War II, will be broadcast on CBS-TV's "Lamp Unto My Feet" Sunday.

## Literary Annual's Staff Is Appointed

Staff appointments for the 1966 issue of "Orpheus," Redwood High School's literary annual, have been announced by English teacher and advisor Mary Donovan.

## Military School To Hold Parade On Anniversary

San Rafael Military Academy will hold its first retreat parade of the school year Sunday, celebrating the school's diamond jubilee and culminating observance of national Episcopal Schools Week.

The parade is set for 3:45 p.m. The Legion of Valor Bronze Cross for achievement will be presented to the outstanding cadet. The academy will hold an open house all day, with a tea presented by the Mothers' Club will follow the parade.

A flag made in 1922 from Hitchcock Military Academy, one of the two schools that merged to form the San Rafael Military Academy in 1925, will be carried in the parade for the first time since the merger.

Rev. Sumner Walters, rector and headmaster, announced the school has been named an honor school of the National Defense Cadet Corps, and is now a member of the California Assn. of Independent Schools.

## Controversies Policy On Agenda

The Marin County Board of Education tonight will again discuss policy on dealing with controversial issues.

The policy would require that individuals wishing to bring up something controversial put it in writing and submit it to County Supt. Virgil S. Hollis. The matter could then be referred to a "responsible committee" for study.

The board of education meeting will begin at 8 p.m. at the Civic Center.

## Dean To Visit

Robert Lawrence, associate dean of Sonoma State College, will visit Sir Francis Drake High School, San Anselmo, Wednesday at 8 p.m., to explain the system and educational program at the college.

# Novato Stays In First Place Tie

By RALPH CHATOIAN

Having a football player like Dick Otis in your lineup is like having a 12-man team on the field.

Otis did the work of two men Saturday afternoon in Kentfield to lead the Novato Hornets to a 14-7 triumph over Redwood High School in a key Marin Athletic League game.

The triumph, witnessed by about 2,400 sun-loving fans, kept the Hornets in a three-way tie for the league lead, along with Drake and Tamalpais high schools.

Otis carried the ball 31 times, rolling up 147 yards. But it was halfback Frank Perachiotti who was doing the scoring for the Hornets, getting one touchdown in the second quarter and another in the fourth.

Novato had to fight for the win as the Giants of Redwood were really up for this one. "Yes, it was our best game of the year," said losing coach Bob Troppmann. "Novato is the best team we've played."

PORTLAND, Ore. (AP)—Cliff Schmautz' hat trick and two goals by Gerry Goyer the Portland Buckaroos to an 8-1 Western Hockey League victory over San Francisco last night.

Two fights punctuated the game. Arnie Schmautz of Portland and Forbes Kennedy of San Francisco mixed it up in the first period, and Tommy McVie of Portland and Garry Brisson of San Francisco traded punches in the third period.

Charley Burns scored San Francisco's lone goal in the first period.

# Marin Tars Suffer 13-0 Loss To Yuba

By GEOFFREY DUNHAM

This may be remembered as the year the Golden Valley Conference championship was lost—not won, but lost—by the loose fingers and loose shoes of the College of Marin Tars.

Marin Tars ran a triple-threat offense in Marysville Saturday night: stumble, fumble and fall; they did all three as they handed a ridiculously easy 13-0 victory to the opportunistic Yuba 49ers.

The people responsible for the decision were not the 49ers, however, nor the four officials who, it was said, wore striped shirts only to cover their Yuba uniforms. No, the Tars beat themselves, as their erratic offense tossed the football away as if it were exhibit "A" in a murder trial, or red-hot, or otherwise undesirable.

Marin kicked off to open the

## Shoulder Injury; Colts Win, 34-28

Suffering two big losses in a single game, the San Francisco 49ers go on the road this week with reserve quarterback George Mira the man in the driver's seat.

Baltimore came from behind to beat the 49ers 34-28 and late in the game, San Francisco's veteran quarterback, John Brodie suffered a left shoulder separation.

Doctors say the injury will keep Brodie out of action at least 10 days, ruling out his participation against the Cowboys at Dallas next Sunday and raising a question of whether he will be ready to play at Detroit in two weeks.

Trailing 34-21, Brodie guided the 49ers 76 yards to the Colt four late in the game. He rolled to his right on a pass-run option, kept the ball and was hit at the sideline.

Mira, the 1964 All America from Miami of Florida, came in and passed to John David Crow for the touchdown.

Mira, who had played just long enough to throw 11 passes in six prior games, then started another drive with less than 90 seconds remaining.

With three seconds left, the 49ers reached the Baltimore 16 thanks to a 37-yard pass to Dave Parks. Mira was rushed hard and hit by Lou Michaels on the next play and the ball bounded harmlessly away.

Baltimore's Johnny Unitas passed his club to victory and into a tie with Green Bay for the National Football League's Western Division title as he threw four touchdown passes.

Three came after San Francisco had built a 21-10 advantage on touchdown plays covering eight yards with Bernie Casey the receiver and 29 with Ken Willard taking the throw. Willard, the rookie fullback, pounded a yard for the third 49er score.

Unitas' touchdown passes covered five yards with Ray Berry the receiver, 31 to Tony Lorick and then 12 and five to Jimmy Orr.

Still the margin of victory came on two Michaels' field goals—from 10 and 18 yards out.

The loss left the 49ers with a 3-4 record.

The crowd of 45,827, the season's largest at Kezar Stadium, booed officials frequently, especially on a personal foul call which helped set up the final Baltimore touchdown. Lorick gained 10 from the San Francisco 33 and the penalty moved the ball to the San Francisco 12. Three plays later Unitas hit Orr with the scoring pass which wound up the Baltimore production.

Mira, who learned after the game that he'll start at Dallas, commented, "I'm a lot more sure of myself than I was last year. I know what I'm doing out there now."

### 49er Brodie No Navigator; Trick Or Tweet At Kezar

An old sea captain once told me a poetic rule of the watery road, to wit:

**When in danger, no room to turn,**
**Ease, or stop, or go astern.**

The rule also should apply to quarterbacks who are paid to either pass the ball or hand it to someone else. If that is impossible, then Mr. QB should either fall down or shift into reverse gear. Never, never should he run full speed into a mass of mean humanity bent on distroying him.

Mrs. Brodie's bright son John disobeyed the navigational rule of the road twice yesterday and oh, my, how it hurt. The first time he elected to run with the ball he was separated from the pigskin on a costly fumble; the second time he was separated from his shoulder.

**IT'S DEBATABLE** which was the costlier separation—the fumble or the shoulder, but both were instrumental in Baltimore's victory over our 49ers.

However, since the 49ers ain't going anywhere this year, Coach Jack Christiansen now is forced to go with second stringer George Mira until Brodie mends. This could be a blessing in disguise for I still feel the diminutive Mira will develop into a top star and this seasoning will give him the vital experience.

He may have learned a lesson from Brodie's painful experience yesterday. I dearly hope so.

**YOU CAN** blame yesterday's loss on several things, but the real culprit is Dave Scofield, a genuine Rat Fink. Larkspur resident Scofield is the "Voice of Kezar" and just before the second half started was the one time he should have kept his mouth shut. Just as the Colts were trotting back onto the field the P.A. announcer gave the score, Chicago 31, Green Bay 10. The Colts heard it loud and clear, meaning that a victory would put them in a first place tie with the Packers. That was all the incentive they needed to come from behind and beat our guys.

Scofield should have either shut up or fibbed a teensy bit on that Packer score. May the blue bird of happiness fly up YOUR nose, Dave.

**THEY TURNED** the lights on early in the second half either because it was foggy and dark or to help the officials see better. It didn't help. I hate to sound like a Chauvinistic Chauncey bu the refs seem to be ganging up on the home team lately.

One awful call against the 49ers, I thought, was a 15-yarder just before halftime for grabbing a Colt's face guard. Now, who ever heard of penalty for mask-grabbing on Halloween? It was a spooktacular boo-boo by the ref.

**SPEAKING OF** goblin and such, the seagulls were out in full force playing trick or tweet. More dirty tricks than tweets. Their motto is "We Aim To Please."

**KEZAR WEATHER** goes from one extreme to the other. The previous Sunday was 89 degrees; yesterday seemed like 89 below. Walking through the park to the stadium I got an idea of how cold it really was. Blue tennis players.

**YOU GOT** the impression the Colts were going to win when their Stonebreaker (Steve) played across the line from the 49ers' Rock (Walt). We had a Crow but they had a bigger Boyd; they had a Logan and a Berry and put us in a jam; we had Chapple but their program listed Preas, t; and they had one Moore star than we did — Johnny Unitas. Which is the only way to fly.

## Verwey Wins At Almaden

SAN JOSE (AP)—South Africa's Bob Verwey joined his brother-in-law Gary Player in a golf victory circle half a world apart over the weekend with the pros' next stop coming at Hawaii, located in between.

While Player, the United States Open champion, captured the Australian Open at Adelaide, brother-in-law Verwey came in first at the $46,000 San Jose-Almaden tournament.

Player posted a 72-hole total of 264 and won $2,632. Verwey, 24, shot a final round 71 for 273 and took away a check for $6,800.

To keep the family circle straight, Player is married to Verwey's sister and they all hail from Johannesburg.

Verwey's title was his first on the United States Professional Golfers' Assn. tour and automatically qualified him for all the PGA tournaments next year, a position Player long has enjoyed.

Physically they aren't much alike. Just about everyone knows Gary stands 5 feet-7 inches and weighs about 150. Bob stands 6 feet and even after losing about 20 pounds in recent months still weighs 197.

**TOURNEY RECORD**

Verwey's four - round total equalled the tournament record over the 7,035 - yard Almaden Country Club course established by Al Geiberger in 1962. He was 15 under par with scores of 69-66-67-71 over the par 36-36 layout.

The newest winner from South Africa finished two strokes ahead of Billy Martindale of Jacksonville, Tex., who closed with 69-275 to win a $3,850 check. Jim Ferree of Corona, Calif., and Ken Still of Tacoma, Wash., who were tied with Verwey after the third round, each slipped to 74 and wound up in a third place tie at 276.

At 277 were George Archer, Gardner Dickinson and Dean Reframe. Defending champion Billy Casper, of Peacock Gap, shot a 280, good only for a 15th placs tie.

## Three Teams Share Warner Grid Title

Half the teams in the Marin County Pop Warner Football League today are champions.

The northern half of the league — Novato, San Rafael and Terra Linda — split shares of the championship title yesterday when the three teams ended the regular 1965 season with victories. Each had 4-1 records.

Novato whipped Redwood 39-6, San Rafael dumped Drake 27-0, and Terra Linda beat Tamalpais 19-7.

Vince Lagoy of the Novato Junior Hornets had a big day, scoring five of his team's six touchdowns. He scored four of them on runs 53, 22, 47 and 10 yards, and the other on a 34-yard pass from Ken Gnoss. Tom Cox scored the other Novato TD on a 15-yard scamper and added an extra point on a run. Other running PAT's for Novato came from Dave Leeder and Steve Francis.

Lowell Widmer scored two San Rafael touchdowns on dazzling runs, the first for 85 yards after intercepting a pass and the other on a 70-yard punt return. Bruce Maglione and Sam Salcido tallied the other San Rafael touchdowns, on runs of 1 and 5 yards respectively. Salcido ran two extra points and Maglione one.

Mike Bridges ran a pair of touchdowns for Terra Linda on gallops of 32 and 55 yards, and Rick Payne blasted over for the other, on a four-yard run. Denny Finnegan ran the T.L. extra point. Ed Brennan scored for Tam on a 30-yard pass from Randy King. Don Jones ran over the PAT.

After the games, the league board of directors and coaches voted 4-2 not to have a playoff, declaring Novato, Terra Linda and San Rafael co-champs.

Final standings:

| | W | L | PF | PA |
|---|---|---|---|---|
| Novato | 4 | 1 | 129 | 7 |
| San Rafael | 4 | 1 | 109 | 27 |

## Warriors Lose To New York

SAN FRANCISCO (AP) —The San Francisco Warriors still top the Western Division of the National Basketball Assn., despite a 104-103 defeat yesterday at the hands of New York.

And the Warriors may have found a new star. Rookie Rick Barry from Miami University topped all scorers with 33 points in the best performance of the season for the young forward.

New York took an early lead and built it through the second half, twice leading by 14 and 15 points.

San Francisco slowly closed the gap in the fourth period. With 1:33 left they tied it at 99-99, and then a field goal by Guy Rodgers put them ahead 101-99.

But the Knickerbockers came back with 58 seconds left and went ahead 102-101. Howard Komives made to free throws with four seconds remaining to make it 104-101 and put it out of reach for the Warriors.

Dick Barnett as high for the winners with 30 points. Jim Barnes, who helped the Knickerbockers with his rebounding, scored 19 points.

The loss left the Warriors with a 4-2 record. Their next game is at Cincinnati against the Royals Wednesday night.

## Students At Terra Linda Make Homecoming Plans

Students at Terra Linda High School are getting ready for homecoming week, Nov. 8-13.

The 1965 homecoming theme will be "a carousel of memories." Junior Marsha Zitella will serve as homecoming chairman.

Homecoming queen candidates will be chosen by the football team. Students on Nov. 10 will hold an election to name the queen and four princesses. The winner will be crowned at an assembly Nov. 12.

The homecoming parade will be held prior to the football game which starts at 8 p.m., Nov. 12, between Terra Linda and Tamalpais High School.

The homecoming dance will be held the following evening in the school gymnasium.

## Israeli, Jordan Troops In Battle

AMMAN, Jordan (AP)—Israeli and Jordanian forces clashed in a no-man's land Saturday on the border in the Latroun area 10 miles west of Jerusalem.

A Jordanian spokesman said 15 Israelis were killed but Israel claimed there was only one Israeli casualty.

The fighting was halted after an hour and a half by the U.N. truce supervision mission in Jerusalem.

President of Henry George School, Marin Section, is Dr, William Filante.

## Unidentified Flying Objects Reported

HELSINKI (UPI) — Mysterious ball and cigar-shaped objects were seen in Finnish skies Friday night.

They flew northwards, trailing light behind them, according to eye-witnesses who saw them in central and eastern Finland.

## Girl Celebrates Birthday With Glider Flight

TEHACHAPI (AP) — Vicki Lee Ruch celebrated her 14th birthday Saturday at the 6,000-foot level.

The law permitted the teenage sailplane enthusiast to make her first solo flight today.

A single-engined plane towed her sailplane to the 6,000-foot level and then released it, letting Vicki glide to earth.

Her father, Roger Ruch, 37, a commercial airline pilot from Los Angeles, filmed the 10-minute flight from the ground.

Was he worried?

"Shucks," he said, "I consider that horse she rides far more dangerous."

HERE'S A **NEW** KIND OF **AUTOMATIC BLANKET** YOU CAN BUNCH, SCRUNCH, FOLD . . . IT'S **FIELDCREST'S THERMA-FLO** WITH NO WIRES IN THE BLANKET . . . AND OF COURSE THE **BIG E HAS IT!**

Little weight; no more than an ordinary blanket

Filling the reservoir is as easy as filling a teakettle!

Fieldcrest.

- Neither you, the water, the tubes or the blanket ever comes in contact with electricity or wires!
- Machine washable . . . you need not go to the expense of dry cleaning it!

Fieldcrest's new Thermaflo works on water . . . a principle originally developed for hospital use. Water is warmed in the control box until lukewarm, then circulated through tiny, watertight thermoplastic tubes in the blanket. The electric current stops at the control box.

The thermostat in the control box is so sensitive that any change in room or air temperature is immediately compensated for to keep the blanket at the degree of warmth you've selected. The control unit can't overheat. It shuts off automatically if the reservoir runs dry. The reservoir needs filling only a few times a season.

Fieldcrest's Thermaflo is the ideal blanket for older persons or invalids, too; so light in weight and comfortably warm it can be used in the daytime when special warmth is recommended.

The tough, thermoplastic tubing won't crack, crimp or break under normal circumstances, even if the blanket is folded and tucked away for months. This acrylic blanket comes in green, ice pink, mist blue, tawny beige and antique gold.

JIMMY CLARK PLACES SECOND

# Hap Sharp Speeds To Win In Riverside Grand Prix

RIVERSIDE (AP) — Texan Hap Sharp drove off with all the honors in the 200-mile Times Grand Prix for Sports Cares in a race notable for the number of top drivers who did not finish.

Sharp, piloting one of the Chaparral-Chevrolet racers entered by Jim Hall of Midland, Tex., took the lead halfway to the 77-lap event yesterday and held on to win. Sharp is also from Midland.

He was challenged throughout the race by world driving champion Jim Clark of Duns, Scoland, and was pushed hard in the last few laps by Bruce McLaren of New Zealand.

Sharp—driving the only car in the race using an automatic transmission—set a new Grand Prix record at this 2.6 - mile track with an average speed of 102.989. The old mark of 99.182 was set last year by Parnelli Jones of Torrance, Calif.

The number of top drivers in fast cars who didn't finish was unusual: Graham Hill of England, Parnelli Jones, Ritchie Ginther of Granada Hills, Calif., and Dan Gurney of Costa Mesa, Calif., were among those forced out with mechanical problems.

The loss of these top namse—all running well up front from the start—left the field to Sharp, Clark and McLaren, who clearly outran the rest of the pack.

Three top drivers — who brought excellent cars to the race—were out before the race got underway. Sharp's companion, Jim Hall, was forced out by mechanical woes, as were A. J. Foyt, of Houston, Tex., and Mario Andretti, of Nazareth, Pa.

For the victory, Sharp collected $6,000 first place moey, a new convertible and cash prizes from auto parts, fuel and equipment suppliers. His total: $14,640.

## ORDER OF FINISH

RIVERSIDE, Calif. (AP) — The finishers in order in the Los Angeles Times Grand Prix:

1. Hap Sharp, Midland, Tex., Chevrolet-Chaparral II.
2. Jim Clark, Duns, Scotland, Lotus-Ford Type 40.
3. Bruce McLaren, Middlesex, England, Oldsmobile-McClaren.
4. Charlie Hayes, Rockville, Md., Chevrolet Special.
5. Chris Amon, Middlesex, England, Ford GTX Experimental.
6. Richard Macon, Mobile, Ala., McLaren-Elva.
7. Hugh P. K. Dibley, London, England, Lola-Chevrolet.

9. Bud Tinglestad, Speedway City, Ind., Chevrolet Special.
10. Augie Pabst, Milwaukee, Wis., Oldsmobile-McLaren.
11. Ken Miles, Hollywood, Calif., Ford GT40.
12. Tony Settember, San Anselmo, Lotus-Ford Type 40.

## TARS

third quarter, and it took the 49ers just 3 minutes and 35 seconds to break the scoreless tie that had lasted through a singularly quiet first half. Aided by a 15-yard face-mask grabbing penalty against the Tars, Yuba moved steadily to the Marin end zone, and the 6-0 deficit meant the Tars had to abandon their conservative first-half tactics.

Minutes later, Marin moved to the Yuba 10. A Marin fumble was recovered by the Tar's Brian Laurie, but an official flabbergasted even the partisan Yuba rooters by awarding the ball to the 49ers, and at least six points vanished.

Four plays later, Yuba punted to the Marin 47, but a Tar touched the ball and Yuba recovered. After a lengthy conference, the officials decided to stock Marin with a clipping penalty, and the ball went to Yuba on the Tar 32. Steve Spurling stopped the drive with an interception at the Marin 15, but the Tars immediately fumbled again. Yuba tried for a fourth-down field goal, but the kick was wide to the right as the defense again held.

With a third-and-six on their own 38, Tar quarterback Mike Kemp sent Ray Miller on a sweep to the left, but in midstride the sophomore fullback's shoe flew off. His balance was lost, and he was caught for a loss. With a fourth down, center Bob Hermsmeyer snapped another one over the head of punter Tom Corbett — just like last week. Yuba recovered on the Marin 11, and four plays later made it 13-0. With only 5:50 left, it was Katy-bar-the-door.

# Novatans Win Over Redwood

Continued from page 29

was all smiles after the game and his voice was just above a whisper because of all the shouting he was doing from the sidelines. He knew he had to win this one and his chargers went out there to do just that.

After a scoreless first quarter, Novato put the first digits on the scoreboard with only 3:26 left in the second period. The Hornets started a drive from the Redwood 30 after a short punt of 19 yards by Giant Tom Sather gave Novato good field position. Otis and Perachiotti drove the 30 yards in six plays. It was Otis twice with six-yard gains, then Perachiotti for eight, Otis with three and then six more to the one-yard line. Then Perachiotti got the call and smashed over left tackle for the score.

Bill Coots kicked the extra point out of the hold of Tom Corder and it was 7-0.

Perachiotti, only a junior, scored his second touchdown on the first play of the final quarter, on a 14-yard scamper over right tackle. It culminated a 71-yard drive that started late in the third stanza.

Otis picked up a couple first downs during the drive on runs of seven and eight yards and fullback Mike Mazzoni picked up one on a four-yard burst as the Hornets were sticking to the ground. Then Dolinsek rifled a pass to Corder that was good for 17 yards and a first down on the Giants' 14.

After the teams switched sides for the start of the final quarter, Perachiotti broke loose for the TD. Dolinsek faked a handoff to Otis and then game to the speedy Perachiotti. He broke through right tackle and then cut to his left, outracing the Redwood secondary to score standing up. Coots added his second PAT and now it was 14-0.

Redwood came right back after the ensuing kickoff to score its touchdown. The Giants got life when a pass interference penalty on Novato defensive back Larry Stewart gave Redwood a first down on the Novato 47. It was a fourth and five pass from its own 38 as Redwood decided to gamble with time running out and 14 points behind.

Then Redwood signal caller Dane Durham threw a bomb to halfback Len Pieri, with the speedy Giant catching it on the 20 and running the rest of the way to the end zone. It was a pretty 47-yard TD play. Tom Sather's kick made it 14-7.

Redwood got its last chance to tie things up when Tim Akers recovered a Novato fumble on the Giants' 33, with 5:30 remaining in the game. Redwood drove all the way to the Novato 25 before the Hornets stopped the drive, took over possession, and run out the clock.

# Terra Linda Beaten, 19-13

Terra Linda High School's football team had an unsuccessful trip to Manteca but the Trojans showed they are a fighting bunch of boys.

After trailing 19-0 at the half, Terra Linda came back with 13 points in the second half and almost scored the tying touchdown before falling to the Manteca Buffaloes 19-13 Saturday night in a non-league scrap.

Paul Lee, junior quarterback who replaced the injured Sid Norman, was a big man in the Trojan's second half rally, doing an outstanding job in leading the Trojans. Norman, the regular Terra Linda signal caller, was injured in practice and only saw a little action near the end of the game.

Jack Baken, hampered most of the season because of injuries, also turned in a good job for the Trojans.

Manteca scored two of its first half touchdowns on passes and the third one came on a run, as Terra Linda's team had a defensive lapse. It was almost identical to the Trojan's opening Marin Athletic League game with Novato, in which Terra Linda was behind 20-7 at the half and then came back in the second half to lose by the narrow score of 20-19.

Halfback Jim Paydo scored one of Terra Linda's touchdowns on a 40-yard run and Baken scored the other on a short plunge. Terra Linda then drove toward the Manteca end zone in the final quarter, behind 19-13, needing a touchdown to tie and a PAT to win.

The fighting Trojans drove all the way to the Manteca six before the Buffaloes' defense stiffened and held. The defeat left the Trojans with a record of four wins, two losses and a tie.

Manteca gridders made it a clean sweep by downing the Terra Linda junior varsity gridders 14-6.

The Trojan varsity team gets back to Marin Athletic League action Friday night when it takes on Drake in Kentfield at 8 o'clock.

# Novato Stays In First Place Tie

By RALPH CHATOIAN

Having a football player like Dick Otis in your lineup is like having a 12-man team on the field.

Otis did the work of two men Saturday afternoon in Kentfield to lead the Novato Hornets to a 14-7 triumph over Redwood High School in a key Marin Athletic League game.

The triumph, witnessed by about 2,400 sun-loving fans, kept the Hornets in a three-way tie for the league lead, along with Drake and Tamalpais high schools.

Otis carried the ball 31 times, rolling up 147 yards. But it was halfback Frank Perachiotti who was doing the scoring for the Hornets, getting one touchdown in the second quarter and another in the fourth.

Novato had to fight for the win as the Giants of Redwood were really up for this one. "Yes, it was our best game of the year," said losing coach Bob Troppmann. "Novato is the best team we've played."

Novato coach Harry Moore

## FISTS FLY AS SEALS ROUTED BY PORTLAND

PORTLAND, Ore. (AP)—Cliff Schmautz' hat trick and two goals by Gerry Goyer the Portland Buckaroos to an 8-1 Western Hockey League victory over San Francisco last night.

Two fights punctuated the game. Arnie Schmautz of Portland and Forbes Kennedy of San Francisco mixed it up in the first period, and Tommy McVie of Portland and Garry Brisson of San Francisco traded punches in the third period.

Charley Burns scored San Francisco's lone goal in the first period.

# Marin Tars Suffer 13-0 Loss To Yuba

By GEOFFREY DUNHAM

This may be remembered as the year the Golden Valley Conference championship was lost—not won, but lost—by the loose fingers and loose shoes of the College of Marin Tars.

Marin Tars ran a triple-threat offense in Marysville Saturday night: stumble, fumble and fall; they did all three as they handed a ridiculously easy 13-0 victory to the opportunistic Yuba 49ers.

The people responsible for the decision were not the 49ers, however, nor the four officials who, it was said, wore striped shirts only to cover their Yuba uniforms. No, the Tars beat themselves, as their erratic offense tossed the football away as if it were exhibit "A" in a murder trial, or red-hot, or otherwise undesirable.

Marin kicked off to open the

### 49er Brodie No Navigator; Trick Or Tweet At Kezar

An old sea captain once told me a poetic rule of the watery road, to wit:

**When in danger, no room to turn,**
**Ease, or stop, or go astern.**

The rule also should apply to quarterbacks who are paid to either pass the ball or hand it to someone else. If that is impossible, then Mr. QB should either fall down or shift into reverse gear. Never, never should he run full speed into a mass of mean humanity bent on distroying him.

Mrs. Brodie's bright son John disobeyed the navigational rule of the road twice yesterday and oh, my, how it hurt. The first time he elected to run with the ball he was separated from the pigskin on a costly fumble; the second time he was separated from his shoulder.

**IT'S DEBATABLE** which was the costlier separation—the fumble or the shoulder, but both were instrumental in Baltimore's victory over our 49ers.

However, since the 49ers ain't going anywhere this year, Coach Jack Christiansen now is forced to go with second stringer George Mira until Brodie mends. This could be a blessing in disguise for I still feel the diminutive Mira will develop into a top star and this seasoning will give him the vital experience.

He may have learned a lesson from Brodie's painful experience yesterday. I dearly hope so.

**YOU CAN** blame yesterday's loss on several things, but the real culprit is Dave Scofield, a genuine Rat Fink. Larkspur resident Scofield is the "Voice of Kezar" and just before the second half started was the one time he should have kept his mouth shut. Just as the Colts were trotting back onto the field the P.A. announcer gave the score, Chicago 31, Green Bay 10. The Colts heard it loud and clear, meaning that a victory would put them in a first place tie with the Packers. That was all the incentive they needed to come from behind and beat our guys.

Scofield should have either shut up or fibbed a teensy bit on that Packer score. May the blue bird of happiness fly up YOUR nose, Dave.

**THEY TURNED** the lights on early in the second half either because it was foggy and dark or to help the officials see better. It didn't help. I hate to sound like a Chauvinistic Chauncey bu the refs seem to be ganging up on the home team lately.

One awful call against the 49ers, I thought, was a 15-yarder just before halftime for grabbing a Colt's face guard. Now, who ever heard of penalty for mask-grabbing on Halloween? It was a spooktacular boo-boo by the ref.

**SPEAKING OF** goblin and such, the seagulls were out in full force playing trick or tweet. More dirty tricks than tweets. Their motto is "We Aim To Please."

**KEZAR WEATHER** goes from one extreme to the other. The previous Sunday was 89 degrees; yesterday seemed like 89 below. Walking through the park to the stadium I got an idea of how cold it really was. Blue tennis players.

**YOU GOT** the impression the Colts were going to win when their Stonebreaker (Steve) played across the line from the 49ers' Rock (Walt). We had a Crow but they had a bigger Boyd; they had a Logan and a Berry and put us in a jam; we had Chapple but their program listed Preas, t; and they had one Moore star than we did — Johnny Unitas. Which is the only way to fly.

## Verwey Wins At Almaden

SAN JOSE (AP)—South Africa's Bob Verwey joined his brother-in-law Gary Player in a golf victory circle half a world apart over the weekend with the pros' next stop coming at Hawaii, located in between.

While Player, the United States Open champion, captured the Australian Open at Adelaide, brother-in-law Verwey came in first at the $46,000 San Jose-Almaden tournament.

Player posted a 72-hole total of 264 and won $2,632. Verwey, 24, shot a final round 71 for 273 and took away a check for $6,800.

To keep the family circle straight, Player is married to Verwey's sister and they all hail from Johannesburg.

Verwey's title was his first on the United States Professional Golfers' Assn. tour and automatically qualified him for all the PGA tournaments next year, a position Player long has enjoyed.

Physically they aren't much alike. Just about everyone knows Gary stands 5 feet-7 inches and weighs about 150. Bob stands 6 feet and even after losing about 20 pounds in recent months still weighs 197.

**TOURNEY RECORD**

Verwey's four - round total equalled the tournament record over the 7,035 - yard Almaden Country Club course established by Al Geiberger in 1962. He was 15 under par with scores of 69-66-67-71 over the par 36-36 layout.

The newest winner from South Africa finished two strokes ahead of Billy Martindale of Jacksonville, Tex., who closed with 69-275 to win a $3,850 check. Jim Ferree of Corona, Calif., and Ken Still of Tacoma, Wash., who were tied with Verwey after the third round, each slipped to 74 and wound up in a third place tie at 276.

At 277 were George Archer, Gardner Dickinson and Dean Refram. Defending champion Billy Casper, of Peacock Gap, shot a 280, good only for a 15th place tie.

## Three Teams Share Warner Grid Title

Half the teams in the Marin County Pop Warner Football League today are champions.

The northern half of the league — Novato, San Rafael and Terra Linda — split shares of the championship title yesterday when the three teams ended the regular 1965 season with victories. Each had 4-1 records.

Novato whipped Redwood 39-6, San Rafael dumped Drake 27-0, and Terra Linda beat Tamalpais 19-7.

Vince Lagoy of the Novato Junior Hornets had a big day, scoring five of his team's six touchdowns. He scored four of them on runs 53, 22, 47 and 10 yards, and the other on a 34-yard pass from Ken Gnoss. Tom Cox scored the other Novato TD on a 15-yard scamper and added an extra point on a run. Other running PAT's for Novato came from Dave Leeder and Steve Francis.

Lowell Widmer scored two San Rafael touchdowns on dazzling runs, the first for 85 yards after intercepting a pass and the other on a 70-yard punt return. Bruce Maglione and Sam Salcido tallied the other San Rafael touchdowns, on runs of 1 and 5 yards respectively. Salcido ran two extra points and Maglione one.

Mike Bridges ran a pair of touchdowns for Terra Linda on gallops of 32 and 55 yards, and Rick Payne blasted over for the other, on a four-yard run. Denny Finnegan ran the T.L. extra point. Ed Brennan scored for Tam on a 30-yard pass from Randy King. Don Jones ran over the PAT.

After the games, the league board of directors and coaches voted 4-2 not to have a playoff, declaring Novato, Terra Linda and San Rafael co-champs.

Final standings:

| | W | L | PF | PA |
|---|---|---|---|---|
| Novato | 4 | 1 | 129 | 7 |
| San Rafael | 4 | 1 | 109 | 27 |

## Warriors Lose To New York

SAN FRANCISCO (AP) —The San Francisco Warriors still top the Western Division of the National Basketball Assn., despite a 104-103 defeat yesterday at the hands of New York.

And the Warriors may have found a new star. Rookie Rick Barry from Miami University topped all scorers with 33 points in the best performance of the season for the young forward.

New York took an early lead and built it through the second half, twice leading by 14 and 15 points.

San Francisco slowly closed the gap in the fourth period. With 1:33 left they tied it at 99-99, and then a field goal by Guy Rodgers put them ahead 101-99.

But the Knickerbockers came back with 58 seconds left and went ahead 102-101. Howard Komives made to free throws with four seconds remaining to make it 104-101 and put it out of reach for the Warriors.

Dick Barnett as high for the winners with 30 points. Jim Barnes, who helped the Knickerbockers with his rebounding, scored 19 points.

The loss left the Warriors with a 4-2 record. Their next game is at Cincinnati against the Royals Wednesday night.

## Shoulder Injury; Colts Win, 34-28

Suffering two big losses in a single game, the San Francisco 49ers go on the road this week with reserve quarterback George Mira the man in the driver's seat.

Baltimore came from behind to beat the 49ers 34-28 and late in the game, San Francisco's veteran quarterback, John Brodie suffered a left shoulder separation.

Doctors say the injury will keep Brodie out of action at least 10 days, ruling out his participation against the Cowboys at Dallas next Sunday and raising a question of whether he will be ready to play at Detroit in two weeks.

Trailing 34-21, Brodie guided the 49ers 76 yards to the Colt four late in the game. He rolled to his right on a pass-run option, kept the ball and was hit at the sideline.

Mira, the 1964 All America from Miami of Florida, came in and passed to John David Crow for the touchdown.

Mira, who had played just long enough to throw 11 passes in six prior games, then started another drive with less than 90 seconds remaining.

With three seconds left, the 49ers reached the Baltimore 16 thanks to a 37-yard pass to Dave Parks. Mira was rushed hard and hit by Lou Michaels on the next play and the ball bounded harmlessly away.

Baltimore's Johnny Unitas passed his club to victory and into a tie with Green Bay for the National Football League's Western Division title as he threw four touchdown passes.

Three came after San Francisco had built a 21-10 advantage on touchdown plays covering eight yards with Bernie Casey the receiver and 29 with Ken Willard taking the throw. Willard, the rookie fullback, pounded a yard for the third 49er score.

Unitas' touchdown passes covered five yards with Ray Berry the receiver, 31 to Tony Lorick and then 12 and five to Jimmy Orr.

Still the margin of victory came on two Michaels' field goals—from 10 and 18 yards out.

The loss left the 49ers with a 3-4 record.

The crowd of 45,827, the season's largest at Kezar Stadium, booed officials frequently, especially on a personal foul call which helped set up the final Baltimore touchdown. Lorick gained 10 from the San Francisco 33 and the penalty moved the ball to the San Francisco 12. Three plays later Unitas hit Orr with the scoring pass which wound up the Baltimore production.

Mira, who learned after the game that he'll start at Dallas, commented, "I'm a lot more sure of myself than I was last year. I know what I'm doing out there now."

USC NEXT?

# Cal's Great Win In Final Second

BERKELEY (AP) California's latest moment of glory becomes past history today for the Bears must prepare this week for the invasion of powerful Southern California.

The clock at Memorial Stadium showed no time left when 155-pound Jerry Bradley nabbed a deflected pass in the end zone climaxing the desperation play that brought the Bears a 21-17 victory over Penn State Saturday.

"A win is always good for the soul," commented a happy Coach Ray Willsey. Looking ahead, he added, "USC is a fine football team. We will have to play our very best against them to stay in the game."

Having proved again they can bounce back, the Bears want to show again they aren't as bad as they looked two weeks ago in falling to UCLA 56-3 at Los Angeles.

They really can't be or they woludn't have won four games this season.

Coach Rip Engle of Penn State claimed Bradley pushed a defender on the climatic touchdown play. Little Jerry says he didn't.

Engle said back judge Joseph Vigna was out of position. Referee Frank Jones answered that Vigna was within two yards of the controversial play.

The score will remain as the scoreboard showed it, a victory for a Cal team which went behind 17-14 with just 42 seconds remaining.

Outgained 2-1 all afternoon, the Bears scored first when tackle Larry Lathrop pounced on a Penn State fumble in the end zone. The bobble came when Jack White attempted a handoff to fullback Dave McNaughton.

The Lions drove back for a tying touchdown with McNaughton scoring from the one, and the score stood 7-7 at the half.

California gained only 53 yards in the first two quarters but opened the third with a 57-yard scoring drive to go ahead on Hunt's one-yard run.

Penn State added three points on Tom Sherman's 31-yard field goal and went ahead in the last minute when White hit Jack Curry with a 14-yard pass climaxing a long drive.

The Lions kicked off and Cal had its final chance. On sideline passes, Bradley grabbed two from Hunt moving to Penn State's 43. Hunt was nailed for a three-yard loss.

Then with one second remaining, Hunt went back, had protection with comeback blocks by teammates and threw a straight but wobbly pass. One of the three defenders tipped it up and back for Bradley to grab.

HUSKIES ROMP

# Stanford's Bowl Hopes Clobbered

STANFORD (AP) — The Stanford Indians look to regain the victory trail next Saturday against Tulane after a humbling 41-8 weekend loss to Washington.

The Indians, with faint Pacific Athletic Conference hopes before them of making the Rose Bowl, ran into a hungry Husky team whose early season miseries already placed it among also-rans.

It was Stanford's seventh straight loss to Washington and marked the highest game total by a winner in the 42-game history between the two teams.

The loss left Stanford at 4-2-1 for the season and 1-2 in conference play, compared with Washington's 3-4 season record and 2-2 conference mark.

Davie Lewis, the Indians' real Indian, couldn't get on the warpath at quarterback, although he punted masterfully. Stanford moved across the Washington 50-yard line only twice.

Tod Hullin quarterbacked Washington to six touchdowns, passing for a pair. His favorite target was end Dave Williams, who caught 10 passes in setting a Washington record.

The Huskies ran up a 20-0 halftime lead and increased it to 34-0 in the third quarter. Husky reserves scored a final touchdown in the last quarter.

A fumble recovery by Marty Brill gave Stanford the ball on Washington's 32 in the fourth quarter. After a series of ground plays, Ray Handley ran the final three yards for a touchdown and then ran the conversion.

Stanford also lost in the statistics. The Indians were outgained 136 yards to 100 on the ground and 149 to 65 in the air. Washington racked up 19 first downs to Stanford's 11.

For Stanford Coach John Ralston it was the most lopsided defeat the Indians have had under his direction. Stanford's previos conference loss was 14-0 to Southern California. Southern California racked up Washington by 20 more points, 34-0.

# 5 Yanks Win In Australia Tennis

BRISBANE, Australia (AP)—Five of the six-man touring American tennis team survived the second round of the Queensland lawn Tennis Singles Championships today.

The sixth American player, Herb Fitz'gibbon, of Garden City, N.Y., was defeated by Australian left-hander Owen Davidson after a tough match, 5-7, 6-3, 6-4, 6-4.

Davis Cup player Arthur Ashe of Richmond, Vt., had a runaway victory over Australian Henry Ladyman, losing only three games. Ashe, a UCLA student, impressed the crowd with his fiery play to win, 6-0, 6-0, 6-3.

Mary Riessen of Evanston, Ill., also had an easy victory over Australian John Fairchild, 6-4, 6-1, 6-0.

However, highly rated Cliff Richey, of Dallas, Tex., was extended to four sets before beating Patricio Roderiguez of Chile 6-4, 6-2, 4-6, 6-3.

Jim McManus of Berkeley, Calif., also was hardpressed to down John Cottrill of Australia 5-7, 6-4, 4-6, 6-2, 6-4.

Clark Graebner of Beechwood, Ohio, defeated Richard Russell of Jamaica 6-3, 6-2, 6-1.

### Tam Frosh Win

Tamalpais freshman gridders blanked Marin Catholic, 18-0, Thursday. Scoring touchdowns for Tam were Luther Brown, a 5-yard pass from Don Mackin; Carl Curry, a 23-yard run, and James Page, a 20-yard interception runback.

Frederic D. Kerr is president of the Marin Council of Community Services and Miss Florence Scott is executive director.

# TERRELL DEFENDS WBA HEAVY TITLE TONIGHT

TORONTO (AP) — When towering Ernie Terrell and rugged George Chuvalo meet tonight in 15 rounds or less they undoubtedly will be thinking of more than Terrell's World Boxing Assn. heavyweight title, which will be at stake.

They will be thinking of being not just WBA champion but of being champion of all the world.

There is an excellent possibility that the winner of tonight's fight will meet the victor of the Cassius Clay-Floyd Patterson bout Nov. 22 at Los Vegas, Nev.

Clay is recognized by almost everyone as champion except the WBA, which stripped him of his crown for signing a return bout clause with Sonny Liston before their first meeting last year.

This will be Terrell's first defense of the championship he won in his hometown of Chicago with a decision over Eddie Machen earlier this year.

In Chuvelo, Terrell, a 6-foot-6 counter puncher, will be meeting an aggressive fighter who can absorb a lot of punishment. This was seen in his losing effort against Patterson in New York last winter. The Toronto battler's game effort in that fight put him into the heavyweight picture.

Despite Terrell's five-inch advantage in height and reach Chuvalo has said he doesn't plan to alter in slam-bang, boring-in style.

Terrell also holds an edge in age—at 26 he is two years younger than the challenger — but will have a slight weight disadvantage. He probably will weigh 202 while Chuvalo is expected to scale 206.

The champion's record is 37-4. Chuvalo has won 33 of 42 fights.

A gate of more than $148,000—the previous record for a fight in Canada — is foreseen. The record was set in 1956 when Archie Moore knocked out James J. Parker in nine rounds here.

Merv McKenzie, Ontario boxing commissioner and a former WBA president, will announce the ring officials 90 minutes before the fight.

## Neck 'n' Neck Battle In Yacht Race

LONG BEACH (AP)—A sleek 55-foot sloop is giving an 83-foot schooner a run for its money as 14 yachts begin the third day today of the Long Beach-to-La Paz, Mexico, International Yacht Race.

As dusk fell yesterday, Grant Hoag's sloop Vixen out of Newport Beach, Calif., was bow-and-bow beside the schooner Serena, skippered by Ken DeMeuse of San Francisco.

The pair chose a path 75 miles offshore of San Quintin, Mexico, as they passed the 250-mile mark in the 960-mile jaunt to La Paz.

The entire fleet of California yachtsmen are expected to reach the Mexican resort town at the tip of Baja California by next Sunday.

Staying almost within sight of land and racing about 12 miles behind the leaders were the Audacious, Astor and Sirius. Their skippers said the fog that plagued sailors when the race began Saturday had lifted and a northwesterly wind of 10 to 12 knots was nudging them along.

## SAUTRDAY'S HEROES

**SATURDAY'S STARS**

JIMMY CLARK PLACES SECOND

# Hap Sharp Speeds To Win In Riverside Grand Prix

RIVERSIDE (AP) — Texan Hap Sharp drove off with all the honors in the 200-mile Times Grand Prix for Sports Cares in a race notable for the number of top drivers who did not finish.

Sharp, piloting one of the Chaparral-Chevrolet racers entered by Jim Hall of Midland, Tex., took the lead halfway to the 77-lap event yesterday and held on to win. Sharp is also from Midland.

He was challenged throughout the race by world driving champion Jim Clark of Duns, Scoland, and was pushed hard in the last few laps by Bruce McLaren of New Zealand.

Sharp—driving the only car in the race using an automatic transmission—set a new Grand Prix record at this 2.6 - mile track with an average speed of 102.989. The old mark of 99.182 was set last year by Parnelli Jones of Torrance, Calif.

The number of top drivers in fast cars who didn't finish was unusual: Graham Hill of England, Parnelli Jones, Ritchie Ginther of Granada Hills, Calif., and Dan Gurney of Costa Mesa, Calif., were among those forced out with mechanical problems.

The loss of these top namse—all running well up front from the start—left the field to Sharp, Clark and McLaren, who clearly outran the rest of the pack.

Three top drivers — who brought excellent cars to the race—were out before the race got underway. Sharp's companion, Jim Hall, was forced out by mechanical woes, as were A. J. Foyt, of Houston, Tex., and Mario Andretti, of Nazareth, Pa.

For the victory, Sharp collected $6,000 first place moey, a new convertible and cash prizes from auto parts, fuel and equipment suppliers. His total: $14,640.

third quarter, and it took the 49ers just 3 minutes and 35 seconds to break the scoreless tie that had lasted through a singularly quiet first half. Aided by a 15-yard face-mask grabbing penalty against the Tars, Yuba moved steadily to the Marin end zone, and the 6-0 deficit meant the Tars had to abandon their conservative first-half tactics.

Minutes later, Marin moved to the Yuba 10. A Marin fumble was recovered by the Tar's Brian Laurie, but an official flabbergasted even the partisan Yuba rooters by awarding the ball to the 49ers, and at least six points vanished.

Four plays later, Yuba punted to the Marin 47, but a Tar touched the ball and Yuba recovered. After a lengthy conference, the officials decided to stock Marin with a clipping penalty, and the ball went to Yuba on the Tar 32. Steve Spurling stopped the drive with an interception at the Marin 15, but the Tars immediately fumbled again. Yuba tried for a fourth-down field goal, but the kick was wide to the right as the defense again held.

With a third-and-six on their own 38, Tar quarterback Mike Kemp sent Ray Miller on a sweep to the left, but in midstride the sophomore fullback's shoe flew off. His balance was lost, and he was caught for a loss. With a fourth down, center Bob Hermsmeyer snapped another one over the head of punter Tom Corbett — just like last week. Yuba recovered on the Marin 11, and four plays later made it 13-0. With only 5:50 left, it was Katy-bar-the-door.

## ORDER OF FINISH

# Novatans Win Over Redwood

Continued from page 29

was all smiles after the game and his voice was just above a whisper because of all the shouting he was doing from the sidelines. He knew he had to win this one and his chargers went out there to do just that.

After a scoreless first quarter, Novato put the first digits on the scoreboard with only 3:26 left in the second period. The Hornets started a drive from the Redwood 30 after a short punt of 19 yards by Giant Tom Sather gave Novato good field position. Otis and Perachiotti drove the 30 yards in six plays. It was Otis twice with six-yard gains, then Perachiotti for eight, Otis with three and then six more to the one-yard line. Then Perachiotti got the call and smashed over left tackle for the score.

Bill Coots kicked the extra point out of the hold of Tom Corder and it was 7-0.

Perachiotti, only a junior, scored his second touchdown on the first play of the final quarter, on a 14-yard scamper over right tackle. It culminated a 71-yard drive that started late in the third stanza.

Otis picked up a couple first downs during the drive on runs of seven and eight yards and fullback Mike Mazzoni picked up one on a four-yard burst as the Hornets were sticking to the ground. Then Dolinsek rifled a pass to Corder that was good for 17 yards and a first down on the Giants' 14.

After the teams switched sides for the start of the final quarter, Perachiotti broke loose for the TD. Dolinsek faked a handoff to Otis and then game to the speedy Perachiotti. He broke through right tackle and then cut to his left, outracing the Redwood secondary to score standing up. Coots added his second PAT and now it was 14-0.

Redwood came right back after the ensuing kickoff to score its touchdown. The Giants got life when a pass interference penalty on Novato defensive back Larry Stewart gave Redwood a first down on the Novato 47. It was a fourth and five pass from its own 38 as Redwood decided to gamble with time running out and 14 points behind.

Then Redwood signal caller Dane Durham threw a bomb to halfback Len Pieri, with the speedy Giant catching it on the 20 and running the rest of the way to the end zone. It was a pretty 47-yard TD play. Tom Sather's kick made it 14-7.

Redwood got its last chance to tie things up when Tim Akers recovered a Novato fumble on the Giants' 33, with 5:30 remaining in the game. Redwood drove all the way to the Novato 25 before the Hornets stopped the drive, took over possession, and run out the clock.

# Terra Linda Beaten, 19-13

Terra Linda High School's football team had an unsuccessful trip to Manteca but the Trojans showed they are a fighting bunch of boys.

After trailing 19-0 at the half, Terra Linda came back with 13 points in the second half and almost scored the tying touchdown before falling to the Manteca Buffaloes 19-13 Saturday night in a non-league scrap.

Paul Lee, junior quarterback who replaced the injured Sid Norman, was a big man in the Trojan's second half rally, doing an outstanding job in leading the Trojans. Norman, the regular Terra Linda signal caller, was injured in practice and only saw a little action near the end of the game.

Jack Baken, hampered most of the season because of injuries, also turned in a good job for the Trojans.

Manteca scored two of its first half touchdowns on passes and the third one came on a run, as Terra Linda's team had a defensive lapse. It was almost identical to the Trojan's opening Marin Athletic League game with Novato, in which Terra Linda was behind 20-7 at the half and then came back in the second half to lose by the narrow score of 20-19.

Halfback Jim Paydo scored one of Terra Linda's touchdowns on a 40-yard run and Baken scored the other on a short plunge. Terra Linda then drove toward the Manteca end zone in the final quarter, behind 19-13, needing a touchdown to tie and a PAT to win.

The fighting Trojans drove all the way to the Manteca six before the Buffaloes' defense stiffened and held. The defeat left the Trojans with a record of four wins, two losses and a tie.

Manteca gridders made it a clean sweep by downing the Terra Linda junior varsity gridders 14-6.

The Trojan varsity team gets back to Marin Athletic League action Friday night when it takes on Drake in Kentfield at 8 o'clock.

# Contest In Pie-Eating Part Of 'Spirit Week'

A "Powder Puff Football Game" and a pie-eating contest are new features of Sir Francis Drake High School's "Spirit Week," which opened today.

The seven spirit queen nominees, Diana Gibbs, Kathy Hughes, Linda Hunter, Alice Hunsaker, Karen Kritsky, Nancee Little, and Susan Travis, all of San Anselmo, were presented to the student body today, in addition to a noon rally.

"Clash Day," a day for wearing stripes with polka dots, is tomorrow. The pie-eating contest, for returning lettermen, will be on Wednesday.

Thursday, designated as "Green and White Day," will see the annual tradition of auctioning off the senior football players.

On "Slave Day," Friday, the slaves will bury their competitors, the Terra Linda Trojans, and students will dress in black to represent their mourning.

The "Powder Puff Football Game," in which a team of freshmen and sophomore girls will play a team of junior and senior girls, will be Friday noon.

The events lead to the homecoming football game Friday at 8 p.m. between the Drake Pirates and Terra Linda Trojans at College of Marin field. The half-time performance of the drill team and majorettes will be glorified by the crowning of Drake's "Spirit Queen."

A homecoming dance will be held in the girls gymnasium Saturday from 9 p.m. until midnight, honoring the "Spirit Queen" and her court.

# Two Men Killed, Boy Injured As They Watch TV

RICHMOND (AP)—Two men were shot and killed and a little boy critically wounded through the eye Friday night while watching television in an apartment.

A third man, who had been watching TV with them, was arrested.

Mrs. Katherine Bluitt, whose husband, Zorro, 25, was slain, told police she heard an argument over $187 just before the shots were fired.

The group was in the Bluitt apartment.

Bluitt held his son, Dennis, 2, on his lap. Also watching were Samuel Smith, 54, of Richmond and Lee A. Brown, 57, of San Pablo.

Brown was killed.

Smith was arrested at another residence and booked for investigation of murder. A .38 caliber pistol was found in the Bluitt apartment.

The three men were employees of Richmond Sanitary Service.

# Maternity Clinic Work Is Enlarged By County

Marin County's health and medical departments have joined forces in a new program to protect unborn children and their mothers.

The medical department now sends the health department a list of expectant mothers who come to the county's maternity clinic for the first time.

At that time a public health nurse is assigned to visit the patient's home once a month until the seventh month of pregnancy, when the visits are stepped up to twice a month.

A public health nurse has also been assigned to the maternity clinic, itself, to interview each new patient and discuss diet, problems of labor or delivery and any other subjects the patient may bring up.

She will also ask about the health of others in the family and give advice on health services they may qualify for.

The visiting nurses will also keep tabs on families after a birth takes place, seeing the mother within 24 hours after she and her baby are discharged from a hospital, visiting again a week later and arranging for check-ups by the county physician and county obstetrician.

The new arrangement was established on paper last April, but did not develop fully until more recently, mainly because the post of director of nursing in the health department was vacant.

# San Pedro Road Wreck Hurts Two

Two 17-year-old San Rafael youths were injured Saturday when their car turned over on San Pedro Road.

Anthony Ferrandini of 377 Laurel Place, a passenger in the car, told police a passing auto came too close, forcing driver John Thompson of 400 Canal Street into the shoulder of the road.

Both youths were treated at Marin General Hospital for minor cuts and scrapes and were released.

USC NEXT?

# Cal's Great Win In Final Second

BERKELEY (AP) California's latest moment of glory becomes past history today for the Bears must prepare this week for the invasion of powerful Southern California.

The clock at Memorial Stadium showed no time left when 155-pound Jerry Bradley nabbed a deflected pass in the end zone climaxing the desperation play that brought the Bears a 21-17 victory over Penn State Saturday.

"A win is always good for the soul," commented a happy Coach Ray Willsey. Looking ahead, he added, "USC is a fine football team. We will have to play our very best against them to stay in the game."

Having proved again they can bounce back, the Bears want to show again they aren't as bad as they looked two weeks ago in falling to UCLA 56-3 at Los Angeles.

They really can't be or they woludn't have won four games this season.

Coach Rip Engle of Penn State claimed Bradley pushed a defender on the climatic touchdown play. Little Jerry says he didn't.

Engle said back judge Joseph Vigna was out of position. Referee Frank Jones answered that Vigna was within two yards of the controversial play.

The score will remain as the scoreboard showed it, a victory for a Cal team which went behind 17-14 with just 42 seconds remaining.

Outgained 2-1 all afternoon, the Bears scored first when tackle Larry Lathrop pounced on a Penn State fumble in the end zone. The bobble came when Jack White attempted a handoff to fullback Dave McNaughton.

The Lions drove back for a tying touchdown with McNaughton scoring from the one, and the score stood 7-7 at the half.

California gained only 53 yards in the first two quarters but opened the third with a 57-yard scoring drive to go ahead on Hunt's one-yard run.

Penn State added three points on Tom Sherman's 31-yard field goal and went ahead in the last minute when White hit Jack Curry with a 14-yard pass climaxing a long drive.

The Lions kicked off and Cal had its final chance. On sideline passes, Bradley grabbed two from Hunt moving to Penn State's 43. Hunt was nailed for a three-yard loss.

Then with one second remaining, Hunt went back, had protection with comeback blocks by teammates and threw a straight but wobbly pass. One of the three defenders tipped it up and back for Bradley to grab.

HUSKIES ROMP

# Stanford's Bowl Hopes Clobbered

STANFORD (AP) — The Stanford Indians look to regain the victory trail next Saturday against Tulane after a humbling 41-8 weekend loss to Washington.

The Indians, with faint Pacific Athletic Conference hopes before them of making the Rose Bowl, ran into a hungry Husky team whose early season miseries already placed it among also-rans.

It was Stanford's seventh straight loss to Washington and marked the highest game total by a winner in the 42-game history between the two teams.

The loss left Stanford at 4-2-1 for the season and 1-2 in conference play, compared with Washington's 3-4 season record and 2-2 conference mark.

Davie Lewis, the Indians' real Indian, couldn't get on the warpath at quarterback, although he punted masterfully. Stanford moved across the Washington 50-yard line only twice.

Tod Hullin quarterbacked Washington to six touchdowns, passing for a pair. His favorite target was end Dave Williams, who caught 10 passes in setting a Washington record.

The Huskies ran up a 20-0 halftime lead and increased it to 34-0 in the third quarter. Husky reserves scored a final touchdown in the last quarter.

A fumble recovery by Marty Brill gave Stanford the ball on Washington's 32 in the fourth quarter. After a series of ground plays, Ray Handley ran the final three yards for a touchdown and then ran the conversion.

Stanford also lost in the statistics. The Indians were outgained 136 yards to 100 on the ground and 149 to 65 in the air. Washington racked up 19 first downs to Stanford's 11.

For Stanford Coach John Ralston it was the most lopsided defeat the Indians have had under his direction. Stanford's previos conference loss was 14-0 to Southern California. Southern California racked up Washington by 20 more points, 34-0.

# 5 Yanks Win In Australia Tennis

BRISBANE, Australia (AP)—Five of the six-man touring American tennis team survived the second round of the Queensland lawn Tennis Singles Championships today.

The sixth American player, Herb Fitz'gibbon, of Garden City, N.Y., was defeated by Australian left-hander Owen Davidson after a tough match, 5-7, 6-3, 6-4, 6-4.

Davis Cup player Arthur Ashe of Richmond, Vt., had a runaway victory over Australian Henry Ladyman, losing only three games. Ashe, a UCLA student, impressed the crowd with his fiery play to win, 6-0, 6-0, 6-3.

Mary Riessen of Evanston, Ill., also had an easy victory over Australian John Fairchild, 6-4, 6-1, 6-0.

However, highly rated Cliff Richey, of Dallas, Tex., was extended to four sets before beating Patricio Roderiguez of Chile 6-4, 6-2, 4-6, 6-3.

Jim McManus of Berkeley, Calif., also was hardpressed to down John Cottrill of Australia 5-7, 6-4, 4-6, 6-2, 6-4.

Clark Graebner of Beechwood, Ohio, defeated Richard Russell of Jamaica 6-3, 6-2, 6-1.

### Tam Frosh Win

Tamalpais freshman gridders blanked Marin Catholic, 18-0, Thursday. Scoring touchdowns for Tam were Luther Brown, a 5-yard pass from Don Mackin; Carl Curry, a 23-yard run, and James Page, a 20-yard interception runback.

Frederic D. Kerr is president of the Marin Council of Community Services and Miss Florence Scott is executive director.

# TERRELL DEFENDS WBA HEAVY TITLE TONIGHT

TORONTO (AP) — When towering Ernie Terrell and rugged George Chuvalo meet tonight in 15 rounds or less they undoubtedly will be thinking of more than Terrell's World Boxing Assn. heavyweight title, which will be at stake.

They will be thinking of being not just WBA champion but of being champion of all the world.

There is an excellent possibility that the winner of tonight's fight will meet the victor of the Cassius Clay-Floyd Patterson bout Nov. 22 at Los Vegas, Nev.

Clay is recognized by almost everyone as champion except the WBA, which stripped him of his crown for signing a return bout clause with Sonny Liston before their first meeting last year.

This will be Terrell's first defense of the championship he won in his hometown of Chicago with a decision over Eddie Machen earlier this year.

In Chuvelo, Terrell, a 6-foot-6 counter puncher, will be meeting an aggressive fighter who can absorb a lot of punishment. This was seen in his losing effort against Patterson in New York last winter. The Toronto battler's game effort in that fight put him into the heavyweight picture.

Despite Terrell's five-inch advantage in height and reach, Chuvalo has said he doesn't plan to alter in slam-bang, boring-in style.

Terrell also holds an edge in age—at 26 he is two years younger than the challenger — but will have a slight weight disadvantage. He probably will weigh 202 while Chuvalo is expected to scale 206.

The champion's record is 37-4. Chuvalo has won 33 of 42 fights.

A gate of more than $148,000—the previous record for a fight in Canada — is foreseen. The record was set in 1956 when Archie Moore knocked out James J. Parker in nine rounds here.

Merv McKenzie, Ontario boxing commissioner and a former WBA president, will announce the ring officials 90 minutes before the fight.

## Neck 'n' Neck Battle In Yacht Race

LONG BEACH (AP)—A sleek 55-foot sloop is giving an 83-foot schooner a run for its money as 14 yachts begin the third day today of the Long Beach-to-La Paz, Mexico, International Yacht Race.

As dusk fell yesterday, Grant Hoag's sloop Vixen out of Newport Beach, Calif., was bow-and-bow beside the schooner Serena, skippered by Ken DeMeuse of San Francisco.

The pair chose a path 75 miles offshore of San Quintin, Mexico, as they passed the 250-mile mark in the 960-mile jaunt to La Paz.

The entire fleet of California yachtsmen are expected to reach the Mexican resort town at the tip of Baja California by next Sunday.

Staying almost within sight of land and racing about 12 miles behind the leaders were the Audacious, Astor and Sirius. Their skippers said the fog that plagued sailors when the race began Saturday had lifted and a northwesterly wind of 10 to 12 knots was nudging them along.

## SAUTRDAY'S HEROES

# Corte Madera Session Set Over Ditch

### Paradise Drive Sewer Trench To Be Reviewed

By STEPHEN COOK

Engineers, attorneys and contractors were scheduled to meet at 3 p.m. today at Corte Madera Town Hall to seek an end to a stalemate which has halted work on an extensive sewer line replacement job on Paradise Drive.

A 16-foot deep trench in front of the Paradise Shopping Center and cracks in the road around the ditch are the points in dispute.

Sewer lines must be lowered into the ditch and the trench must be refilled before a contract between Kirkwood-Bly of Santa Rosa and the Corte Madera Sanitary District is complete.

Before that work can begin again, though, according to Corte Madera Town Mgr. Ron L. Usher, the contractor must agree to make extensive repairs to Paradise Drive.

**ENCROACHMENT**

Kirkwood-Bly's encroachment permit to work on Paradise Drive expired Saturday. The town is refusing to issue another unless the firm agrees to:

1. File a performance bond of $15,000 to insure complete restoration of Paradis Drive when the job is complete.

2. Deposit of $3,000 to cover survey engineering and inspection of all repairs made to the road.

3. File a bond of $5,000 to cover maintenance of the reconstructed portion of the road for a year after the work is complete.

**CRACKS**

Usher said work on the ditch caused the road to shift and crack in much the same way it would after a severe earthquake.

James Kirkwood of Kirkwood-Bly said Saturday the town's demands are too severe, that he has ordered his crews to pull out, and that he has the backing of the sanitary district engineers, Brown and Caldwell of San Francisco.

"I would not say we are backing him," said Richard C. Aberley of that firm today. "We are taking the attitude that the main thing is to finish work on the sewer line. As far as we are concerned, the contractor won't be released by the district until the road is repaired."

**MEETING**

Aberley said his firm would be represented in today's meeting of the town attorney and engineer and Kirkwood-Bly representatives.

"We are going to try to iron this out so we can be back to work tomorrow," he said.

Gabe M. Angel, head of the Paradise Shopping Center Merchants Assn., asked the town for action Saturday, saying the ditch is a hazard and is keeping customers out of the shopping center.

Usher said today that the ditch is blocking only the eastern-most entrance to the shopping center.

City work crews were out today, blacktopping the road in front of the other two driveways to the center. Work on the ditch there, Usher said, is complete with the exception that the road is still chewed up.

# Plane Raid Blasts Nest Of Missiles

## Hanoi Bridge Bombed

SAIGON, South Viet Nam (AP) — Dodging heavy missile and conventional antiaircraft fire, U.S. Navy and Air Force planes hit three surface-to-air missile sites yesterday about 35 miles northeast of Hanoi, a U.S. spokesman said.

Viet Cong infiltrators today attacked the Da Nang air base, biggest U.S. military complex in South Viet Nam, for the second time in less than a week.

The Viet Cong attack appeared to be concentrated on U.S. Marine and Seabee installations on Da Nang East, on the peninsula across the river from Da Nang City, about 360 miles north of Saigon.

The area was hit hard last Thursday by Communist suicide squads who slipped through the defense perimeter into the Marine helicopter base and destroyed 18 of the choppers and damaged another 22.

**PILOT MISSING**

One Navy plane was shot down and the pilot was listed as missing.

Pilots reported they counted 17 missiles fired at them during the attack.

They said they observed hits on launchers and vehicles in the target areas of all three installations.

A highway bridge on a major route to Hanoi,in the midst of the missile installations, was destroyed during the coordinated Navy - Air Force strikes, a spokes said.

**NONE LAUNCHED**

A flight of Navy planes dumped four tons of 500-pound bombs

*QUIET NIGHT*

## Eggs, Potatoes Mark Halloween

It was a quiet Halloween in all of Marin's cities except Mill Valley, but there was some trouble in some unincorporated areas.

Sheriff's Capt. Sidney Stinson reported a total of 54 calls from 7:30 to 11 p.m. yesterday, mostly from Kentfield, Tamalpais Valley and Sleepy Hollow.

None exploded into violence. Mostly they involved egg throwing, water - filled balloon "bombs," and "general juvenile rowdyism," Stinson said.

Gangs of teen-agers invaded private property in Kent Woodlands in what John J. Gardiner of 8 Laurel Way declared today "isn't just Halloween—it's every weekend."

Gardiner said "there is a definite move by Kent Woodlands residents to get their own private patrol" to supplement sheriff's protection in the area.

Oleg N. Ivanitsky, 31 Turnagain Road, Kent Woodlands, said a bullet or pellet was fired through his living room window.

No one was in the room at the time of the shot. Mrs. Ivanitsky said she was watching television in another room when she heard the shot. The slug was found about five feet inside the room from the window.

Alto Fire Department reported juveniles throwing gasoline on lawns in the 100 block of Belvedere Drive, then igniting it. No real damage resulted, however.

Mrs. Geraldine Sims of 717 Marin Drive, Tamalpais Valley, reported juveniles spraying paint on cars and mail boxes.

Jack M. Meister of 1040 Butterfield Road, Sleepy Hollow, said juveniles had broken a water pipe.

In Mill Valley, there were some egg and potato throwing, a pumpkin fight and a pumpkin explosion. Police confiscated a dozen cartons of eggs and two fire extinguishers filled with water from juveniles.

Some of the Halloween vandals started Saturday night, when Mrs. Miriam Ansell, Sausalito city Clerk, repjorted her car was pelted with eggs as she drove into Mill Valley.

Police discovered several broken windows in Mill Valley's Park School yesterday morning.

Nancy Ann Horre of 29 Sirard Lane, San Rafael, told Mill Valley police someone in a passing car hit her with a rubber hose as she was bicycling north on Camino Alto at East Blithedale Avenue at 4:45 p.m. yesterday.

Water-filled balloons and firecrackers were thrown at her car, said Mrs. A. M. Baclawski of 166 Kipling Drive, Mill Valley. Eggs were thrown through the open door of the home of Mrs. F. W. Etzold at 31 Bigelow Avenue. Ripe tomatoes were hurled at a car on Del Casa Drive.

J. W. Clow of 200 Manor Drive nabbed a boy who threw a firecracker into a jack o' lantern, causing it to explode.

A gang fight involving 15 boys was reported at the Mill Valley city tennis courts on East Blithedale Avenue at 8:30 p.m. When police arrived, the boys were gone but many broken pumpkins remained behind as evidence.

A potato was hurled through a window at the Mill Valley American Legion Hall. Police had many reports of eggs and other objects thrown at houses and cars.

In Novato, teen-agers began congregating at First Street and Mirabella Avenue in what police feared might flare into trouble, but were dispersed without incident except for one or two cases of throwing garbage. This was the scene of a Halloween riot two years ago.

Two windows at Novato's Marion Street School were brok-

## Second Red Registration Trial Opens

WASHINGTON (AP) — The Communist party's second trial in three years on charges of failing to register as a Soviet agent limped off to a slow start today.

Judge William B. Jones asked opposing attorneys to fill him in on its historical background. Then he postponed selection of jury until this afternoon because, "I'm going to have to do a little reading before I'm ready."

Jones, 58, who was appointed to the U.S. District Court in 1962, was assigned to the case as the government sought a repeat of the party's conviction on similar charges in December, 1962.

Although that verdict brought a $120,000 fine, it was later overturned by the U.S. Court of Appeals.

Gus Hall, a veteran spokesman for the U.S. Communist party, was in the front row as proceedings began.

The 12-count indictment returned by a grand jury last February charges the party not only with failure to register but with doing so in the full knowledge that a volunteer was available and willing to register on behalf of the party.

The U.S. Court of Appeals, in striking down the 1962 conviction one year later, ruled that

## Costumed Girl Killed By Auto

SAN JOSE (AP)—A 5-year-old girl, dressed as a ghost, was killed by a car last night, while on a Halloween trick-or-treat.

A sack of candy was found near the body of Virginia Sue Reed, youngest of seven children of Mr. and Mrs. Elmer Reed of East San Jose.

Gary Miller, 20, a machinist, told police several childred darted suddenly in front of him and he braked but his car skidded and the right front fender struck the little girl.

## Vallejo Crash Kills Airman From Marin

A 37-year-old airman stationed at Hamilton Air Force Base was killed yesterday when a car in which he was a passenger veered off the street at Vallejo and hit a power pole.

S/Sgt. Aldolphus Ward, who had been with the 78th Supply Squadron at Hamilton since 1962, was given first aid at Mare Island Navy Base but was dead on arrival at the base hospital from multiple body injuries.

Vallejo police said the auto, driven by John H. Jackson of San Francisco, was northbound along Broadway, Vallejo, when it left the street and crashed into the pole.

Jackson was taken to Kaiser Hospital with a fractured leg. There was no other vehicle involved in the 4 a.m. accident, said police.

Ward, with the Air Force for 19 years, was a native of Texas.

He is survived by his wife, Ruby Jean Ward of Fort Worth, Tex. two children, Ronald C. Hill and Deborah G. Ward; and his mother, Mrs. Lila Ward of Dallas, Tex.

Funeral arrangements are pending at the Chapel of Marin, Novato.

### Reward Offered

ORINDA (UPI) — A $10,000 reward today awaited anyone with information to lead to the arrest and conviction of the murderer of Thomas B. Snow, an Orinda restauranteur found shot to death Sept. 24 near Concord.

## Klan Refuses Answers To Financial Queries

WASHINGTON (UPI) — Congressional investigators said today that a check was deposited in the personal account of Georgia Ku Klux Klan leader 20 days after a similar amount was withdrawn from the organization's bank assets.

Philip Manuel, staff invstigator for the House Committee on Un-American Activities, detailed the bank transaction when James Douglas Newberryn 55, of Atlanta, was called to testify on Klan activities.

Newberry, identified as treasurer of the Georgia Klan, invoked the Fifth Amendment when Manuel questioned him about the withdrawal of funds from the account of the State Men's Club in the First National Bank of Atlanta which he said was a "cover" for the Realm of Georgia, United Klans.

Manuel said that on April 1 a check as drawn for $1,642.11, made out to cash and signed by Georgia Grand Dragon Calvin F. Craig and Jim Newburg.

The investigator said an investigation had established that the check was endorsed by J.D. Newberry. Manuel said Newberry's personal account was checked and that a statement of April 21 showed a deposit of $1,642.11.

Newberry refused to tell the committee whether he deposited money to his personal account from checks drawn on Klan funds; for what purpose the money was withdrawn; whether Craig knew that he had deposited a similar amount in his own account; or whether the membership of the Klan was aware of the transaction.

Newberry followed several other witnesses, identified as Klan leaders, who invoked the Fifth Amendment and refused to answer any questions.

William A. Daniel Sr., identified as the exalted cyclops of the Nathan Bedford Forest Klavern No. 1 in Atlanta, invoked the Fifth Amendment.

Daniel refused to snawer on grounds of possible self - incrimination when asked by investigator Phillip Manuel whether he had furnished four blasting caps to Johnny Lee Burnette of Hueytown, Ala., on Sept. 8-9.

## U.S. Apology For Civilians Killed In War

SAIGON (AP)—U.S. Ambassador Henry Cabot Lodge today conveyed his personal regrets to Prime Minister Nguyen Cao Ky about the bombing by U.S. planes that killed 48 Vietnamese civilians and injured 55 others in a friendly village during the weekend.

The planes were sent over the target 319 miles north of Saigon through a map-reading error by a South Vietnamese lieutenant, who today faces a court-martial for the error. Two A-1E Skyraider planes destroyed much of the De Duc village in the tragedy Saturday.

The target the planes were after actually was seven miles from the village, which is situated 40 miles north of Qui Nhon. Because of the unidentified lieutenant's error in map-reading, the innocent village was blasted by white phosophorous bombs and 250-pound fragmentation bombs.

The error was a simple one, an American said. Just two digits of the six-digit map coordinate had been reversed.

Vietnamese troops under attack from a village called for help. Two American propeller-driven Skyraiders were ordered to make the attack, but their U.S. forward observer suspected that the location given by the Vietnamese was wrong and requested confirmation.

The Vietnamese confirmed that the map coordinates—for De Doc—were correct as given. The observer passed them on to the two American pilots, who hit De Duc.

## Fire Blamed On Cans Of Gasoline

Fumes from two opened cans of gasoline were blamed for a fire which did damage estimated at $4,000 to the garage at the home of Jack F. Boner at 793 Franklin Avenue, Novato, at 11:57 a.m. Saturday, according to Fire Chief George Cavallero.

Boner had been working on outboard motors and set the motors and gasoline cans in the garage. The fumes were ignited by the water heater, Cavallero said.

The fire destroyed the garage, four outboard motors, a great quantity of fishing equipment, power mower and other contents.

Only a fire-rresistant stucco wall prevented its spreading into the home, the chief said.

### Child Is Found Dead In Washer

ARLINGTON, Va. (UPI) — Police found two small Arlington girls in an abandoned dishwasher here today after an all night search. One was dead. The other was taken to a hospital for treatment and released.

Authorities said they found no evidence of foul play.

# Contest In Pie-Eating Part Of 'Spirit Week'

A "Powder Puff Football Game" and a pie-eating contest are new features of Sir Francis Drake High School's "Spirit Week," which opened today.

The seven spirit queen nominees, Diana Gibbs, Kathy Hughes, Linda Hunter, Alice Hunsaker, Karen Kritsky, Nancee Little, and Susan Travis, all of San Anselmo, were presented to the student body today, in addition to a noon rally.

"Clash Day," a day for wearing stripes with polka dots, is tomorrow. The pie-eating contest, for returning lettermen, will be on Wednesday.

Thursday, designated as "Green and White Day," will see the annual tradition of auctioning off the senior football players.

On "Slave Day," Friday, the slaves will bury their competitors, the Terra Linda Trojans, and students will dress in black to represent their mourning.

The "Powder Puff Football Game," in which a team of freshmen and sophomore girls will play a team of junior and senior girls, will be Friday noon.

The events lead to the homecoming football game Friday at 8 p.m. between the Drake Pirates and Terra Linda Trojans at College of Marin field. The half-time performance of the drill team and majorettes will be glorified by the crowning of Drake's "Spirit Queen."

A homecoming dance will be held in the girls gymnasium Saturday from 9 p.m. until midnight, honoring the "Spirit Queen" and her court.

# Two Men Killed, Boy Injured As They Watch TV

RICHMOND (AP)—Two men were shot and killed and a little boy critically wounded through the eye Friday night while watching television in an apartment.

A third man, who had been watching TV with them, was arrested.

Mrs. Katherine Bluitt, whose husband, Zorro, 25, was slain, told police she heard an argument over $187 just before the shots were fired.

The group was in the Bluitt apartment.

Bluitt held his son, Dennis, 2, on his lap. Also watching were Samuel Smith, 54, of Richmond and Lee A. Brown, 57, of San Pablo.

Brown was killed.

Smith was arrested at another residence and booked for investigation of murder. A .38 caliber pistol was found in the Bluitt apartment.

The three men were employees of Richmond Sanitary Service.

# Maternity Clinic Work Is Enlarged By County

Marin County's health and medical departments have joined forces in a new program to protect unborn children and their mothers.

The medical department now sends the health department a list of expectant mothers who come to the county's maternity clinic for the first time.

At that time a public health nurse is assigned to visit the patient's home once a month until the seventh month of pregnancy, when the visits are stepped up to twice a month.

A public health nurse has also been assigned to the maternity clinic, itself, to interview each new patient and discuss diet, problems of labor or delivery and any other subjects the patient may bring up.

She will also ask about the health of others in the family and give advice on health services they may qualify for.

The visiting nurses will also keep tabs on families after a birth takes place, seeing the mother within 24 hours after she and her baby are discharged from a hospital, visiting again a week later and arranging for check-ups by the county physician and county obstetrician.

The new arrangement was established on paper last April, but did not develop fully until more recently, mainly because the post of director of nursing in the health department was vacant.

# San Pedro Road Wreck Hurts Two

Two 17-year-old San Rafael youths were injured Saturday when their car turned over on San Pedro Road.

Anthony Ferrandini of 377 Laurel Place, a passenger in the car, told police a passing auto came too close, forcing driver John Thompson of 400 Canal Street into the shoulder of the road.

Both youths were treated at Marin General Hospital for minor cuts and scrapes and were released.

## Israel Denies Deaths

TEL AVIV, Israel (AP) — Israel has denied a Jordanian claim that five Israeli soldiers were killed and six injured yesterday in the second border clash in two days. An Israeli military spokesman also said no equipment was destroyed.

## Gangsters Kill Strongarm Man

BOSTON (UPI) — A Somerville, Mass., strongarm man died yesterday, 30 hours after he and two companions were gunned down by an underworld assassin outside a cafe.

James Buddy McLean, 35, died at Massachusetts General Hospital of shotgun wounds in the head and chest. He was the 24th victim of gangland vengeance in greater Boston in the past 20 months.

Americo Sacramone, 27, and Anthony D'Agostino, 37, were less seriously wounded. They were reported in satisfactory condition at Somerville Hospital.

## Klansman, Nazi Kills Self

READING, Pa. (UPI)—A Jew-hating leader of the Ku Klux Klan and American Nazi party shot himself to death yesterday only hours after he was revealed to be the son of a cantor and one-time honor student at a Hebrew school, police said.

Burros

Daniel Burros, 28, "King Kleagle" of the New York Klan, killed himself in the living room of Pennsylvania's Klan leader. The New Jersey "King Kleegle" witnessed the shooting.

Dr. Michael Austin, Berks County deputy coroner, postponed issuing a death certificate until results of an autopsy.

The New York Times reported yesterday that Burros' parents were married in a Jewish ceremony, that he was a star pupil in a Hebrew school and that he had been Bar Mitzvahed (confirmed).

Frankhouser

The story said Burros had been an officer in the Nazi party but recently "changed" from a brown shirt to a white sheet."

When a reporter confronted Burros with the secret information, he was threatened, the Times said.

"I'll have to retaliate, do you understand?" the report quoted him. "If you publish that, I'll come and get you and I'll kill you.

Roy E. Frankhouser, the 25-year-old grand dragon of the Pennsylvania Klan, said Burros went out to buy a newspaper yesterday and when he came back he was in a rage, shouting "I'm going to kill myself."

Frankhouser told police Burros lifted a .32-caliber pistol to his chest and fired. Then he put the gun to his right temple and fired again.

Rotella

The New Jersey King Kleagle, Frank Rotella Jr., 28, was suspended from his job as a New York City social worker after the New York World Telegram disclosed that he was a Klan leader. His work for the social welfare department included dealing with impoverished Negroes.

## Quadruplet Birthday

MAURY CITY, Tenn. (AP)—In a new home built by well-wishers, the Lyons quadruplets celebrated their first birthday today. The two boys and two girls, whose family had lived in a small house until neighbors and mail contributions built the new house, are big, healthy and full of life. Their parents are Rev. ## Etruscans Found America First?

ROME (UPI) — It was neither Christopher Columbus nor the Vikings who discovered America, but some ancient Etruscans, according to an Italian language expert.

Dr. Mario Gattoni Celli said yesterday he had proposed his theory to the Institute of Etruscan Studies in Florence.

According to Gattoni Celli, the Etruscans — who populated a good part of central Italy before the Romans took over — probably sailed to America some 10 centuries before the birth of Christ.

## Two Escape Prison Medical Facility

VACAVILLE (AP) — A widespread search was under way today for two convicts who sawed through a double fence and escaped from the Vacaville Medical Facility.

The convicts, Ralph D. White, 24, of Sacramento and Charles Gove, 40, of San Francisco, were missing at a bed check early yesterday.

## Whist Fuss Ends In Death

SAN FRANCISCO (AP) — A San Francisco man was killed and a Stockton man stabbed seriously yesterday morning as a result of a three-month-old argument about a game of Whist.

Police said Willie McGee, 26, of San Francisco argued with the two men because one of them had not "trumped as he was supposed to."

David Williams, 52, who was killed, had made the disputed play three months ago. He and Fad Morris, 65, argued with McGee.

Williams was shot. McGee was stabbed and was in serious condition in a San Francisco hospital.

## TRAPEZE ACT HAS SUDDEN CONCLUSION

MIAMI, Fla. (AP)—As 2,000 spectators gasped, trapeze performer Greta Frisk plunged 40 feet — straight into the arms of her husband who raced to the scene.

"I caught you," Fritz Frisk told his wife, who sprang from a trapeze in a flip-around motion but failed to grasp the bar after she had turned.

Bandsmen stopped playing, and the crowd gave the couple an ovation. Circus manager John Pugh said the couple probably would have medical checkups today. Neither appeared seriously hurt from the fall, which happened last night at the Clyde Beatty-Cole Bros. Circus.

Frisk has a bicycle act with the circus.

## China Backers Fight Over Seating In U.N.

UNITED NATIONS, N.Y. (AP) — The leading boosters of Red China for U.N. membership are reported split over what to propose to the General Assembly.

Diplomatic sources said the division had developed among the 11 delegations that got the 117-nation assembly to agree to debate an item calling for "restoration of the lawful rights of the People's Republic of China in the United Nations."

### NO EXPULSION

They said Cambodia suggested a resolution proposing to seat Communist China on all U.N. bodies without expelling Nationalist China.

Albania, Red China's chief ally in its feud with the Soviet Union, urged that the resolution call for expulsion of the Chinese Nationalists in favor of the Communists and meet some of Communist China's other conditions for joining the United Nations.

### RED CONDITIONS

Among the conditions stated by Chinese Communist Foreign Minister Chen Yi Sept. 29 were:

Withdrawal of the 1951 U.N resolution condemning Communist China as an aggressor in Korea.

U.N. condemnation of the United States on that score.

Expulsion from the United Nations of "imperialist-puppet" countries.

The informants said Cambodia's proposal met with reserve and Albania's with opposition from those of the other nine nations to whom they were presented.

The others are Algeria, Burundi, the Congo (Brazzaville), Cuba, Ghana, Guinea, Mali, Romania and Syria.

A resolution to seat the Chinese Communists while letting the Nationalists remain would probably get more votes than one that would throw the Nationalists out.

The debate is expected to commence late this week or early next week.

## Fastest Train

TOKYO (AP) — Japan's national railways began operating the world's fastest train service today, a 322-mile run from Tokyo to Osaka at an average of 103 miles an hour.

## Fog Engulfs Freeway; 150 Autos Pile Up

LOS ANGELES (AP)—A fog bank drifted across a freeway. A stream of cars raced in. None came out.

The fog muffled the screeching brakes and the crash of grille on bumper. By the time the last headlight tinkled broken to the Santa Ana Freeway, 100 cars had smashed together.

### ANOTHER CRASH

An hour later, as tow trucks disengaged the wrecks, another fog bank settled on another freeway 20 miles away—and 50 more cars piled up in two more cases of chain reaction, freeway style.

It took 41 police cars—two of which also were in accidents—to get the freeways flowing again after Sunday's multiple collisions.

The toll: one man seriously injured, 27 persons with less serious injuries. Damage: more than $100,000, including 30 cars demolished, 20 others damaged. What happened?

"It isn't one big accident," said Robert Mills, highway patrol operations officer. "It's a whole series of accidents. Maybe several cars in one pileup, then, a few yards away, several cars in another. It stretches all the way up the freeway."

### MISTY MORNING

The first accident occured at dawn yesterday near where the Santa Ana Freeway crosses the San Gabriel River, 15 miles southeast of downtown Los Angeles. It was a misty morning, but traffic was humming along near the 65 miles-per-hour speed limit when river-bottom fog suddenly blotted visibility.

No one knows yet who triggered the first crash, but highway patrolmen suspect it was a motorist, panicked by the fog, who slammed on his brakes.

The car behind hits his, and the one behind hit that. The freeway turned to a mass of screeching, careening cars as traffic crashed and slammed to a halt.

## Satchmo Welcomed

NEW ORLEANS (AP)—Louis (Satchmo) Armstrong received a tumultuous welcome yesterday as he arrived to play a benefit for the New Orleans Jazz Museum.

## KU KLUX KLAN MARCHES

Robed members of the Klan march in Natchez, Miss., Saturday only hours after a civil rights march. They met at the county courthouse then went to a ball park where they heard Robert Shelton, Imperial Wizard of the United Klans of America, say that qualified Negroes should be allowed to register to vote. ## Boatloads Of Cubans Sail To U.S. In Stormy Straits

KEY WEST, Fla. (AP) — Scores of Cuban refugees, many of them seasick and dripping wet, arrived today and some charged that Cuban authorities had forced them to sail the treacherous waters of the Florida Straits.

They were the first to cross the 90-mile stretch of water between the United States and Cuba since the start of a storm Saturday morning.

One refugee boat sank 10 miles out of Cuba, its captain said, and he charged that Cuban officials "shoved us off into 25 knot winds and waves up to 15 feet."

Jorge Cano of Belle Grade, Fla., skipper of the Smarty, added, "They are in a hurry to get all the boats out of Camarioca now that the airlift is about to start."

Conclusion of an agreement for a U.S. - Cuban airlift of refugees was awaited. It would supplant the 25-day old do-it-yourself sea shuttle which had a known toll of five missing and one drowned.

Cano, another crewman and six refugees who had set out from Camarioca, the Cuban exit port, were brought to Key West aboard a Coast Guard cutter.

The Little Mike, another boat, brought 77 additional refugees and the Lemon Drop arrived with 27.

Most of the new refugees are taken to Miami and transported to other U.S. cities.

## Three Children Killed By Car

ALHAMBRA (AP) — Three children have died from injuries they received when their trick-or-treat group was struck by a car.

Susan Burns, 5, died yesterday at Alhambra Community Hospital. Saturday night Maxine Herrera, 4, and her brother Tony, 2, died before they could be brought to the hospital.

Police said their parents had permitted the Halloween outing on Saturday, so they wouldn't be ringing doorbells on Sunday.

The driver of the car, Elmer D. Blakesley of Covina, said he didn't see the children as they began to cross a dimly lit intersection, officers said. He was not held.

The preparation of bread in cake or loaf forms can be traced back to the Stone Age.

# West Marin Plan Hearing Continued

Second hearing on the controversial West Marin Master Plan was again continued today by the Marin County Planning Commission.

Commissioner Hugh Dougherty, who heads a three-man committee on the plan, asked that the hearing be put off to Dec. 6. He explained his committee next Monday will hear a written report from West Marin residents on the density proposal in the plan.

Under the plan, there could be one house per half acre in level areas, with density thinning out as slopes increase.

The committee hearing will begin at 8 p.m. at the Civic Center.

The Marin County Planning Commission this morning also:

**1. Approved 6-1, with Commissioner William F. Upton dissenting, a permit for Robert Hoffman to establish a pizza parlor at 665 Del Ganado Road, Terra Linda.** It would include the sale of beer. Upton declared the pizza parlor would be too close to single-family homes.

**2. Amended an excavation permit to Francis M. Gilardi allowing him to post a bond on landscaping rather than get landscaping plan approved prior to excavation for a service station on Shoreline Highway just west of Almonte Boulevard in Tamalpais Valley.** John K. Hofer Jr., owner of adjacent property, and the Tamalpais Valley Improvement Club objected to the application.

## Inmate Innocent Of Having Knife

A Marin Superior Court jury Friday night found James D. Nichols, San Quentin inmate, innocent of having a knife in his possession last April 21.

The panel deliberated seven hours. Trial began last Monday before Judge Harold J. Haley. Nichols is serving time for a first degree robbery conviction in Los Angeles County on July 7, 1964.

Richard Breiner represented the defendant for the public defender's office. Joshua Thomas, deputy district attorney, prosecuted.

## Window Broken

The front plate glass window at the Togs and Toys store at the Bel Aire Shopping Center, valued at $250, was shattered Friday night or early Saturday, Harold Gamann reported to the Marin County sheriff's office.

## Marin Won't Press Charges Of Building Without Permit

The county will not press charges against Albert R. Borden of 707 Vendola Drive, Santa Venetia, over a shed built on the side of his home without a building permit.

County Counsel Douglas J. Maloney said today the value of the shed appeared to be less than $100 and would not come under the code as a structure requiring a building permit.

Borden, who questioned operations of the Gallinas Village Community Services District, came under investigation by the county building department soon after he aired his allegations against the district. The building department started the probe after receiving an anonymous telephone call.

## Mapping Satellite Launch Postponed

CAPE KENNEDY (UPI) — The federal space agency today postponed from Wednesday to Thursday the launch of an earth-mapping satellite called Geos 1 because of trouble with its flashing light beacons.

Engineers blamed the day's delay on a tiny break in an electric circuit that caused a short circuit in the light system.

The Marin Branch of the American Cancer Society has Mrs. John Horton as president and Nina Brandt as executive director.

## Two Are Guilty Of Burglary

Thomas Howard Chance, 24, and Harold Bradley Sheffield, 20, both of Petaluma, were found guilty of second degree burglary late Friday in Marin Superior Court of the Aug. 4 breakin of Joe's Market in Point Reyes Station.

The jury deliberated three hours. Trial started last Monday before Judge Joseph G. Wilson.

A third suspect, Gerald Dalton Rice, 33, also of Petaluma, is scheduled for change of plea tomorrow.

Leonard Shaw, assistant district attorney, prosecuted in the trial. William B. Wolfson represented Chance and Jerome Durham, public defender, represented Sheffield.

## Mill Valley Has Home, Club Thefts

Two burglaries occurred in Mill Valley during the weekend.

Mrs. Calvin Fong reported Friday that someone had entered the Fong home at 544 Cascade Avenue through an unlocked window and stole a $99 television set. The Mill Valley Tennis Club caretaker reported yesterday theft of two cases of beer and a case of soft drinks.

## Suit Filed In Goldstein Freak Crash

A damage suit of unspecified amount has been filed in Marin Superior Court on behalf of Peter L. Goldstein, 31-year-old San Anselmo publicist critically injured in a two-car accident on Waldo Grade of Highway 101 last Oct. 19.

Filed by Goldstein's wife, Vivian, the suit alleges that Paul Edward Beyer of Burlingame, driver of the car which crashed atop one driven by Goldstein, was negligent in operating his vehicle.

It asks in excess of $5,000, medical costs, loss of income which is yet to be determined, and $1,995 for damage to Goldstein's car.

Judge Joseph G. Wilson of Marin Superior Court today issued an order temporarily restraining the present owner of Beyer's car—a 1961 Corvair—from disposing or destroying the vehicle. The owner, Hardcastle Brothers of San Jose, is directed to show cause at 2 p.m. on Nov. 9 why the order should not be made permanent.

The court order was based on allegation by Goldstein's attorney, W. O. Weissich, of possibility that there may be manufacturing defects in the vehicle partly responsible for the accident.

Goldstein, of 26 Carlson Court, had been unconscious in Marin General Hospital since the accident, but gained consciousness this weekend and was reported in slightly improved condition today.

## At Memphis State

Jerome F. Novotny, son of Mrs. Marie C. Novotny, 1554 Grand Avenue, and Caroline Davis, daughter of Mrs. Catherene Johnson, both of San Rafael, have enrolled for the fall semester at Memphis State University, Memphis, Tenn.

## Blooming Good Weekend At Fall Flower Festival

An Indian Summer sun brought thousands of flowers into full bloom for the weekend's 19th anuual Fall Flower Festival at the Marin Art and Garden Center.

Hundreds visited the displays of the Garden Society of Marin, the Bonsai Club, and the Orchid Society of Marin at the two day festival.

Featured at the show was a huge display of mums, arranged by designer Henry Cole. The theme of this year's festival was "Flower Fantasy."

"Best in Show" prizes were taken in the horticulture division by Peg Keener with a pink chrysanthemum and in the arrangement division by Thema Jones for a piece in the "new approach" category.

The following first prize winners were announced by Mrs. Leona Harrington, president of the garden society, and Hugh Paterson, fastival chairman:

**FLOWER CULTURE:**

Lydia Evans in cut specimens sections—exhibition, spider and quill, spoon, single and semi-double, and decorative—in five classes of container-grown chrysanthemums, and in succulent plants.

Neal Van Horn in cut specimens, exhibition.

Peg Keener in cut speciments exhibition, spider and quill, spoon, single and semi-double, decorative and bonsai.

Bessie Besselieu in cut specimens exhibition, spider and quill, spoon, single and semi-double, container sprays and other "container-grown chrysanthemums."

Mrs. V. J. Bloom in three-sprays-to-a-container anemones, decorative, container-grown cascades, and standards.

Adele Paterson in three-sprays anemones, spoons, pompoms, decorative and new introductions, sprays.

Mrs. Clifford Flack in all four classes of indoor and outdoor ornamental plants.

George Whitsett in cacti.

**ARRANGEMENTS:**

Amateur entries: Georgia Giggy for two entries, Mrs. W. J. McCarthy and Mrs. Walter Anderson.

Advanced Amateur: Georgia Giggy, and Thelma Jones for three entries.

Masters: Thelma Jones for two entries.

## Passenger Falls From Automobile

Harvey Sanders, 26, of Riverbank, Stanislaus County, suffered multiple body bruises when he fell from a car while it was rounding a corner at Las Gallanis Avenue and Oleander Drive, Terra Linda, at 7 p.m. Saturday.

Sanders, passenger in a car driven by Joseph Hildreth, 1012-C Los Gamos Road, Santa Venetia, toppled out of the car to the pavement when the door on his side opened as he leaned his weight against it, the California Highway Patrol reported.

Sanders was taken to San Rafael General Hospital where he is under observation for multiple bruises. He was reported in good condition today.

## Southern Marin Rocked By Boom

Sausalito and portions of Southern Marin were rocked yesterday at about 2:19 p.m. by a sonic boom, which Sausalito police attributed to the Navy's ir show at Alameda.

Sausalito police and fire departments were flooded with calls after the boom.

## NEW PUBLIC SAFETY BUILDING FOR CORTE MADERA

Occupancy of Corte Madera's new public safety building is still about a week away, but the town's fire alarm system was being moved to it today as the first step in police and fire departments' vacating the town hall for new quarters. Police-Fire Chief Frank L. Nelson and Town Mgr. Ronald L. Usher are seen checking details with a representative of the builders, Fostmeier Construction Co. (Independent-Journal photo)

on one missile site, the spokesman said.

No missiles were launched from the site after the final run on the target, pilots reported.

At almost the same time, Air Force F-105 Thunderchiefs led by a Navy A-4 Skyhawk were bombing the two other installations nearby. The Navy plane flying with the Air Force craft was hit during the raid by conventional ground fire.

The leader of one of the Air Force flights reported sighting a parachute from the Navy plane. The pilot was listed as missing.

The action over the missile area was the heaviest so far disclosed in the air war against North Viet Nam.

The Air Force planes dropped 19 tons of 500- and 750-pound bombs and fired thousands of rounds of 20 mm cannon fire on the two installations they hit, the spokesman said.

Later photo reconnaissance and a low-level flight showed that all spans of the bridge were knocked into the water.

Six U.S. planes have been reported shot down by the antiaircraft missiles which the Soviets have installed in North Viet Nam.

Permanent missile launching sites have been installed at several points around Hanoi and Haiphong, North Viet Nam's chief port. A number of mobile launchers are also operating. They can be set up and dismantled within 24 hours.

One sharp ground action was reported today in South Viet Nam, with troops of the U.S. 1st Air Cavalry Division claiming a confirmed kill of 50 Communist fighters in the area of the Plei Me Special Forces camp. The spokesman said there were no American casualties.

Elements of the 1st Cavalry have been operating around Plei Me since they joined Vietnamese relief forces last week in lifting the siege of the camp 210 miles north of Saigon.

The spokesman said the enemy force was spotted by helicopter scouts who called for riflemen to be airlifted into rough terrain about five miles southwest of the camp. The airborne cavalrymen swooped down and attacked the Communists, who were armed mainly with grenades.

Manuel said a committee investigation established that Daniel was an active member of the Association of Georgia Klans, which was cited as a subversive organization by the attorney general in 1955.

Daniel was the second witness to invoke the Fifth Amendment today. A South Carolina man described as the official haberdasher of the Klan also wrapped himself in the constitutional guarantee against self-incrimination.

Younger M. Newton, 51, Columbia, S.C., refused to give the committee any information other than his name.

## Another Fire Death In Saigon

SAIGON, South Viet Nam (AP) — A man in yellow Buddhist dress set his gasoline-soaked robes afire last night and burned to death inside Saigon's main Buddhist pagoda grounds.

Several hundred forced their way into the pagoda compound to view his remains.

Monks at the Vien Hoa Dao, scene of antigovernment demonstrations in the past, said they were at a loss to know the motive for the burning or who the man was.

More than a dozen Buddhist monks and nuns have burned themselves to death for various reasons since the first of the modern-day immolations in June 1963, when Thich Quang Buc burned himself to death in protest against the regime of President Ngo Dinh Diem.

## Pumpkin Candle Starts A Fire

Preparing for a flood of trick-or-treaters just before 6 p.m. yesterday, the Peter Bockmans at 219 North Almenar Drive, Kentfield, set up their pumpkin on a center shelf of their bookcase.

Because the candle was too large, the top of the pumpkin would not fit back on and the candle was left protruding through the top.

The candle flame set fire to the bookcase. The Bockmans called the fire department, then doused the flames before firemen arrived.

The flames did $25 damage to the bookcase.

## Call For Bids

The base procurement office at Hamilton Air Force Base today called for bids for maintenance and repair of storm drainage pumps in Bldg. 41, and alterations to Bldg. 305.

## EGGS

en, and obscenities were written on the walls.

Novato police reported only eight Halloween calls, involving throwing of eggs, tomatoes and firecrackers. They had two calls on Saturday night, however, of early celebrants throwing eggs at houses and cars.

San Rafael's Halloween was the quietest in years, reported Police Chief Charles J. Chiesa.

Police found three young men —all old enough to be beyond the age of excuses for such behavior — "bombing" cars with aggs from atop the Lachman Brothers Furniture building on Fourth Street. They arrested one of them, Michael Louis Meden, 20, of 6 Dutch Valley Road, Sleepy Hollow, on a malicious mischief charge. He was later released on $276 bail, to appear tomorrow in Marin Municipal Court.

There were several other reports of San Rafael egg throwers, but the culprits escaped.

Kenneth J. Williamson of 65 Canal Street reported vandals dumped heavy oil into his swimming pool.

Venturesome celebrants climbed a radio tower atop R and R Automatic Transmission Repair at 1542 Fourth Street to drop water balloons at passersby.

In San Anselmo, "on the whole, it was a very fine and quiet Halloween," reported Police Chief Raymond R. Buchignani.

There were, however, some egg-throwing and window-soaping incidents in the Hub City. John Fontain of 299 Brookside Drive reported two small windows broken by hurled eggs.

John McCoy of 115 Van Tassel Court, Sleepy Hollow, reported vandals threw oil over the top and sides of his car while it was parked at 1562 Sir Francis Drake Boulevard in San Anselmo.

Fairfax and Ross police made no reports of Halloween incidents.

Sausalito Police Chief Kenneth H. Huck said the only prank of any consequence in Sausalito was that youngsters sprayed shaving cream on a couple of cars parked on Bulkley Avenue.

Corte Madera police confiscated a few water balloons. Obscene words were scrawled in soap on front doors and windows of Neil Cummins School there.

In neighboring Larkspur, there were "quite a few calls" of throwing of eggs, tomatoes and firecrackers and soaping windows, police reported. However, there was no major incident nor reportable damage, they said.

Belvedere had the quietest Halloween in many years, said Police Chief William S. Woodington. "There were a couple of eggs splattered on streets and a few car windows soaped but that's about all," he reported.

Sgt. George R. Barnes of the Tiburon sheriff's substation reported a trouble-free Halloween there. However, on Saturday night instrument panels of three earth moving tractors parked at Juno and Trestle Glen roads were damaged by rocks, owner Victor A. Nielsen reported.

the government had had the burden of proving such a volunteer —unconcerned about possible self-incrimination — was available to sign the registration form and statement for the party.

Thus the highlight of the trial scheduled to open today in U.S. District Court is expected to be the testimony of the witness— or witnesses — the government claims the party could have called on.

The present indictment specifically charges the party with wilfully failing to register, as required by the Internal Security Act of 1950, on each of 11 days from Feb. 13 to Feb. 23 of this year. Each day constitutes a separate offense that carries a maximum penalty of $10,000.

The 12th count of the indictment—like that in the 1962 case —asserts that the party failed to file the required statement of members' names, aliases and addresses, along with a list of printing presses and reproduction equipment controlled by the party, as well as a detailed financial accounting.

## Prison Music Gets Prizes

A 34-year-old narcotic offender with a sensitive ear for music won the grand prize of $10 at San Quentin Prison's 11th annual Creative Music Festival during the weekend.

Paul Bernhardt, who comes from Southern California, topped the list of 28 prize winners, being awarded three first prizes and one second. He won first prizes for a full band composition, popular instrumental number, and a group of three miscellaneous compositions.

The festival, for compositions ranging from jazz to religious chorales, attracted entries from 40 aspiring composers.

Judging the inmates' work was Thomas V. Chestnut of Mill Valley, music supervisor at Ross School; John Handy III and Vernon Alley of San Francisco.

## OBITUARIES

## Mrs. Gladys Balmer Dies At Age 78

Memorial service was to be held for Mrs. Gladys Balmer, mother of Bert A. Balmer, Mill Valley city manager, at the Unitarian Church in Seattle.

Mrs. Balmer, 78, died Friday in a Seattle hospital after a short illness.

Inurnment will be in Seattle.

A resident of the Seattle and Olympia areas most of her life, Mrs. Balmer had resided the last few years in San Francisco.

She is survived by four sons, Bert A. Balmer of Mill Valley; Curtis and Douglas Balmer of San Francisco, and Charles Balmer of Seattle; a daughter, Alice Kinney, of Seattle, and six grand children.

### HUGH BENNETT

Private funeral Hugh W. Bennett of 5 Meadow Drive, Mill Valley, was held today at McAvoy-O'Hara Co. in San Francisco.

Bennett, a retired Army master sergeant, died Thursday in a Marin convalescent hospital after a month's illness. He was 73.

He had resided in Mill Valley for four years.

Surviving are his wife, Maye, at the Mill Valley home; a son, James G. Bennett of San Francisco, and five grandchildren.

### JOHN CARROLL

John H. Carroll, one of the last "rough neck wildcat oil workers," died at a local hospital yesterday after a long illness. He was 94 years old.

He was born in St. Johns, Newfoundland, and worked in his youth aboard ships. He jumped ship in Galveston, Tex., in 1900, and went to work in the oil fields of Texas and Louisiana, later drifting to oil fields in the Long Beach area. He left oil field work in 1936 and did odd jobs until moving to Marin County in 1947.

He had lived with his daughter and her husband, Mr. and Mrs. Paul D. Todd in Fairfax and San Rafael, until moving to 653 Plum Street, Novato, about three years ago.

In 1957 he was the object of a search in the newspapers for records or someone who had known him prior to 1906 so he could prove his United States citizenship. This was he could join his daughter and son-in-law in Spain. Through the newspaper campaign, he found the old records and two people who could testify that he had been in this country prior to 1906. He then joined his daughter in Spain for more than two years.

In addition to his daughter, he is survived by three grandchildren and six great-grandchildren.

The rosary will be recited for his at 8 p.m. tomorrow in the chapel of Marin Funeral Home in Novato. Requiem High Mass will be offered at 9:30 a.m. Wednesday at Our Lady of Loretto Church.

Burial will be in Mount Olivet Cemetery, San Rafael.

### EMMA FOLEY

Requiem Mass for Emma Marie Foley of San Francisco, sister of Mrs. Caroline Christensen of Sausalito, will be offered at St. Edward's Church, San Francisco, at 10 a.m. tomorrow.

Mrs. Foley, widow of William J. Foley, died at a San Francisco hospital Friday after a brief illness.

Surviving are five children, Marie Gubser of Hubbard, Ohio; Martin Edward Foley of San Francisco; Marguerite Askue of Sacramento; William Foley of Brea, Orange County and Clarice Kirsch of Oakland; a sister, Mrs. Christensen, and a brother, Andrew Schidell of Fort Lauderdale, Fla.

Rosary will be recited at 8 p.m. today at McAvoy-O'Hara, Geary Boulevard at 10 th Avenue, San Francisco. Burial will be in Holy Cross Cemetery, Colma.

### JACK GARCIA

Jack Garcia, 61, of 16 South Knoll Road, Mill Valley, died yesterday at a San Francisco hospital after a long illness.

A native of Alameda, he was a Marin County resident for 17 years. He was a retired maintenance man and a member of Fairfax Lodge 556, Free and Accepted Masons, and San Anselmo Post 179, American Legion.

He is survived by his wife, Carmela M. Garcia; three sisters, Mrs. Ethel Kidd of San Francisco, Mrs. Anita Woodson of Oakland, and Mrs. Olive McAuley of Pleasanton, Alameda County; and a brother Squire Otenshaw of Alameda.

Funeral will be Wednesday at 11:30 a.m. at the Chapel of the Hills, San Anselmo. Interment will be in Golden Gate National Cemetery, San Bruno.

### TOM KNUDSEN

GLENDALE, Calif. (UPI)— Funeral services will be Tuesday for Tom Knudsen, the Danish immigrant who became a millionaire dairyman and a prominent Republican.

Knudsen, a personal friend and political associate of former Vice President Richard Nixon, died Friday night near Rawlins, Wyo., while on a hunting trip with Walter O'Malley, president of the Los Angeles Dodgers. Knudsen, who was 75, was playing cards when he collapsed and died of a heart attack.

Knudsen, chairman of the board of Knudsen Creamery, came to the United States from his native Denmark in 1910, earning his passage by peeling potatoes aboard ship.

In 1914, he and his late late brother, Carl, founded the Knudsen Creamery.

### HENRY PARSONS

SAN FRANCISCO (AP) — Funeral services will be held tomorrow for Henry S. Parsons of San Francisco, chairman of the board of Pacific Far East Lines. He died Saturday at the age of 71.

Parsons, a native of Elmira, N. Y., was a former vice president of Grace Lines, in charge of the steamship company's West Coast and Central American operations.

Parsons retired from the Grace company in the late 1940s. He became a director of Lucky Stores and the Bank of California and board chairman for Pacific Far East Lines.

He is survived by his widow, Agnes, and two sons and two daughters.

### ARTHUR PIEROTTI

Arthur E. Pierotti Jr., 16, son of Mr. and Mrs. Arthur E. Pierotti of 33 College Court, Larkspur, died unexpectedly at a local hospital yesterday.

A student at Redwood High School, he was a lifelong resident of Marin.

Surviving are his parents, and two sisters, Mrs. David Scott of San Rafael and Janice Pierotti of the home address.

Cortege will leave from Keaton's Mortuary, San Rafael, Wednesday at 9 a.m. A Requiem Mass will be said at 9:30 a.m. at St. Patrick's Church, Larkspur. Burial will be in Mount Olivet Cemetery, San Rafael. The Rosary will be recited at 8 p.m. tomorrow at the mortuary.

### MRS. SANDERS

Mrs. Joseph Sanders, 78, of 171 Pine Street, San Anselmo, died yesterday at a local hospital after a three-month illness.

Mrs. Sanders was the widow of Bert Sanders, a retired San Quentin Prison guard, who died about 15 years ago.

A native of Denmark, Mrs. Sanders had lived in Marin since the death of her husband. She also was a resident of Marin before her husband retired to Yucaipa, San Bernardino County.

Surviving are a sister, Mrs. Emmy Pedersen of the same address and a brother, Emanuel Etzerodt of Denmark.

Funeral will be at 11 a.m. tomorrow at the Chapel of the Hills, San Anselmo. Burial will be in Alturas Cemetery, Alturas, Modoc County.

## AND THE RAIN FELL IN MIAMI

A spooky Halloween scene is made by cars driving along the Venetian Causeway last night between Miami and Miami Beach, Fla. More than fourteen inches of rain fell in Miami yesterday it it was still raining today. Police warned drivers to use extreme caution and watch for washouts. (UPI Telephoto)

## Bellini Art Stolen From Small College

RENSSELAER, Ind. (UPI)—A painting by Italian Rennaissance master Giovanni Bellini valued at $350,000 was reported missing today from the library of St. Joseph's college.

Rev. Charles H. Banet, president of the small Roman Catholic school, discovered the loss when he went to his office, located in the same building as the library.

The painting, "The Virgin and Child with St. Nicholas of Bari and Donor," was given to St. Joseph's on October, 1961, by the late Bohumir Kryl, a Chicagoan and native of Bohemia. Kryl, was a musician-conductor and art patron, set the painting's value at $350,000.

## Brawl In Marin City Broken Up By Police

Sheriff's deputies, aided by Mill Valley and Sausalito police and some Marin City residents, broke up a brawl at Marin City Saturday that attracted more than 100 persons and reportedly was on the verge of getting out of control.

When deputies arrived shortly after 5 p.m. a suspect identified as Johnny Harris, 20, of Richmond, reportedly was involved in a scuffle.

Officers said he became belligerent and violent and a large crowd had gathered.

After Harris was ordered out of the area, he became involved in another fight about 600 yards away, deputies said.

Some of the crowd threatened the investigating officers, who then called for all availabble units in Southern Marin for aid. "Every available deputy" reported, they said.

Harris was arrested on charges of disturbing the peace, resisting an officer in the discharge of his duty, assault and battery. He was booked in Marin County Jail and held under $550 bail.

Deputies reported they received help from Marin City residents in halting the scuffle, and even had help from "Jojo" Harris, brother of the suspect.

## North State To Get Rain

SAN FRANCISCO (AP) — Northern California — which has experienced weeks of unseasonal warm weather — will have some rain tonight and tomorrow, the weatherman says.

A cooling front moved over most of the state yesterday and brought heavy overcast.

The forecast through tomorrow was for light rain along northwest coastal sections, with temperatures dropping to their seasonal averages.

Other areas of the state, however, should continue to have fair weather with light winds, the U.S. Weather Bureau's forecast said.

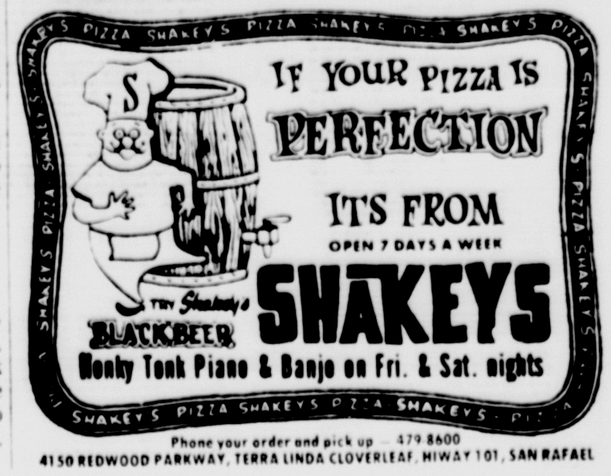
## Man's Eyes, Body Willed To Science

The body and eyes of Frederick D. Burman, who died last Thursday at his Tiburon home, had been willed to the University of California Medical Center, San Francisco.

A story in Friday's Independent-Journal reported that only his eyes had been willed to the medical center.

## Seaman Promoted

William F. Lassner, son of Mr. and Mrs. William H. Lassner, 117 Ryan Avenue, Mill Valley, has been promoted to the rank of radioman third class while serving aboard the repair ship Ajax, operating from Sasebo, Japan.



## Engineers' Plans Hit By Planners

The Marin County Planning Commissionc let it be known today that it objects to engineers doing planning.

At issue was the proposed expansion of Merrydale Road opposite the Civic Center, which the public works department says must be widened from two to four lanes and extended across the east side of Mount Olivet Cemetery to connect with Los Ranchitos Road.

R. Ross Tally of the county planning staff said the public works department adopted Merrydale Road as a major frontage route to Highway 101 soon after the state published its select system of roads two years ago. But the planning department has never held hearings on the proposal and the road is not even a major feeder route in Las Gallinas Valley Master Plan.

"Planning appears to be done by the engineers rather than the planner," commission Chairman Felix M. Warburg said. "I'd like to see it stopped."

The commission agreed to have Public Works Director Donald R. Frost prepare a list of road plans to be submitted to the commission prior to its next meeting, Nov. 15.

Plans for Merrydale extension were aired after attorney Peter Lawrence of Sausalito, representing Clayton, Harris and Harris, protested the requirement for dedication of 10 feet of frontage on Merrydale where his clients plan a 24-unit apartment.

The commission, after considerable discussion, agreed to reduce the requirement to six feet.

## Clausen Urges Tiburon Funds

Rep. Don H. Clausen, R-First District, Calif., today urged that more funds be allocated to the oceanographic research center at Tiburon.

In a letter to the Bureau of the Budget, Clausen asked that funds be placed in the budget which goes to Congress next January to improve the Department of Interior's Tiburon center.

"I urge your fullest consideration to inclusion of funds sufficient to inaugurate more than the shoestring operation now in effect at the Tiburon laboratory," said Clausen.

## San Francisco Faces Bonds, Officials Vote

SAN FRNCISCO (UPI)—The city's voters go to the polls tomorrow to elect a handful of officials and decide the fate of two major bond issues—one a controversial measure billed by its proponents as necessary to San Francisco cultural stature.

Campaigning has been relatively low-keyed. Only Proposition 8, a $29 million bond issue to rehabilitate the War Memorial Opera House and Veterans Building and to construct a musical arts center, has aroused any appreciable controversy.

Proponents, including Mayor F. Shelley and other city officials and civic leaders, argue that San Francisco's image as cultural leader of the West stands to suffer if the improvements are delayed. They contend that performers and artistic groups are bypassing the city because of inadequate facilities.

Opponents, including the National Assn. for the Advancement of Colored People, argue that the city should not have to bear the brunt of financing facilities that are used by the entire Bay Area. They say the program is badly planned and "will squander tax money."

The NAACP says Proposition B "offers no significant benefit to people of low income."

Poll takers have expressed doubt that the issue will win the necessary two-thirds vote.

The other major bond issue, Proposition A, would provide $33.7 million to finance a new San Francisco Medical Center. The issue is considered to have a good chance to pass.

Twenty candidates are running for five available seats on the board of supervisors, including the five incumbents. Other contested offices at stake are a municipal judgeship and city treasurer.

A light voter turnout has been predicted by city officials.

## Paris Minister, Brezhnev Confer

MOSCOW (AP) — French Foreign Minister Maurice Couve de Murville met for 90 minutes today with Soviet Communist party leader Leonid I. Brezhnev for what a French spokesman called a broad restatement of views on international questions.

The spokesman said Brezhnev repeated concern about what he termed dangers to world peace in two areas: the Viet Nam situation and any West German role in the proposed multilateral nuclear force for the North Atlantic Treaty Organization. France and the Soviet Union oppose the NATO nuclear force. Both also favor an end to the Viet Nam conflict based on the 1954 Geneva agreements.

## Left Ankle Broken As Autos Collide

Betty Ann Weaver, 22, of Davis suffered a fracture of the left ankle at 10:15 p.m. yesterday when the car in which she was a passenger crashed into the rear of another auto on highway 101 at San Rafael, the California Highway Patrol reported.

The patrol said Miron E. Partain, 22, of Santa Rosa was northbound on the highway 120 feet south of the Forbes overhead when his car stalled in the center lane and was struck from behind by a car driven by John L. Magnus, 30, of Davis, in which Miss Weaver was a passenger. Miss Weaver was treated at San Rafael General Hospital.

## She Drives In; Fire Put Out

Sausalito firemen at the Spencer Avenue station provided drive-in service last night when a Sausalito driver had a fire in the rear seat of her car.

When Judith Abramson of 44 Gordon Street discovered the back seat was afire, she drove up to the station at 7:55 p.m. and had it extinguished.

Firemen reported that the fire, believed caused by a cigarette, was confined to the back seat and cushion.

## To Back Tam Bonds

Robert Corlett, member of the San Anselmo School District Board, will appear before the San Anselmo Lions Club at noon tomorrow to speak in favor of the $5,750,000 Tamalpais Union High School District bond issue, to go before the voters Nov. 16.

## Planes Collide, One Pilot Killed

PACOIMA (AP)—Two planes banking for a landing at an airport brushed together yesterday. One lost a wing and spun out of control killing its pilot. Two men in the second plane survived a forced landing.

"We never even saw him," said student pilot Raymond Banks, 30, of Manhattan Beach. He and flight instructor Robert Calcagni, 35, of Glendale, escaped with minor cuts when their plane flipped over landing near Hansen Dam.

Witnesses said Ernest G. Linnell, 30, of Burbank, attempted to bank under the other plane as they approached Whiteman Air Park for a landing. Linnell's plane smashed into a field near Foothill Boulevard and Kagel Canyon Street.

## Ex-Agent Says He Tapped Mrs. Roosevelt's Phone

NEW YORK (UPI) — A former Army intelligence agent said last night his agency eavesdropped on the private conversations of many prominent people who came through Chicago during 1943, including Mrs. Eleanor Roosevelt and scientists working on the atom bomb project.

The agent, identified as Willis Adams, disclosed during a television news special wiretapping ("The Big ear" —NBC) that Army intelligence crews "did a tremendous amount of wiretapping" during "the latter part of 1943." He indicated that his team of agents was part of a nationwide network using wiretaps for national security reasons.

Adams, who is now a private investigator in the Washington, D.C. area, said his team was responsible for Illinois and Michigan and parts of Indiana and Wisconsin.

"We had the Chicago hotels —practically all of them — wired. There was kind of an exchange (of information gleaned from wiretaps) between the military authorities and the civil authorities."

One of the most important assignments of Adams' group was to monitor the private conversations of atomic scientists doing preliminary work on the Manhattan Project, he said.

The agents also planted listening devices in the hotel rooms of such prominent scientists on the A-bomb project as Enrico Fermi and Robert Oppenheimer, according to Adams.

"There were five (scientists) that my group kept tab on 24 hours a day —that was our duty. Also listening into the laboratories — even into the ladies' room and the men's room and so forth," he said.

## Council Slated For Belvedere Road Bid Call

The Belvedere City Council, meeting at 8 p.m. today at the community center, is expected to approve advertising for bids on resurfacing part of Beach Road.

The portion proposed for the project, to be paid for out of gasoline tax funds, is the west side of Beach Road from Cove Road to San Rafael Boulevard and both sides of the road from San Rafael Avenue to Bay View Avenue.

The council will hear a representative from the Marin County Council of Community Service explain a proposed master plan for older adults.

A report is expected from the city attorney on a disputed strip of land running from Golden Gate Avenue to Bella Vista, separating the property of Dr. Richard S. Hahn and John D. Leland.

Both Hahn, of 428 Golden Gate Avenue, and Leland, of 432 Golden Gate Avenue, are seeking permission to use the land, which is believed to be in public ownership.

## Christmas Gifts Often Go Astray Official Warns

NEW YORK (UPI) — The National Better Business Bureau is warning generous Americans to use a little caution in giving money to charity, especially during the Christmas season.

In a special report on charity schemes, bureau President Kenneth B. Willson said that roughly $100 million out of the $10 billion given each year to American charities winds up in the hands of swindlers.

"Give, but give wisely," Willson cautioned.

Willson advised person to be familiar with the cause or organization to which they are contributing money and to respond cautiously to pressure appeals by telephone or telegram.

## Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

**New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.**

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations!

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in *suppository or ointment form* called *Preparation H®*. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.

Open your eyes...

the college problem won't go away

It won't until we do something about this crisis in higher education.

Some colleges predict that they soon may have to turn away qualified high school graduates.

If they do have to turn away these potential leaders, it will be because of shortages—in buildings, facilities, and especially qualified teachers.

But we *need* leaders, more and more. Leaders manage and make wise use of our manpower, resources and human skills.

Good leadership protects our high level in jobs, opportunities and living standards.

This is everybody's concern. Make it yours. Give to the college of your choice.

College is America's best friend

## Comet Is Visible To Early Risers

Loosing daylight saving time packs a punch for the stargazers of Marin. They will have to get up an hour earlier to catch the tail end of the Ikey-Segi Comet.

Until yesterday, the best time to see the comet's tail was about 5:30 a.m., said John Weaver, president of Marin Astronomical Society today.

He and two other members, Bill Breeze of Mill Valley and Gus Gnoerich of Kentfield climbed Mount Tamalpais at that time Saturday and had a good view until the sky became too bright at 6:30 a.m.

For the next two weeks, the best time to catch a view of the star in the east is 4:30 a.m.

"People must know what they are looking for," said Weaver, "or the tail will look like nothing more than an aircraft trail."

Only the tail of the comet is visible. It appears as a faint beam of light extending from the horizon at an angle of 60 degrees, fanning out slightly so it reaches a distance of 20 degrees above the horizon.

There is no visible motion as expected by many viewers, said Weaver.

## Some Surfers Bother Residents Of Bolinas

Surfing is a sport which is riding on the crest of a wave at Bolinas this year.

But the invasion of the beach by 200 or more young enthusiasts most weekends is posing a problem to many of the people who live there all year round.

Piles of litter, noise and sunlovers too scantily dressed are some of the complaints from members of Bolinas Community Inc.

A committee formed by the community group will meet with members of the North Point Surfing Club and Melton Ferris, a county parks and recreation commissioner, later this month to smooth out difficulties.

James Dougan, vice president of Bolinas Community Inc., said Saturday: "Surfers are, on the whole, well behaved as a group but as individuals, their enthusiasm sometimes runs away with them."

There has already been one meeting between the committee, the club and Ferris which Dougan reported a success.

"The first discussions took place on designating parts of the beach exclusively for surfers and other parts for swimmers and people who like picnics," he said.

"We have no complaints against the North Point group. We find it is unaffiliated surfers who commit many of the minor violations," Dougan added.

## Catholic Council Backs Union Race Bias Charge

The Marin Catholic Interracial Council has voted to back the action of St. Andrew's United Presbyterian Church of Marin City asking for federal action against racial discrimination the congregation charges exists in building trades unions.

The council called the church's "practice of the living gospel of Christ in the marketplace most encouraging."

Rev. Donald H. Schilling of the St. Andrew's congregation, and Rev. Wesley Baker of San Rafael's First Presbyterian Church, joined Monday in asking for U.S. Justice Department action under Title VII of the 1964 Civil Rights Act. St. Andrew's church is now under construction.

## Helmet Credited With Saving Life Of Cycle Rider

A helmet may have saved the life of a young Hamilton Air Force Base airman early Saturday when his small motorcycle overturned on Highway 101.

A/2c Robert T. Lyneis, 21, was reported in good condition today at the air base hospital following the accident at 5 a.m. this morning. He suffered cuts and bruises.

Lyneis was entering the northbound lane of the highway from Terra Linda when his cycle hit a curb and overturned, reported the California Highway Patrol.

Nurses at the hospital said his helmet, worn to comply with a base regulation, showed the impact of several strong blows. Without it, Lyneis might have suffered severe head injuries in the accident, they reported.

## Driver Injured As Auto Rolls

Mrs. Barbara B. Cooley, 19, of 124 Merrydale Road, Los Ranchitos, suffered minor injuries when her car rolled over on Highway 101, about a quarter of a mile south of Lucas Valley Road, at 11:43 yesterday, the California Highway Patrol reported.

Officers reported the car rolled completely over and righted itself.

Mrs. Cooley, who suffered a bruised right eye, swollen left elbow and scrapes of the left leg, went to her own doctor for treatment.

Instructors are Tom Corbett (left) and Jim Schmidt. Intramural football, basketball and volleyball is offered on Mondays, Wednesdays and Thursdays as part of the youth activities program. The special team touch football program operates from 9 a.m. to noon on Saturdays.

**NEEDLEWORK GUILD**—Sewing is an activity designed for women in the senior citizen program as toy repair is designed for men. The senior citizen activities are organized through the Marin Senior Assn., which meets Friday mornings. Senior citizen activities are held at the Recreation Center, 37 Union Street, but must soon move as the building is to be demolished.

# Luci, Beau Apparently Lack Johnson Consent

WASHINGTON (UPI) — Luci Baines Johnson was back at the White House and her college studies today after a weekend at the LBJ Ranch seeking her father's consent to become engaged.

The presidential party in Texas was mum on Johnson's reaction to his daughter's request and Luci avoided the press on her return here. But the President was understood to have dissuaded Luci from becoming engaged now.

Eighteen-year-old Luci "cares deeply" for Pat Nugent, 22, of Waukegan, Ill., and wants to marry him, her friends say.

The fact that Pat is four years older than Luci is to her liking. She has many older friends and many of them are already married.

But Johnson is withholding his approval. There was the feeling that last weekend at the ranch the President used his gigantic powers of persuasion on the romantic pair with a little "come let us reason together" thrown in.

He is understood to feel Luci should wait until she gets into her twenties before thinking of marriage.

## Worldwide Drug Control Urged

GENEVA (AP) — The "epidemic-like" spread of drug-taking among younger people must be brought under drastic control, the World Health Organization said today.

A WHO expert committee on dependence- producing drugs cited "the increasing frequency of abuse of sedatives or stimulants not classified internationally as narcotic drugs."

The committee recommended control measures.

## Prime Minister Optimistic For Rhodesian Settlement

LONDON (AP) — British Prime Minister Harold Wilson says he believes a Rhodesian settlement is possible. But the colony's two leading Africans have rejected plans for a royal commission to work out a settlement.

Wilson returned last night from talks in Rhodesia to report to Parliament on the agreement he reached with Rhodesian Prime Minister Ian Smith to set up a three-man royal commission that will seek a formula for conditions under which the central African colony could be granted independence.

The British leader said the agreement has provided time for careful thought.

"We can, given the time, get a settlement," he added.

British newspaper commentators agreed that Wilson's mission had bought time for more negotiations. But they generally did not consider as bright the prospects for an acceptable settlement.

Wilson went to Rhodesia after the colony's ruling white minority threatened to declare independence without yielding to British demands for guarantees promising eventual rule to the colony's four million Africans. The white population numbers about 255,000.

The leader of one of Rhodesia's two African nationalist parties, Joshua Nkomo, said in a statement that Britain was evading its responsibilities in proposing the royal commission. He termed it "a time-wasting device."

The leader of the other nationalist party, the Rev. Ndabaningi Sithole, issued a statement "unreservedly rejecting the idea of a commission."

Both the rival nationalist leaders agreed to Wilson's proposal that the Rhodesian people as a whole should be asked if they want independence based on the existing 1961 constitution. In separate statements they insisted this be done by a one-man one-vote referendum.

Wilson and Smith have not yet agreed on the ground rules for the commission nor on ways to change the 1961 constitution to make it acceptable to both sides.

## Park Equipment To Arrive In Week

New play equipment for San Rafael's renovated Boyd Park will not arrive from its eastern manufacturer until the beginning of next week, Joheph D. Rodota, San Rafael recreation director, said today.

The new equipment, including a large tower slide, an animal merry-go-round and three rocking animals will be installed immediately on arrival, Rodota said. The entire refurbishing project will be finished by the end of November, he said.

## Troops Told To Kill Reds In Indonesia

JAKARTA (UPI) — An Indonesian army general today ordered his troops to wipe out Communist elements fomenting rebellion in central Java.

"If you cannot combat these counter - revolutionaries, then you needn't be soldiers and wear the uniform," Brig. Gen Surjo Sumpeno said in an order broadcast by the official Indonesian news agency Antara.

Sumpeno told a military roll call that conditions in the Surakarta area were deteriorating daily as roaming bands of Communist youths kidnaped and slaughtered villagers belonging to rival religious and nationalist groups.

At least 250 persons were reported killed in the Bojolali area of central Java alone since the Oct. 1 coup attempt.

Martial law and strict curfews were maintained in central Java and its special district of Jogjakarta.

## Sewer Board To Fill A Vacancy

The Tiburon Sanitary District Board, meeting at 8 p.m. today at the treatment plant on Mar West Street, will consider naming a new board member to replace John Eichorn, who has resigned.

Last month the county board of supervisors named Robert H. Scarf of 2450 Paradise Drive to fill the vacancy, but it was later learned only the sanitary board is empowered to name a replacement and the action was rescinded.

Also on the agenda is election of officers.

## Fishing Boat Capsizes, Sinks

SAN DIEGO (AP)—A 90-foot purse seiner suddenly began to list, then capsized and sank as crewmen scrambled into the water 110 miles south of San Diego.

The 12 crewmen of the Barbara K. were rescued unhurt—but without an explanation for the accident.

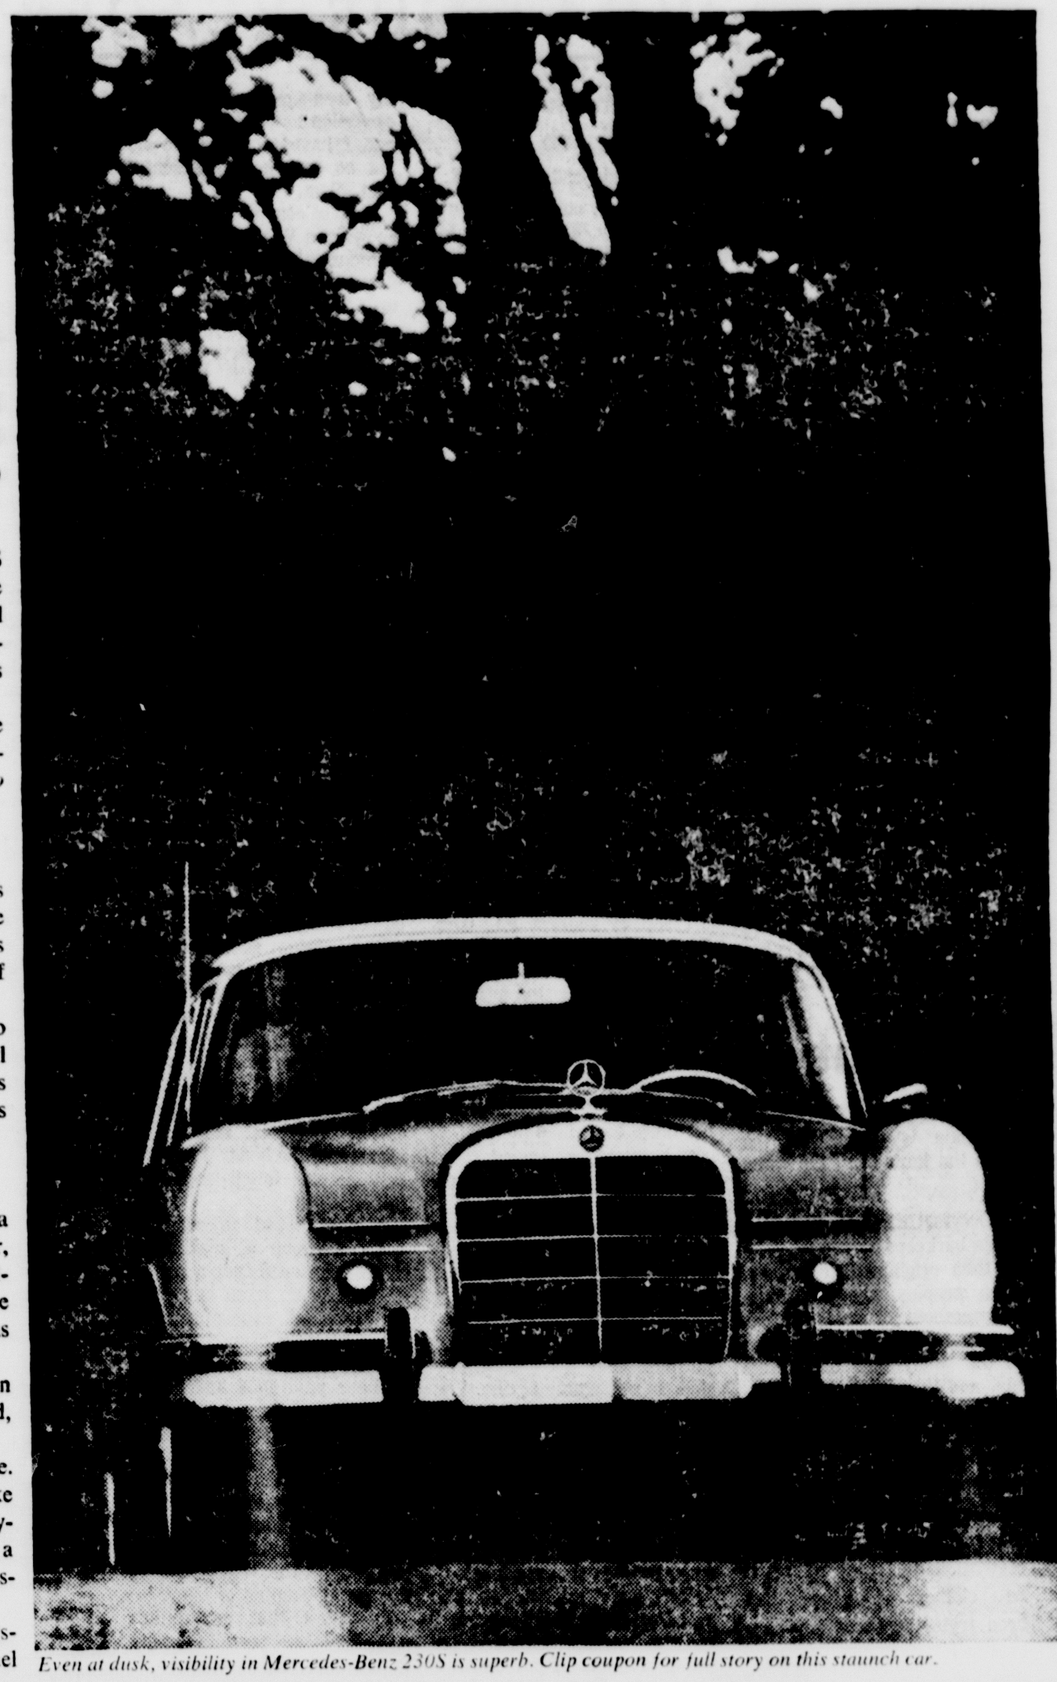
# "At 50,000 miles you may begin to wonder if your Mercedes-Benz 230S will ever rattle. A most unflappable car."



*Even at dusk, visibility in Mercedes-Benz 230S is superb. Clip coupon for full story on this staunch car.*

**The body is welded 10,000 times. Its design is a patented safety feature. A lovingly assembled engine can cruise all day at 90 mph. Take 3 minutes to read about the Mercedes-Benz 230S, built to be the best—not the best seller.**

GIVEN humane care, the Mercedes-Benz 230S will easily outlive your golf clubs and the family cat. The secret of its longevity: careful construction, costlier materials, and an engineering staff whose creations are watched like hawks by other car designers.

*Flattering note:* competitive engineers have admitted they would like to copy some Mercedes-Benz features, but—alas—*they can't afford to* without shooting up their cars' prices.

### World's oldest car maker

Mercedes-Benz has had 80 years to store up its expertise. It's a good feeling to know that the Mercedes-Benz 230S comes from the world's oldest automobile maker—from the *inventors* of the automobile.

*Historical sidelight:* the inventors were two German engineers, Gottlieb Daimler and Karl Benz. The year was 1886. Elsewhere, Mr. Rolls had yet to meet Mr. Royce. And Henry Ford's amazing Model T was still 22 years off.

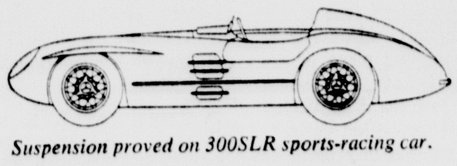
### No squeak, clank or groan

A car's backbone is its body. The 230S body is a taut shell, *welded* 10,000 times. It is stronger, more twist-resistant than separate body-and-frame types that must be bolted together. The 230S will not age to the tune of squeaks, groans or rattles.

*Nitpickers:* you'll search for telltale seams in vain. All outside body seams are hand-ground, filled with pewter, ground again and polished.

Sturdy as it is, the 230S is no mere iron horse. You can hurtle this 2,976-pound sedan about like a sports car. No wonder—you ride on a fully-independent suspension system first *proved* on a sports-racing car—the all-conquering Mercedes-Benz 300SLR.

Professional racing drivers respect Mercedes-Benz cars (some even *sell* them. Juan Manuel Fangio, 5-time World Champion driver, is a Mercedes-Benz dealer in Buenos Aires).



*Suspension proved on 300SLR sports-racing car.*

### Steering without guesswork

You control the 230S—it doesn't control you. If you've been driving a car with spongy steering, you'll be astonished at the accuracy of Mercedes-Benz steering. You *aim* this car. You don't have to cajole it.

*Note:* A shock absorber *in the steering linkage* blots up road jolts before they can reach your hands on the wheel. No buzzing, tickly vibrations.

### Stops without panic

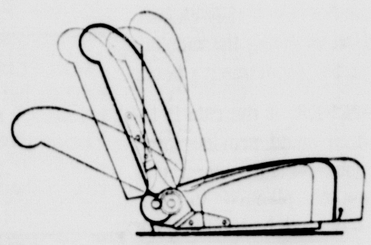
The 230S uses disc brakes in front—and *separate* brake systems, front and rear. A trustworthy combination. And remarkably smooth: "When you put the brakes on in a Mercedes-Benz, it still feels like you're putting the brakes on in an *automobile*—not turning a switch that's going to throw you out the windshield."—David E. Davis Jr., Editor and Publisher, *Car & Driver* Magazine.

### An unburstable engine

When you lift the hood of the 230S, you may be startled. Its 6-cylinder, single overhead camshaft engine is *one-third* the size of many American V8's. Your gas costs will be about half. And its performance stuns those who always thought an engine had to be *big* to be potent. *Consider this:* manufacturing tolerances are so close, and design is so careful, that you can blaze along for hours on end at over 90 mph. You hear only a pleasant hum. There is no unnerving mechanical strain to set your back-teeth on edge.

### Not a rolling hotel

Coming as it does from a factory where one of every 11 workers is an inspector, the 230S displays superb workmanship. But superfluous gewgaws are utterly absent. No fold-down writing tables. No walnut wainscotting. A blow to status-seekers—but a *boon* in cutting needless weight and cost.



*Fatigue-proof seats have reclining backrests.*

Orthopedic physicians helped make the 230S' seats fatigue-proof by making them *firm*. They are also *tuned* to the car's suspension motions—eliminating millions of tiny jarring and pitching movements that bring on discomfort.

*Suggestion*—try these seats immediately after sitting in a large domestic car. They're ample and snug. You don't feel like you're sitting in a box of marshmallows. And the individual front seat backrests recline to 4 positions.

The 230S measures decidedly shorter bumper-to-bumper than full-sized American cars. But inside, it actually gives you *more* room than many. The result of designing a car *around its occupants* instead of to a stylist's orders.

**Mercedes-Benz motor cars: from $23,245 to $4,065**

You may be able to afford a Mercedes-Benz without knowing it. Below are suggested retail prices* for 6 of the 15 Mercedes-Benz models.

| 600 Grand Mercedes | $23,245 |
| 300SE Coupe | 11,737 |
| 230SL Roadster | 6,262 |
| 230S Sedan | 4,900 |
| 200 Diesel Sedan | 4,280 |
| 200 Sedan | 4,065 |

**West Coast port of entry, exclusive of state and local taxes if any.*

### A word on safety

To Mercedes-Benz, safety is more than token gestures. It is *bred into* the car's basic design. Example: the *body* of the 230S is a patented safety feature. Front and rear sections are designed to *collapse* on hard impact, absorbing shock before it can reach the passenger area.

Inside, door handles are recessed. Twelve danger spots—including the *window cranks*—are safety padded. Small wonder that safety experts term Mercedes-Benz cars "the safest in the world."

# Sending Blood And Supplies To Reds Is Indefensible

Criticism of our foreign policies can be defended in the name of freedom of speech and expression.

Even mass demonstrations, if conducted peacefully and in accordance with laws protecting property and public safety, can be defended under the Constitution.

But sending blood and supplies to the Communist Viet Cong, if true, is indefensible and borders on treason.

A wire service report alleges that a West Coast chapter of a group opposing American involvement in Viet Nam, plans to aid the Communist Viet Cong with supplies and blood donations. We hope the reports are in error or are gross exaggerations.

Such actions by Americans would be a direct stab in the back of other Americans who are on the battle lines, defending our freedom to speak out and to march peacefully.

Humanitarian efforts to help fellow human beings in times of natural disaster are laudable. But to give direct aid and comfort to our enemies who are engaged in killing our own citizens is contemptible and treasonous.

Blood is in short supply in our own country for our own citizens, even in peacetime. Almost daily, we receive pleas for blood donations for the ill and the accident victims in our own county hospitals.

Those who have blood donations to spare should volunteer at our own blood banks set up for the express purpose of helping our own citizens fight off illness and possible death.

For those whose minds have become so twisted that they would take delight in donating blood to our enemies while depriving our own citizens of that badly needed commodity, there is a better way of donating.

Put them in the front lines in Viet Nam, where the blood "donations" with be sudden and complete. At least, this type of "donation" would not be giving direct aid and comfort to the enemy.

## The Interpretations Of Children

Children often interpret things in amusing and unusual ways. Often they see their parents in an embarrassingly candid light. Other times they draw terrible conclusions.

We knew a smart brat once who was convinced that another kid's dad was a secret drinker because he saw him take a tablespoon of mineral oil. The kid's father was in reality an ardent and true Prohibitionist.

All we can say is: Be careful when the little ones are around.

## Is Waldo Grade Guard Rail Effective?

Many head-on collisions were undoubtedly prevented by the median barriers installed on portions of Highway 101 in Marin by the State Division of Highways.

Each dent or gouged out portion of the central divider represents a potential head-on crash that was averted. For this we are grateful.

However, on the Waldo Grade, some defect must exist in the guard-rail system.

This was brought home with shocking clarity when a car catapulted the short barrier and landed on top of a vehicle proceeding in the opposite direction at a lower level, with disastrous result.

Perhaps the height of the barrier should be raised, or the design changed.

We trust that state highway officials will investigate the matter with dispatch and come up with a better design, if at all feasible.

# When Sacramento Tries To Put Lid On Toplessness, Look Out

By HENRY C. MacARTHUR

SACRAMENTO (CNS)—The question of whether the state Department of Alcoholic Beverage Control has a monkey by the tail in its effort to develop a hard and fast rule to control the topless cocktail waitress craze remains to be seen, but it could run into a mass of trouble.

James O. Reimel, director of the department, says his office plans to develop a rule which he hopes will set the decor, as well as the decolletege, or lack of it, in California's cocktail lounges, over which his department has supervision.

**THE TOPLESS** craze has shocked some people, and disillusioned others, but from all indications, it's here to stay, as long as it will draw customers who wish to gaze, as well as drink.

It can be said with authority that the topless fashion did not originate in California's barrooms. The fashion has a long history, no doubt dating back to the caveman days when there weren't enough skins to go around.

More history reveals a South Sea Island display of topless hula skirts which were decreed out of style by the righteous missionaries and the wearers convinced they should be clothed in a sort of sack garment known as the Mother Hubbard.

Topless still is the style in some of the Indonesian Islands, such as Bali Bali, where an ankle is taboo, but the sky's the limit from the waist up.

**CONSEQUENTLY**, the California barkeeps borrowed, rather than originated the craze, from peoples whose customs and methods of dress, or undress, are different from those in the sunny land of California, and thereby created a furor designed to bring in more customers, as everyone has to see the show.

So now the Department of Alcoholic Beverage Control plans to provide some more state regulation, this time on women's clothes, which man has been trying, without any success at all, to regulate for centuries.

The department might as well give up before it starts drawing up that meticulous rule as to how much epidermis may be displayed, because the girls will find some way to beat such a rule if they choose, and thereby swing the monkey back at the department's head.

**HOWEVER**, if the rule is indorsed, it could provide some good jobs for inspectors, and it may be planned to pick these from age brackets above retirement at 65 or 70, in which case civil service law would have to be changed to accommodate the oldsters.

Left alone, the topless craze could easily die out in probably a short space of time, without state intervention. Eventually, what becomes commonplace ceases to be either attractive or enticing, so the tavern owners would have to dream up another dodge to draw the customers.

# WHAT OUR READERS SAY

### Coroner Did A Good Job

Editor, Independent-Journal:

On Oct. 5, our only son was accidentally killed in a fall from a cliff in Point Reyes. On the following day we met with men from your Coroner's and Sheriff's office, who had an unpleasant and difficult task to perform.

This is what we must tell you: These men performed as real human beings with genuine sympathy and understanding. We shall never forget this kindness.

The same thoughtfulness was extended to us by the owner of the garage in Inverness where our son's car had been impounded.

To these people "Thank you."

### Hell's Angels Some Patriots!

Editor, Independent-Journal:

I see by today's I-J, (Oct. 18) that the Hell's Angels who attacked the peaceful demonstrators against the war in Viet Nam in Berkeley, Oct. 16 "shouted 'cowards' and 'yellow' as they rushed into the crowd of 2,500 marchers". I was there and that's true, but not quite the whole picture.

The marchers, except for a few oldsters like me, were almost all slight and slender young students, boys and girls walking hand in hand, arms around each other's waists, laughing, joking, passing soft drinks back and forth, enjoying the peaceful walk, bright sunshine and good comradeship. It was truely idyllic. The "patriotic" Hell's Angels, led by "Tiny" Mike Walter, 300 lbs., formed a flying wedge of jack-booted, brutal, brute strength. Moreover, all the 2,500 marchers (seemed more like 5,000 to me) were firmly committed to non-violence.

Such were the "brave patriots" who shouted "cowards" and "yellow". Wouldn't it be fitting to rush such "brave patriots" like Tiny Walter and his ilk to the front lines in Viet Nam immediately? But my teen-age son takes firm exception to this idea. He says, and I have to agree, no one, but no one should be sent to Viet Nam.

And, of course, if there were no war in Viet Nam for us to demonstrate against, the Hell's Angels would have to revert to attacking Fourth of July gatherings as they did last summer. Are they not truly "summer soldiers and sunshine patriots"?

### Demonstrators Should Meet At Dump Site?

Editor, Independent-Journal:

As I drove down Fourth Street in San Rafael last Saturday (Oct. 16) and observed the gathering of the group protesting our country's policy in Viet Nam, I could not help but wonder, what would be the thoughts of the brave men that the memorial statue in front of the county court house represents as well as the memories of all the brave men who died defending the rights of our beliefs and freedom.

The freedom as set down by our Constitution which many Americans have fought to preserve were never intended to allow such a gathering of Benedict Arnolds and cowards to be able to parade their poison among the very shadow of the memorial statue that represents the honor and bravery of our fallen sons and fathers.

I have asked myself how could a group of traitors as these mentioned, get a permit or permission from our county heads of government, to use county property (court house), which the majority of us have paid good and honest American dollars to support and maintain? Probably their stock answer would be "we cannot refuse the persons right for lawful assembly." I then ask " Is it a lawful assembly, that permits cowards to gather and shame the very name of this great country of ours?"

I suggest that any future permission or permits issued to any Anti-American group . . . . be granted for the location of the county dump. Where trash will be among trash, and the only ears for the treacherous voices will be the numerous infested rats that abound there, for they will be among their own kind.

### Accident Reinforces Her Theory On Speed

Editor, Independent-Journal:

After reading about the very bad accident in tonight's (Oct. 19) paper, I can't help but say what I have said for a long time now—that SPEED is the major cause of these accidents.

Everybody argues with me, but I still think if people were not going so fast, they could avoid many of these accidents.

I would say that speed is the major cause of accidents.

### Here's A Salute For Square Idea

Editor, Independent-Journal:

The most brilliant idea ever to come forward for the improvement of San Rafael was the proposed Court House Square as shown in the Independent on Oct. 21.

A salute to Robert W. Severin in coming up with a fresh new idea, bringing the city up to date and gain back a little of the business which we lost to the beautiful Northgate Shopping Center.

The Court House has served its purpose — let's face it. It is of no historic value nor is it an outstanding piece of architectural beauty. As some suggested to have it converted into a museum — that certainly would set the city back 25 years!

We badly need a small select hotel. Sure there are motels but many prefer to stop at a hotel in town. There are many small conventions which would like a central meeting place. When the Golf Tournament was held at Peacock Gap, all the movie celebrities had to be housed outside of San Rafael. There will be many more such tournaments and we should have accommodations ready.

The plan submitted is well designed for the center of the city as it gives an open spacious look and with the trees and shrubs we can still maintain a park-like atmosphere. This, by far, is better than a mall . . .

# TRY AND STOP ME

BENNETT CERF

**MRS. SLOPKIN** was a bit uneasy as her touring group was led deeper and deeper into the Florida Everglades. "The very thought of alligators terrifies me," she confided to the guide. "How can you tell when one's nearby?"

"Nothing to it, lady," the guide assured her. "Say you and your husband wander off a few steps for a private conversation and a smoke. All of a sudden you notice you're smoking and talking to yourself. Lady, you just located your first alligator."

**AN ATTENDANT** at a small town gas station won first prize at a picnic for being "the slowest moving person in Massachusetts." Asked why he circulated with such ultra-deliberation, the proud winner of the award explained: "Most people do all their loafing at one time. I've learned to do mine as I go along."

## Open Letter To Saigon Warns Not To Trust Student Protest

WASHINGTON—

Ho Chi Minh

Hanoi, North Viet Nam

Sir:

It will be hard for you to feel that I am writing to you as a friend.

In all honesty, I cannot say that I am.

But you may be willing to believe—because it is true—that I am writing you the exact facts concerning the state of American opinion about the war in Viet Nam with a single purpose in mind:

—To help you avoid a terrible miscalculation.

From Hanoi and Viet Cong official broadcasts it is evident:

**THAT YOU** believe the recent student protests reveal such a crumbling of public support for the role America is playing in Viet Nam that President Johnson will soon be forced to pull out.

Or, not believing your own broadcasts, you hope to persuade your own people and your own troops that, if they will only hang on a little longer against all odds, the U.S. defense effort will collapse in Viet Nam because public support of the President will have collapsed at home.

The facts, Mr. Ho Chi Minh, are that the U.S. defense of South Viet Nam is going to grow stronger and expand and that public support for it is increasing.

The facts, Mr. Ho Chi Minh, are that the most sizable and significant public protest in the U.S. is that the war is not being prosecuted vigorously enough.

You may wish to press the aggression to the very exhaustion of your nation, but if you decide this on the hope that the American people will grow weary and force the President to withdraw—this would be a terrible miscalculation.

**MAYBE YOU** don't believe your own propaganda. But your official broadcasts are so laden with assurances that popular resistance in the U.S. "to the little Johnson clique" will soon be irresistible as to suggest you may yourself accept this distorted and misleading appraisal of the American state of mind.

You describe U.S. sentiment against the defense of South Viet Nam as "never ceasing to rise and boil."

You say "the President is frightened. . .beyond imagination."

No, Mr. Ho Chi Minh, the President is not frightened, the U.S. is not going to back down, you are not going to win the war in Viet Nam on the campuses of the United States.

For you to think so, for you to plan on it, for you to count on it to the most miniscule degree would be a massive miscalculation I would like to help you avoid.

**THE REASONS** it is a miscalculation are these:

Every index shows that U.S. opinion, despite some student protests, is solidly behind the President. The latest Gallup Poll reveals that supporters of the defense effort outnumber those who oppose it by more than two-and-a-half to one. Note this: Young people in the age bracket from 21 to 30 are more in favor of the war effort than their elders.

Since the end of World War II every president of the United States has been tested by Communist aggression—and never has one backed down—not in Greece or in Berlin or in Korea or in the missile crisis in Cuba.

Mr. Ho Chi Minh—don't miscalculate.

Don't count on the student demonstrators to win the war for you. They can't. They won't. Ask yourself these questions:

Are there more U.S. troops in South Viet Nam this month than last?

Is there more U.S. firepower in Viet Nam this month than last?

Are there more Viet Cong casualties this month than last?

When your intelligence people give you candid answers to these questions, you will know that the President of the United States is speaking the truth when he says:

**WE WILL NOT** be defeated. We will not grow tired. We will not withdraw either openly or under the guise of a meaningless agreement."

# Government Misleads On War Casualties

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — The Defense Department announcements on U.S. casualties in Viet Nam are deliberately misleading.

Not only is the reported toll of deaths deceptive, but no information at all is being made known regarding the number of wounded, disabled and missing (presumed captured).

When members of Congress and others have inquired about this, they have been given figures that told only part of the story or were contradictory.

**A DEMOCRATIC** senator was officially informed that as of October 1 the number of U.S. deaths in Viet Nam was 1,389—a figure nearly double the total publicly admitted.

Of this number, there was no indication how many were combat deaths, how many due to other causes — accidents or disease. The senator also was given no information on the number of wounded, disabled and missing.

**A WEEK LATER**, an insistant House Republican leader obtained the following detailed report from the Pentagon:

As of October 18—deaths due to hostile fire, 830; deaths due to non-hostile fire, 345; wounded, 4,455; missing in action under hostile fire, 81; missing in action under non-hostile fire, 29.

Of the 4,455 listed as "wounded," there was no indication how many were battle casualties, how many disabled due to other causes.

A military authority pointed out to the GOP leader that as a general rule non-combat disabilities average eight to one —that is, for every man disabled due to hostile action, eight are incapacitated because of accidents, illness and other factors.

So the 4,455 reported "wounded" left much to be clarified.

**THE DEFENSE** Department's policy of suppression, evasion and dissimulation stems directly from the White House, with the personal knowledge and approval of President Johnson. It was cleared with him before being initiated, and is squarely in line with Secretary of Defense Robert McNamara's long-held "managed news" ideas.

A key figure in this practice is Assistant Sec. Arthur Sylvester, one-time newsman who seemingly delights in withholding and juggling public information.

**SIGNIFICANTLY**, the deliberate manipulating of Viet Nam casualty figures has drawn indignant protests from a Democratic member of the influential Senate armed services committee — Stephen Young, Ohio, World War II veteran.

With two other committeemen, Young made a comprehensive tour of Viet Nam last month. They visited every major combat area and U.S. installations.

## Why Is Everyone So Suspicious Of Parks, Recreation Commission?

Talk about suspicion and intrigue, wow! You should come to the Civic Center.

Did you know that the parks and recreation commission is engaged in a running plot to force the board of supervisors into the wrong decision? Did you know that the Civic Center actually has only four floors?

**DID YOU KNOW** that the agents stand in the shadows and go "psssssst" when you walk by?

Man, it's like a wild scene like this like:

"I beg your pardon, but did you just say 'psssssst'?"

"Shhhhh! I'm secret agent 1000000001, tracking down the P&R commission. Where did they meet last, man. Come clean."

"They're meeting right now. Come along, I'll show you."

**"WAIT A MINUTE,** buddy. You don't expect me to get into that meeting. I don't even know the password."

"There's no password needed."

"What about that tattoo they all have to show on the instep of the left foot?"

"Where did you get that story, 10000001?"

"All right, you deny it. Well, what about the ex-acting director? I understand he wears a beard."

**"THAT'S TRUE,** but I don't see—

"A thick, black beard?"

"You think that puts him under suspicion?"

"Buddy, you draw your conclusions and I'll draw mine. Just remember that the whole outfit is under suspicion. That's why I'm here."

"Well, come along or we'll miss the meeting."

**"ARE YOU KIDDING?** you're not going to get met in there alone with **THEM.** You'd like that, I suppose. It would make me become part of the plot."

"Plot?"

"Sure. Tell me, what are they going to conspire on today? Stafford Lake, maybe, huh? Chileno Valley, maybe? Richardson Bay?"

"Here's an agenda."

**"AW, YOU CAN'T** trust that for a minute. Next thing you know, they'll come smiling to the supervisors with some new scheme they have only been talking about for a few years. You gotta watch those birds."

"Well, here's the meeting room. Are you coming in?"

"Not a chance. We have other ways to get at the facts. They're not going to put anything over on us. Don't worry."

## Here Are Today's Instructions On How To Get In The Service

WASHINGTON — There have been so many articles and pamphlets written on "How to Avoid the Draft," that it is only right someone should put out instructions on "How to Be Drafted." I know I'll be criticized for this, but under the American system a person has as much right to be drafted as he does to avoid it.

### THE FIRST THING TO DO

Notify your draft board that you are ready to go immediately and tell them you want to leave in the next draft call. They will probably turn your case over to the local psychiatrist in your district.

### MEETING WITH THE PSYCHIATRIST

Tell the psychiatrist that you are eager to get into uniform and your only hope is that as soon as you've finished basic training they'll send you to Viet Nam. If he asks you why you want to go, tell him you believe it's your patriotic duty to defend your flag and country. You want to protect your home, your mother, and the unborn millions of American children against the spectre of Godless communism.

He will undoubtedly declare you 4-F on the grounds that anyone who is so eager to get into the Army is nuts.

### YOU HAVE A RIGHT TO APPEAL

Write to Gen. Lewis B. Hershey of the Selectice Service in Washington, D.C., and give him the facts. Tell him your draft board has been scheming to prevent you from going into the Army. Imply that the psychiatrist who examined you had it in for you because you wanted to fight for your country.

Insist that General Hershey sign your orders himself which will make it possible for you to go into the service immediately.

He will turn your letter over to the FBI to see if there is any communism mixed up in your psychiatric backgrounds.

### WHEN THE FBI COMES TO VISIT YOUR HOME

You have a right to answer any questions the FBI asks you. They may insist that you take the Fifth Amendment so you can be listed as a security risk. But stand on your Constitutional grounds and reply to their questions. If they ask you why you want to be drafted, tell them you're sick and tired of reading about guys burning up their draft cards and pretending they're homosexuals just to get out of the service.

Show respect to the agents and say "sir" to them. Tell them you have always admired the FBI and ask them if they can get you an autographed picture of J. Edgar Hoover. The more forthright you are, the more suspicious they'll get. When they discover you've never joined any left wing organization, they'll know something is fishy and from then on they'll keep a close eye on you.

### YOU CAN ALWAYS PICKET

When things look black, you can picket the Pentagon demanding that Secretary McNamara overrule your local draft board and take you into the service. If need be, lie down in front of a troop train taking draftees to camp and urge the troop commander to take you on board.

You will probably be locked up, but at least you will have made your point.

### WHEN ALL ELSE FAILS

Announce to the newspapers that you have no intention of being drafted and that you are against the war in Viet Nam. The draft board will take you immediately and the Army will make a soldier of you overnight.

# REMEMBER WHEN?

## 10 YEARS AGO

San Rafael's B Street School and its .69 of an acre site was put up for sale to the highest bidder, with the minimum acceptable bid set at $225,000.

The drive to incorporate a city of Novato got under way with a call for volunteers to circulate petitions calling for an election.

The Army Corps of Engineers announced that it would start construction of a model of the San Francisco Bay at its base in Sausalito.

## 20 YEARS AGO

Dorothy Simons, a late entry in the Native Daughters Senorita contest race, was elected to reign over San Rafael's Fiesta Day.

Bret Harte residents descended upon the San Rafael City Council and said they didn't want to be marooned when rains make Irwin Street impassable.

Fred W. Kuhlken, chief deputy in the Marin assessor's office, was elected president of the newly organized Marin County Employees Assn.

Lecturer-clinical psychologist, teacher and author Murray Banks will speak on "What To Do Until the Psychiatrist Comes" Saturday at 8 p.m. in College of Marin's Olney Hall. Dr. Banks, author of several books on popular psychology, including "How To Overcome An Inferiority Complex," appears on the college's concert and lecture series.

## College Not Sponsoring Benefit Show

A "benefit' variety show scheduled at College of Marin on Dec. 12 is not sponsored by the College of Marin, the director of the evening program and community services of the college announced today.

"All we are doing is renting Olney Hall for the one evening," explained Dr. Roy Mikalson.

Sponsoring the event is a group called "Women's Organized Sports, Associated, with headquarters in Oakland, and a branch office at 804 B Street, San Rafael.

A woman, who identified herself as Mrs. Nancy Thomas of Women's Organized Sports Associated in Oakland, said some tickets for the variety show contained this error: "Sponsored by the College of Marina." She said this was a typographical error, and that the college is not sponsoring it at all.

Mrs. Thomas identified Women's Organized Sports Associated as a "charitable organization" who aim is to encourage competitive sports among girls and to "help curb delinquency."

## Pro Viets Warned

WASHINGTON (UPI) — The State Department has served notice it is illegal for U.S. citizens to send money or supplies to North Viet Nam or to the Communist Viet Cong in South Viet Nam, amid reports that a leftwing organization, the May Second Movement, was sending blood plasma and other supplies to Viet Nam Communists.

Since the Washington monument was completed in 1884, more than 43 million persons have visited it.

## Novelist's Son To Tell Of Hemingway's Days

Young men in novelist Ernest Hemingway's circle of "Lost Generation" friends in Paris during the 1920s went through a phase of taking spongebaths with whiskey, recalls his 41-year-old son, John, who lives in Mill Valley.

This and other stories of his father will be told by Hemingway at a lecture Wednesday at 7:30 p.m. at Sonoma State College, Rohnert Park, where he is a student majoring in French.

He has made his home with his wife and family at 400 Vista Linda and is a trustee of Marin County Day School in Corte Madera.

Earlier this year he interrupted a career as a stockbroker to attend Sonoma State College as preparation to establishing a private school of his own in Idaho.

## FBI Arrests Two Men On Service Refusal

LOS ANGELES (UPI) —The Federal Bureau of Investigation has announced the arrest of two Southern California men who refused to accept civilian work assignments in lieu of military service.

The men, both taken into custody Friday, were John Lewchuk, Jr., 21, unemployed, of Manhattan Beach, and Joseph Carl Parrott, 22, a Santa Ana service station attendant.

## Assemblyman Lauds Bridge Deck Action

Assemblyman William T. Bagley, R-San Rafael, has commended the Golden Gate Bridge and Highway District Board for its decision Friday to build a second deck on the Golden Gate Bridge.

In a letter to Board President L. E. Castner, Bagley said that any other crossing, although certainly needed, would be many years in the future and that the problem is immediate.

## Tam Trustees To Urge State Aid On Taxes

The Tamalpais High School District Board, meeting at 8 p.m. today at the district office in Larkspur, is expected to approve a resolution asking state legislators to seek means of easing the school tax load on local taxpayers.

The resolution protests mandatory school programs created by state legislature without including state funds to carry them out. A similar resolution has been passed by the county school board.

The board will discuss establishing continuation clasess for high school dropouts.

Trustee Gloria Mebostad will present a progress report on the Nov. 16 school bond election.

## President Signs Bill Raising Federal Pay

JOHNSON CITY, Tex. (AP)—The White House announced Saturday President Johnson has signed a bill granting a 3.6 per cent pay increase to 1.8 million federal employees, including postal workers.

The pay raise is the second for federal workers in two years.

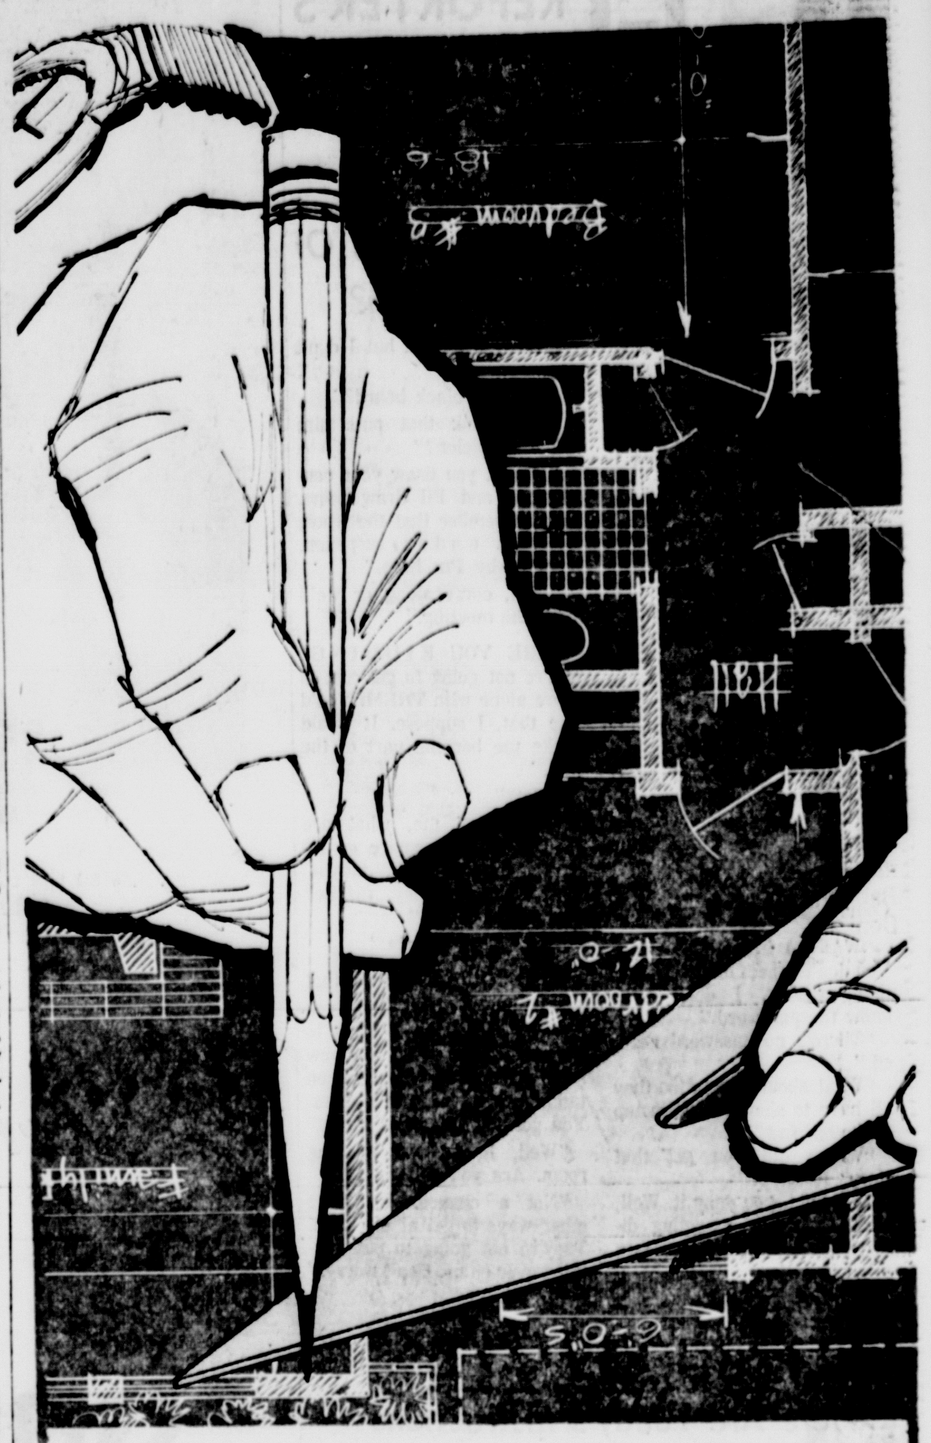
Airman 1c Harvey R. Rynearson, son of Mr. and Mrs. H. D. Rynearson of 157 Trellis Drive, San Rafael, has arrived for duty at Glasgow Air Force Base, after a tour of service in Germany.



# How come 750,000 people in the Bay area are insured by Metropolitan Life?

More and more of your neighbors are training a sharp eye on the future. In the process, they're discovering how useful Metropolitan's modern, diversified lineup of plans and policies can be.

For instance, Metropolitan has a plan that guarantees you an income as long as you live. Even if you live to be 110!

### New—life income of 9% for men 65

If you're a man about to retire at 65, our new rate of payments on straight-life annuities can guarantee you an annual income for life—derived from principal and interest—of 9% of the purchase price.

And, although women outlive men, we can provide almost as good a return for them. We also have annuities for couples, providing income for as long as either one lives.

Note especially the word *guarantee*. For the amount you pay in, only an annuity gives you so large and so dependable a retirement income—*guaranteed* for life.

And remember, too, you now get the advantage of Metropolitan's best annuity rates in a quarter century.

### Exceptional value for younger men and women

The younger you are when you invest in an annuity, the more it builds up for you over the years. Now's the time to get started.

Annuities are just part of the up-to-the-minute selection of life and health insurance plans you'd expect from America's leading life insurance company. Get the facts from your Metropolitan adviser.

MRS. EDGAR E. BRAND and Rolf Persinger, both of Tiburon, discuss plans being made by the Marin Regional Council of the San Francisco Symphony Foundation for bus trips to concerts. She worked on similar arrangements for the Chicago Symphony with which Persinger played many years before becoming principal violinist with the San Francisco Symphony.

# Afternoon Concerts Planned By Council

Plans that will enable Marin women to go by chartered bus to San Francisco for an afternoon that may include luncheon as well as attending the San Francisco Symphony are being formulated by the Marin Regional Council of the San Francisco Symphony Foundation.

In charge is Mrs. Edgar E. Brand of Tiburon, secretary of the Council. She and her husband, an executive with the Witco Chemical Corp., recently moved to Tiburon from Chicago, where she was engaged in activities with the Chicago Symphony.

The plan is centered around a series of four or five Thursday afternoon concerts, with or without luncheon at Trader Vic's or The White Whale in Ghirardelli Square.

On coming to Marin, she was pleased to find that Rolf Persinger, principal violist with the San Francisco Symphony, who played for many years with the Chicago Symphony, is also a resident of Tiburon.

# Woman's Society Will Hear Talk On 'Troubled Youth'

The Rev. David Glauner, chaplain at Juvenile Hall and assistant pastor of the Westminster Presbyterian Church of Tiburon, will be the guest speaker at the Nov. 9 meeting of the Woman's Society of Christian Service of the Methodist Church of Mill Valley.

He will speak on "The Christian's Concern For Troubled Youth," which will cover such questions as problems confronting youth of today, what can be done to prevent them and what Christian mothers can do to help.

The business part of the meeting will begin at 11 a.m. in the church library. There will be a pre-prayer period at 10:45 a.m. At noon luncheon will be served and the program will start at 1 p.m.

Hostesses will be Mesdames Charles Henson, Nita Bronson, Gunnar Anderson, Thomas Gary and H. R. Mefford. Mrs. R. A. Young will lead devotions.

# Ron Reeder Claims Bride In Kentfield

Airman Ronald Lee Reeder claimed Diane Marie Keesmaat as his bride at a double ring ceremony at St. Sebastian's Church, Kentfield, at noon Saturday.

Wearing a floor length white satin brocade wedding gown with full train, styled with a portrait neckline and long sleeves, Diane was given in marriage by her father, Pieter L. Keesmaat. The Rev. David Pettingill officiated at the marriage.

Jill Ann Wedereit of Tiburon was maid of honor. She was dressed in floor length bronze gold silk shantung. Victoria Presson of San Rafael and the bride's two sisters, Mrs. Michael Paris of Carmichael and Mrs. Dale Chase of Santa Rosa were bridesmaids. They were gowned in full length avocado green silk shantung, styled like that of the maid of honor, with portrait neckline.

The best man and ushers, all friends of the bridegroom at Hamilton Air Force Base, wore military dress blues. Gary Nelson was best man, and escorting the guests to their seats were James Bellemore, Roy Hatcher, and Roy Mason.

A buffet luncheon at the Kentfield home of the bride's parents, Mr. and Mrs. Pieter L. Keesmaat, followed the church service.

Diane is the granddaughter of Mr. and Mrs. J. S. Brazil of San Rafael and the late Mr. and Mrs. Pieter Keesmaat of Amsterdam, Holland.

The bridegroom is the son of Mr. and William H. La Breyere of St. Louis, Mo. He is the brother of Richard Reeder of St. Louis, Mrs. Clay Varnum of St. Louis, Mrs. Robert Gross of St. Louis and Mrs. Kenneth Helvey of Wright City, Missouri.

The bride is a graduate of Marin Catholic High School and attended the College of Marin. She is employed with the Public Utilities Commission in San Francisco. Ronald was graduated from Cleveland High School in St. Louis.

After a wedding trip to Carmel, the couple will live in San Rafael.

## Mill Valleyan Will Mary In Late Spring

A cocktail party with 70 guests on Oct. 23 was the occasion for the announcement of the engagement of Elissa Mary Eberhart to Don Fruciano by her parents Mrs. Alberta M. Eberhart of San Anselmo and A. J. Eberhart of Mill Valley.

The party was held at the home of Mr. and Mrs. Ruben Valtierra in San Rafael.

The bride-elect is the sister of William A. Eberhart of Mill Valley, John Eberhart of Corte Madera and James, Theresa, Catherine, Robert and Joseph Eberhart, all of San Anselmo. Adolph Eberhart of San Rafael is her grandfather.

Elissa was graduated from Dominican Upper School and Seattle University. She received a master's degree from Gallaudet College for the Deaf in Washington, D.C., and was elected to Who's Who in American Colleges. She is presently in special teaching education at Palm School in Riverside.

Don is the son of Mr. and Mrs. Joseph Fruciano of Riverside and the brother of Mrs. Joseph Guzzetta, also of Riverside. He was graduated from Riverside High School and San Diego State College with a major in management and finance.

The future bridegroom is co-founder and president of Titan Industries and also president of The Twin Counties Financial Corp.

A late spring wedding in Riverside is planned next year after which the couple will reside in Riverside.

## 'Lore Of Precious Jewels' Topic At Center Program

"Romantic Lore of Precious Jewels" will be the topic presented by Robert T. Lindeman at the program of the Tamalpais Centre Woman's Club on Friday afternoon.

Mr. Lindeman will tell stories about the wearing of jewels through the centuries, and their importance concerning the artistry and economic impact on the world. An authority on the subject of jewels, Mr. Lindeman received five awards at an international showing of jewel designs in New York City.

The executive board will meet at 11 a.m. followed by a business meeting at 1 p.m.

Serving tea after the program will be Mrs. George Weymouth, assisted by her committee, Mesdames W. G. Courtright, J. W. Cox, Elie Dalmon and B. C. Jones.

# Prevention Of Fires Busies Men

Sausalito firemen had a busy afternoon along the waterfront yesterday afternoon, even without a fire call.

Firemen were called out at 1:17 p.m. when a 35-foot cruiser at Berth 35, Basin One, Clipper Yacht Harbor, began leaking gasoline into the bilge, creating a hazard of potential explosion.

Firemen went on standby duty and shut off the area, Capt. R. K. Pedersen reported.

The cruiser, owned by David Anderson of San Francisco had about 50 gallons of gasoline aboard which began leaking into the bilge after a safety flange was sheared off during engine repairs, he said.

The Coast Guard towed the cruiser, the Extravagance, about 100 yards off the Turney Street launching ramp and began treating the bilge with an emulsifier to lessen the danger, Captain Pedersen said.

"They pumped the bilge into containers and disposed of the containers," he said.

Shortly afterward there was a one-beep alarm from the alarm box near the Turney Street launching ramp, but it was not a firm alarm.

Pedersen explained that Donald E. Baney of 318 Sausalito Boulevard was towing his boat on a boat trailer to the launching ramp when the mast snapped the alarm box wire.

"The box was out of service for a couple of hours," he said.

# 'Damn Yankees' Fun, A Really Good Show

By KARL BARRON

The Terra Linda Little Theater, which for years — like the boll weevil — has been "lookin' for a home," has come to roost with the Hamilton Little Theater in a combined production of "Damn Yankees" which is a knockout.

The popular musical will be repeated on Friday and Saturday nights at 8:30 through Nov. 20 in Theater 2 at Hamilton Air Force Base.

This is unquestionably the best all-around production that we've seen in Marin in a long time. It has a good cast, driving pace, and all the ingredients necessary to a good musical.

"Damn Yankees" needs no introduction. A Broadway success with seven hit tunes, and a regular with musical theaters, it's such a charming show that it can be seen again and again. Its story of an aging baseball fan who sells his soul to the Devil to become the world's greatest ball player and aid the Washington Senators in capturing the pennant from the damn Yankees hits a responsive chord in almost every American.

Combining companies has given the Terra Linda troupe the addition of talented men, on which it was short, plus the facilities of the theater, plus a fine 10-piece band under the smooth direction of Wilbur A. Jones. Jones never commits the sin of drowning out his singers. (Curran and Geary, take note.)

As if this were not enough, when audition calls went out, playing Mr. Applegate (the Robert S. Lawrence showed up, ended by directing the show and Devil). Lawrence, dean of admissions at Sonoma State College, had never played in an amateur show before this one. He began as a professional at the age of five. It shows, in both his direction and his suave (forgive it) devil-may-care interpretation of Applegate. He is always in command, and plays his laughs 'til Hell freezes over. Well, not quite.

Lola, the 187-year-old siren who is Applegate's foil (and sold her soul because she was the ugliest woman in Keokuk, Iowa) is portrayed with impish zest by Patti Newman, 100 pounds of charm, energy and talent. The mother of four offstage, Miss Newman onstage is every man's dream. Singing, dancing with wild abandon, or delivering an expertly timed laugh line, she is — like wow!

John Peebles, as Shoeless Joe, the young baseball star, is just right. He makes the unbelievable naivete of the character come alive. In common with the rest of the cast, Peebles has little singing voice, but Lawrence's expert direction has made the best use of the ability that is there, and the result is outstanding.

Naomi Heid as Meg Boyd, the deserted wife, begins on the right querulous note and gradually transforms herself to engage our sympathy. She and Peebles are particularly good in the reprise of "A Man Doesn't Know."

Other standouts are Sara Davis as the inquisitive girl sports reporter; Stephen Thomas as Van Buren, the Senators' manager, and Art Zasada, who does a nice job as Joe Boyd, the fan who starts it all. Mary Diederich is hysterical as Sister.

There are 22 scenes in the show, and B. J. Leibovitz has done a bang-up design job, especially on Applegate's apartment. Norman Hirsch's lighting functions smoothly, changing moods with subtle effiency.

There were a few dead waits in the second act for scene changes, which Jones might cover with some sort of musical interpolation, but with a show paced as this is, who really cares?

One of the big hits from "Damn Yankees" is "Ya Gotta Have Heart."

That's what this company's got!

# Horse To Be On Hand For Dedication

Blackie, Tiburon's swaybacked horse, an example of a mode of transportation that was put out of business by the advent of the automobile, will be on hand for the dedication Wednesday of the new section of Tiburon Boulevard.

Dedication ceremonies for the $515,000 four-lane highway section from Blackfield Drive to Reed Ranch Road, will be held at 11 a.m. Wednesday.

Also present at the ribbon-cutting for the new section, which continues for one mile the previously constructed four-lane highway between the Alto Interchange on Highway 101 and Blackfield Drive, will be Mayors Merritt K. Ruddock of Belvedere and Gordon W. Strawbridge of Tiburon.

The ceremonies will be at the intersection of Reed Ranch Road and Tiburon Boulevard, adjacent to the swaybacked horse's pasture.

## Student Director Of GOP Named

College of Marin student Robert L. Rosenberg of Corte Madera has been named director of the California College Republican Clubs in area one, including college and university campuses from San Francisco to the Oregon border.

Rosenberg's job will be to organize Republican clubs, supply them with party philosophy and coordinate campus appearances by Republican speakers.

# Extra Chairs Put Up For New Chamber Group

By MAYBELLE SPECKMANN

A promising new Marin chamber ensemble made its debut in a recital yesterday afternoon at Holy Innocents' Episcopal Church in Corte Madera.

Under direction of S. Drummond Wolff, the group is composed of a chorus of 12 adults—three voices each in soprano, alto, tenor and bass—and a 12-piece orchestra of strings and woodwinds. They meet regularly to practice music of the baroque period.

It is not clear whether it was Dr. Wolff's reputation as an organist and director or love of chamber music that brought such a large audience to the church that extra chairs had to be set up.

The chorus of admirably balanced voices included experienced singers and as a whole demonstrated the fine points that are the hallmarks of Dr. Wolff's training—good tone, diction, expression and control of dynamics. They are not yet as highly polished as they probably will be with longer performance together.

They gave a good account of themselves in two motets: "Lift Up Your Heads" by Schutz and "Hosanna To the Son of David" by Weelkes, the Kantate "Weihnachts" by Beyer and Cantata "Rejoice Earth and Heaven" by Buxtehude.

The orchestra was a surprise in that it was made up largely of young people led by one of Marin's talented junior musicians, violinist Buddy Oakley, who was so outstanding with the Marin Youth Orchestra.

Starting with "Pavane for Orchestra" by Byrd, it gained assurance as it played, achieving a high level in the concerto for organ and orchestra by Handel.

Marsha Lang was a technically accomplished oboist in concerto for oboe and strings by Valentini, and a high point instrumentally was the sonata for flute, oboe and bassoon and continuo, with Marsha playing the oboe, Carla Erickson the flute, and Peter Black the bassoon.

Since Dr. Wolff is one of the best organists in the bay area his solos were also high points, the Vivaldi-Bach concerto, "Dialogue Basse E Dessus" by Clerambault and "Noel Variations" by Daquin. His continuo and conducting from the organ were the motive power for the entire program.

## Cal Tjader Concert Set At Dominican

The associated students of Dominican College in San Rafael will present the Cal Tjader Quintet in concert on Nov. 22 at 8 p.m. in Angelico Hall, with proceeds going to the chapel building fund.

Tjader's jazz compositions include Latin and Oriental sounds that make his style distinctive. An alumnus of San Francisco State College, he is a favorite on eastern and western campuses.

## Woman Found Guilty Of Drunken Driving

Margaret Ireland, 41, of 875 Via Escondida, Novato, was found guilty of drunken driving by a Marin Municipal Court jury late Friday. Judge Leonard A. Thomas fined her $220 and placed her on six months probation.

The defendant was arrested on Highway 101 by Novato police last July 27.

## Strange Malady Strikes Students

BERKELEY (AP)— A mysterious stomach malady struck several hundred University of California students over the weekend—but apparently made none seriously ill.

University officials described the illness as either an attack of flu, or an acute stomach disorder caused by something the students drank.

Dr. Henry Bruyn, director of student health services, conferred today with state and Berkeley public health officials.

There were so many students who showed up at Cowell Memorial Hospital Sunday on-campus that doctors had to refer patients to Herrick Hospital.

## Tiburon Man Gains Commission In Army

Charles G. Wood Jr., son of Charles G. Wood Sr. of Tiburon, has been commissioned a second lieutenant in the Army Finance Corps at Stanford University on completion of his undergraduate education.

He has reported to the Army Finance School at Fort Benjamin Harrison, Ind., for specialized training before duty at Fort Monroe, Va.

## Home, Child Third In Series Friday

"The Home and The Child," third in a series of lectures on family life education, will be presented at 8 p.m. Friday at the Marion School auditorium in Novato by the adult education program of Novato High School.

Mrs. Mary K. Jones is presenting the series of lectures.

## New York City Mayoralty Race Vote Is Tomorrow

NEW YORK (AP) — Democrat Abraham D. Beame and Republican-Liberal John V. Lindsay end one of the city's longest, costliest and closest campaigns for mayor today.

But tomorrow's election may hinge on the size of the vote for William F. Buckley Jr., 39, the Conservative party candidate.

Beame, 59, city comptroller under outgoing Democratic Mayor Robert F. Wagner, and Lindsay, 43, a Republican congressman, reportedly have spent $1.5 million each.

Buckley says he is surprised at the response to his candidacy. He renounced further political ambitions, saying he will return to his job as editor of the magazine, National Review.

## Kidnapers Go Into Courtroom Under Guard

PORTLAND, Ore. (UPI)— Carl Cletes Bowles and Wilfred M. Gray made a brief court appearance under heavy guard Friday.

Bowles and Gray are the former Oregon State Prison inmates who are accused of a four-day rampage last July which included murder, bank robbery, armed robbery, kidnaping and rape.

They already have been sentenced to life in prison for kidnaping California Finance Director Hale Champion from his Sacramento home.

They were brought into court Friday so District Judge Gus J. Solomon could appoint attorneys to defend them against federal bank robbery and kidnaping charges here.

TEAM OF CENSORS—Air Force Reserve Capt. Stuart D. Burt of Corte Madera (left) and Maj. Robert J. Boyd (second from right) of San Rafael are shown working on new censorship manuals with two other members of a Military Air Transport Service censorship team at Travis Air Force Base. Shown (left to right) are Burt, Lt. Col. Leonard R. Hausken, the team chief; Boyd and Maj. William C. Lemon. (Air Force photo)

# They Train To Be Censors

Anyone who had a close friend or relative overseas during World War II recalls those cut-out strips through the middle of a sentence here and there in letters.

Most people like to think of such censorship as part of the past, but the Air Force sees it as an unpleasant necessity which might have to be revived if there ever were another full-scale war. And it believes in being prepared.

Two men who know what the Air Force is doing about this are Robert J. Boyd of 401 Nova Albion Way, San Rafael, and Stuart D. Burt of 5 Blue Rock Court, Corte Madera.

During the week, Boyd is credit manager of a San Francisco cement firm, while Burt runs a Mill Valley insurance agency. On weekends, however, each dons the uniform of an Air Force officer and they drive to Travis Air Force Base in Solano County.

They and other members of the Military Air Transport Service's western censorship team spend their reserve drills writing new manuals on how to censor. In wartime, they would go to work as actual censors, or would form the nucleus of units teaching others how to do it.

"It is an excellent activity for a reserve unit," explained Boyd recently, "since we are working with something for which there would never be a need except in time of war. Thus, they can put us on the job and avoid wasting manpower among active duty personnel."

**All-out censorship such as that used in World War II has not been reinstated since, Boyd said. Neither the Korean conflict nor the present action in Viet Nam brought it about, he said.**

"While the release of information has been a little more restricted," he said, "there is no censorship in Viet Nam, other than a certain amount of voluntary self-censorship on the part of some of the news people."

The censors' main objective, of course, would be to prevent military intelligence from reaching the wrong hands. But in addition to that, Boyd noted, World War II censors sometimes picked up intelligence about the enemy by catching it as espionage agents tried to slip it through.

While servicemen's mail would be handled by officers or non-commissioned officers designated as censors in each unit, wartime censorship also would screen telephone and telegraph messages, baggage or personal effects carried by travelers and photographs, which might be confiscated in the photo lab before they reached an individual.

Reading mail, Boyd said, comes under the title of "primary censorship." The two Marin men, however, would probably be more concerned in wartime with the other types of screening, considered "secondary censorship." Too, they would handle any special problems which primary censors could not resolve.

Boyd, Burt and four other officers in the Travis unit have been members of the team since the Air Force moved its censorship programs from under the Continental Air Command. Before that, they trained at Hamilton Air Force Base.

**The Air Force's philosophy toward censorship, Burt pointed out, is illustrated by the fact that it is considered part of Air Force law enforcement and security, while the Army and Navy place it under intelligence.**

The censorship teams are made up of men with diverse civilian occupations. With Burt and Boyd are a San Jose pharmacist, a Sacramento newspaperman, a San Francisco school principal and a Contra Costa County park and recreation director.

The Travis team is under the command of MATS' western arm, the Western Transport Air Force, or WESTAF. Other teams are at MATS headquarters, Scott Air Force Base, Ill., and at the EASTAF headquarters, McGuire Air Force Base, N.J.

The eastern team includes a New York police sergeant and a printer for the New York Times.

**Chief of the MATS censorship program is Lt. Col. Lyle M. Adams, an ordained minister.**

Boyd aided Col. Adams, Lt. Col. Leonard R. Hausken, chief of the Travis censorship team and another man in mapping the original MATS censorship program.

# Reserve Units May Be Saved

By FRED S. HOFFMAN

WASHINGTON (AP) — The last six Army Reserve divisions — tabbed by Secretary of Defense Robert S. McNamara for elimination — may be saved after all.

It was learned today that Army planners are leaning toward a proposal that would preserve division structures and identities, although the outfits would be smaller than they are now and their members would drill without pay.

Such a solution might satisfy congressional critics of McNamara's plans to streamline the Army's National Guard and Reserve forces, although reservist groups still might object.

On Oct. 22, the Senate Armed Services Committee adopted a resolution formally calling on McNamara to postpone the elimination of 751 Army Reserve units until Congress can take a long look at the plan next year.

Asked what the Pentagon has done in response to this Senate action, the Defense Department said the resolution "is presently under consideration." Sources said orders to set in motion the elimination of the affected units have not gone out.

The six divisions account for about 500 of the 751 units which McNamara said on Sept. 30 are not required and would be "phased out as soon as possible."

Of the 55,000 reservists effected by McNamara's action at that time, about 42,000 are enrolled in the six divisions and their component elements.

The six are:

The 63rd Infantry Division of California, the 77th Infantry Division of New York, the 90th Infantry Division of Texas, the 33rd Infantry Division of Ohio and West Virginia, the 102nd Infantry Division of Missouri and Illinois, and the 81st Infantry Division of Georgia, North Carolina, South Carolina and Tennessee.

Army officials said these divisions average about 7,000 men each.

Under McNamara's plan, they would be obliterated, officials said.

However, under the proposal now being studied they would be converted into what are called "reinforcement training units."

As such, they would serve as a base for any general mobilization—although McNamara and his top aides doubt the world will ever again see a war of the magnitude of World War II requiring such a massive mobilization.

According to present Army staff thinking, all men with obligated Reserve service remaining would be transferred out of these divisions and placed in some of the 976 National Guard and Reserve units which are being formed into a first-line "select force" of 150,000 men.

Further, Army officials say, other reservists in the six divisions will be encouraged to transfer over to the "select force" where they would train intensively, continue to be paid for these drills, and be subject to crisis mobilization.

With what is left, the Army is thinking of retaining what amounts to skeletons of these divisions, manned by men interested enough in remaining as reservists to drill without pay, take military correspondence courses and others keep active in Reserve affairs.

Such reservists might be paid for summer training and they definitely would continue to pile up credits toward retirement pay which they would collect after they turn 60.

## Health Coverage Measure Snags State Legislature

SACRAMENTO (AP)—How to get the most federal money for California out of the medicare program occupied attention of senators today, as the legislature edged toward adjournment.

The much - debated medicare bill went before the Senate Finance Committee, but if it reaches the floor and passes, a two-house conference to iron out differences seemed certain.

Legislative leaders originally wanted to adjourn last week, but the upper house didn't handle its business in time. Now, the target is the end of this week, and it's a good bet the target will be hit: Many lawmakers are due in Puerto Rico for a meeting of legislators starting next weekend.

Holding up the Senate, and causing confusion all over the Capitol, was a bill with the basic aim of bringing in about $6 million a month in federal medicare aid to California. It would expand health care coverage for 1.1 million persons, most of them poor.

It has been amended often, with the key stumbling block a desire by the 58 counties to spend as little of their money on medicare as possible, and to keep as many federal dollars as they can. But a conference committee seems certain, since the Assembly version of the bill and the Senate version will differ.

The other key issue postponing adjournment of a session that began Sept. 20 was smog control. Controversy surrounded a bill last week when it was learned the measure guaranteed a $400 million monopoly on used car anti-smog devices to a firm represented by Gov. Brown's son - in - law, Joseph Kelly of San Francisco.

The bill would have required that only one exhaust anti-smog device be approved by the state before it required such a device on most used cars. Only one firm, American Foundry Co. of Los Angeles, is capable of making the devices at present.

After a startled Senate learned of the situation, it sent the bill back to the committee which originally approved it. The committee rewrote the measure to require that at least two devices be approved before the regulation could take effect, and sent it back to the upper house floor for action. The Assembly also must act on the measure.

## Spirit Club Ballots For Year's Officers

COORS (Committee on Organized Redwood Spirit), a Redwood High School organization to promote spirit at the school, has elected officers for the school year.

Elected president was senior Dave Strathairn of Ross; and vice-president, senior Tom McMarthry of Kentfield.

## Novatan Gets Stripe

James D. Sharkey, son of Mr. and Mrs. Harry E. Sharkey of 834 Sutro Avenue, Novato, has been promoted to airman second class at Keesler Air Force Base, Miss. He is a graduate of Novato High School and attended Santa Monica City College.

## Home Ownership Hurt By Taxes, Says Assessor

SAN FRANCISCO (UPI)—Los Angeles County Assessor Philip E. Watson said Friday that unless reforms are made property taxes "could wipe out the average family's ability to own a home."

Watson, addressing a luncheon meeting of the Commonwealth Club, said the property tax "has been rising faster than the combined cost of living, income, and population growth."

He said that recent charges that some assessors and their deputies have been granting favors to certain individuals and companies have highlighted the need for reform.

He said that there are no laws requiring an assessor to make public the rules by which he establishes property values.

# Boundry Shift Proposed For Town, City

A plan to simplify the the convoluted boundaries between Corte Madera and Larkspur will be recommended to the Marin County Local Agency Formation Commission Thursday, with hope it will provide a workable solution.

Present confused boundaries are further complicated by Islands of county territory between the two cities. Redwood High School, for instance, is partly in Larkspur, partly in Corte Madera, and partly in county territory.

The recommendation prepared by John F. Barrows, the commission's executive officer, would do away with county islands.

He suggests that the mutual boundary between the cities run from the bay along the center of Corte Madera Creek to Highway 101, cross the highway at the Greenbrae overpass, run south along the west side of the highway to the railroad spur and then west on the south side of the railroad right-of-way to the present city boundaries.

Everything south and east of this line would be in Corte Madera and everything north and west would be in Larkspur.

In would mean that an industrial-commercial tract east of Highway 101, now in Larkspur, would go into Corte Madera. However, the Fifer industrial tract west of the highway, now part of Corte Madera, would go into Larkspur. All of Redwood High School would be in Larkspur and 14 parcels on Elm Avenue, now in Corte Madera would go into Larkspur.

Larkspur's assessed land value would increase by $241,910 while Corte Madera would have a net gain of $55,820, because of elimination of the unincorporated "islands."

Barrows recommends that the commission tentatively adopt the boundary line as the "ultimate solution" and call a public hearing where representatives of both cities can give their views.

## Elderly Woman Slugged, Robbed

OAKLAND (AP) — An elderly woman was slugged and robbed of $150 by a pair of teenagers in East Oakland last night.

Mrs. Oda Titsworth, 67, of Hayward, was walking with Mrs. Neva Hamm, 70, of Hayward, when attacked.

Mrs. Titsworth suffered a dislocated shoulder and a deep cut below the left eye.

# Ex-Marinite Under Fire In Fire District

Burned-up volunteer firemen in a suburb of Santa Rosa are threatening a recall campaign against a one-time Homestead Valley firebrand.

The man they want to fire is Tom McDougall, a director of the Bellevue Fire District since it was formed two and one-half years ago.

McDougall moved from Homestead Valley to the Santa Rosa suburb of Bellevue late in 1961, after a Marin career which included several years as president of the Marin County Taxpayers Assn. and several unsuccessful races for Mill Valley and Tamalpais High School district school boards.

McDougall has been more successful as a candidate in Bellevue. When the Bellevue Fire District was organized, there were six candidates for the five-member board. McDougall ran fifth and was given a one-year term.

When his year was up, he was unopposed for re-election, so was appointed to a three-year term. It still has 18 months to go, but members of the volunteer fire department last week started a recall move, claiming McDougall causes dissension on the board and in the department.

McDougall also headed a political action committee which put on a successful campaign last year to oust Frank Schieber as superintendent of Bellevue School District, a job he had held 10 years.

# Marin Probation Staff Merger Put To Supervisors

## Now-Separate Juvenile, Adult Divisions May Become One Unit

Consolidation of juvenile and adult divisions in the Marin County probation department will be recommended to the county board of supervisors tomorrow.

The supervisor's session will begin at 9 a.m. in the Civic Center.

County administrator Alan Bruce recommends the consolidation at the start of next fiscal year, and wants some staff changes made now.

Probation officer Walter Busher has listed the following reasons for the consolidation, according to Bruce:

1. The courts are departing from the previous fixed age limit for juveniles (18 or under) and some offenders up to 21 are appearing in juvenile court.

2. Recent legislation extending rights to accused make it necessary to standardize juvenile and adult procedures.

3. There is a growing number of "multiple involvements" with juveniles and adults involved in the same crime.

4. Combination would make possible better use of staff and psychiatric consultants.

Bruce will recommend that supervising probation officer James B. Soetaert be advanced from $792 to $814 a month with added responsibilities; that deputy probation officer James E. Thomas be advanced from $590 to $650 and be made a supervising probation officer; that deputy probation officer Chester Villalba be advanced from $717 to $753 and be made a supervising probation officer, and that supervising probation officer Thomas B. Estes be demoted to deputy probation officer with a cut from $790 to $753. Bruce said that Estes agrees to this because of a chronic illness.

Supervisors are also to consider a higher salary for parks and recreation director. Top salary for the job, which is unfilled, now is $1,008 per month. Bruce proposes this be upped to $1,100 or $1,200.

Bruce will also recommend that the county urge establishment of a Job Corps camp on one of the headland military reservations, with a smaller camp as the Palomarin Ranch adjacent to Point Reyes National Seashore.

Future of the courthouse square in downtown San Rafael and plans for the Hall of Justice addition to the Civic Center also will be up for discussion.

A special session had been set for 8 p.m. tomorrow to review the detailed plans, but the session was shifted to 3 p.m., the last matter on tomorrow's agenda.

## Driver's Neck Hurt In Crash

Alan J. Calvillo, 18, of 151 Morningside Drive, San Anselmo, complained of neck and back pains after a hit-run accident on Sir Francis Drake Boulevard near Laurel Avenue, Kentfield, at 10:30 p.m. Saturday, the California Highway Patrol reported.

Calvillo told officers that a car collided with his while attempting to pass him and the bumpers of the two cars locked. After the bumper became detached the driver of the other car car turned off his lights, drove at him and then drove away, Calvillo said.

Calvillo told officers he would be treated for his injuries by his own doctor.

## U.S. Viet Dead Count Now 873

WASHINGTON (UPI) — The total of American combat deaths in the Vietnamese war rose to 873 last week as the Defense Department identified 32 more servicemen who have been killed in action.

Another 150 names were added to the list of wounded, bringing that total to 4,605 since early 1961.

The number of current missing increased from 85 to 93, and the list of captured U.S. servicemen remained at 22. The number of Americans who have died from causes not due to hostile action increased from 345 to 363.

# HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

## Alcoholics With Liver Cirrhosis May Not Have Heart Attacks

VAN DELLEN

Chronic alcoholics with cirrhosis of the liver are less likely to develop heart attacks than heavy drinkers without liver trouble. On the other hand, they develop hardening of the coronary arteries but for reasons unknown do not develop thrombosis resulting in cardiac damage. Perhaps the cirrhotic drinker does not live long enough for this to occur.

In a recent report from Loma Linda University, heart attacks were found in only 5.8 per cent of men with cirrhosis as compared with 25.4 per cent of drinkers without liver trouble. None of the liverish alcoholic females had evidence of coronary thrombosis whereas 17.5 per cent of their otherwise normal drinking friends developed cardiac trouble.

**THERE ARE TWO** possibilities as to why the ailing liver protects against heart attacks. The organ manufactures substances that help the blood to clot and when it is deficient in this department bleeding is more likely to occur.

In these circumstances, clots that block the coronary arteries do not develop. The effect is similar to the prevention of a heart attack with anticoagulant drugs.

The second reason centers about estrogens which are known to protect against atherosclerosis. Victims of cirrhosis have more than normal amounts of this female sex hormone.

**THE FAILING LIVER** protects against one disease but leaves the alcoholic vulnerable to others. The liver has many important functions including the metabolism of carbohydrates, proteins, and fats.

The victim is plagued with indigestion, nausea, and weight loss. He acquires the appearance of gaunt corpulence, a portly and robust frame surrounded by a wizened, veined, yellowish face and scrawny neck. The protruding abdomen and swollen ankles are a false front because they are filled with fluid.

**THE SAME** mechanism that prevents the blood from clotting in the coronary arteries also encourages bleeding into the skin or from the nose and gastrointestinal tract. They also develop fever and in time become drowsy and lapse into hepatic coma.

### OIL MASSAGE

G. S. writes: Will massaging the scalp with olive oil remedy beginning baldness?

REPLY

Yes, provided hair loss is due to unusual dryness of the scalp. However, all the oil in Iran will not correct hereditary baldness or that caused by seborrheic dermatitis (oily dandruff) or ringworm. The same can be said of alopecia areata, or patchy baldness.

### CHEST PAIN

V. R. writes: Why does overeating cause chest pain in a person with angina pectoris?

REPLY

This symptom is explained on the basis that the digestive process diverts the blood temporarily from the heart to the stomach. Pain often can be avoided by taking a short rest after eating.

### NEUROTIC

R. R. G. writes: Is it better to push or shelter a psychoneurotic?

REPLY

Neither. These persons need expert care because poor advice is likely to increase their anxiety and aggravate the neurotic condition.

### DIABETIC

Mrs. G. writes: Why is it difficult to clear up a sore on a toe of a diabetic?

REPLY

In diabetes, tissue resistance is low because of poor circulation.

# Aluminums Drop Sharply As LBJ Opposes An Increase In Prices

NEW YORK (AP)—The stock market closed with a slight loss today in moderately active trading.

Aluminus were down sharply following reports of President Johnson's opposition to the aluminum price increase and his desire to release aluminum from the government stockpile.

Reynolds Metals, Alcoa, Aluminium Ltd. and other aluminum producers were under selling pressure.

For the list as a whole, the early losses were worse than those in the final hour when there as some firming.

General Motors, whose directors were expected to take dividend and possible stock split action, alternated between a small gain and a small loss.

Some recently favored glamour stocks were down sharply on profit taking.

Volume for the day was estimated at 6.6 million shares compared with 7.26 million on Friday.

Here was the picture near the close:

Reynolds Metals, one of the aluminum price raisers, sank 3 points. Another, Olin Mathieson, was off about a point and the third, Kaiser Aluminum, was off about 1½. Among others in the group, Alcoa sank 2 points and Harvey Aluminum traded unchanged.

Profit taking hit some recent big gainers. Fairchild Camera was off half a dozen points. Down about a point were such stocks as Boeing (ex dividend), Zenith, Raytheon, Polaroid, Xerox, American Cyanamid, Ex-Cell-O, General Cable, Chicago Great Western, Certain-Teed and KL Airlines.

A minoity of issues were strong. Eastern Air Lines spurted 2 points following a published estimate of increasing profits. International Salt gained 3. Delta Airlines and Crane Co. about 2 each.

Sperry Rand eased after an early rise and looked like the most active stock. Calumet & Hecla and Murphy Oil gained more than 1 each.

General Motors was off a fraction as Wall Street awaited action by directors on dividends and possibly a stock split.

Pricss were mixed on the American Stock Exchange.

Corporate bonds were mostly unchanged. U.S. Treasury bonds declined.

JOBLESS MOVING DAY

# California Plant Woos Easterners

Advance News Service

WASHINGTON — The Labor Department and Douglas Aircraft Co. are selling sunny Southern California to unemployed aircraft workers in Long Island.

The project is the most extensive and novel in a series of experimental programs in the newest federal effort to combat unemployment.
unemployment.

**Douglas needs 1,500 new workers, unavailable in California, for its Long Beach plant, and the Labor Department is attempting to relocate several hundred Long Islanders laid off from aircraft plants by a slowdown in defense contracts.**

In Hicksville, Long Island, government and business are running a cooperative recruiting agency promoting California to Long Islanders who have been on the jobless rolls for nearly two months.

Long Island is one of 11 specially chosen project areas reflecting a particular type of unemployment.

The Labor Department, under recent amendments to the Manpower Development and Training Act, is experimenting in each of these areas with an attack on "structural unemployment"—caused by the decline of particular industries.

In South Bend, Ind., former Studebaker workers are being relocated as are coal miners in the Appalachia region of Kentucky, West Virginia and Virginia.

Unemployed farm workers are being shifted out of the bootheel in southern Missouri to such farm-labor shortage areas as California.

**Meanwhile, the Labor Department is seeking new locations for 2,200 unemployed persons in San Diego, which has suffered chronic unemployment and general economic problems.**

Eventually $14 million in federal money will be spent through 1967 in the experimental program.

The Labor Department expects to spend an average of $900 to move a worker and his family. If the relocated worker drives to his new job, he receives 10 cents a mile for travel. In addition, a $102 weekly lump sum for living expenses is paid to the worker plus $51 for each dependent, up to three dependents.

Moreover, the government will pay storage and incidental moving costs.

But even when an unemployed worker arrives at his new job there are likely to be problems of "cultural adjustment."

This is more of a problem for a coal miner from the mountains than for a skilled aircraft worker from Long Island, but it is a factor to be considered in all cases, the Labor Department said.

In cooperation with state employment agencies and city welfare departments, relocated workers are thoroughly briefed on the problems facing them both before and after they move.

In Long Island and elsewhere the Labor Department must have assurances that the worker who seeks moving assistance has no local job prospects.

So far, 177 aircraft workers have moved out of Long Island under the Labor Department program. Seventy-three of them went to Douglas in California. Others are likely to follow.

## Novato Savings Firm Asks Tiburon Branch

SACRAMENTO (CNS) — The state division of savings and loan announced it will hold a public heading in San Francisco Nov. 15 to consider an application from the Novato Savings and Loan Assn. to operate a branch in Tiburon, in the vicinity of Tiburon Boulevard and Beach Road.

The hearing will begin at 10 a.m. in the division office at 455 Golden Gate Avenue.

## Bekins Buys The First Lots In Hamilton Industrial Park

First lot to be sold in the Hamilton Industrial Park at Ignacio is to **Bekins Moving and Storage.**

Bekins has been looking for a second site in Marin for several months, and the Hamilton Park location offers a number of advantages: Proximity to Highways 101 and 37 and South Novato Boulevard—also to Hamilton Air Force Base, where personnel movements are continually in progress—and to the wide area of potential growth projected for Novato over the next few years.

This company has always picked its warehouse locations shrewdly and well in advance of building—and usually with good visibility for outdoor advertising benefits. The Ignacio site will be the northernmost company-owned warehouse on the California coast route, and it is also the first location ever chosen by Bekins in an industrial park.

Construction will take place in about a year, according to **Richard T. Schmitz**, manager at the San Rafael office. At that time Bekins will very likely build a 15,000-square foot warehouse on the 1.5-acre property. It will come under the jurisdiction of the San Rafael office and warehouse on Bellam Boulevard, which is already filled close to capacity with goods in storage.

The transaction was handled by Bell Associates and agent for the industrial park, Coldwell Banker and Co.

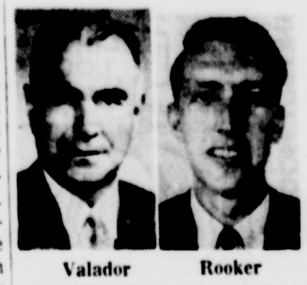
**NEWLY OPENED** at 60 Red Hill Avenue, San Anselmo, is **Norman Hunter Galleries.** This is in the same building with Hunter Hall Hair Styling, but is separately managed by **Edward R. Cain,** who has recently moved to San Anselmo from Colorado, where he had two galleries of his own.

The galleries will eventually occupy about 5,000 square feet. (Former tenant here was the Black Market before it moved to Greenfield Avenue.) They will feature a variety of high quality art from traditional to avant garde; act in a consultation capacity in evaluating art—and will offer a special service to architects, building contractors and interior decorators to incorporate works of art in their projects.

Works of recognized artists will be shown—Barr, Davidson, Klabunde, the Lehrers, Nimmer and others of national repute.

Galleries are open daily from 11 a.m. to 5 p.m.—but closed Sundays and Mondays.

**GEORGE VALADOR** of Northbridge, Santa Venetia, has returned to the 1 Montgomery Street office of **Crocker-Citizens National Bank** in San Francisco, where he will be in the trust department. This is the same office where he began his banking career 37 years ago. For the past 30 months he has been in the business development division at the San Rafael office.



Valador Rooker

**INSURANCE. Robert L. Sherman** of Novato has been appointed supervisor of the San Francisco general agency of **Aetna Life Insurance Co.** He is currently attending a company training course at the home office in Hartford, Conn., although he has had extensive life insurance sales and agency management experience . . . **Wayne H. Rooker** of Kentfield has been appointed a representative of **State Farm Insurance** in Marin County. He will office at 820 Fifth Avenue, San Rafael.

**HARBOR VILLAGE TOWNHOUSES** — individually constructed units of two and three bedrooms at 325 Canal Street, San Rafael—are now open daily for inspection from noon to 5 p.m.

## ALMANAC

Today is Monday, Nov. 1, the 305th day of 1965 with 60 to follow.

**The moon is in its first quarter; the morning star is Jupiter; the evening stars are Mars, Venus and Saturn.**

In 1765, the Stamp Act levied by the British crown to raise revenue in the American colonies went into effect.

In 1918, the Hapsburg monarchy of Austria-Hungary was dissolved as Budapest became the capital of the Hungarian republic and Vienna the capital of Austria.

In 1948, political pollsters predicted Thomas Dewey would defeat Harry Truman in the presidential elections.

In 1961, Cuban Premier Fidel Castro ruled international bodies could not check to see if Soviet missiles had been pulled out of Cuba.

**A Thought for the Day — Former President Harry Truman said, "The responsibility of the great states is to serve and not to dominate the world."**

## TIME AND TIDE

Department of Commerce, United States Coast Geodetic Survey, Western District headquarters. Times and heights of tides at San Francisco (Golden Gate):

The column of heights gives the elevation in feet of each tide above or below the plane of Coast Survey chart soundings. The depths are always additive to the chart depths unless preceded by a minus sign (-), when the numbers are subtracted from the depth given in the chart. Light-face type indicates a.m. times; **bold-face type** indicates p.m. times.

HOW TO PLAY

## WINNING BRIDGE

By ALFRED SHEINWOLD

### Tournament Competition Makes Grabbing Every Trick A Must

If you go to the national bridge tournament in San Francisco late in November, make up your mind to play for every possible trick.

You can't win a national championship by settling for your contract without overtricks — unless your contract happens to be exceptionally good.

Opening lead — ♣ K

The contract was certainly exceptionally good in today's hand, taken from "The Complete Book of Duplicate Bridge," by Norman Kay, Fred Karpin, and the late Sidney Silodor.

Few of the many pairs who held the North-South cards would bid a slam with just 28 points in high cards.

South could therefore be sure of a fine tournament score if he merely made his contract without the overtrick.

**CORRECT PLAY**

The correct play of this hand in a tournament was therefore just what it would be in rubber bridge, the game played by an overwhelming majority of bridge enthusiasts.

In rubber bridge you play for your contract and ignore the play for overtricks until the contract is assured.

**KEY ACTION**

The key play to assure the slam comes at the second trick. Lead a low diamond. When West plays low, try a finesse with dummy's six!

As the cards lie, this play wins the trick. Now you continue with the ace of diamonds, get to your hand with a spade or heart, cash the king of diamonds and give up a diamond.

The rest is easy.

You weren't worried about losing the finesse at the second trick. If East could produce a diamond, only two diamonds would be left out, and the ace and king would easily capture both of them.

The deep finesse was a safety play to protect you against a 4-0 break in diamonds.

You would be equally safe if East had all four diamonds. West would discard at the second trick, and you would go up with dummy's ace and return a diamond through East.

It would then be easy to limit East to one trick.

**DAILY QUESTION**

Partner opens with one spade, and the next player passes. You hold:

♠ Q 8 6 5
♥ J 9 7 6 2
♦ None
♣ Q 9 6 4

What do you say?

ANSWER: Bid four spades. This shows good trump support (often five or more cards), with a singleton or void and fewer than 10 points in high cards.

## TELEVISION REVIEW

# Good 'Ol' Jimmy Is Still The Tops

By RICK DU BROW

HOLLYWOOD (UPI)—Rudolf Nureyev appeared on ABC-TV's Jimmy Durante weekend special, following in the great Hollywood cultural tradition which reached its zenith when Jose Iturbi played piano in a Jane Powell movie.

The name of the one-hour Saturday special was "Jimmy Durante Meets the Lively Arts," and if you ask me, Durante gave a better performance than Nureyev, including dancing.

I know you're not supposed to compare such performers, but I don't know why not if you're judging the end pleasure of the entertainment. I don't know much ballet, but I can certainly tell when I'm being bored and disappointed by a great artist who has been far more exciting on other television occasions.

Needless to say, however, the studio audience — which, like most American audiences, showed its terror of "culture" by being ashamed to do anything but applaud it—gave Nureyev a big hand. With culture now flooding the land as indiscriminately as master's degrees, it might be well to keep in mind the fine old Chinese tradition of noisemaking and forthright vocal displeasure during dull and pretentious theatrical productions.

The Durante hour had method, if not much skill, in its format. For the truth is that the wonderful Jimmy's genial, mocking attitude toward culture is really very close to the way that most Americans feel about it, and most comfortable with it. Like most network officials, they really don't know whether something is good or not—which, of course, is why the edict of the ratings is such a convenient decision-maker for television to have.

There is, of course, nothing much better than just Jimmy and a piano. But he also got in a few other good moments Saturday—his duet with opera star Roberta Peters, in the tradition of his duets with Helen Traubel; and, following Nureyev, his ballet takeoff, in kilts and with a cigar.

The general idea was for an artist to perform straight—as Miss Peters did brilliantly—and for Durante then to join in. Robert Vaughn, of "The Man From U.N.C.L.E.," did a soliloquoy from "Hamlet," which will survive anyway (the audience again was terrified into applauding). And there was an insipid spoof of pop art. But just watching septuagenarian Durante dance around was worth the tuning in.

THE CHANNEL SWIM: ABC TV has put out a handsome publicity book summarizing the past and trumpeting the future of its distinguished "Saga of Western Man" specials—which means, happily, that they should be around for some time to come . . . Future programs of the series include not only the previously announced hours about Beethoven, Cortez and the legacy of Rome, but also studies of the first Christmas, Rembrandt, Julius Caesar, Teddy Roosevelt and Pope John XXIII.

A short mass by Zoltan Kodaly, Hungary's foremost living composer, sung in New York City's Riverside Church and dedicated to those who died in World War II, will be broadcast on CBS-TV's "Lamp Unto My Feet" Sunday.

## Military School To Hold Parade On Anniversary

San Rafael Military Academy will hold its first retreat parade of the school year Sunday, celebrating the school's diamond jubilee and culminating observance of national Episcopal Schools Week.

The parade is set for 3:45 p.m. The Legion of Valor Bronze Cross for achievement will be presented to the outstanding cadet. The academy will hold an open house all day, with a tea presented by the Mothers' Club will follow the parade.

A flag made in 1922 from Hitchcock Military Academy, one of the two schools that merged to form the San Rafael Military Academy in 1925, will be carried in the parade for the first time since the merger.

Rev. Sumner Walters, rector and headmaster, announced the school has been named an honor school of the National Defense Cadet Corps, and is now a member of the California Assn. of Independent Schools.

## Controversies Policy On Agenda

The Marin County Board of Education tonight will again discuss policy on dealing with controversial issues.

The policy would require that individuals wishing to bring up something controversial put it in writing and submit it to County Supt. Virgil S. Hollis. The matter could then be referred to a "responsible committee" for study.

The board of education meeting will begin at 8 p.m. at the Civic Center.

## Dean To Visit

Robert Lawrence, associate dean of Sonoma State College, will visit Sir Francis Drake High School, San Anselmo, Wednesday at 8 p.m., to explain the system and educational program at the college.

# Students At Terra Linda Make Homecoming Plans

Students at Terra Linda High School are getting ready for homecoming week, Nov. 8-13.

The 1965 homecoming theme will be "a carousel of memories." Junior Marsha Zitella will serve as homecoming chairman.

Homecoming queen candidates will be chosen by the football team. Students on Nov. 10 will hold an election to name the queen and four princesses. The winner will be crowned at an assembly Nov. 12.

The homecoming parade will be held prior to the football game which starts at 8 p.m., Nov. 12, between Terra Linda and Tamalpais High School.

The homecoming dance will be held the following evening in the school gymnasium.

## Israeli, Jordan Troops In Battle

AMMAN, Jordan (AP)—Israeli and Jordanian forces clashed in a no-man's land Saturday on the border in the Latroun area 10 miles west of Jerusalem.

A Jordanian spokesman said 15 Israelis were killed but Israel claimed there was only one Israeli casualty.

The fighting was halted after an hour and a half by the U.N. truce supervision mission in Jerusalem.

President of Henry George School, Marin Section, is Dr. William Filante.

## Unidentified Flying Objects Reported

HELSINKI (UPI) — Mysterious ball and cigar-shaped objects were seen in Finnish skies Friday night.

They flew northwards, trailing light behind them, according to eye-witnesses who saw them in central and eastern Finland.

## Girl Celebrates Birthday With Glider Flight

TEHACHAPI (AP) — Vicki Lee Ruch celebrated her 14th birthday Saturday at the 6,000-foot level.

The law permitted the teenage sailplane enthusiast to make her first solo flight today.

A single-engined plane towed her sailplane to the 6,000-foot level and then released it, letting Vicki glide to earth.

Her father, Roger Ruch, 37, a commercial airline pilot from Los Angeles, filmed the 10-minute flight from the ground.

Was he worried?

"Shucks," he said, "I consider that horse she rides far more dangerous."

HERE'S A NEW KIND OF AUTOMATIC BLANKET YOU CAN BUNCH, SCRUNCH, FOLD . . . IT'S FIELDCREST'S THERMA-FLO WITH NO WIRES IN THE BLANKET . . . AND OF COURSE THE BIG E HAS IT!

- Neither you, the water, the tubes or the blanket ever comes in contact with electricity or wires!
- Machine washable . . . you need not go to the expense of dry cleaning it!

Fieldcrest's new Thermaflo works on water . . . a principle originally developed for hospital use. Water is warmed in the control box until lukewarm, then circulated through tiny, watertight thermoplastic tubes in the blanket. The electric current stops at the control box.

The thermostat in the control box is so sensitive that any change in room or air temperature is immediately compensated for to keep the blanket at the degree of warmth you've selected. The control unit can't overheat. It shuts off automatically if the reservoir runs dry. The reservoir needs filling only a few times a season.

Fieldcrest's Thermaflo is the ideal blanket for older persons or invalids, too; so light in weight and comfortably warm it can be used in the daytime when special warmth is recommended.

The tough, thermoplastic tubing won't crack, crimp or break under normal circumstances, even if the blanket is folded and tucked away for months. This acrylic blanket comes in green, ice pink, mist blue, tawny beige and antique gold.

By RALPH CHATOIAN

aving a football player like k Otis in your lineup is like ing a 11-man team on the d.

tis did the work of two men urday afternoon in Kentfield lead the Novato Hornets to a 7 triumph over Redwood High hool in a key Marin Athletic ague game.

The triumph, witnessed by about 2,400 sun-loving fans, kept the Hornets in a three-way tie for the league lead, along with Drake and Tamalpais high schools.

Otis carried the ball 31 times, rolling up 147 yards. But it was halfback Frank Perachiotti who was doing the scoring for the Hornets, getting one touchdown in the second quarter and another in the fourth.

Novato had to fight for the win as the Giants of Redwood were really up for this one. "Yes, it was our best game of the year," said losing coach Bob Troppmann. "Novato is the best team we've played."

## FISTS FLY AS SEALS ROUTED BY PORTLAND

PORTLAND, Ore. (AP)—Cliff Schmautz' hat trick and two goals by Gerry Goyer the Portland Buckaroos to an 8-1 Western Hockey League victory over San Francisco last night.

Two fights punctuated the game. Arnie Schmautz of Portland and Forbes Kennedy of San Francisco mixed it up in the first period, and Tommy McVie of Portland and Garry Brisson of San Francisco traded punches in the third period.

Charley Burns scored San Francisco's lone goal in the first period.

# Marin Tars Suffer 13-0 Loss To Yuba

By GEOFFREY DUNHAM

This may be remembered as the year the Golden Valley Conference championship was lost—not won, but lost—by the loose fingers and loose shoes of the College of Marin Tars.

Marin Tars ran a triple-threat offense in Marysville Saturday night: stumble, fumble and fall; they did all three as they handed a ridiculously easy 13-0 victory to the opportunistic Yuba 49ers.

The people responsible for the decision were not the 49ers, however, nor the four officials who, it was said, wore striped shirts only to cover their Yuba uniforms. No, the Tars beat themselves, as their erratic offense tossed the football away as if it were exhibit "A" in a murder trial, or red-hot, or otherwise undesirable.

Marin kicked off to open the

## Shoulder Injury; Colts Win, 34-28

Suffering two big losses in a single game, the San Francisco 49ers go on the road this week with reserve quarterback George Mira the man in the driver's seat.

Baltimore came from behind to beat the 49ers 34-28 and late in the game, San Francisco's veteran quarterback, John Brodie suffered a left shoulder separation.

Doctors say the injury will keep Brodie out of action at least 10 days, ruling out his participation against the Cowboys at Dallas next Sunday and raising a question of whether he will be ready to play at Detroit in two weeks.

Trailing 34-21, Brodie guided the 49ers 76 yards to the Colt four late in the game. He rolled to his right on a pass-run option, kept the ball and was hit at the sideline.

Mira, the 1964 All America from Miami of Florida, came in and passed to John David Crow for the touchdown.

Mira, who had played just long enough to throw 11 passes in six prior games, then started another drive with less than 90 seconds remaining.

With three seconds left, the 49ers reached the Baltimore 16 thanks to a 37-yard pass to Dave Parks. Mira was rushed hard and hit by Lou Michaels on the next play and the ball bounded harmlessly away.

Baltimore's Johnny Unitas passed his club to victory and into a tie with Green Bay for the National Football League's Western Division title as he threw four touchdown passes.

Three came after San Francisco had built a 21-10 advantage on touchdown plays covering eight yards with Bernie Casey the receiver and 29 with Ken Willard taking the throw. Willard, the rookie fullback, pounded a yard for the third 49er score.

Unitas' touchdown passes covered five yards with Ray Berry the receiver, 31 to Tony Lorick and then 12 and five to Jimmy Orr.

Still the margin of victory came on two Michaels' field goals—from 10 and 18 yards out.

The loss left the 49ers with a 3-4 record.

The crowd of 45,827, the season's largest at Kezar Stadium, booed officials frequently, especially on a personal foul call which helped set up the final Baltimore touchdown. Lorick gained 10 from the San Francisco 33 and the penalty moved the ball to the San Francisco 12. Three plays later Unitas hit Orr with the scoring pass which wound up the Baltimore production.

Mira, who learned after the game that he'll start at Dallas, commented, "I'm a lot more sure of myself than I was last year. I know what I'm doing out there now."

### 49er Brodie No Navigator; Trick Or Tweet At Kezar

An old sea captain once told me a poetic rule of the watery road, to wit:

**When in danger, no room to turn,**
**Ease, or stop, or go astern.**

The rule also should apply to quarterbacks who are paid to either pass the ball or hand it to someone else. If that is impossible, then Mr. QB should either fall down or shift into reverse gear. Never, never should he run full speed into a mass of mean humanity bent on distroying him.

Mrs. Brodie's bright son John disobeyed the navigational rule of the road twice yesterday and oh, my, how it hurt. The first time he elected to run with the ball he was separated from the pigskin on a costly fumble; the second time he was separated from his shoulder.

IT'S DEBATABLE which was the costlier separation—the fumble or the shoulder, but both were instrumental in Baltimore's victory over our 49ers.

However, since the 49ers ain't going anywhere this year, Coach Jack Christiansen now is forced to go with second stringer George Mira until Brodie mends. This could be a blessing in disguise for I still feel the diminutive Mira will develop into a top star and this seasoning will give him the vital experience.

He may have learned a lesson from Brodie's painful experience yesterday. I dearly hope so.

YOU CAN blame yesterday's loss on several things, but the real culprit is Dave Scofield, a genuine Rat Fink. Larkspur resident Scofield is the "Voice of Kezar" and just before the second half started was the one time he should have kept his mouth shut. Just as the Colts were trotting back onto the field the P.A. announcer gave the score, Chicago 31, Green Bay 10. The Colts heard it loud and clear, meaning that a victory would put them in a first place tie with the Packers. That was all the incentive they needed to come from behind and beat our guys.

Scofield should have either shut up or fibbed a teensy bit on that Packer score. May the blue bird of happiness fly up YOUR nose, Dave.

THEY TURNED the lights on early in the second half either because it was foggy and dark or to help the officials see better. It didn't help. I hate to sound like a Chauvinistic Chauncey bu the refs seem to be ganging up on the home team lately.

One awful call against the 49ers, I thought, was a 15-yarder just before halftime for grabbing a Colt's face guard. Now, who ever heard of penalty for mask-grabbing on Halloween? It was a spooktacular boo-boo by the ref.

SPEAKING OF goblin and such, the seagulls were out in full force playing trick or tweet. More dirty tricks than tweets. Their motto is "We Aim To Please."

KEZAR WEATHER goes from one extreme to the other. The previous Sunday was 89 degrees; yesterday seemed like 89 below. Walking through the park to the stadium I got an idea of how cold it really was. Blue tennis players.

YOU GOT the impression the Colts were going to win when their Stonebreaker (Steve) played across the line from the 49ers' Rock (Walt). We had a Crow but they had a bigger Boyd; they had a Logan and a Berry and put us in a jam; we had Chapple but their program listed Preas, t; and they had one Moore star than we did — Johnny Unitas. Which is the only way to fly.

## Verwey Wins At Almaden

SAN JOSE (AP)—South Africa's Bob Verwey joined his brother-in-law Gary Player in a golf victory circle half a world apart over the weekend with the pros' next stop coming at Hawaii, located in between.

While Player, the United States Open champion, captured the Australian Open at Adelaide, brother-in-law Verwey came in first at the $46,000 San Jose-Almaden tournament.

Player posted a 72-hole total of 264 and won $2,632. Verwey, 24, shot a final round 71 for 273 and took away a check for $6,800.

To keep the family circle straight, Player is married to Verwey's sister and they all hail from Johannesburg.

Verwey's title was his first on the United States Professional Golfers' Assn. tour and automatically qualified him for all the PGA tournaments next year, a position Player long has enjoyed.

Physically they aren't much alike. Just about everyone knows Gary stands 5 feet-7 inches and weighs about 150. Bob stands 6 feet and even after losing about 20 pounds in recent months still weighs 197.

**TOURNEY RECORD**

Verwey's four - round total equalled the tournament record over the 7,035 - yard Almaden Country Club course established by Al Geiberger in 1962. He was 15 under par with scores of 69-66-67-71 over the par 36-36 layout.

The newest winner from South Africa finished two strokes ahead of Billy Martindale of Jacksonville, Tex., who closed with 69-275 to win a $3,850 check. Jim Ferree of Corona, Calif., and Ken Still of Tacoma, Wash., who were tied with Verwey after the third round, each slipped to 74 and wound up in a third place tie at 276.

At 277 were George Archer, Gardner Dickinson and Dean Refram. Defending champion Billy Casper, of Peacock Gap, shot a 280, good only for a 15th placs tie.

## Three Teams Share Warner Grid Title

Half the teams in the Marin County Pop Warner Football League today are champions.

The northern half of the league — Novato, San Rafael and Terra Linda — split shares of the championship title yesterday when the three teams ended the regular 1965 season with victories. Each had 4-1 records.

Novato whipped Redwood 39-6, San Rafael dumped Drake 27-0, and Terra Linda beat Tamalpais 19-7.

Vince Lagoy of the Novato Junior Hornets had a big day, scoring five of his team's six touchdowns. He scored four of them on runs 53, 22, 47 and 10 yards, and the other on a 34-yard pass from Ken Gnoss. Tom Cox scored the other Novato TD on a 15-yard scamper and added an extra point on a run. Other running PAT's for Novato came from Dave Leeder and Steve Francis.

Lowell Widmer scored two San Rafael touchdowns on dazzling runs, the first for 85 yards after intercepting a pass and the other on a 70-yard punt return. Bruce Maglione and Sam Salcido tallied the other San Rafael touchdowns, on runs of 1 and 5 yards respectively. Salcido ran two extra points and Maglione one.

Mike Bridges ran a pair of touchdowns for Terra Linda on gallops of 32 and 55 yards, and Rick Payne blasted over for the other, on a four-yard run. Denny Finnegan ran the T.L. extra point. Ed Brennan scored for Tam on a 30-yard pass from Randy King. Don Jones ran over the PAT.

After the games, the league board of directors and coaches voted 4-2 not to have a playoff, declaring Novato, Terra Linda and San Rafael co-champs.

Final standings:

## Warriors Lose To New York

SAN FRANCISCO (AP) —The San Francisco Warriors still top the Western Division of the National Basketball Assn., despite a 104-103 defeat yesterday at the hands of New York.

And the Warriors may have found a new star. Rookie Rick Barry from Miami University topped all scorers with 33 points in the best performance of the season for the young forward.

New York took an early lead and built it through the second half, twice leading by 14 and 15 points.

San Francisco slowly closed the gap in the fourth period. With 1:33 left they tied it at 99-99, and then a field goal by Guy Rodgers put them ahead 101-99.

But the Knickerbockers came back with 58 seconds left and went ahead 102-101. Howard Komives made to free throws with four seconds remaining to make it 104-101 and put it out of reach for the Warriors.

Dick Barnett as high for the winners with 30 points. Jim Barnes, who helped the Knickerbockers with his rebounding, scored 19 points.

The loss left the Warriors with a 4-2 record. Their next game is at Cincinnati against the Royals Wednesday night.

JIMMY CLARK PLACES SECOND

# Hap Sharp Speeds To Win In Riverside Grand Prix

RIVERSIDE (AP) — Texan Hap Sharp drove off with all the honors in the 200-mile Times Grand Prix for Sports Cares in a race notable for the number of top drivers who did not finish.

Sharp, piloting one of the Chaparral-Chevrolet racers entered by Jim Hall of Midland, Tex., took the lead halfway to the 77-lap event yesterday and held on to win. Sharp is also from Midland.

He was challenged throughout the race by world driving champion Jim Clark of Duns, Scoland, and was pushed hard in the last few laps by Bruce McLaren of New Zealand.

Sharp—driving the only car in the race using an automatic transmission—set a new Grand Prix record at this 2.6 - mile track with an average speed of 102.989. The old mark of 99.182 was set last year by Parnelli Jones of Torrance, Calif.

The number of top drivers in fast cars who didn't finish was unusual: Graham Hill of England, Parnelli Jones, Ritchie Ginther of Granada Hills, Calif., and Dan Gurney of Costa Mesa, Calif., were among those forced out with mechanical problems.

The loss of these top namse—all running well up front from the start—left the field to Sharp, Clark and McLaren, who clearly outran the rest of the pack.

Three top drivers — who brought excellent cars to the race—were out before the race got underway. Sharp's companion, Jim Hall, was forced out by mechanical woes, as were A. J. Foyt, of Houston, Tex., and Mario Andretti, of Nazareth, Pa.

For the victory, Sharp collected $6,000 first place moey, a new convertible and cash prizes from auto parts, fuel and equipment suppliers. His total: $14,640.

third quarter, and it took the 49ers just 3 minutes and 35 seconds to break the scoreless tie that had lasted through a singularly quiet first half. Aided by a 15-yard face-mask grabbing penalty against the Tars, Yuba moved steadily to the Marin end zone, and the 6-0 deficit meant the Tars had to abandon their conservative first-half tactics.

Minutes later, Marin moved to the Yuba 10. A Marin fumble was recovered by the Tar's Brian Laurie, but an official flabbergasted even the partisan Yuba rooters by awarding the ball to the 49ers, and at least six points vanished.

Four plays later, Yuba punted to the Marin 47, but a Tar touched the ball and Yuba recovered. After a lengthy conference, the officials decided to stock Marin with a clipping penalty, and the ball went to Yuba on the Tar 32. Steve Spurling stopped the drive with an interception at the Marin 15, but the Tars immediately fumbled again. Yuba tried for a fourth-down field goal, but the kick was wide to the right as the defense again held.

With a third-and-six on their own 38, Tar quarterback Mike Kemp sent Ray Miller on a sweep to the left, but in midstride the sophomore fullback's shoe flew off. His balance was lost, and he was caught for a loss. With a fourth down, center Bob Hermsmeyer snapped another one over the head of punter Tom Corbett — just like last week. Yuba recovered on the Marin 11, and four plays later made it 13-0. With only 5:50 left, it was Katy-bar-the-door.

# Novatans Win Over Redwood

Continued from page 29

was all smiles after the game and his voice was just above a whisper because of all the shouting he was doing from the sidelines. He knew he had to win this one and his chargers went out there to do just that.

After a scoreless first quarter, Novato put the first digits on the scoreboard with only 3:26 left in the second period. The Hornets started a drive from the Redwood 30 after a short punt of 19 yards by Giant Tom Sather gave Novato good field position. Otis and Perachiotti drove the 30 yards in six plays. It was Otis twice with six-yard gains, then Perachiotti for eight, Otis with three and then six more to the one-yard line. Then Perachiotti got the call and smashed over left tackle for the score.

Bill Coots kicked the extra point out of the hold of Tom Corder and it was 7-0.

Perachiotti, only a junior, scored his second touchdown on the first play of the final quarter, on a 14-yard scamper over right tackle. It culminated a 71-yard drive that started late in the third stanza.

Otis picked up a couple first downs during the drive on runs of seven and eight yards and fullback Mike Mazzoni picked up one on a four-yard burst as the Hornets were sticking to the ground. Then Dolinsek rifled a pass to Corder that was good for 17 yards and a first down on the Giants' 14.

After the teams switched sides for the start of the final quarter, Perachiotti broke loose for the TD. Dolinsek faked a handoff to Otis and then game to the speedy Perachiotti. He broke through right tackle and then cut to his left, outracing the Redwood secondary to score standing up. Coots added his second PAT and now it was 14-0.

Redwood came right back after the ensuing kickoff to score its touchdown. The Giants got life when a pass interference penalty on Novato defensive back Larry Stewart gave Redwood a first down on the Novato 47. It was a fourth and five pass from its own 38 as Redwood decided to gamble with time running out and 14 points behind.

Then Redwood signal caller Dane Durham threw a bomb to halfback Len Pieri, with the speedy Giant catching it on the 20 and running the rest of the way to the end zone. It was a pretty 47-yard TD play. Tom Sather's kick made it 14-7.

Redwood got its last chance to tie things up when Tim Akers recovered a Novato fumble on the Giants' 33, with 5:30 remaining in the game. Redwood drove all the way to the Novato 25 before the Hornets stopped the drive, took over possession, and run out the clock.

# Terra Linda Beaten, 19-13

Terra Linda High School's football team had an unsuccessful trip to Manteca but the Trojans showed they are a fighting bunch of boys.

After trailing 19-0 at the half, Terra Linda came back with 13 points in the second half and almost scored the tying touchdown before falling to the Manteca Buffaloes 19-13 Saturday night in a non-league scrap.

Paul Lee, junior quarterback who replaced the injured Sid Norman, was a big man in the Trojan's second half rally, doing an outstanding job in leading the Trojans. Norman, the regular Terra Linda signal caller, was injured in practice and only saw a little action near the end of the game.

Jack Baken, hampered most of the season because of injuries, also turned in a good job for the Trojans.

Manteca scored two of its first half touchdowns on passes and the third one came on a run, as Terra Linda's team had a defensive lapse. It was almost identical to the Trojan's opening Marin Athletic League game with Novato, in which Terra Linda was behind 20-7 at the half and then came back in the second half to lose by the narrow score of 20-19.

Halfback Jim Paydo scored one of Terra Linda's touchdowns on a 40-yard run and Baken scored the other on a short plunge. Terra Linda then drove toward the Manteca end zone in the final quarter, behind 19-13, needing a touchdown to tie and a PAT to win.

The fighting Trojans drove all the way to the Manteca six before the Buffaloes' defense stiffened and held. The defeat left the Trojans with a record of four wins, two losses and a tie.

Manteca gridders made it a clean sweep by downing the Terra Linda junior varsity gridders 14-6.

The Trojan varsity team gets back to Marin Athletic League action Friday night when it takes on Drake in Kentfield at 8 o'clock.

USC NEXT?

# Cal's Great Win In Final Second

BERKELEY (AP) California's latest moment of glory becomes past history today for the Bears must prepare this week for the invasion of powerful Southern California.

The clock at Memorial Stadium showed no time left when 155-pound Jerry Bradley nabbed a deflected pass in the end zone climaxing the desperation play that brought the Bears a 21-17 victory over Penn State Saturday.

"A win is always good for the soul," commented a happy Coach Ray Willsey. Looking ahead, he added, "USC is a fine football team. We will have to play our very best against them to stay in the game."

Having proved again they can bounce back, the Bears want to show again they aren't as bad as they looked two weeks ago in falling to UCLA 56-3 at Los Angeles.

They really can't be or they woludn't have won four games this season.

Coach Rip Engle of Penn State claimed Bradley pushed a defender on the climatic touchdown play. Little Jerry says he didn't.

Engle said back judge Joseph Vigna was out of position. Referee Frank Jones answered that Vigna was within two yards of the controversial play.

The score will remain as the scoreboard showed it, a victory for a Cal team which went behind 17-14 with just 42 seconds remaining.

Outgained 2-1 all afternoon, the Bears scored first when tackle Larry Lathrop pounced on a Penn State fumble in the end zone. The bobble came when Jack White attempted a handoff to fullback Dave McNaughton.

The Lions drove back for a tying touchdown with McNaughton scoring from the one, and the score stood 7-7 at the half.

California gained only 53 yards in the first two quarters but opened the third with a 57-yard scoring drive to go ahead on Hunt's one-yard run.

Penn State added three points on Tom Sherman's 31-yard field goal and went ahead in the last minute when White hit Jack Curry with a 14-yard pass climaxing a long drive.

The Lions kicked off and Cal had its final chance. On sideline passes, Bradley grabbed two from Hunt moving to Penn State's 43. Hunt was nailed for a three-yard loss.

Then with one second remaining, Hunt went back, had protection with comeback blocks by teammates and threw a straight but wobbly pass. One of the three defenders tipped it up and back for Bradley to grab.

HUSKIES ROMP

# Stanford's Bowl Hopes Clobbered

STANFORD (AP) — The Stanford Indians look to regain the victory trail next Saturday against Tulane after a humbling 41-8 weekend loss to Washington.

The Indians, with faint Pacific Athletic Conference hopes before them of making the Rose Bowl, ran into a hungry Husky team whose early season miseries already placed it among also-rans.

It was Stanford's seventh straight loss to Washington and marked the highest game total by a winner in the 42-game history between the two teams.

The loss left Stanford at 4-2-1 for the season and 1-2 in conference play, compared with Washington's 3-4 season record and 2-2 conference mark.

Davie Lewis, the Indians' real Indian, couldn't get on the warpath at quarterback, although he punted masterfully. Stanford moved across the Washington 50-yard line only twice.

Tod Hullin quarterbacked Washington to six touchdowns, passing for a pair. His favorite target was end Dave Williams, who caught 10 passes in setting a Washington record.

The Huskies ran up a 20-0 halftime lead and increased it to 34-0 in the third quarter. Husky reserves scored a final touchdown in the last quarter.

A fumble recovery by Marty Brill gave Stanford the ball on Washington's 32 in the fourth quarter. After a series of ground plays, Ray Handley ran the final three yards for a touchdown and then ran the conversion.

Stanford also lost in the statistics. The Indians were outgained 136 yards to 100 on the ground and 149 to 65 in the air. Washington racked up 19 first downs to Stanford's 11.

For Stanford Coach John Ralston it was the most lopsided defeat the Indians have had under his direction. Stanford's previos conference loss was 14-0 to Southern California. Southern California racked up Washington by 20 more points, 34-0.

## Neck 'n' Neck Battle In Yacht Race

LONG BEACH (AP)—A sleek 55-foot sloop is giving an 83-foot schooner a run for its money as 14 yachts begin the third day today of the Long Beach-to-La Paz, Mexico, International Yacht Race.

As dusk fell yesterday, Grant Hoag's sloop Vixen out of Newport Beach, Calif., was bow-and-bow beside the schooner Serena, skippered by Ken DeMeuse of San Francisco.

The pair chose a path 75 miles offshore of San Quintin, Mexico, as they passed the 250-mile mark in the 960-mile jaunt to La Paz.

The entire fleet of California yachtsmen are expected to reach the Mexican resort town at the tip of Baja California by next Sunday.

Staying almost within sight of land and racing about 12 miles behind the leaders were the Audacious, Astor and Sirius. Their skippers said the fog that plagued sailors when the race began Saturday had lifted and a northwesterly wind of 10 to 12 knots was nudging them along.

## SAUTRDAY'S HEROES

**SATURDAY'S STARS**
By The Associated Press

Floyd Little, Syracuse—Scored four touchdowns, one on 95-yard punt return, and gained 248 yards by all means of attack in 51-13 trouncing of Pitt.

Bill Anderson and Howard Twiley, Tulsa — Anderson completed a national record 42 passes while Twiley caught a record 18 passes and scored his 23rd and 24th touchdowns on passes for another national mark in 55-12 romp over Southern Illinois.

Bobby Apisa, Michigan State — Scored three touchdowns in 49-7 rout of Northwestern.

Larry Wachholtz, Nebraska — Kicked 26-yard field goal for 16-14 triumph over Missouri.

Bobby Johns, Alabama — Preserved 10-7 decision over Mississippi State by recovering a blocked field goal attempt and intercepting a pass in the final minutes.

Bill Cody, Auburn — helped beat Florida 28-17 by scoring touchdowns with an intercepted pass and a fumble.

Jim Grabowski, Illinois — Smashed Paul Giel's Big Ten career rushing record by gaining 163 yards in 21-0 upset of Purdue.

Ron Landeck, Princeton — Threw Ivy League record four touchdown passes and scored once in 45-27 victory over Brown.

Kim King, Georgia Tech — Completed 12 of 15 passes, three for touchdowns, in 35-23 triumph over Duke.

Jim Hagle, Southern Methodist — Sparked 31-14 upset of Texas by breaking open game with 93-yard touchdown run.

Jerry Bradley, California — Grabbed deflected 45-yard pass in end zone on last play of game for 21-17 triumph over Penn State.

Dale Livingston, Western Michigan — Kicked three field goals for 17-14 victory over Marshall.

Bill Campbell, Florida State — Intercepted a pass attempt for a two-point conversion, saving a 7-6 triumph over Virginia Tech.

Benny Russell, Louisville — Passed for three touchdowns and scored one for 30-10 decision over Wichita.

Billy Fletcher, Memphis State — Scored two touchdowns, ran for two and kicked three extra points for 27-12 triumph over West Texas State.

America's freeway system is estimated to have saved altogether some 4,000 lives.

# 5 Yanks Win In Australia Tennis

BRISBANE, Australia (AP)—Five of the six-man touring American tennis team survived the second round of the Queensland lawn Tennis Singles Championships today.

The sixth American player, Herb Fitzgibbon, of Garden City, N.Y., was defeated by Australian left-hander Owen Davidson after a tough match, 5-7, 6-3, 6-4, 6-4.

Davis Cup player Arthur Ashe of Richmond, Vt., had a runaway victory over Australian Henry Ladyman, losing only three games. Ashe, a UCLA student, impressed the crowd with his fiery play to win, 6-0, 6-0, 6-3.

Mary Riessen of Evanston, Ill., also had an easy victory over Australian John Fairchild, 6-4, 6-1, 6-0.

However, highly rated Cliff Richey, of Dallas, Tex., was extended to four sets before beating Patricio Roderiguez of Chile 6-4, 6-2, 4-6, 6-3.

Jim McManus of Berkeley, Calif., also was hardpressed to down John Cottrill of Australia 5-7, 6-4, 4-6, 6-2, 6-4.

Clark Graebner of Beechwood, Ohio, defeated Richard Russell of Jamaica 6-3, 6-2, 6-1.

### Tam Frosh Win

Tamalpais freshman gridders blanked Marin Catholic, 18-0, Thursday. Scoring touchdowns for Tam were Luther Brown, a 5-yard pass from Don Mackin; Carl Curry, a 23-yard run, and James Page, a 20-yard interception runback.

Frederic D. Kerr is president of the Marin Council of Community Services and Miss Florence Scott is executive director.

# TERRELL DEFENDS WBA HEAVY TITLE TONIGHT

TORONTO (AP) — When towering Ernie Terrell and rugged George Chuvalo meet tonight in 15 rounds or less they undoubtedly will be thinking of more than Terrell's World Boxing Assn. heavyweight title, which will be at stake.

They will be thinking of being not just WBA champion but of being champion of all the world.

There is an excellent possibility that the winner of tonight's fight will meet the victor of the Cassius Clay-Floyd Patterson bout Nov. 22 at Los Vegas, Nev.

Clay is recognized by almost everyone as champion except the WBA, which stripped him of his crown for signing a return bout clause with Sonny Liston before their first meeting last year.

This will be Terrell's first defense of the championship he won in his hometown of Chicago with a decision over Eddie Machen earlier this year.

In Chuvelo, Terrell, a 6-foot-6 counter puncher, will be meeting an aggressive fighter who can absorb a lot of punishment. This was seen in his losing effort against Patterson in New York last winter. The Toronto battler's game effort in that fight put him into the heavyweight picture.

Despite Terrell's five-inch advantage in height and reach Chuvalo has said he doesn't plan to alter in slam-bang, boring-in style.

Terrell also holds an edge in age—at 26 he is two years younger than the challenger — but will have a slight weight disadvantage. He probably will weigh 202 while Chuvalo is expected to scale 206.

The champion's record is 37-4. Chuvalo has won 33 of 42 fights.

A gate of more than $148,000—the previous record for a fight in Canada — is foreseen. The record was set in 1956 when Archie Moore knocked out James J. Parker in nine rounds here.

Merv McKenzie, Ontario boxing commissioner and a former WBA president, will announce the ring officials 90 minutes before the fight.

# Contest In Pie-Eating Part Of 'Spirit Week'

A "Powder Puff Football Game" and a pie-eating contest are new features of Sir Francis Drake High School's "Spirit Week," which opened today.

The seven spirit queen nominees, Diana Gibbs, Kathy Hughes, Linda Hunter, Alice Hunsaker, Karen Kritsky, Nancee Little, and Susan Travis, all of San Anselmo, were presented to the student body today, in addition to a noon rally.

"Clash Day," a day for wearing stripes with polka dots, is tomorrow. The pie-eating contest, for returning lettermen, will be on Wednesday.

Thursday, designated as "Green and White Day," will see the annual tradition of auctioning off the senior football players.

On "Slave Day," Friday, the slaves will bury their competitors, the Terra Linda Trojans, and students will dress in black to represent their mourning.

The "Powder Puff Football Game," in which a team of freshmen and sophomore girls will play a team of junior and senior girls, will be Friday noon.

The events lead to the homecoming football game Friday at 8 p.m. between the Drake Pirates and Terra Linda Trojans at College of Marin field. The half-time performance of the drill team and majorettes will be glorified by the crowning of Drake's "Spirit Queen."

A homecoming dance will be held in the girls gymnasium Saturday from 9 p.m. until midnight, honoring the "Spirit Queen" and her court.

# Two Men Killed, Boy Injured As They Watch TV

RICHMOND (AP)—Two men were shot and killed and a little boy critically wounded through the eye Friday night while watching television in an apartment.

A third man, who had been watching TV with them, was arrested.

Mrs. Katherine Bluitt, whose husband, Zorro, 25, was slain, told police she heard an argument over $187 just before the shots were fired.

The group was in the Bluitt apartment.

Bluitt held his son, Dennis, 2, on his lap. Also watching were Samuel Smith, 54, of Richmond and Lee A. Brown, 57, of San Pablo.

Brown was killed.

Smith was arrested at another residence and booked for investigation of murder. A .38 caliber pistol was found in the Bluitt apartment.

The three men were employees of Richmond Sanitary Service.

# Maternity Clinic Work Is Enlarged By County

Marin County's health and medical departments have joined forces in a new program to protect unborn children and their mothers.

The medical department now sends the health department a list of expectant mothers who come to the county's maternity clinic for the first time.

At that time a public health nurse is assigned to visit the patient's home once a month until the seventh month of pregnancy, when the visits are stepped up to twice a month.

A public health nurse has also been assigned to the maternity clinic, itself, to interview each new patient and discuss diet, problems of labor or delivery and any other subjects the patient may bring up.

She will also ask about the health of others in the family and give advice on health services they may qualify for.

The visiting nurses will also keep tabs on families after a birth takes place, seeing the mother within 24 hours after she and her baby are discharged from a hospital, visiting again a week later and arranging for check-ups by the county physician and county obstetrician.

The new arrangement was established on paper last April, but did not develop fully until more recently, mainly because the post of director of nursing in the health department was vacant.

# San Pedro Road Wreck Hurts Two

Two 17-year-old San Rafael youths were injured Saturday when their car turned over on San Pedro Road.

Anthony Ferrandini of 377 Laurel Place, a passenger in the car, told police a passing auto came too close, forcing driver John Thompson of 400 Canal Street into the shoulder of the road.

Both youths were treated at Marin General Hospital for minor cuts and scrapes and were released.
